### Happy New Year!

**R**eminder: The library is currently on hold for accepting new books, as we have reached capacity for the allocated space. Please **DO NOT** leave any items in the library for donation. We will, however, continue to accept books that are being returned that were borrowed from the library.

Once we can reorganize the library and donate some of the less popular books, we will start accepting donations again. As always, we **NEVER** accept cookbooks or any other donations except puzzles. Please donate these items to an appropriate charity or resale shop.

 **Regency Heights HOA – Board of Directors**

**T**he HOA Board has been advised that a new prospectus is in the works. When residents receive an amended prospectus, we hope that all residents will review the changes and voice their concerns to Sun Communities management. Residents in Mobile Home Parks have rights as set forth in FS723. When it comes to changes in park rules, FS723.037 sets forth that residents can formally meet with management.

***FS723.037 Lot rental increases, reduction in services or utilities, change in rules and regulations, and mediation.***

(4)(a) A committee, not to exceed five in number, designated by a majority of the affected mobile home owners or by the board of directors of the homeowners' association, if applicable, and the park owner shall meet at a mutually convenient time and place no later than 60 days before the effective date of the change to discuss the reasons for the increase in lot rental amount, reduction in services or utilities, or change in rules and regulations.

As the terms of the current HOA Board are expiring, it would be up to residents to select a committee of not more than five in number to meet with Sun Communities management.

As stated in the past few months, all positions on the HOA Board are available, and elections will take place in February should any candidates present themselves.

## Monthly

---

**Book Blitz Month.** This is a time for authors of all genres to put themselves out there and promote their work. For the rest of us, it's a time to celebrate literacy, set personal goals to read more, and curl up with a good book.

**National Braille Literacy Month.** Developed in the 19th century by Louis Braille, this tactile system allows visually impaired and blind individuals a way to read, write, and learn.

**International Creativity Month.** Whether you're a homemaker, student, employee, employer, or retiree, this is the month to challenge yourself and your usual way of doing things. Try something new, explore, innovate, broaden your horizons of expression, and create something.

**Hot Tea Month.** Black, white, green, herbal, oolong, Darjeeling, Ceylon, chai—the list can go on for several pages. There are thousands of teas and blends to try. Find a new favorite and warm up with a cup of fragrant goodness this winter.

**Self-Love Month.** Many of us have already promised to become better at being better this year. Why not start by showing yourself some TLC? Find a way to honor, appreciate, and love yourself this January.

## Weekly

---

**Elvis Presley Birthday Celebration Week, Jan. 7-11.** If you can make it to Memphis, you can walk in the footsteps of “The King” and visit Elvis’ estate, Graceland, where plenty of activities will honor the legendary singer.

**Universal Letter Writing Week, Jan 11-17.** Since 1971, the Universal Postal Union has held a letter writing competition for young people age 15 and under. The event is a way to promote both literacy and the development of composition skills throughout the world. The theme of this year’s contest asks writers: “Imagine you are a letter travelling through time. What message do you wish to convey to your readers?”

**Healthy Weight Week, Jan. 18-24.** This isn't about diets or the latest weight loss trends. A healthy body image is the key to establishing realistic goals and strategies that will help you to achieve and maintain a healthy weight and body mass. Factors such as age, bone structure, height, and physical ability should also be considered when developing personal health standards. Check in with your physician before making any changes to your diet, nutrition, and activities.

**National Clean Out Your Inbox Week, Jan. 21-27.** This can be a challenge of epic proportions for those who don't prioritize, sort, and organize incoming emails. Use this week to unsubscribe from or change delivery preferences for electronic communications cluttering your inbox. Save only what's necessary. Delete, delete, delete.
