PRESIDENT'S CORNER

Submitted by Jan McCoy

Year 2026 has arrived with a splash! The 2025 Holiday Dinners were a grand success, and the New Year was welcomed with the first of several dances to take place this season. Activities and festivities continue to be planned. We are so pleased to have Joan Murphy, President and Theresa Chandler, Vice President of the Social Committee leading the way with this season's social events well underway. I'd like to extend a special thank you to Roberta Maynard and Maggie Stokes for keeping things moving during the transition and to Bridget Thomas and team as well as Bill & Sharon Hickey for their ongoing efforts. Our community members have stepped up in so many ways. These kind hearts truly define our association. 2025 has not been without significant challenges but one of our biggest successes has been that our board is committed to open and honest communication. We are all volunteers doing our very best on behalf of our community and I can't say enough about the dedication that has been displayed through unnecessarily difficult times this past year. I am so proud to be a member of this community. Keep up the good work. We appreciate the support and understanding that has been shown by our membership during this transition and a special thank you goes out to our board members who have stepped up to the plate. We are so fortunate to have a capable, cohesive team of people willing to work together to bring improvements to whatever area of concern is being addressed.

Debra Agamaite, our new manager, is doing a great job and I'm pleased to announce we have hired a new administrative assistant. Please join me in welcoming Ernest Barker to our office team. While working in the property management arena will be new for Ernest, he brings with him a strong organizational skillset and determination to improve efficiency and processes. We look forward to benefiting from his expertise. Please take time to meet and make Ernest feel welcome in his new environment. Additionally, active interviewing is taking place as we speak to fill the opening in our maintenance department. Ron Endicott has stepped up to do as much as he physically can as one individual and we are very grateful. While things have not been perfect, we will soon have a replacement in position. One day at a time and one step at a time we will meet the challenges presented.

Please, if you have any questions, concerns or suggestions, please do not rely on gossip or inaccurate perceptions to be your guiding light. Come to the office, approach a board member or use our Board Communication form. We are here on your behalf.

Respectfully submitted,
Jan McCoy

MANAGER'S CORNER

Submitted by Debra Agamaite

I'm not sure how to follow the beautiful introduction from Jan. Thank you, Jan. I am so glad to be a part of your beautiful community. And I know I have big shoes to fill after Marilyn. As Jan said, I absolutely love my job, even on challenging days. I've been in this industry since 1988. I spent 7 ½ years with another management company before accepting a position at Resource. I've been with them for 29 years this year.

A little about me. I was born in South Carolina and spent the majority of my youth in South Carolina and Georgia. I am truly a southern girl at heart. Yes ma'am/sir and No ma'am/sir are very natural responses for me – respect. My father was in the textile industry and as a child, I spent 2 years in Tehran, Iran. Amazingly I have many fond memories from a beautiful country. We were there when the Shah was in reign and were fortunate to see a lot of interesting and beautiful places. My mother and I would go to the market for bread, and they would push 'the little American girl with curls' to the front of the line to get the hottest bread.

I moved to Florida in 1988. And it was culture shock to this very southern girl. After being here for a bit, I met and married the love of my life, Paul. We have 3 children – 2 girls and 1 boy – and 4 grandchildren. My life revolves around my family.

I look forward to meeting you all. I'll be out and about in the community saying hello. So please stop me and introduce yourself. I'm excited to see what we can all accomplish together for Sunset Palms.

Kind Regards,
Debra Agamaite, CMCA
Community Manager

CHRISTMAS EVE

Submitted by Bridget Thomas

Christmas is “For the Young At Heart”

That saying is very evident in the great turnout for the Parade and the attraction of seeing Mr. & Mrs. Claus.

The parade started at 6:00 p.m. at the Lake and proceeded on every street in the Sunset Palms Community. Happy to say it was very orderly, and speed was kept at good pace by the lead elves Clarence & Bridget Thomas. A few other elves took great delight in giving out candy.

The winner of the best decorated golf cart was Paul Edward & Chris Butler.

Santa’s sleigh was awesome! Thanks Wheezies!

At the Clubhouse a delicious treat of homemade soup was served along with crackers and sweets. Again a huge thanks to Joan Murphy and Glenn Greene for working their magic in the kitchen. Soup was delicious and an extra treat for those attending. Santa gave gifts to 4 children and the delight on their faces was a treat to behold. Thank you, Darlene Arsenault, for purchasing and wrapping those gifts. Our Santa and Mrs. Claus (aka Ralph & Judy Payne) are fabulous. They absolutely make the day for all of us. Thank you!

The best decorated house contest winners were:

- 1) 34135 Oak
- 2) 34303 Lily
- 3) 34522 Violet

Congratulations to all the winners!

Our thanks goes to Bet LeBrun & Terry Densmore who had a big part in organizing this event. They unfortunately did not get to attend. We do, however, send our sincerest wish for a speedy recovery to Terry. It all awaits you for 2026 Elizabeth LeBrun.

REDISCOVER TRAVEL: BUSTING RIVER CRUISE MYTHS

R Having experienced several river cruises over the years, I can truly say they're one of the most enriching and enjoyable ways to explore the heart of Europe. Yet, I still hear plenty of misconceptions about them. So, let's set the record straight and bust a few of the most common river cruising myths!

☉ **Myth #1: "River cruising is for old people."**

Not at all! Every sailing trip I've joined has included a wonderful variety of travelers — mostly adults, since most lines have age minimums, but a refreshing mix of generations. Many guests are seasoned ocean cruisers ready for something more intimate, immersive, and culturally rewarding. River cruising attracts active, curious explorers of all ages — and the average age keeps getting younger every year.

☉ **Myth #2: "It must be boring."**

Far from it! Each day presents countless choices — from guided hikes, cycling excursions, and scenic walks to relaxed city tours and local experiences. Evenings onboard come alive with live music, trivia, and themed events. Whether you prefer a lively pace or a laid-back day, the onboard teams make it easy to craft a schedule that suits your style.

☉ **Myth #3: "It's only for the wealthy."**

You might be pleasantly surprised by the value. Most river cruises include daily excursions, regional wines and beers at meals, specialty coffees, snacks, and even afternoon tea with pastries. Add complimentary Wi-Fi and social hours, and the inclusions really add up. With a range of cabin categories and frequent promotions, there's an option to suit nearly every budget.

☉ **Myth #4: "You have to dress up, and the food isn't great."**

Think again! The cuisine is a highlight — fresh, locally inspired, and beautifully presented. The atmosphere onboard is relaxed and comfortable, so there's no need for formal wear unless you want to dress up for fun.

☉ **Myth #5: "You're stuck on the ship in tiny cabins."**

Not even close! River vessels dock right in the center of charming towns and villages, giving you easy access to shore. Cabins are thoughtfully designed with plenty of storage, expansive windows (sometimes floor-to-ceiling), and beds positioned for incredible views — proving that comfort and style fit beautifully in a cozy space.

☉ **Myth #6: "You'll get seasick."**

If you're sensitive to motion, you'll be delighted to know the waters are calm and steady. I've never experienced a moment of seasickness — it's smooth sailing from start to finish.

My takeaway: River cruising is cultural, active, relaxing, and deeply personal — a truly meaningful way to see the world.

Exciting News from Your Travel Committee

Our Travel Committee is considering organizing another unforgettable river cruise! We loved exploring the Rhine and Moselle rivers together in October 2023, and now we'd love to hear your thoughts on the next destination.

Here are some dream-worthy options:

- Christmas markets along scenic rivers
- Upper or Lower Danube in Europe
- Mississippi River in the U.S.
- Chobe River in Africa, spotting safari wildlife in their natural habitat right from your ship as you sip morning coffee
- Mekong River in Asia
- Egyptian Nile River

Send a quick message with your top preference — no commitment needed! Your input will help us plan the next incredible group experience, because let's face it... travel is for dreamers like us. If a river cruise has been on your bucket list, maybe it's time to make it happen. Trust me — your only regret will be not discovering it sooner!

VOICE OF THE CHILD

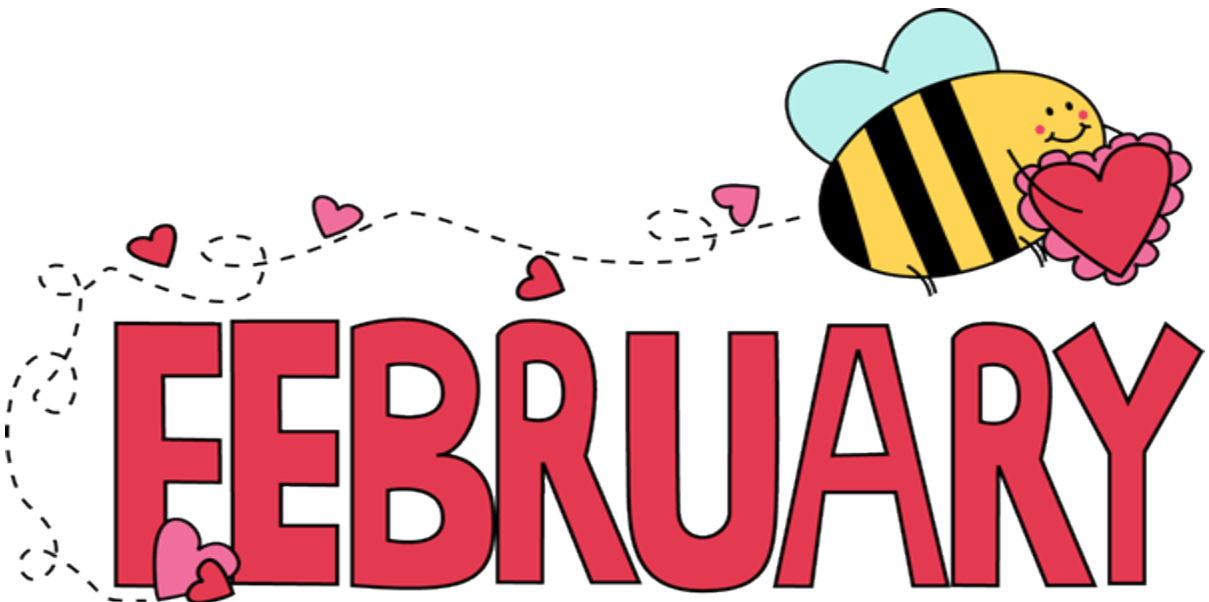

Submitted by Ralph Payne

Sitting in the corner, blaring noise from the seat
Screaming loud, like a damaged record, scratching repeat
The sound, horribly familiar, his only desire is the soft, the mild
The loudness! suffocating the voice of the Child

The misleading front displayed, often not seen from inside the wall
Happy youthfulness, spirit, killing souls, one by one they fall
The damaging spew cast, surfacing from the internal bile
Covering the laughter, the word, the voice of the Child

Outward makeup covers the malignant behaviour, acutely routine
Impressing rank... compeers, her hierarchy events are obscene
On fields of joy, of games, running willing and wild
In the room to stay, to silence the voice of the Child

The day finally surfaced when the gavel falls with pronouncements clear
The unfit, offensive air, is duly swept away with her fear
Unwavering determination, will now cheerfully observe and smile
Delightfully watch and listen daily to the voice of the Child

HOLIDAY DINNERS

Submitted by Bridget Thomas

The Social Committee sponsored Holiday Dinners were held on December 9 and December 10. Two very enjoyable evenings of good food and entertainment. Turkey, stuffing and gravy was prepared for over 200 dinners by our chefs Glenn Greene & Joan Murphy. Thanks Joan and Glenn, your efforts are certainly appreciated in this community. This event is a highlight of the year and so many people contribute to bring this festive occasion together.

First of all, thank you to the Hostesses for the evening - without all of you the evening would not be the success it is. Doing a menu to serve for 18 people and having everyone smile at the end of dinner is no easy feat.

Thank you to John Titus and The Wheezies who work tirelessly picking up turkey, dropping them off to be cooked, picking them up again after cooking and bringing them to Clubhouse for carving. Their jobs don't end there! They are ready to deliver to shut-ins and also for cleanup after each evening. What would we do without them?

To Carvers Frank Brown, Clarence Thomas, Lorne Benson and Barry Hillier. Thanks guys! Great slicing!

We have a community that works on volunteerism and as we plan these Holiday Dinners there are a group of ladies who give their time from beginning to end. Helping with organizing, setting up tables, cleaning up, working in kitchen etc. You are all very much appreciated and I as coordinator rely on each and every one of you. Thanks for working tirelessly and efficiently to make this event happen.

To complete the evening and from all accounts make it perfect we had entertainment! Thank you to Frank Brown, Allan Arsenaault, Madonna Sharpe and Boyde Sharpe. Guys, you were so good you will be asked back again.

Thank You Everyone

FROM THE EDITOR

Submitted by Bet LeBrun

Newsletters are no longer being delivered by volunteers to your doorstep. The monthly edition is available for pick up in the office by the fifth of each month. The publication is also available on the website.

IMPORTANT!

Iwould like to remind everyone that this volunteer job is **NOT** a Monday-Friday, 9 to 5 job. I work all hours during the week as well as weekends and holidays whether I'm in Canada or the USA. I am committed to providing you with an informative newsletter that reflects the happenings in **YOUR** park, and I can usually accommodate your requests. I know everyone is busy with their lives but if you want your submission to appear in the Spotlight, then please respect the deadline of the 10th of the month prior to publication. The earlier I receive it, the better. Before I submit the newsletter to the publisher, the articles are reviewed for approval, so timing is crucial.

As a courtesy, I send out a monthly reminder a few days ahead specifying the deadline date for newsletter submissions and it appears on Facebook under Sunset Palms 3401.

Thank you for your attention.

You can email me with articles, pictures, resident interest stories, etc. or if you have an idea for a monthly newsletter article. Email: sunsetpalmseditor@gmail.com

If you notice incorrect Newsletter article content, please notify me at sunsetpalmseditor@gmail.com. Edit requests for the calendar can be made on our website at <https://sunsetpalms.org/events/>. Our goal is to send you, our Sunset Palms residents, the most updated and correct information pertaining to activities and other articles of interest to our community; and remember, you can browse past Newsletters at <https://sunsetpalms.org/newsletters/>.

Many thanks to all who helped with and contributed to this month's newsletter.

You can access the monthly newsletter as well as the calendar at <https://sunsetpalms.org/>.

MORNING EXERCISE AT THE CLUBHOUSE

Submitted by Yvette Cardoso

Dear friends from the north: Welcome back!
Please join us for the daily morning exercise class at 7:45am.
Have a great visit to our beautiful park.

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Full discloser!

“Heck no!” The response I received as I considered January to be my last THOUGHT! So here is my THOUGHT for February and wouldn’t you know it is going to be about LOVE. Like many boys I’ve met through the years who grew up without a father image, that’s me. I was blessed with a Dad whose last birthday card to me (age 8) wrote, “You’re a good boy.” Yes, I have the card or at least Camille does. I had a friend on my high school football team whose Dad was living but never came to a game. At sixteen I thought I didn’t have a dad cause he’s six feet under, but Jim has a Dad and he never comes to Jim’s games. I don’t know how a sixteen-year-old boy has a thought like that. I pause at this point to say, I didn’t grow up going to church. If you don’t have a Dad and you achieve certain things, what you miss is that at-a-boys! Jim didn’t have a Dad even though he had a Dad. I didn’t have a Dad. Maybe you didn’t have a Dad. Some men have dealt well with it or seemingly well. Adjusted! This could be a much longer THOUGHT but I’ll cut to the chase! Evil took charge of my life even though I was an honor student, athlete and generally good friend of underdogs in school. By the time I was nearing the close of teen years I was living for the next drunk. In the ditch. The wheels weren’t off but on the way. Then... One night I had a dream out of nowhere. Yeah, it was a God intersection completely out of the blue. The dream was so real. So much a part of where life was at the time. And it progressed to a scene of me going over a cliff in a car and God asking me (yes, a voice), “Is this the way you want your life to end?” This led to five months of loneliness until a new friend discovered I played drums and asked if I would like to audition for a group. After five months of sitting at my drum kit playing to Grand Funk Railroad and Led Zeppelin I was going to audition for a traveling Christian singing group. Really? That night as I auditioned, I felt something I’d never felt before but I have felt since. LOVE! This group conveyed a love that was otherworldly. It pierced my heart unsuspectedly. After the audition the leader of the group, after they helped me load my kit into the car and stood at my bumper, told me his story and then asked me, “Nelson, would you like to ask Jesus into your heart.” Without hesitation, I responded, “Yes.” Love! Otherworldly! Not a church thing! From that moment I knew my life had been impacted in a way beyond words. It was all new! We traveled. I saw God with eyes wide open. My wife of nearly 53 years was the soprano in the group (New Joy). I wanted to be a math teacher and basketball coach. What happened with years of fighting God was to be a pastor, just “loving God passionately and loving people genuinely.” I’m imperfect! But my heart completely changed. If Camille and I can ever pray with you about anything in your life, please do not hesitate to ask of us. You matter the most to God! I’m just a God guy!

Sincerely His and yours, Nelson

LIFT STATION MONTHLY REMINDER - IMPORTANT

Submitted from the Office

URGENT ACTION REQUESTED - FLUSH TOILET PAPER ONLY

Our system is being clogged because people are flushing wipes down their toilets. The product packaging states the wipes are flushable, but they are not septic safe. They are clogging our system and will burn out our pumps.

PLEASE ALSO INFORM YOUR SUBLETTERS OF THIS LIMITATION!

Thank you for your assistance!

Sunset Palms Management

FLUSH ONLY: Body waste and toilet paper. (The 3 P's = pee, poo, paper)

*It is highly recommended that only **ONE-PLY** toilet paper be used to prevent clogging the toilet.*

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, **DON'T FLUSH IT!**

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
