## Fairway Social Committee (FSC)

Ronnee Patterson, FSC Chairperson

**Y**ikes!! It's April already and it seems like the season just started. This was probably the coldest and busiest winter Fairway Village has ever seen. We were bundled up on the golf course and the clubhouse was hopping. We had some weekends with events happening 3 nights in a row. We're so lucky to live in such a vibrant community.

Before the snowbirds leave, we still have a golf scramble and dance both happening on April 6th. Check the calendar for all other activities this month. Elizabeth Andrew, a creative writer, said "*Volunteers do not always have the time, they just have the heart*" That perfectly sums up how Fairway Village thrives. So many residents are stepping up and volunteering their time and energy to make all our activities and events run so smoothly. Thank you all, especially the event leads who either take on the responsibility of an existing event or bring in some new entertainment for us.

Now is the time we must acknowledge and thank Sherry Moore for all her hard work and dedication during her time as chairperson of the Fairway Social Committee. Nobody worked harder than Sherry for Fairway Village. She certainly set a high bar for me as I take on this position. Thank You Sherry!

Health and Happiness, Ronnee

## Koffee Klatch

Melinda Baker

**D**on't miss out on getting together with friends and neighbors before all the Snow Birds start heading back North. Come enjoy a great variety of doughnuts and a hot cup of coffee or tea. Koffee Klatch will be held **Saturday, April 20th from 8am-9am**. We encourage you to bring your own coffee/tea mug. Please sign-up on the bulletin board in the Clubhouse, making sure you include your last name and lot number. We have had a lot of no shows, so make sure you show up if you sign-up. The sign-up sheet will be removed **Wednesday, April 17th at 5pm**.

## A.M. Exercise

Janice Wilkinson and Lisa Pelletier

**T**he morning exercise video classes for this season will be ending on **Friday, April 5**. We hope you enjoyed exercising together this season – see you in the Fall!

# Hurricane Preparedness – Be Prepared

Nancy Whitford

Many thanks to the residents who attended the Hurricane Preparedness seminar on March 19th. Your knowledge is power when it comes to a disaster of any sort and being prepared is key. Having the tools and information makes this possible.

I also want to say thank you to your committee who makes sure Fairway Village is always prepared. They assist with everything from checking districts, helping neighbors, delivery of hurricane guides, and clean up after the strong storms; just to name a few. Fairway Village is always prepared!

## No April FOOLS here! 5 Ways to Sharpen Your Brain

Do you find yourself struggling more often with focus, mental tasks and memory? Aging often seems to steal our ability to focus on a task, process and analyze a problem, and remember important things like appointments or “*Why did I walk into this room?*” But AGING is not a disease, and not the primary reason for cognitive decline. Systemic, low-level inflammation feeds this problem like gas on a fire, killing our brain cells. Here’s 5 foolproof strategies proven to build better brains:

1. **YOGA** – You don’t have to attend a class, but it helps. Think posture, breathing and meditation. Meditation can be as simple as sitting quietly for a few minutes and repeatedly redirecting your brain to focus on *this* moment, or *this* breath.
2. **HIIT** – High Intensity Interval Training needs to happen *most days* of the week. Get your heart pumping, whatever that looks like for your body. Try 30 seconds fast, 30 seconds slow. Even a 5-minute session will make a huge difference. Music helps!
3. **NUTRITION** – Avoid inflammation stoking foods like sugar, saturated fat and anything refined – look at the label and if it’s got a long list of junk you can’t pronounce put it back on the shelf. Eat whole foods, mostly vegetables. Healthy fats like olive oil, avocado and nuts are good for your brain.
4. **SLEEP** – Strive to get 8 hours. Finish eating at least 2 hours before bedtime so your body can do the work of cleaning house (bye bye inflammation) instead of struggling with digestion while you’re lying down, ugh. Turn off electronics and read something pleasant or listen to music or meditate. Keep a routine as much as possible, you’re training your brain!
5. **CHALLENGES** – Do something *different!* Mastering a crossword puzzle every day is not helping. What sort of mental challenge do you avoid? **DO THAT!** Learn a new language, join a social club you’ve been avoiding, play a new game. Turn off the TV that is turning your brain into a lazy sponge – make your brain *work*. Exercise isn’t only for making muscles stronger.

Small steps will make a big difference for your brain. Using these tactics, you will not only increase your cognitive prowess, but also help avoid other common diseases associated with aging. Don’t be shy with your health: Get advice from a pro if you’re not sure where to start. You can become *stronger, healthier, sharper*, and truly more able to enjoy the beauty and wonder of springtime!

# Shuffleboard Club News

Martha Russell

Congratulations to all the winners of the February 20th Social Shufflers Tournament. Winner's pictures were posted on Facebook in a hot minute; thank you Madolyn McMahan and Irene Sheardown. A big thank you to all the volunteers who helped out during this great event. All the winners are listed below.

## Main Event Winners

Mike Kemp - 1st place, Joann Jessey - 2nd place, Jim Sheardown – 3rd place, Jim Hayes – 4th place

## Consolation Event Winners

Danny McFadden – 1st place, Fred Hiner – 2nd place, Ron Chisholm – 3rd place, Marta Smith – 4th place

As usual, the Shuffleboard Banquet, held this year on March 19th, was a grand gathering. The potluck contributions created a smorgasbord of delicious food. A sincere appreciation to Madolyn McMahan for chairing this event with her outstanding team of volunteers.

## Blue Shirt 2023/24 Season Standings

It was a fun chilly season; congratulations to all!

Sunshine Wednesday League – 2nd place, Blue Sky Friday League – 4th place

We, the Shuffle Teams, Blue Shirts and Social League are heavy hearted at the loss of our dear friend Ron Moran who passed away after a battle with health issues. He and his/our precious Lucia's absence was felt by all. Condeolences to the entire Moran family. We still have prayers for strength to our incredible Lucia; you are so missed. We are blessed to have had you in our daily lives for six months of each year.

## Tournaments

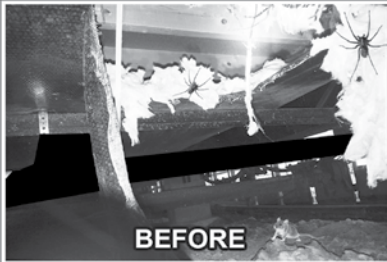

This season, which was different in many ways worked out incredibly well. With the new generations moving into Fairway we have experienced such great volunteerism, thank you. Make sure to call when you return, we are in need of new blood shufflers.

We so much appreciate our loyal teams; we have our eyes on Social Shufflers too. Thanks to Glenn Russell and team of volunteers for chairing the Social Tournament for 13 years. However, it was so different being 'Moran less'. Rest in Peace our dear Ronald.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

## If you can't beat 'em — start your own company

Mary Kay Ash, who would later found the \$2-billion-a-year company Mary Kay Cosmetics, once worked for Stanley Home Products. There she learned the direct marketing scheme that would bring her fortune and fame. According to Anecdote.com, she once received an incentive reward: a flounder light. The company had given her a light that she could clip onto waders when she went fishing. Mary Kay did not appreciate the gift.

Later, at the same company, she found out that she had been passed over for a promotion that was given to a man that she had trained. She learned that men were making \$50,000 a year and she was only pulling in \$25,000. That was all the incentive she needed. She took a month off, gathered up \$5,000 and started her own company.

Her rewards for employees: pink Caddies.

## Oprah shares the secret of her success — learning to be herself

Life should teach you who you are, according to Oprah Winfrey in a 1997 commencement address she gave at Wellesley College. The talk show host and media mogul says that life's everyday experiences will teach you who you are — moment by moment. How did she learn this? Oprah says for a long time she spent her life wanting to be someone else. She says when she first saw Diana Ross with the Supremes on The Ed Sullivan Show she thought, "I want to be like that." However, she says it took her some time to realize that no matter how many diets she tried—she was never going to have Diana Ross's thighs.

Later, when Oprah was an anchorwoman, her news director told her that her hair was too thick and her eyes were too far apart and that she needed a makeover. Oprah found herself sitting in a French beauty salon. There she had a French permanent put on her hair. The perm burnt her, but she didn't have the confidence to say that it was hurting her. She ended up bald a week later. She had to go on air as a bald news anchor.

Oprah also says she wanted to be like Barbara Walters, and discovered she was not when she could not pronounce "Barbados" on air. "That may be 'Barbados' to you but it was 'Barb-a-does' to me," she said. She said she started to laugh on air — which was not very Barbara like. But Oprah felt OK about it, because she was being who she really was—finally. From that moment, Oprah says she knew that she could be a better Oprah than a Barbara, and though she still kept Barbara as a mentor, she decided to pursue just being herself once and for all. Her phenomenal success was the result of being "demoted" from news anchor to talk show host.

"I am just thrilled that I get paid so much money every day for just being myself, but it was a lesson long in coming, recognizing that I had the instinct, that inner voice that told me that you need to try to find a way to answer to your own truth was the voice I needed to be still and listen to."
