**June 12, 2026**

To: LSR Shareholders

From: Ronnie Markham, President

Greetings to all,

Well, another hot summer month has come and gone with several more on the way. It certainly is a pleasure living here at Lake Seminole Resort full-time. What a fabulous location that we have and so many wonderful residents. There are still several homes for sale, and a few are selling. Be sure and tell all of your friends up north!

Just to bring everyone up to date as to what all is going on in your park. I will share a few topics.

**Generator** - It has been installed behind the Laundry Building. In the event of a power outage, it will automatically start and power up the Lift Station, the Laundry

Building, and Maintenance Building. It is fueled by our 240-gallon propane tanks that the dryers use. During a hurricane or storm, the residents can charge their cell phones or battery powered devices in the Laundry Room until the power has been restored. We will have several 110v receptacles available for all to share.

**Pool** - The renovation project continues, and all of the new sand filters and pumps have arrived. The installation of all of the new equipment has just started. Our Pool Contractor has been discussing an opening date of July 04, but without any guarantee, because we have one seasonal resident that continues to try and sabotage our project. He has contacted the Pinellas County Code Enforcement Division and the Health Department on us 3 times so far that I am aware of. This continues to cause setbacks and harassment in the workplace. So, if our pool is not open in a timely manner, then you know why.

**Credit/Debit Cards** - The Office is now set up to receive credit and debit cards for payments on numerous charges plus our 3.5% processing fee.

**Front Entrance Project** - This really came out nice, and we no longer have a water feature to maintain constantly.

We are currently looking at ideas where to place the 55+ Cooperative Community signage, not to make the big sign look too busy. Also, we have so many signs at the entrance area that need a face lift.

**Palm Trees** - The removal of seed pods continues as well as stump grinding at several locations. It appears that this severe drought may have cost us a few of the new trees that we recently planted. A few Palms and a couple of Cypress.

**Lake Seminole** - It is still down about 9". Lake weeds and insects continue to be an issue with the waterfront homeowners with the lake water so low. New plans are being developed to try and address this issue.

The two new benches have been assembled and are now anchored down at each end of the lake for your viewing pleasure.

**Summer Projects** - Sealing streets and restriping, along with marking our handicap places. Also, replace the Stop sign posts where every stop sign is 7' off the ground, so that it may be seen when a car is parked close by. We currently have signs mounted from 3' to 6'. It's time to make them all uniform throughout the park.

**Hot Tub** - Upon completion of our pool project. We have the pool contractor scheduled to remove all of the fiberglass lining in the spa/hot tub and apply the same quartz coating as the pool. Hopefully, we won't get any complaints!

**Drought Conditions Continue in Pinellas County** – Just a reminder that the since early April, Pinellas County has been on a Modified Phase III 'Extreme' Water Shortage, so watering lawns, car washing, and home washing continues to be regulated in Pinellas County.

**Board Meeting** - On June 15th following coffee we will conduct a LSR Board of Directors meeting at approximately 10:30 AM. It will also be on Zoom for those of you that would like to join in.

**Financials** - All current financial data has been posted in the Hall and online for shareholders only.

Respectively, Ronnie Markham President Lasereno, Inc.

## CANADA DAY IS ON WEDNESDAY, JULY 1, 2026

All those who celebrate Canada as their home and native land celebrate Canada Day on July 1<sup>st</sup>. The day commemorates the anniversary of the Constitution Act, which consolidated three territories into the single nation of Canada. Canadians across the country and around the world show their pride in their history, culture and achievements on Canada Day. It has been a day of celebration since 1868, with many festivities held across the nation. There is a website, (below), for Canada Day with more information about the day, and where you can find Canada Day festivities. So, wherever you are on July 1, have some fun on Canada Day.

<https://www.canada.ca/en/canadian-heritage/campaigns/canada-day.html>

Canada Day Celebrations in Canada

- **The City of Toronto** is known for large Canada Day celebrations, featuring an annual fireworks display and events in multiple neighbourhoods. Check out: The Harbourfront

Centre: Hosts an all-day celebration with a marketplace and performances.

- **The East York** Canada Day Festival: A family-friendly parade and festival, taking place at Stan Wadlow Park with activities, food, and fun!
- **Vancouver's** main Canada Day celebration is typically hosted at Canada Place and used to be the 2nd-largest celebration in the country, after
- **Ottawa's!** You can also find other celebrations nearby, including family-friendly activities and entertainment at the Shipyards and Carnival-like celebrations at the Bill Reid Millennium Amphitheatre in Surrey.
- **Montreal** hosts annual Canada Day celebrations at the Old Port with a music, food, and activities for all ages. You can also expect a fireworks display at night, over the St Lawrence River.
- **Halifax's** biggest celebration of Canada Day will take place on Wednesday, July 1st, 2026, at the Halifax Waterfront. According to the official site of KANA'TA Canada Day: "This re-envisioned format for Canada Day offers a variety of new and refreshed cultural, musical, and family-oriented events to enjoy." Also, the Halifax Citadel National Historic site will offer free admission, the African Nova Scotian Music Association will be doing a live concert at Dartmouth Ferry Terminal Park, and the 9th Annual Canada Day Drumming Celebration will also take place at 3pm AST at the same park.
- **Community Celebrations** - You don't need to live in a big city to enjoy a Canada Day celebration. In most small towns and communities, you'll be able to find activities on July 1st like picnics, parades, fireworks, and more. For example, Woodstock's Canada Day Festival or Owen Sound's "beach extravaganza".

## INDEPENDENCE DAY IN THE USA IS JULY 4

**T**his year America celebrates the 250th anniversary of our nation.

From 1776 to 2026 America has seen prosperity and growth that our forefathers could have hardly imagined. Most people know that we celebrate Independence Day each year on July 4. However, did you know that The Continental Congress declared American independence on July 2? On July 2, the final wording of the Declaration of Independence had yet to be approved. That approval came two days later, which is why American independence is celebrated on July 4. The Declaration of Independence and July Fourth are forever linked. Most of America celebrates by flying the American flag, having cookouts with family and friends, and then watching fireworks in the evening. Have a safe and happy holiday. There will be July 4th celebrations across the USA. The link below details some of the regional events planned. Of course, the best event planned to celebrate the 4th will be at our own picnic pavilion at 4:00 PM on the 4th. Read more about that below!

[America's 250th Anniversary: Celebration Destinations](#)

## 4th OF JULY PICNIC AT THE LSR PAVILLION

A 4th of July picnic is planned for 4:00 PM in the Lake Seminole Resort Pavillion. This will be a free event for residents of the park with food supplied by the LSR Social Committee. There will be sliders and hot dogs (with all the trimmings), side dishes, along with red, white, and blue cupcakes for dessert. Please sign up if you plan to attend so we can get the right amount of food. All you need to bring is whatever drink you would like to have with your meal. We will have a 50/25/25 so bring a little money so you can buy some tickets. Half of the proceeds from the sales will go to the LSR Social Committee to show our thanks for supporting events like this throughout the year. Thanks to the Social Committee as well as the event hosts: Alice Jarvis, Joyce Bretland, Suzanne Schuster, Dorothy Derry, Jean Florek, Karen Garron, Michel Toboyek.

## FOURTH OF JULY CELEBRATIONS NEAR LAKE SEMINOLE RESORT

**Date:** Sat, Jul 4, 2026

**Time:** 6pm-9pm

**Location:** Largo Central Park

**Cost:** Free Admission | Limited On-site Parking \$10 (credit card only) | Park and walk off-site at Largo Middle School (Free) or Largo High School (\$5)

Celebrate America's 250th Independence Day with the City of Largo!

## **JUST PASSING THROUGH...**

**B**ill and Sherry Smith recently visited their son in Annapolis, MD, and the road there took them very near to the northern home of Mike and Linda Topper. So, we got together at one of our favorite local watering holes called The Horn Pub. It was a Wednesday, so they had a dozen wings for just \$8.00. We joked that the price made us feel like we were at the Red Tiki Bar in Florida.

## **CHRISTMAS FLEA MARKET IS IN SIX MONTHS**

## SAVE THE DATE FOR THE DUNEDIN INTERNATIONAL CHORALE

The Dunedin International Chorale is a group of approximately 32 singers and musicians who entertain at a variety of venues throughout Pinellas County. The group includes LSR resident, Will Smith, who will be performing with the group when they visit Lake Seminole Resort in December. The Chorale brings joyful gospel, patriotic, international, and holiday music wherever they go. The event is planned for Saturday, December 19<sup>th</sup> at 3:00 PM in the LSR Hall. More details will follow about this event, but for now, pencil this into your December calendars.

## PINELLAS COUNTY EMERGENCY NOTIFICATIONS

The Atlantic hurricane season begins June 1 and ends November 30 of each year. Historically in Florida, the most active time for hurricane development is mid-August through mid-October. Pinellas County Emergency Management offers a free emergency notifications service, called Alert Pinellas that will send an email and/or a text to you to let you know about imminent severe weather. You can sign up for emergency notifications at <https://pinellas.gov/alert-pinellas/>

You will need to establish a username and a password for this site, but it is friendly and easy to navigate. Both year-round residents and Snowbirds may sign up for this service. The site will not send out routine weather reports, but it will contact you when extreme weather is approaching our area.

### List of emergency notifications from Pinellas County:

- Mandatory evacuations
- Hurricane information
- Gas leaks
- Boil water orders
- Utility notices
- Flooding events
- Hazard event
- Local emergency
- Any other weather event that may require residents to seek shelter or evacuate.

## **POOL REPAIRS LOOKING GOOD**

**T**he pool repairs continue to show progress as seen in the picture above that was taken on June 6<sup>th</sup>. It's getting exciting as we get closer to the completion. Keep in mind that once the pool is done, we'll be doing an upgrade to the hot tub as well. So, be patient when that work begins.

## CAN CRUSHING

Please crush aluminum cans and place them in the crushed aluminum can barrel located outside the laundry near the dumpster. The crushed cans are taken to the salvage yard and turned into money for the Social Committee to help pay for events in the park. There is also a can crusher in the pavilion. Please do not put garbage, glass, tin, paper, or plastic in the crushed can barrel. This is for crushed aluminum cans only. Thank you for your help and cooperation.

## LSR CARES UPDATE

We are updating our shut-in list and our meals lists, so if you want to be on a list, or know a neighbor that should be on a list, email at [LSRCARES@GMAIL.COM](mailto:LSRCARES@GMAIL.COM). LSR Cares had a busy year of lending out various items to residents in need of a short-term loan. This included items to assist with recuperations as well as items to support visiting family and grandkids. If you have any items to donate, please contact LSR Cares at [LSRCares@gmail.com](mailto:LSRCares@gmail.com). If you need to borrow something, please contact us. There is a form to fill out to borrow something, and we can unlock the closet and help with completing the forms. Thank you to all who donated to the closet. Thanks, as well, to our borrowers, for their prompt return of items and for returning everything in good condition. You may contact LSR Cares at the following email [LSRCares@gmail.com](mailto:LSRCares@gmail.com).

## IF YOU CAN KEEP IT

---

One afternoon in the 18th century a young man approached Benjamin Franklin outside Philadelphia's Independence Hall. Throughout the broiling hot month, the statesmen of the young nation had been debating furiously over the establishment of the Constitution of the United States. The young man asked Franklin, "Well, sir, what sort of government have you given us? A monarchy or a republic?"

Franklin, understanding the importance of popular support in keeping democracy alive, responded, "A republic, if you can keep it."

## THE POWER OF SHORT WORDS

---

Mark Twain once told the story of a Missouri farmer who ran five times for the state legislature without winning. He practiced his campaign talks every day while milking his cow. He filled his speeches with wordy expressions, referring to himself as "my humble aspirant" and his audiences as "my enlightened constituents." He talked of "obtaining a mandate" for his "legislative mission."

Then one day the cow kicked him in the teeth. With his front teeth knocked out, the farmer could speak only words of one syllable. The result? He won his next election and got re-elected many times after that.

## NO ANSWER

---

A powerful king once undertook an expedition to conquer foreign lands. A counselor asked him, "Great king, why do you propose to set out on this endeavor?"

"First I shall become master of Asia," the king replied. "Then I'll invade Arabia. After that I will conquer Europe and Africa, and finally, when the whole world is under me, I shall rest and live at ease without worries."

The wise counselor replied, "But what keeps you from resting and living at ease here and now, if that is what you want?"

The king had no answer.

## QUOTE

---

That's what fiction is for. It's for getting at the truth when the truth isn't sufficient for the truth.

## LOOK TO THE PAST AND THE FUTURE TO SPUR CREATIVITY TODAY

---

“What could have been” and “what might be” are good considerations for creative discussions. Taking the opportunity to pursue these topics can lead to new insights and ideas. Try the following scenarios and see what emerges:

- **“What could have been.”** Choose one of your most important successes or failures—at work, it might be a retention program that surpassed expectations or a customer who got away—and investigate why it turned out that way. Your goal isn’t to assign blame or credit—presumably, that’s already been done—but to look for what might have been done differently. Was a particular benefit or perk an unexpected hit? Did you overlook one of the customer’s key concerns? Then ask how you can apply what you’ve discovered.
- **“What might be.”** The future is always a good topic for imagination. For example, ask your employees to imagine yourself at your most enthusiastic and productive. What would your job look like in terms of facilities, training, daily tasks, and so on? Consider how you can apply what you’ve discovered.

## THREE CONDITIONS FOR INSPIRATION

---

Sometimes we need to find the right environment to be creative. When you’re trying to come up with a brilliant (or just workable) idea, set up these conditions:

- **Boundaries.** Set clear parameters—time, budget, materials, and/or other resources. When you know you have only limited resources to work with, you’ll be more open to combining existing ideas in new ways.
- **Pressure.** Set a realistic but firm deadline. Knowing you have to accomplish your task by a fixed date will focus your thinking.
- **Discomfort.** Don’t do only what’s easy and familiar. Challenge yourself to step outside of your comfort zone. You’ll learn more by stretching yourself and taking new and different paths.

## QUOTES

---

True alchemy lies in this formula: “Your memory and your senses are but the nourishment of your creative impulse.”

—Arthur Rimbaud

To live a creative life, we must lose our fear of being wrong.

—Joseph Chilton Pearce
