From The President

Ken Abkemeier

Our sewer project is progressing at a fast pace. Another two months and it should be finished. We will all be relieved to see the dirt gone and our roads repaved and smooth once again.

If you had damage to your residence caused by Hurricanes Helene or Milton, call the People First Hurricane Recovery Program. Their number is 727-606-3307. They are very accommodating people, ready to help you with your claim.

Hurricane season begins next month. Be prepared! Have a plan. You are living in Zone A and must evacuate if told to do so.

From The Manager

Michelle Murray

Wow! The winter and now spring in sunny Holiday Shores have passed so quickly. Many of our residents are heading back home and we hope to see them in the coming months.

I am hoping all have a wonderful summer whether here or far away. As we look forward to using better association management software for the management office which will integrate operations and increase communications with our residents, we will post Board of Directors meetings on the electronic “Message Board”, (thanks to Doug Kerr) at the front of the Clubhouse. Any “special” meetings will also be posted online should they occur. This is in addition to the posting at the clubhouse, which is required by law in Florida. Hopefully, we will have more folks view the meetings via zoom. Basic zoom directions will be found on the website and as an insert in the monthly book.

Many improvements are being made in the park, and the new putting green surface should be installed before Memorial Day weekend!

HURRICANE SEASON:

Hurricane season begins on June 1, 2026, and continues for a period of five months, or through October, each year. If you are in the park, please make sure that you do everything

you can to get prepared. Seasonals, please be sure to “batten down the hatches” prior to your departure. If you have already departed, please ask the person taking care of your property to do so, immediately, not just before the hurricane is about to hit.

This link takes you to the State of Florida Hurricane Preparedness page where you will find their Hurricane Preparedness Guide: <https://www.stateofflorida.com/articles/hurricane-preparedness-guide/>

Please don’t wait to familiarize yourself with it – even seasoned Floridians need to keep up to date on ways to protect yourself, your family and your property. The Pinellas County Emergency Management site will also provide answers to any other questions you may have: <http://www.pinellascounty.org/emergency/>

RESIDENT - SPECIAL NEEDS: There is another very important step to take in order to prepare for hurricane season. The Pinellas County Emergency Management Office defines “special needs” residents as individuals who are confined to a wheelchair, bedridden, or requiring oxygen, or electrical life support equipment. Holiday Shores Park residents with these medical or mobility problems who want assistance from the County in the event of an “emergency” such as a hurricane will need to call 727-464-3800 to pre-register.

Special needs residents will need to complete paperwork and have it signed by their doctor and return it to the Pinellas County Emergency Management Office to be registered. Each year, they will receive renewal forms that will need to be completed and returned to continue their registration.

If you have special needs and would like to register online, take a moment to create an account at the Pinellas County link below and pre-register yourself with the Pinellas County Emergency Management Office at the following link: <https://www.pinellascounty.org/emergency/specialneeds.htm>

Residents who do not meet the County’s “special needs” criteria, but who may need assistance during evacuation, will need to make arrangements beforehand, with the Pinellas County Emergency Management Office (727-464-3800), for help during an emergency.

The Emergency Management Office will not give out your information, due to their Privacy Policy.

Best regards,
Michelle Murray

What a Mess! That's what many of us are thinking—and saying. The good news is that the end is in sight. We just need to hang in there a little while longer.

As we know all too well, the sewer construction is still in full force. It's also clear that keeping the exterior of our homes clean during this necessary disruption, especially in these final phases, is nearly impossible.

As a reminder, there are still a few simple things we can do to help maintain the appearance of our homes and Holiday Shores Park:

- Do you have weeds? Please take a few minutes to pull them (and don't forget to check your gutters!).
- Is there buildup on your home, such as mildew or mold (often found on the north side)? If so, please clean it on your designated watering day.
- Do you have a neighbor who could use a hand? Offering a little help can go a long way.

These small efforts can make a big difference in how our community looks during construction. While some things—like dusty homes and vehicles—are unavoidable, many others can be managed with minimal effort.

Let's all do our part to keep Holiday Shores looking its best—even at its worst.

Neighborhood Watch

Pinky Virden and Pam Grimm

Everyone in the Park is part of Neighborhood Watch. We are familiar with our neighbors and what is normal/abnormal. We truly watch out for each other. If you feel uncomfortable about anything, we ask that you take some kind of action. Follow your gut. Based on the problem, please call 911, or the non-emergency Sheriff's number (727-582-6200). If you don't feel you should call the Sheriff, PLEASE CALL NEIGHBORHOOD WATCH. All calls are CONFIDENTIAL. Your name will never be mentioned. You can call Belinda Bellamy (214-417-1062), Pinky Virden (813-397-9107) or Pam Grimm (740-415-5584). If you do call the Sheriff, please alert us also. We want to know what's going on in our Park. Let's make this Park great again!

We would like to thank all of our Joyride Members, which has grown to 21! We could not do this without you. If you are interested in joining, please call us. You don't need a cart. We have a cart that you can use. We ask that you do at least one joyride a month between 9pm-6am. They can be an hour long or more. We need more full-timers. The majority of our members are seasonal. Bring your spouse/friend/pet. We DETER theft. This means that we want to be seen and heard. If you are a walker, bring a friend. One of our members walks 106 and Pad #1 almost every night.

Holiday Shores Activities Association

Rose Maiolino

Thank you to everyone that volunteered for the park picnic. Happy Mother's Day!

Golf: Holiday Chippers

Pinky Virden & Pam Grimm

We had 15 golfers for the March Chippers. Five women putted and 10 men.

Sue Mesarich took first place with 20 putts. Kim Boyle took second and Vicki Dieter (first time playing) took third.

Jeff Grimm came in first with 16 putts. Roy Stearns and Steve Price tied with 17 putts. They had a playoff and Roy took second, leaving Steve with third.

No-one won the Hole In One or Mystery Hole.

Doug Brown won the 50/50 draw, making him \$30 richer.

Thanks to everyone who makes Chippers possible. You are AWESOME!

We are done for the season. We look forward to seeing everyone in October.

SEE YOU ON THE GREEN

Sharing and Caring

Bell Bushong

We received word that our old friend and former resident, Jack Jones passed away.

Please call me (757-509-8122) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Way-Off-Broadway Theater

David Middleton

Because the final meeting of the Way-Off-Broadway Theatre Group was scheduled for April 14, 2026, after the newsletter deadline, we have no official business to report this month.

However, we do want to extend our sincere thanks to everyone who participated in and supported our March production of Cheryl's Wedding. The show was a tremendous success, and we had a wonderful time bringing it to the stage.

Theatre activities will pause for the summer and resume with our first regular meeting in October 2026. Your Theatre Group officers encourage you to join us, whether onstage, backstage, or behind the scenes. We're always looking for new talent, fresh ideas, and enthusiastic volunteers.

If you have suggestions, comments, or would like to get involved, please contact David Middleton at jdmiddle78@gmail.com.

The absent-minded composer

The famous composer Ludwig von Beethoven once went to a restaurant for some dinner, but being very absent-minded he forgot what he actually came there for. A waiter asked him several times what he would like to order, but Beethoven paid him no attention.

After an hour Beethoven called the waiter and asked him, “How much do I pay?”

The waiter replied, “Sir, you haven’t ordered anything yet. What I can do for you?”

Frustrated, Beethoven snapped back, “Oh, just bring whatever you want and leave me alone!”

Einstein: A genius with a human touch

Albert Einstein was a scientific genius, and stories about him are legendary. Three stories illustrate that he was as human as the rest of us:

- When Einstein went to Princeton University in 1953, someone asked what he would need for his office. His reply: “A desk, some pads and a pencil, and a large wastebasket to hold all of my mistakes.”
- A student visited Einstein in his Princeton office one day with a copy of this year’s final exam in his hand. “Professor, all the questions on this year’s test are the same as last year!” “Yes,” Einstein replied, “but this year all the answers are different.”
- After finishing a paper, Einstein and his assistant could find only one paper clip in his office to hold the pages together. Unfortunately, it was bent out of shape and impossible to use. They searched the desk for something to use as a tool to straighten the clip, and found a full box of paper clips in one drawer. Instead of taking one of those clips, Einstein used one as a tool to straighten out the bent clip.

The assistant asked why he didn’t just use one of the fresh clips. Einstein answered, “Once I am set on a goal it becomes difficult to deflect me.”
