August Anecdotes

Columbus Sets Sail – August 3, 1492

Christopher Columbus began his famous voyage across the Atlantic in August. Legend has it that as he departed from Spain, many believed he would fall off the edge of the Earth. Instead, he stumbled upon the Americas—though he thought he'd reached Asia!

Shakespeare's Summer Stage

It's said that in Elizabethan England, August was prime time for open-air theater. Shakespeare's Globe Theatre would be packed with audiences enjoying plays like *A Midsummer Night's Dream*—a fitting title for the season!

World Elephant Day – August 12

In recent years, August has become a month of advocacy too. On August 12, people around the world celebrate World Elephant Day, raising awareness about the majestic creatures and the threats they face. One touching story involves an elephant sanctuary in Thailand where rescued elephants are treated to fruit buffets and mud baths on this day.

The Great American Road Trip

August has long been the month of the classic family road trip in the U.S. One anecdote from the 1960s tells of a family who drove from New York to California in a station wagon, stopping at every roadside attraction—from the world's largest ball of twine to dinosaur parks. It became a cherished family tradition for decades.

The Perseid Meteor Shower

Every August, stargazers gather to watch the Perseid meteor shower. One couple in Utah reportedly got engaged under a sky full of shooting stars—he timed the proposal with the peak of the shower, and she said yes just as a meteor streaked overhead.

"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing... and the lawn mower is broken."

— **James Dent**

"Some of the best memories are made in flip-flops."

— **Kellie Elmore**

"It's so hot I saw a fire hydrant chasing a dog."

— **Unknown**

"Resting beach face."

— **Every beachgoer ever**

World Elephant Day

Celebrated every year on August 12, is a global initiative dedicated to the preservation and protection of elephants—both African and Asian species.

Origins and Purpose

- Founded in 2012 by Canadian filmmaker Patricia Sims and the Elephant Reintroduction Foundation in Thailand.
- Created to raise awareness about the urgent threats elephants face, including:
 - Poaching for ivory
 - Habitat loss
 - Human-elephant conflict
 - Mistreatment in captivity

Why It Matters

- African elephants are listed as Vulnerable, and Asian elephants as Endangered on the IUCN Red List.
- The global elephant population has declined drastically due to illegal wildlife trade and shrinking habitats.
- Elephants are admired for their intelligence, empathy, and strong social bonds, making their protection a moral and ecological priority.

How People Participate

- Educational events and documentary screenings (like *Return to the Forest* and *When Elephants Were Young*).
- Sanctuary visits and virtual tours that promote ethical elephant experiences.
- Social media campaigns to spread awareness and support conservation efforts.
- Fundraising for organizations that rescue and rehabilitate elephants.

Fun Facts About August

It Wasn't Always Called August

Originally, August was called Sextilis in Latin, meaning the sixth month of the Roman calendar. It was renamed in honor of Emperor Augustus Caesar.

It's the Only Month Without a Major U.S. Holiday

While there are observances and fun days, August is the only month without a federal holiday in the U.S.

It's a Meteor Shower Month

The Perseid meteor shower, one of the most spectacular of the year, peaks in mid-August and can produce up to 100 meteors per hour!

Birthstone & Flowers

Birthstone: Peridot – said to bring peace and good luck.

Flowers: Gladiolus and Poppy – symbols of strength, integrity, and remembrance.

It's National Picnic Month (U.S.)

August is the perfect time to grab a blanket and basket and enjoy the outdoors.

Leo and Virgo Rule the Zodiac

Leo (July 23 – August 22): Bold, creative, and charismatic.

Virgo (August 23 – September 22): Practical, thoughtful, and detail-oriented.

It's a Popular Vacation Month

In many countries, especially in Europe, August is when people take extended holidays—some businesses even close for the entire month!

The Dog Days of Summer

The phrase refers to the hottest days of the year, often in early August, and is linked to the rising of the star Sirius, the “Dog Star.”

Funny Quotes About August

“August: the only month where your ice cream melts faster than your patience.”

“If you need me in August, I’ll be somewhere between the fan and the freezer.”

“August is like the Sunday of summer—still fun, but you know what’s coming.”

“In August, even my shadow needs a break from the heat.”

Did You Know?

More babies are born on September 9th than any other day out of the year, and babies born in September supposedly excel more in school and sports when compared to others. The later birthday leads to them being considerably older, giving them a slight competitive, and scholarly edge against their peers

Imposter Scam

The top types of imposter scams:

An imposter scammer may call, text, or email to convince you they are **someone in authority**. They may even use caller ID to make it look like they are calling from an official government or business' number. To commit identity theft, they try to get you to send money or a gift card or share personal information.

- **IRS** imposter scams - scammers pretend you owe the IRS money for taxes and may threaten legal action
- **Social Security** imposter scams - scammers claim there is a problem with your Social Security account or promise to increase your benefits
- **Charity** scams - scammers pretend to be from a real or fake charity and try to get you to contribute
- **Grandparent** scams - scammers pretend to be a grandchild or other relative who needs emergency financial help
- **Tech support** scams - scammers tell you your computer's security is at risk and try to remotely access your device and steal personal information or ask for payment
- Scammers may also pretend to be from your **bank or a company you do business with**. You might be told you owe money or there is a problem with your account.

August Heat

Why did the sun go to school in August?
Because it wanted to be a little brighter before fall!

It's so hot in August...
I saw a squirrel fanning his nuts.

Why don't people tell secrets in August?
Because the heat makes everything leak!

What's the best way to enjoy August heat?
From inside an air-conditioned room with ice cream in hand!

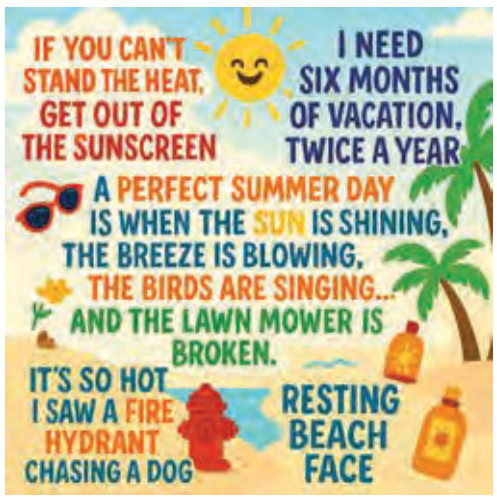

You know it's August when...
You open the car door and feel like you've entered a pizza oven.

Why did the popsicle break up with August?
Because it couldn't handle the heat of the relationship!

What's August's favorite type of music?
Anything with a cool beat!

Why did the air conditioner break up with August?
Because it couldn't handle the pressure of a hot relationship!

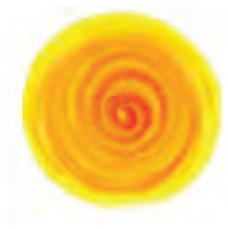

What do you call a lazy breeze in August?
A fan with commitment issues!

"If you can't stand the heat, get out of the sunscreen."
— Unknown

"I need six months of vacation, twice a year."
— Unknown

"Deep summer is when laziness finds respectability."
— Sam Keen
