### **A** Season Wrapped in Light: Looking Back on the Holidays, Christmas, and New Year's Eve 2025

As the final days of December 2025 faded into memory, the holiday season once again proved its quiet power to bring people together, slow the pace of everyday life, and remind us what truly matters, the birth of Jesus. From the warmth and cheer that Cindy brought out with Christmas Caroling through Riviera, to the gatherings to the sparkle and reflection of New Year's Eve Riviera Cruise. This year's celebrations felt both familiar and freshly meaningful—a blend of tradition, resilience, and hope.

Music played its familiar role, echoing through homes, schools, and public spaces, while seasonal foods connected generations through taste and memory. For some, Christmas was a quiet pause; for others, a lively reunion. Across these differences, the common thread was Love and Gratitude—an appreciation for health, connection, and the chance to rest before the year's end.

#### **Between the Days: The Calm After Christmas**

The days between Christmas and New Year's Eve often feel like a world apart, and in 2025 they offered a rare collective exhale. Work slowed, calendars loosened, and many people used this time to reflect. It was also a time of planning—not just resolutions, but intentions. Conversations shifted toward what to carry forward and what to leave behind, making space for growth without pressure.

#### **New Year's Eve 2025: Closing One Chapter, Opening Another**

New Year's Eve brought its signature blend of celebration and contemplation. The clubhouse was transformed into a beautiful Cruise Ship created by Julie and many helpers. The Riviera Cruise took us to several ports to enjoy their food and fun. While on the ship, we heard great jokes from Fred and Rick and a skit put on by Bill, Chuck and Bob.

Midnight marked more than a calendar change. It symbolized a collective agreement to try again—to be kinder, braver, more patient, and more curious. The hopes expressed weren't grand promises, but grounded aspirations: better balance, stronger relationships, and a renewed sense of purpose.

As the holiday decorations came down and routines returned, the spirit of the season lingered. The holidays of 2025 reminded us that celebration doesn't have to be loud to be powerful, and that reflection is just as important as festivity.

As January winds down, February comes into view with its own distinct energy. It's the shortest month of the year, but it often feels full—packed with moments to pause, reflect, and reconnect. In many places, winter is still holding strong, making February a time for cozy routines, warm drinks, and quiet focus. Hopefully in Riviera it is warm and fun.

February is also known for its mix of meaning and celebration. It's a month associated with love and friendship through Valentine's Day, Presidents Day is February 16, Mardi Gras is on February 17, Lent begins with Ash Wednesday on February 18. With spring still ahead, February sits in an in-between space. It's a chance to check in on goals set at the start of the year, make small adjustments, and keep moving forward. Short though it may be, February often leaves a lasting impression.

If you are new to our park, we welcome you and wish you to join all the community events. Everyone in the park are welcome to attend. **If you are not a Good Neighbor member, just \$5.00 a year per person. The 2025-2026 event dates are up on the GN Facebook page and below here.**

**D**ear Community,

I like how so many of you are decorating for the holiday. Who won that contest? And we have so many activities in our club house. No reason for us to be bored. I do hope that you and yours have a happy holiday, merry Christmas and a happy new year.

**ONE THOUSAND DOLLARS FOR YOU-** Send friend or family to look at a new Great Florida Living home, If they buy a new home from us, we will get you a check for \$1000.00, after the home closes. Make sure they tell us that you sent them. Now that will help with some fun holiday shopping.

**CONSTRUCTION ON US 19-** The on-going work continues. Please do take your time as you navigate the traffic. Do respect the workers as they do want to make it work for you. Watch out for the few aggressive drivers and do respect those who move a bit slower.

## February 2026 Homeowner Association Report

---

The HOA Board of directors is hoping your 2026 is off to a great start. After much discussion and negotiation with the park owners and management team, we were able to bring the rent increase down from \$65 to \$50. As a result, you will see a rent increase of \$50/month on your February bill. While the board was not satisfied with the results, we accepted it but intend to work hard in 2026 so that we might challenge again in the fall, if another unjustifiable proposal is again made.

Congratulations to our Christmas Decoration winners. First place went to Bill and Sharon Schoch Lot 80, second place went to Terri Dibble Lot 54 and Chuck and Debi Fonshell Lot 117 won third place

As the new board begins the new year, I am happy to report that Richard Rohr and Gretchin Kvaal have joined the FMO and have taken the training class suggested for all board members. Thanks for getting that done. The rest of us will also be taking the training as well.

I believe our success in getting a lower rent increase was because of the way we were prepared to make the challenge on all important issues and the strength of those challenges. We want to be ready again this fall. We also believe there is strength in numbers and unity as

## TIPS to improve your Game

### **Rule #1 Never leave a live disc**

**Block and Hide:** Shuffleboard is a game of block and hide. In a frame where you shoot first, you could try to put a disc where you can hide behind it, but your opponent cannot. There are two such positions on the court. The St. Pete and the Tampa (ask someone to show you these locations at Friday Fun Shuffle). Before you shoot, look at the location of the discs shot on the court and ask yourself, **“Is there a location I can shoot my disc to hide behind so that my opponent can’t clear it?”**

OR if you have scored ask yourself, **“Where can I land a disc to block my opponent from clearing my scoring disc out?”** While you are playing Block and Hide be aware that your opponent is doing the same thing. Knowing this **you may want to clear any discs that they could be using to block or hide** that would give them the opportunity to score.

**Clearing a Block:** check to see if you can use their block to hide, if not Clear it.

**NEVER LEAVE A LIVE DISC!!** If you are shooting second in a frame and your opponent has put up a block, try to remove it with a fairly hard, **OFF-CENTER** blow. This will result in both discs flying off into the gutters. (You don’t want to clear their block and have yours stick). If you do this successfully throughout the frame, you should be left with the last shot and an opportunity to score with your hammer.

*continued on page 28*

**Scoring with Your Hammer:** There are no shortcuts or magic bullets, mastering the game takes practice. Come out every Friday for Fun Shuffle.

Practice, practice, practice and soon you will be scoring with your hammer frequently. And **NEVER LEAVE A LIVE DISC**

*No affiliation to our Good Neighbors Social Club*

---

**G**ood Neighbors.org helps connect food with people to help provide much needed food, to eliminate waste and battle the fight challenges of living on a fixed income with current inflation costs.

Our food pantry is held every *2nd Thursday* of each month in our Clubhouse at noon. If you are able, please come around 11:30 to help bring the items in and help set up. Free shopping starts at noon. Please bring your own shopping bags. Please be courteous and only take one dozen of eggs and 1 or 2 meets (depending on volume delivered to us.) Once everyone has had a chance to get eggs and meats, please feel free to take more. This is open and available to all who live in our park and Serendipity.

Happy Shopping!!
