ROADS AND GROUNDS

Bob Barr

The major water line leak by Beaver Dam has been fixed. Unfortunately, it took much longer than anticipated to make the repairs. Fortunately, due to 3 blowouts a second unknown leak was discovered. This resulted in a new better valve being put in place of the two existing valves, one of which was unknown to us and was most likely stuck in the open position.

We have purchased a water line leak detector and over the next several months I will be out and about searching for any additional leaks. This will necessitate walking between homes where they are back-to-back and behind homes where they have open space behind them. You will be able to recognize me as I will be wearing headphones, hopefully a hat, and have an orange tablet shaped device hanging in front of me along with a funny looking cane, connected to the tablet, with a sizeable transducer with a metal probe sticking out the bottom of the transducer. The device works by listening for the hiss of water coming out of a crack in the pipe, leaky valve, or a leaky pipe joint.

MAINTENANCE FEE

Gene Arend

I've been asked by one of our owners to remind you that the Maintenance Fee can be paid automatically by contacting Progressive Management, 727-773-9542, and providing them with the routing number of your bank account and the account number. On or about the 5th

TRAVEL

Gene Arend

Our Next Cruise is set for January 5th, 2025. 7 Nights from Cape Canaveral aboard the Oasis class Wonder of the Seas to St Maarten – St Thomas – Coco Cay. Interior \$969 PP, Oceanview \$1099 PP, Balcony Oceanview \$1369 PP. Deposit is \$250 PP with final payment due September 30, 2024. These rates, however, can be recalled by Royal Caribbean on any remaining cabin inventory with limited notice. Anything booked prior to a recall the rates are good. The Caribbean rates are then subject to availability. The \$50 onboard credit is only good until July 1st. To reserve contact Gene Arend, or go online to www.upcsportshub.com and click on the travel page. A cruise information form is available to start the booking process. More information is available on the clubhouse bulletin board or online on the travel page.

Summer plans for travel club events are in the planning phase. We are looking for some indoor or cool events. Being mindful of the summer weather so any suggestion is appreciated. Send ideas to briarcreektravel@gmail.com.

CLUBHOUSE RESERVATIONS

Gene Arend

Our clubhouse is a very active facility. There is a calendar posted by me on the clubhouse bulletin board for a three-month period. Reoccurring events are scheduled on the calendar as well as private events requested by owners. If you wish to have a reoccurring event each week at a specific time, please contact me so I can schedule your use. If it coincides with an existing event, I may be able to collaborate with the other group and arrange a time slot for your group. Owners are permitted to schedule the clubhouse for private use for any event they are hosting. A clubhouse request and agreement form is located in the file bin by the director’s office and required to schedule your event. The event cannot be a commercial event or meet the definition of a commercial event as described by the association documents. If in doubt check with me. There is a calendar published by the monthly media however that is not the official calendar just dates others have reported to the editor of the media. The editor is not the final schedule source for the clubhouse use.

REMINDERS

Al Hartin

FOBS

Last year the Board replaced the keys to the Clubhouse and Pool Area with FOBS that increase the safety of all residents of Briar Creek. Remember to bring your FOB with you when you are going to the Clubhouse or Pool. Do not assume that someone will be there and open the door or gate – this defeats the purpose of issuing FOBS for security.

CLUBHOUSE/POOL AREA

After use of the Clubhouse or Pool Area remember to do the following:

- Relock any doors you dogged in the open position
- Turn off lights
- Turn off any fans you used – also fans on back deck by the pool
- Return any items you used from the kitchen and, if needed, empty the trash

BRIDGE BEHIND POOL

Walk your bike or scooter or any other item across the Bridge. There are signs on both ends reminding you of this!

NAME BADGES

Al Hartin

Want to get to know your neighbors and other residents of Briar Creek. Come to Coffee Hour on Wednesdays from 8:30am to 10:00am and wear your Name Badge. Don't have one: See me each Wednesday at Coffee Hour and I will order you one. Cost is \$9.00 prepaid. You could win the \$5.00 drawing but more importantly you will meet and get to know a lot of your fellow "Briar Creekers". Hope to see you at Coffee Hour!

BINGO

Your Phase One Bingo Team

Phase One Bingo every Tuesday, doors open at 5:00pm, games start at 6:00pm. As our prep time to set up is significantly shorter than previous years, we do ask that you not enter the clubhouse until 5:00pm.

Hot dogs will be served every Tuesday from 5:00 to 5:45, and Jeff will do his best to provide a meal each Tuesday, as well. You need not play bingo to purchase food, but we do ask that you non-players wait until 5:30 so that players can get a meal and get seated. Keep an eye on the Briar Creek Facebook groups for more info, or contact Jeff Clark via phone or text at 585-613-6218.

Prize monies are growing each week and if you haven't played bingo in a few years, please give us a try.

BRIAR CREEK BIRD WALK

Bill Kaempfer

Find out more about the natural setting of Briar Creek on our monthly bird walks. We are now at 116 bird species on our all-time bird list for Briar Creek, and we added one on our March walk. In March, on the 1st, six of us saw 36 species. Our new addition to the park list was a Black-throated Green Warbler seen in the oaks along Birch Creek Drive. In the boat parking area, a Hermit Thrush (only the second time for this bird!) perched on the sign marking space 11, and we all got good close-up views. Other highlights included Nanday Parakeet, Limpkin, and Northern Parula Warbler. Check this URL on the internet for the complete list: ebird.org/checklist/S163336328

Early April is the peak of spring migration along the Florida Gulf Coast so come on out for our walk on Friday, April 5th. We meet at 8:00 a.m. and usually walk about 90 minutes up and down our streets and out to the canal. We meet at the Phase 1 Clubhouse, wear sturdy walking shoes, and bring binoculars, if you have them. If you have a golf cart and want to ride along with us just give me a call in advance.

BRIAR CREEK BRIDGE

Bill Kaempfer

Briar Creek Bridge meets every Tuesday from 12:45-4:00 in the Phase I Clubhouse. Everyone is welcome—Phase I, Phase II and non-BC bridge players—and you certainly don't have to be an expert to join in. Just give me, Bill Kaempfer, a text, call (303-717-5063), or email (Kaempfer@Colorado.edu), if you are interested in joining us and playing.

Jane McKenzie

Enjoy discussing books chosen by the members. Our book club **will now be meeting on the fourth Tuesday of the month**; however, we do not meet May through October. Some months we will meet in the Phase 2 Clubhouse and some months at a local restaurant. The April book is *Demon Copperhead* by Barbara Kingsolver. We plan to meet on April 23 at 1:00pm at Eve's Family Restaurant in Woodland Square, Oldsmar. Our next meeting will be in November—watch for more details. Please contact me if you are interested in joining or have questions.

Briar Creek Bugle Phase II – APRIL - 2024

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: ploranger006@gmail.com)

Board of Directors:

Sam Oliverio – President

Where has this Winter Season gone? Can this actually be the April issue of the Media? By this time, our “Seasonal” neighbors are readying their plans for their return trip to the “other” home just as our weather is becoming the main reason that we “full timers” remain here. We’ve had a busy Winter here, and I’m happy to say that we have completed some of the to do list that we have started and are continuing to cross off the punch list as we go along.

The exercise room has had a much needed facelift thanks to Bob Raynor and his Team of volunteers as well as the Bocce Ball Court thanks Ron Steinacher and the wonderful group of volunteers who have made it like a brand new amenity. Bill Russo and his water pressure testing group have been steadily working to visit each home to determine if water is being wasted thru leaks. Ed Prevost and Chris Lund have completed painting the water valve boxes thru the Community. The fob system has been updated to assure that we don’t face a lock out if our computer goes down. By this time, we have replaced the front doors of the Clubhouse, as well as the back doors to the pool and the exercise room. The Southeast door of the Clubhouse had the locking mechanism replaced as parts were broken inside. Finally, the bathroom renovation project, led by Tom Feeley, is going strong with proposals received from plumbing contractors, and the tedious work of making sure the details fall into place for a smooth progression to completion. I can’t thank our volunteers enough for giving their time and talent to making our community the great place that it is. There are so many more people who are responsible for all these deeds than I’ve mentioned here and I am forever indebted to you.

Thank you one and all.

Bob Raynor – Vice President

The BCII 2024 bazaar is over and sales were over \$11,000. Wow, an over-the-top financial success. But it got me thinking about how easy it is to view success simply in terms of the money made when, perhaps even more importantly, true success should not just be thought of in terms of the result but how it happens to begin with. In the few days leading up to the actual bazaar and on the sales days, one could not help but notice all of the inventory for sale and the number of volunteers who were involved in the event itself. Over the last 12 months, residents have generously contributed goods, services and volunteered their personal time for no other reason than to raise money for our community and, with few exceptions, it happens every year.

In one very symbolic way, each year’s long journey to bazaar day is a symbol of all our

other activities and volunteering of good people coming together in a sense of community that is really what makes BC such a wonderful place to live. Residents, who come from different backgrounds, diversity, and ways of thinking come and go. But the one thing we have in common is to think of true success, not just in terms of the reason for the sale, but more importantly, how collectively, a great group of people move beyond our own needs to come together as a community to make good things happen for the betterment of all of us.

Philip Chabot – Director Phase II - Garage, Lawns, Ponds and RV Lot

This month I would like to share some thoughts about wildlife associated with our lakes and ponds. As many of you already know or should know that wildlife here in Florida is part of our daily life but associated with that are dangers and some very important common-sense rules. Posted along our water ways you will see signs that specifically say “Do not feed the

Alligators” or “Do not feed or Molest the Wildlife”. This includes but is not limited to any animal that would not live in your home (non-domesticated).

There are many reasons why you should not feed all wildlife here in Briar Creek or anywhere in Florida for that matter but the most important is that once you start there is no turning back. You are doing them, yourself and all your neighbors here in Briar Creek a huge disfavor. These wildlife animals will return day after day after day and expect the same “treat”. The reason these animals are called wildlife is because they live in the wild.

These are non-domesticated animals which search for food on their own and take care of themselves in the wild. If you are a good neighbor and don’t feed the wildlife....thank-you, thank-you, thank-you. If you have or currently feed wildlife, PLEASE STOP! As a director and in charge of these lovely lakes and ponds I hate the thought of having wildlife euthanized because someone decided to feed and try to domesticate wildlife causing imminent danger to humans and our domesticated animals here in Briar Creek. Let’s work together to keep up the beauty of our park with its natural resources of wildlife and scenery alive and well. If you see a neighbor feeding or molesting any wildlife here in Briar Creek, please let one of your directors know so appropriate action can be taken. Thank you all for being part of Briar Creek!

Jim Tashjian - Director

April is here! The days are longer and the weather is warmer. Perfect conditions for completing those outdoor projects you’ve been considering. It is also the perfect time to discuss projects you may want to tackle over the summer months. As you know, many of our residents do not live here year-round. Even some of our board members (myself included) are snowbirds. Don’t worry, during the summer months alteration requests are still reviewed and approved by the board of directors; they just may take a little longer to process. That said, here is my recommendation to avoid such a possible delay. If you have a project you are considering for the summer, go ahead and submit your alteration request this month. I will

...continued on page 20

make sure that there are extra forms available and will work hard to get all requests processed quickly. If approved you have a whole year to complete the work. It's just that easy. Plan just a little in advance and avoid a minor delay. Alteration request forms can be found just outside of the office door in the library area of the clubhouse. Once filled out they can be left in the office door mail slot or in my "rock box" at 193 Clubview Dr.

Be safe and thank you for keeping BCII beautiful.

Joan Davis – Treasurer

FOBS

As you are aware of our clubhouse being locked and we all need to use our FOBs. I will be going through the computer checking on lost FOBs. These will be deleted from the system. I would appreciate from you if you have a lost FOB and notify me. This will keep our system updated and not allow anyone to use someone else's FOB. Thank for your help. Joan Davis, 727-726-4829 or JoanofArt131@aol.com

SELLING OR RENTING YOUR HOME

Just a Reminder to Homeowners there is paperwork that needs to go thru Progressive Management. These forms need to be filled out Completely and Signed before Board Approval. Also application for Background Check completed and signed along with check for process. If you have questions please feel free to call me. Joan Davis

BOARD MEETINGS

The 3rd Tuesday of every month from October till May at 7:00 pm is blocked for Board of Director's meeting.

From Bob Raynor, Vice President

Let's face it. How many of us would rather find out that cake is the magic pill that enables us to lead an active life that involves the best possible physical and mental health with no meds and no physical or mental deterioration? That would make me happy but probably won't happen.

I've been waiting for The National Council on Aging (NCOA) to put out something that supports ice cream but, I guess, dreams don't always come true. What the NCOA has said, is that the closest thing found that's close to a magic pill for combating the affects of aging is exercise. The benefits of exercise in preventing or managing chronic conditions can influence longevity as well as the quality of life during the aging process. We all know that, we just prefer cake. But what if we could have our cake and eat it too. One way to do both is to exercise.

That's why we renovated our exercise room to make it a special, four seasons facility that

Social Club

Carol Smitley, Pres.

For those of you who attend our Saturday coffee hour are aware of our 2024 Social Club Board. But for those of you who do not attend, our President Elect for this year is Marge Groskopf, Vice President is Bonnie Briggs, Corresponding Secretary is Amber Oliverio, Recording Secretary is Carol Rodrigues, Past President is Pam Edwards and of course our

Treasurer is Pete Loranger.

Robin Feeley as agreed to collect for the Humane Society, Amber Oliverio will collect for The Haven and Arlene Skolnekovich will be our Bereavement Chairperson.

Now, on to a different topic, I would like to congratulate Maureen and Wayne Wlodarczyk, chair of the bazaar, as well as all the volunteers, that made 2024 one of the most successful bazaars in a long time. I think we all have experienced the comradery of working together for the common good. It wasn't just one or two days, but it was the whole year. And some of those days were mighty hot.Now on to 2025., may it be just as big or even better.

We have added so many things to our calendar this year, for instance, cribbage, opera, karaoke and now a talent show.

The Blue Zones

Dr. Marty Finkelstein

In 1999 journalist Dan Buettner led a series of expeditions with National Geographic to discover the world's longest living populations and what those people had in common. The 5 regions outlined became known as The Blue Zones where living long healthy lives were common. These lifestyle habits known as the Power 9 then was outlined in his book and which is now a Netflix special series. The Blue Zones.

1. Natural Movement- engaging in physical activities like sports, gardening, hiking, walking.
2. A Sense Of Purpose- a reason for waking up in the morning. People who have intention be it, in work or play. Regardless of age maintaining a sense of purpose.
3. Reducing Stress- these people engage in activities that reduce and manage stress. Also creating time for resting, meditation, and gathering with friends.

4. Avoid Over Eating. These people tend to eat smaller meals and sustain from late night eating.
5. Plant Centric Diet- meals consisting of mostly plant sourced food. Animal proteins consumed in smaller amounts. Most diets align with a Mediterranean way of eating. Vegetables, whole grains, fruits, beans, nuts, olive oil.
6. Red Wine- I know you are probably glad to hear that. One to two glasses daily.
7. Social Networks- being connected to groups.
8. Spirituality- having a practice and strategies of feeling connected to the spiritual essence of who you are.
9. Family- having connection with family be it bloodline or otherwise. People we consider family that we empower with love.

I like to add living in Safety Harbor being surrounded by the beauty and miracles of life each day and feeling grateful for this time in our lives and the people we share it with.

So check out the series on Netflix. A very interesting and fascinating look into the simplicity of longevity and wellness.

Sit & Stitch

Darlene Beyer & Sandy Fassett

We are in need of knitters and people who crochet or knit, to help us with our community project of suppling shawls and lap robes to the chemo centers. Having sat with my mother when she was receiving treatments, I realized what these patients would greatly appreciate. These treatment areas are kept quite cool so this is one of the reasons we started this project.

If you would like to join us on Mondays from 1:00 pm to 3:00 pm, we would really appreciate your help with making these items. Some people like to knit or crochet at home which is OK. For anyone who wants to make these items, contact us and we will give you the size and any other info you need. We use mostly a very soft yarn, which is Caron knitting worsted which comes in solid colors in a 16 oz. Skein which makes one shawl. Another Caron yarn comes in a variegated 12 oz skein. We try to buy these skeins when they are on sale.

If you don't knit or crochet and would like to contribute to the project, we can always use monetary donations to buy this yarn.

We thank you in advance for any of your help or contributions.

Any questions you may have, please feel free to call either Darlene at 727-403-9957 or Sandy at 727-424-6045

Ladies' Luncheon

Darlene Beyer

I have a nice surprise for you. We are finally going to Bahama Breeze restaurant which is located at 3045 N. Rocky Point Dr., East, on the edge of Tampa. Directions to get there are left onto McMullen Booth, to left on route 60. Take Route 60 over to, the outer edge of Tampa, and turn left at the light onto N. Rocky Point Dr. E., which is at the end of the causeway before you enter Tampa. It will be on your right at the address given above.

The prices seem quite reasonable, and has quite a variety of foods and I am certainly sure you will enjoy the scenery. Hope you all can come. If you need further directions or haven't signed up for this luncheon, please call Darlene at.727-403-9957 and I will be happy to help you.

I feel that it would be best to carpool going to this restaurant

Travel Club

The Travel Club's next event on April 14th. is at the Early Bird Dinner Theater. The show, **Underpants**, a play adapted by Steve Martin, is a riotously funny farce involving an uptight bureaucratic husband and an - oops- wardrobe malfunction. Steve Martin brings us a hilarious look at sudden fame and the crazy things people do when they're in the grip of romantic fever. We hope everyone has an enjoyable evening.

with the opulent spectacle of his final masterpiece. *Turandot's* eternal theme of love triumphant over barbaric cruelty, combined with the lush romantic beauty of Puccini's music makes the composer's final masterpiece one of the best-loved works in the entire operatic repertoire. Eva Marton, one of the greatest Turandots of all time, takes the central, highly demanding title role. Sensational young American tenor Michael Sylvester sings the role of Calaf (his *Nessun Dorma* from Act III is arguably the most famous aria in all opera). Commissioned in 1991 by the Lyric Opera of Chicago, it is the sets and costumes, designed by the noted British artist David Hockney, which make this Turandot particularly special. Our video is the 1994 production from the San Francisco Opera. (123 minutes, sung in Italian with English subtitles.)
