## Gateway Community Happenings

---

### Ladies Day Luncheon

*Marlynn Soehrlen*

---

**O**n January 20th, twelve Gateway ladies gathered at Noble Crust for a delightful afternoon of good food and great company. The atmosphere was filled with laughter—so much, in fact, that a few happy tears were shed! The standout dish of the day was definitely the Chicken Parm, which quickly became a crowd favorite. There’s truly nothing better than sharing wonderful moments with such an amazing group of women.

### Men’s Day Luncheon

*Gateway Activities Organization*

---

**T**he men of Gateway joined together in January for Men’s Day Luncheon at Dead Bob’s. The luncheon is a monthly tradition, bringing together community members for good food and great company. Held every third Tuesday, the luncheon offers a welcoming space for men to connect, share stories, and build friendships. Whether you’re a regular or a newcomer, all are encouraged to join in this enjoyable lunch.

### January’s Carport Coffee Chat

*Cindy Taylor*

---

**I**f you missed Carport Coffee Chat on Thursday, January 22 at 9:30 AM at Hiram’s and Cindy’s you missed a truly special morning! The sun was shining, and the atmosphere was cheerful as 17 neighbors came and went, savoring fresh coffee, hot tea, sweet delights, and juicy fruit. The laughter and easy conversation flowed, it was more than just a get together, it was a celebration of finally gathering after a stretch of cold, windy, and rainy days. Whether you’re a regular or new to the neighborhood, this was the kind of event that leaves you wishing you’d been there to share in the warmth and connection. Thank you, Hiram for getting the tables and treats set up!

For newcomers, the essence of Coffee Chat is a welcoming, laid-back environment. Coffee Chats’ are not formal meetings, and they are more than just a coffee break—it’s a cherished tradition here at Gateway that strengthens community ties, encourages open communication, and creates a welcoming atmosphere for all.

March’s Coffee Chats will be held at the Laundry, Thursday, March 12 & March 26 at 9:30 AM – this is an open invitation, all community members and your visitors are welcome, reminders will be sent out via Facebook to encourage participation.

## Gateway Library

GAO Library Coordinator

Mike Tarbet

Looking for a perfect way to spend several hours looking through books? **The Book Rescuers** is a large, affordable used bookstore in Pinellas County, Florida, that rescues books from being discarded, offering them a second life at low prices (often \$1-\$3). They are known as "book re-homing specialists" and feature a vast collection of genres, from fiction and sci-fi to vintage cookbooks and children's books, with a mission to keep books out of landfills. The business has recently moved to a new location in Largo, expanding its space significantly. It is located at 8325 Ulmerton Rd. in Largo.

Let’s not forget our Gateway Library and our local Public Library:

- We currently have a small but MIGHTY book selection located in the laundry until the Club House reopens.
- St. Petersburg Public Library – Childs Park Branch: located at 691 43rd St S, about 2.5 miles away from Gateway.
- Check out this Pinellas County Library website for free admission tickets to museums and events:

# GATEWAY MEMORIAL SERVICE

(Resident Assistance Please)

*Peter Soehnlén*

---

In researching the current Memorial List I have been unable to acquire any information regarding the names Teri Mikoloski and Paul Sink. Their passing was reported to me in January and June of 2024 and I do not recall how I came to have acquired their names or the very limited information I have. The office has no record of current or prior residents under these names.

Please, if anyone believes they know of who these names refer to, please contact me with any details. 727-269-9569 (Voice or text msg); email at samsezoh@gmail.com Thank you

The Memorial Service for current and former residents who have passed away has traditionally been held on the 4th Sunday in January. Delays in Gateway clubhouse renovation and repair will cause the Memorial Service to be held a later date.

As of the time of this column I have a listing of 21 individuals known to have passed away who will be memorialized.

They are: Diane Altemus, Russ Arsenault, Ted Baker, Michael Daniels, Gary Donlon, Winifred Farquhar, Anne Flaherty, Elise Freeman, Jennie Hammond, Richard Harmon, Robert Harris, Christine Harbey, Mary Jane Jackson, Betty Kennedy, Corey Koeppen, Barb Koubeck, Joseph Lopez, Teri Mikoloski, Thomas Mills, Paul Sink and Kathleen Soehnlén.

Anyone knowing of someone who should be recognized at this service please text message Peter Soehnlén at 727-269-9569 or email at samsezoh@gmail.com with the name and any pertinent information you might have.

It is important to understand you should not rely on the thought that someone else may report that someone you are aware of has died. We would much rather be told several times than neglect to have them mentioned.

# SAFETY REMINDERS

Cindy Taylor

As your friend and a person who is getting a little bit older every day I am sharing some safety tips with you.

We all enjoy living independently here at Gateway. Let's all take time to ensure safety at home is our priority. Our homes, while familiar and comforting, can present unique risks for older adults, including falls, burns, and other preventable accidents. Simple modifications—such as improving lighting, removing tripping hazards (especially eliminating throw rugs), and installing grab bars—can significantly reduce these dangers. Let's encourage each other to proactively address potential hazards and foster safe daily habits so we can maintain our independence, confidence, and quality of life, while providing peace of mind for our families and caregivers. Creating a safe home environment is not just about preventing injuries; it's about us engaging in our safety as a priority so we can age in place with dignity and security.

## March Safety Reminders:

- **Protect our brains!** According to the CDC, around 1.5 million Americans suffer from a Traumatic Brain Injury (TBI) every year that results from falls and slips. Keep floors clear, remove throw rugs and install grab bars as needed.
- **Protect our eyes!** Every day we are exposed to splashes and spills of household cleaners, along with paint and paint cleaners, herbicides, insecticides, etc. Wear protective eye wear such as goggles to prevent injury. If your eyes are exposed to chemicals call 911.

Gateway let's do "Safety as a Priority".

## Resuming Ladies Day

Marylynn Soenhlen and Michelle Johnson

Before the hurricanes, the Ladies of the Park gathered on the 1st, 2nd, and 4th Tuesday mornings at 9:30 in the clubhouse. We shared laughter, creativity, and friendship while making crafts—some for the Annual Bazaar, others just for fun. These mornings were about more than crafts; they were about discovering new hidden talents, enjoying coffee or tea, and, most importantly, connecting with one another.

We are excited to announce that Ladies Day is making a comeback in a condensed version! While the Clubhouse is still being restored, we decided we will meet in the Laundry Room at 9:30 a.m. on the scheduled Tuesdays listed in the March calendar.

The abbreviated plan is for you to bring your favorite drink and any craft project you're working on. Whether you're an experienced crafter or just looking to enjoy good company, please join us as we carry forward our tradition of creativity and togetherness.

**We can't wait to see you at the "Condensed" Ladies Day Events.**

## DAYLIGHT-SAVING TIME RETURNS

*Cindy Taylor, Editor*

### Reminder:

**O**n Sunday, March 8, 2026, most of the United States will set their clocks forward one hour at 2:00 a.m., marking the start of Daylight Saving Time (DST).

### History and Current Practice of Daylight-Saving Time:

DST dates back to World War I, when it was introduced to conserve fuel. Today, the practice is governed by federal law, with DST beginning on the second Sunday in March and ending on the first Sunday in November. Hawaii, most of Arizona, and several U.S. territories do not observe DST, so their clocks remain unchanged.

### Impact of Daylight-Saving Time:

This annual ritual is often called “spring forward,” instantly shortens the night by 60 minutes and shifts sunrise and sunset later. This change brings longer evenings and more daylight after work, it also means darker mornings.

The immediate impact of “springing forward” is felt in sleep patterns. Research shows that losing an hour can lead to fatigue, difficulty concentrating, and irritability for several days after the change. Health experts recommend preparing by gradually adjusting bedtime, getting morning sunlight, and avoiding caffeine late in the day. The extra daylight in the evening encourages outdoor activities, exercise, and family time, but it’s important to be mindful of the grogginess that can linger.

### The Future of Daylight-Saving Time:

While debates continue about whether DST should be made permanent, for now, Americans will continue to adjust their clocks twice a year. So, continue to embrace the longer evenings, and take steps to ease the transition for your body and mind.

## GATEWAY COMMUNITY DIRECTORY

New Residents - Your inclusion in the Directory is voluntary and should you wish to be included in the 2026 directory please contact Peter Soehnen at 10402 1st Street or 727-269-9569 for details.
