Susan Grippin

Hello fellow BSW friends and neighbors. Well, we made it through the holidays and are moving full speed ahead into 2026. It was a wonderful holiday season with so many activities and such good socialization, friendship and neighborly love. February is here and we're pleased to share love, warmth and a dash of sunshine with you all. Whether you're settling into a new place or enjoying the familiar vibes, we hope you'll find joy in all of our Bayside Water's activities. We will have one of my favorite events, Valentine's Day celebration, on February 14th. Looking forward to seeing you there, weather you are single or a couple. That's one good thing about all of our Social Club events, you do not need to have a partner or spouse to attend. Everyone has a fantastic time so let's make February a month to remember.

Food Giveaway

February's Food Giveaway will be held on Wednesday, February 4th beginning at 1:00 p.m. in the Clubhouse. This event is sponsored by Good Neighbors. If you know of a neighbor that could use some food and cannot attend this function, you are welcome to pack up a bag of food for them (at the end, approximately 1:30 p.m.), when everyone has had a chance to go through the tables first. Please make sure you check with this neighbor to make sure they have no food, nut, gluten or dairy allergies. We usually have lots of food left over where everyone can come back a second time. Thank you to Greg Schmidt, as well as volunteers that come to help out to always make this a success. We are grateful for all the wonderful food that is provided for us to enjoy for free. Spread the word to other neighbors that may not know about this event.

Free Breakfast

Dedicated Senior Medical Center will be providing a free breakfast in the Clubhouse on Saturday, February 7th at 9:00 a.m. in the Clubhouse following the 8:00 to 9:00 a.m. Coffee Klatch. We welcome all new residents or any existing residents to come join us for good socialization and to hear all the latest events and information going on in the park. Bring a neighbor. There will be a Board meeting following afterwards at 9:30 a.m. in the Cardroom for all the Board members. See you there!

Monthly Luncheon Tuesday February 10th
(Carolyn has sent you her write-up for this month.)

General Meeting

We will have our monthly General Meeting at 9:00 a.m. on February 14th, following the Coffee Klatch. This is a very important meeting and all Social Club Members are welcome to attend and vote. You cannot have a vote unless you are a Social Club member. If you wish to become a Social Club member, please see Susan Grippin

Bayside Waters Social Club Election Notice

The Annual General Meeting and election for the Bayside Waters Social Club will be held on Saturday, February 14, with voting open from 8:00 a.m. to 9:00 a.m. Members will vote for Officers and the Board of Directors. We are currently seeking four new board members to fill upcoming vacancies. If you are interested in serving on the Social Club Board, please contact Yvonne McDaniel, Pat Medina, or Ralph Scunziano. The Board meets only six times per year, during the winter and spring months. If you wish to run for a position, you must submit a Letter of Intent, in person, no later than one week before the election. Letters may be submitted to the Chairman or any member of the Nominations Committee.

All Social Club members are encouraged to consider serving on the Board. It's a great way to gain a better understanding of our planned activities, contribute to the community, and get acquainted with many new friends in the park.

Memberships for the 2025 calendar year are still available for \$10 and will be sold through March 31st. You must have an active, paid social club membership to vote. Please note: the next membership year runs from April 1, 2026, through March 31, 2027.

Valentine's Day Celebration Party

We will be having our annual Valentine's Day Celebration Party on the evening of Saturday, February 14th. Doors will open at 5:30 p.m. and Italian themed meal will be served from 6:00 to 7:00 p.m. The band, a new band for us, Sue and the Survivors will be playing great music from 7:00 till 10:00 p.m., so put your dancing shoes on!

Lot Owners Annual Meeting

The Bayside Waters Lot Owners Association, Inc. will hold its **Annual Meeting on March 1, 2026, at 1:00 p.m.**

The meeting will take place in the Bayside Waters Dining Room.

All lot owners are encouraged to attend. Annual memberships will be available at the door.

2025 New Year's Eve Celebration

Ralph & Shelley Scunziano

Wow! What a way to ring in 2026!! DJ Tim with his soulful sounds and great music had everyone on the dance floor kicking up their heels. It was an awesome crowd and most everyone stayed to watch the ball drop and wish each other Happy New Year. Such a fun time!! A beautifully decorated clubhouse coupled with great friends and family, fabulous food prepared by Angie and her "helpers" helped create a memorable end of the year celebration.

A special thank you to everyone who came to help take down tables, decorate and assist in the kitchen. Without you we wouldn't have been able to pull off the event.

Wishing everyone a happy and healthy 2026 and more fun times in Bayside Waters.

Koffee Klatch

Florence Miller

Everyone is welcome at the clubhouse every Saturdays at 8am. Donuts from Sun Shine Bakery. \$1.50 for donuts, and 50¢ for coffee. Information on upcoming events will be announced.

8 ball Players

Marshall Giles

Looking for a fun, social way to spend your Thursday afternoons? We'd love to invite you to join our growing group of pool players for 8-ball at the clubhouse! We currently have about six regular players, and we're always excited to welcome new faces.

We meet every **Thursday at 1:00 PM**, gathering for friendly games. Our games are light-hearted, supportive, and a great way to meet neighbors and make new friends.

Whether you want to improve your game, enjoy some friendly competition, or just spend time with great people, you'll find a spot at the table with us. If you're interested, simply stop by on Thursdays at 1:00 PM

Come rack 'em up with us and be part of a fun weekly tradition. We hope to see you there!

Shuffle Board

Marshall Giles

The Shuffleboard Evenings Return to the Courts

The shuffleboard courts have been quiet lately, but a small group of residents is working to bring them back to life. We're excited to announce that shuffleboard play will now take place every **Tuesday evening at 7:00 PM**.

With six courts available, we have plenty of cues and discs for anyone who'd like to join in. It's a wonderful way to enjoy our Florida evenings and get a little exercise. We hope to see you on Tuesday nights!

Take care

Meeting of minds

The famous movie actor/director Charlie Chaplin once met the world-renowned physicist Albert Einstein at a public event. According to the Storypick website, Einstein told the comedian: “What I most admire about your art is your universality. You don’t say a word, yet the world understands you.”

To which Chaplin replied, “True. But your glory is even greater. The whole world admires you, even though they don’t understand a word of what you say.”

Mistaken identity

Even Queen Elizabeth II sometimes goes unrecognized. A story from the Hello magazine website tells of a time when the queen’s car drove up to the Royal Windsor Horse Show in 1991. A guard walked up and told her, “Sorry, love, you can’t come in without a sticker.”

Unfazed, her majesty answered, “I think if you check, I will be allowed to come in.”

He did, and she was. The guard admitted later that he’d thought the queen was just “some old dear” who was lost.

Penalty box

Gordie Howe was one of the greatest hockey players of all time. One night his team, the Detroit Red Wings, was playing the Toronto Maple Leafs at Maple Leaf Gardens. Howe believed one referee was favoring the home team, so he skated over and asked, “Hey, refer, what would you do if I called you a homer?” (a sports official who makes obvious calls for the home team.)

“I’d have to give you two minutes in the penalty box,” the ref replied.

“What would you do if I only thought you were a homer?”

“I couldn’t do anything. Your thoughts are your own.”

“Good, because I think you’re a ----ing homer!”

And yes, Howe got two minutes in the penalty box.

A little praise

As a speechwriter for presidents Ronald Reagan and George H.W. Bush, Peggy Noonan introduced such phrases as “a thousand points of light” into the vernacular. But she derived her greatest personal satisfaction from a simple note of praise.

As recounted in her book, *What I Saw at the Revolution* (Ivy Books), four months into her job as Reagan’s speechwriter, Noonan had yet to meet the boss. Then he returned the draft of one of her speeches bearing the hand-scrawled words “Very Good.”

Noonan was overjoyed—so overjoyed that she cut out the note, taped it to her blouse, and walked the halls beaming with the pride of a schoolgirl who’d suddenly discovered she was teacher’s pet.

Handling the press

Rock star David Bowie knew how to charm reporters. According to the Digital Spy website, when a magazine ran a series on some of the journalists who’d interviewed him over the years, they discovered that he’d played the same trick on them over and over again:

Bowie would schedule a 45-minute interview. When his aide came in to show the reporter out, he’d say, “Look, I know we’re on a schedule, but we’re having such fun here, could we do an extra 15 minutes?” Every journalist felt flattered by the attention, which usually resulted in a positive review of whatever album Bowie was publicizing. Only years later did they realize that he’d scheduled them for a full hour all along.

Daydreaming can be good for you

Daydreams aren't necessarily a waste of time. We daydream for different reasons, but it can have a positive affect on your life and career. Consider these facts about daydreaming from the LiveScience website:

- Daydreaming can be controlled—up to a point. Most people daydream intentionally because they're bored or working on something simple. When tasks require more concentration, drifting off is less frequent, but still happens.
- Blinking is a clue. Wonder if someone is daydreaming while you're talking? Look closely at their eyes. Studies show that people blink more often and more rapidly when they daydream.
- Daydreaming can help with problem solving. Let your mind wander when you're working on a tough problem. Scientists have observed that the areas of the brain involved in problem solving turn more active when we daydream.

These thoughtful habits can spark your imagination

Even if you don't think of yourself as the creative type, you can always amp your imagination up with a little effort. Keep this advice in mind when you're searching for an original idea or an innovative solution:

- **Meditate.** Spend some time each day visualizing something pleasant and peaceful. It doesn't have to relate to anything you're working on—just picture a lake, a forest, or even a loved one. You'll relax your brain and body while creating a mental environment that attracts fresh thinking.
- **Pretend.** Look at ordinary objects around you and pretend they're something different. Your pen is a magic wand, for example, or a pair of scissors is a spaceship. Explore the premise, and you'll teach your mind to look at everything a little differently.
- **Try something new.** Break out of your routine on a regular basis. Read a book on a subject you're unfamiliar with, try a new sport, talk to someone you don't know well. Different experiences can help loosen up stiff ways of thinking about things.
- **Commit some art.** Try sketching a picture or writing a poem. It doesn't have to be a masterpiece. Just give yourself mind and body space to roam in a fresh direction. You may see and hear the world differently later.

Quotes:

Every child is an artist; the problem is staying an artist when you grow up.
—Pablo Picasso

It is better to fail in originality than to succeed in imitation.
—Herman Melville

Monthly

African American History Month. An annual observance to recognize and commemorate African American culture, African American History Month (or Black History Month) is celebrated annually in the United States and Canada in February, and in the United Kingdom in October.

Dog Training Education Month. Every day of the month, perform one training activity with your dog: jumping, herding, racing, etc. By the end of the month, you'll notice an improvement in your dog's temperament, and you'll share a closer bond.

National Haiku Writing Month. Write one haiku a day throughout February—the shortest month for the world's shortest genre of poetry. Don't think writing a good haiku is easy, though. As French philosopher and literary theorist Roland Barthes once observed, "Haiku has this rather fantasmagorical property: That we always suppose we ourselves can write such things easily."

Teen Dating Violence Awareness Month. A national effort to raise awareness about abuse in teen and 20-something relationships and promote programs that prevent it. One in three teens in the United States will experience physical, sexual, or emotional abuse by a partner in a relationship before they become adults. Spread awareness, and stop dating abuse before it starts.

Weekly

Burn Awareness Week, Feb. 1-7. Observed the first full week in February, Burn Awareness Week is intended to provide an opportunity for burn, fire, and life safety educators to share the message of burn awareness and prevention in communities around the nation.

National School Counseling Week, Feb. 1-5. This year's theme, "School Counseling: Helping Students Realize Their Potential," will focus public attention on the unique contribution of school counselors and highlight the tremendous impact they can have in helping students achieve school success and plan for a career.

Children of Alcoholics Week, Feb. 8-14. A campaign led by the National Association for Children of Alcoholics (NACOA) to raise awareness of children affected by parental alcohol problems. Children of Alcoholics Week is celebrated internationally each year during the week in which Valentine's Day falls.

National Invasive Species Awareness Week, Feb. 23-27. Raise awareness and identify solutions to invasive species issues at local, state, tribal, regional, international, and national levels. Participating organizations include the Association of Fish and Wildlife Agencies, the Environmental Law Institute, and the Nature Conservancy.
