# LIBRARY

**B**efore we talk about this month’s author/book, I want to share some facts about our library.

The building was donated by Mr. Larson; he does not collect rent for that lot. Mr. Larson also pays for the electricity. The WiFi is paid through donations ... mainly the profits from 50/50 tickets sold at the Resident Monthly Update Meeting.

Vanessa has been our “librarian” for more than 10 years. She, alone, is the one who ensures the library is open/closed on a daily basis. She also shelves the books, videos, games, etc. when items are donated or borrowed items are turned in. Vanessa also finds empty shelving units to add to the library as we outgrow the space. ALL AS A VOLUNTEER!

Now, our monthly book review!

When six year old Turtle Greer witnesses a freak accident at the Hoover Dam, her insistence of what she has seen and her mother’s belief in her, lead to a man’s dramatic rescue. But Turtle’s moment of celebrity draws her into a conflict of historic proportions!

Barbara Kingsolver wrote “Pigs in Heaven”. She was born in 1955 and grew up in rural Kentucky. Barbara has worked as a freelance writer and author since 1985. She and her husband, Steve Hopp, have two daughter. They live on a farm in southern Appalachia where they raise an extensive vegetable garden and Icelandic sheep.

The library is located at Lot 231 and is open daily 10:00 a.m. - 6:00 p.m. We have WiFi and air. We also have a lot more than books. There are DVDs, puzzles, CDs, books on tape, and so much more. Come in, select something, take it home and enjoy.

Please remember to shut the door and turn off the lights when you leave.

## WEDNESDAY NIGHT BINGO

Some of you may have heard that Wednesday night Bingo ended its season on March 25th. Yet, it is still listed on the calendar ... this is not a misprint. The Wednesday night Bingo run by the Canadian Club did, indeed, finish at the March. HOWEVER, because so many of you have asked, we will run the shorter, summer bingo games for the first few weeks in April.

Doors will open at 5:00 p.m. and cards will be sold until 5:45 p.m. Games will start promptly at 6:00 p.m. If you've attended a Saturday afternoon bingo, you know that we are usually done within 2 hours. And all the money collected on the sale of cards is paid back the same night. (We use proceeds from 50/50 ticket sales to defray expenses.)

Everyone is welcome, so please come check us out!

## SATURDAY BINGO

Saturday bingo resumed on February 21st. Twelve people attended and 11 people WON!! Of course, none of us became instant millionaires, but we had fun getting out of the house for a few hours. Ron won the most when he won the Bonanza (the first game of the afternoon) for \$73 and Mike Matheny won the 50/50 for \$27.

Just like our summer bingo, all the money collected on the sale of games was paid out on the same day. We use our portion of the 50/50 drawing to defray expenses.

So, mark your calendars for the 3rd Saturday of the month and come join us.

Time: 2:00 p.m. Cards sold 1:00-1:45 p.m.; games start at 2:00 p.m.

Where: In the Clubhouse

This is a shorter program and runs approximately 2 hours.

It is thought that the word “April” comes from the verb “aperire,” which means “to open”, due to April being the season of trees and flowers beginning to bloom.

## FROM THE OFFICE

The  
Office

The calendar may not say summer, but it's here! We still are not getting anywhere near enough rain, so the watering ban is still in effect. All my sod in the front yard is burnt out; hoping for rain so I can have it replaced. For those of you that have beautiful yards full of flowers, please use conservation to keep them going (collect rainwater when we get it, use the run-off from your a/c units, etc.) and water only as allowed by Pinellas County.

The Park has a number of stray cats mysteriously dying. They are showing symptoms of being poisoned, and it is a painful death to watch! I know it seems strange to talk about anti-freeze in FL, but some of the northern people have been seen flushing out their radiators either in their carport or on the street. This puts antifreeze in water that stray cats may drink. Many residents feed the stray cats, but do not think to put water out for them. They are constantly drinking from my fountains and bird bath, once they wander into my yard. If you feed stray cats, please put water out for them. Anyone caught putting out poisons, such as fertilizers and actual poison, where the cats can get to them, will be turned into animal control. You don't have to like cats, but I would like to believe that most people have a good heart and would not intentionally poison them!

During the February Neighborhood Watch meeting, Officer Bowling discussed new (and some old) ways to get scammed. The newest one is using QR codes. Now, some of you probably don't know what I am talking about, which is a good thing! It is a small square box with lines going in all directions; they represent code, which can retrieve your information off your phone or tablet, whatever device you use to scan them with. They are showing up on the doors of businesses, with a sign saying they are closed but information can be found by scanning "this code". **DO NOT DO THIS!** If a merchant wants you to use a QR code for their business, it will be inside the store or on their website. The calls trying to get you to buy gift cards and go to a bitcoin machine are still out there. Letters are being received saying you owe a "toll" for driving on a toll road. Unless they have a picture of your vehicle, on a date you could have been on a toll road, it is a bogus letter. I know from experience, because my grandson came for a visit and took Chuck's truck to Disney; about two months later, the letter showed up. The emergency calls to Embassy are way down, there were only 5 in the most recent month. They used to be in the twenty-something before we started the Neighborhood Watch program.

**FIRES!** Trash fires are never allowed in the Park. The fire department has been called twice in one week for two different fires in the Park. Both of them were way beyond a little "ambiance" fire in a container with a screen over it. I actually called the Fire Department after the second

*...continued on page 24*

fire and asked them if they could start ticketing residents if they had to come out. The bottom line is that fires are a violation of a city ordinance that states fires must be twenty-five feet from any structure, which is almost impossible in our mobile home park. If we don't get some rain soon, Pinellas County will be enacting a fire ban, which will eliminate even the small fires. While talking about fires, this is a reminder to NOT grill under your carport or near your mobile home. The materials are very combustible, and the temperature outside keeps them heated already, so it won't take much more heat to ignite them.

I would like to thank Bernice Strong and Jacki (and Dennis) Gross for the many years they maintained the flower beds at the lake. Dennis built a dock, swing, etc. for everyone's enjoyment, and the flowers always looked beautiful. A lot of the time they changed colors to match the seasons! Cathy Casey recently cleaned up the flower beds, and with the help of maintenance, moved some new plants there. It is with the help of residents like these that we will remain a "community".

A big shout-out to Al Ziegler for undertaking the window treatment project in the Clubhouse. As you all know, the vertical blinds have been in disrepair for many years. Al volunteered to fix them but found that the parts were no longer available. He then came and asked me about an alternative, the window shade covering. He got an estimate and I approached the remaining Embassy Club's for a \$250 donation each; it was no problem, and when the residents show they care, Mr. Larson doesn't hesitate to pay the difference. (Angela Robinson also donated \$250). The total cost of the shades and miscellaneous items was just over \$4,000. Al not only did all the running around, but he also took down the old ones and installed the new ones! Several residents offered to help Al, but he did it all by himself; he's an example of "82" is the new "40". When you see Al around, be sure to thank him. This was a big job.

For those of you who don't like the blinds, oh well, maybe they will grow on you. They make the Clubhouse look cleaner (remember that the old verticals were on the windows when smoking was still allowed). If you have a need to raise or lower the shades, please use the pulls gently. I suggest two people raise the larger ones on the door walls. I will be following up on the heat and cool loss with the shades, not sure if there is a cheap answer. Tinting the windows is the only thing I can think of. Remember, this is a large community building, so many of the ideas you use in your home are not feasible in this situation.

I plan to clean up and paint the interior of the Clubhouse over the summer. I began with having maintenance get rid of the piano. After Fun Night, I will be cleaning out that front hall closet; the decorations stored in there will be put into the decorating room. The podium will be stored in there; it is only used about three times a year. If you have any "treasures" hanging out in that closet, please remove them before they are thrown out. We are working on ideas on how to re-cover the bingo board, as blue will not be in my new color scheme.

By the time you read this, the locks will have been changed on the Clubhouse, Hobby House and Craft room. To simplify things, Ron Russell suggested that the Clubhouse key and the Craft room key be the same, which made sense since most activities require the amplifier or equipment stored there. Thank you, Ron. It was great having Ron and Cathy back for the winter, Cathy has spent hours and hours helping many residents this winter. I like to think I have common sense and math skills, but I could not do what Cathy does for the sick, hurting, aging residents. I only wish she would be around when I will need help!

To the Snowbirds who are leaving, good bye for now. Have a safe and healthy summer so you can return in the fall. For those of us who stay, please be tolerant of all the restrictions (fire, water, hurricane winds) we are encountering while we spend the summer in Paradise.

## MEMORIAL SERVICE

The Memorial Service, organized by the Bible study group and sponsored by the Social Club, is held each year in February in memory of those who passed away the year before.

This year it was held on Sunday February 15th at 7:00 p.m. in the Clubhouse. We had hymns, readings and special music - Hard Fought Hallelujah - presented by Patricia Carrier, Bev Morrison and Jeannine Goguen, who did a great job, and sang their hearts out.

Our Master of Ceremonies was Clarence Carrier, who had an easy, folksy presence in leading the service. The Cross and Carnations were presented by Marg Burris and Judy Ajila; we had readings from Sherri Leone and Patricia Carrier.

We opened with prayer, and concluded with 2 closing prayers. As Clarence said, you can't have too many prayers, so two for the price of one – BOGO night at the Clubhouse - and refreshments after, all for the same low price. A fine evening all around.

We still have a few of the Order of Service. If anyone wants one, give me a call 727 536 9937, or pick them up at Lot 1119.

We thank all who helped and participated. Thanks to Marg Burris for music, and also Jessie and Yvette for printing the Order of Service and doing the posters. Thanks to Big Mike for putting up the posters.

And thanks to all who brought snacks. We appreciate those who stayed and cleaned up. Thanks to Mike Matheny for coffee and tea, providing us with a microphone, and closing up after the service.

The Bible study group is honored to be able to do this event; it is quite meaningful to a number of people at Embassy and is a nice tradition at Embassy Park.

## VALENTINE'S DANCE

**O**n Saturday, February 14th, the Shuffleboard Club hosted the dance for St. Valentine. The Clubhouse was beautifully decorated by our ex in-house decorator, Janice Yeo, who graciously continues to offer her services for a hug and a heartfelt thank you.

There were about 58 people in attendance who danced the evening away to the music of Wigman. I want to thank Linda Mairs who sold more than 75% of the tickets to make this dance a success. The 50/50 was won by none other than Ron Russell. The door prize, a Special 'Valentine' Basket, was won by Bruce Besharah. A couple of spot dances also regaled our dancers. It was a special evening and everyone had a good time.

# FASHION SHOW

It was so nice to see so many of our residents in attendance for our Fashion Show. There were 88 people that gave rave reviews on the beautiful decorations, the food and beverages and, of course, the special cupcakes.

Our 6 models this year, Jo-Anne Murphy, Jan Guyer, Judy Hales, Michelle Swanlund, Beverlee Morrison and Linda Mairs did a lovely job modeling 3 different outfits each.

We added a little comedy that was done by our very funny and energetic Kathy Russell. She was hilarious. So cute!!!

We could not have done this event as elaborate without the generous donations of 7 sponsorships. They made it possible for us to go above and beyond to make this our best show and extra special.

I would like to thank each and every one that helped us put this together. A special thanks to Judy Basharah who worked side by side with me from the beginning to the end. Her ideas were invaluable.

Jeannine Goguen was our Master of Ceremony this year and she did a lovely job. Thank you to Patchington's and Jennifer Shenefeld for making this happen so eloquently.

## COMMUNITY SERVICE AWARD CEREMONY

The Pinellas County Sheriff's Office held their annual Community Service Awards breakfast on Saturday, March 7th, at the Hilton Hotel in Carillon Park. Eight of our Neighborhood Watch members attended to watch Norm Hagen receive a Leadership Award for his work with the Embassy Neighborhood Watch. Jessie Buchholtz received a Community Service award not only for her support of the Neighborhood Watch but also for the many other things she does in support of the Embassy community.

If you are not yet a member of the Neighborhood Watch, you should consider joining. We hold meetings on the last Thursday of every month at 1:00 p.m. in the Clubhouse. The meetings only last an hour and Officer Bowling, of the Largo Police Department and (sometimes) a Pinellas County Sheriff's Deputy always share valuable information about scams and how to keep ourselves safe.
