To: LSR Shareholders

From: Steve Schaefer, President Lasereno, Inc

**Subject: Monthly Activity for January 2026**

**Annual General Meeting:** The Annual General Meeting (AGM) of LSR shareholders is scheduled for 25 March 2026. The first mailing was sent to shareholders earlier in January. There are three board seats up for election. Anyone interested in running for the board must send a written notice of interest to pursue an open board seat to Pat Horn, LSR Secretary, no later than 12 February 2026.

**Pool:** Three proposals to repair the pool drains have been received with one more proposal expected in a week. The proposals are coming in more expensive than expected, so the board is waiting for all four quotes to be received and reviewed prior to making a final contractor decision. The pool lighting committee is very active in evaluating the requirements for night swimming. The committee has been in discussions with the pool contractors.

**Buildings:** The hall, office, and laundry were all painted in January.

**Insurance:** The board has signed the insurance binders for the park for 2026. The coverage is identical to the coverage in 2025.

**Men's Room:** A contractor has been selected to renovate the men's room by the pool. Work will commence in early February.

**Front Entrance:** A Town Hall and Board Meeting were held to decide on the renovations for the front entrance. The Board elected to remove the current sign and water feature and install a new entrance sign, lighting, and irrigation system. There will be two triple palms placed on both sides of the new sign and mulch will be added to the entire entrance area. The area behind the new sign will not be changed.

**Grass Treatment:** After the shareholder approval of the park improvement assessment at the 2025 AGM, the board contracted with an outside lawn firm to treat isolated areas of the park for fertilizer, weed control, and bugs. After nine months of treatment, there was no noticeable difference in the treated area versus the non-treated areas of the park. The board ended the trial period.

**Road Sealing:** The board is looking at sealing the roads and repainting the stripes in the parking area and roads in late spring, after the seasonal residents have left the park.

**Rodents:** There seems to be more rodents in the park than usual this year. The board is considering a temporary ban on all wildlife feeding, including birds, to help control the influx of rodents.

**Board Meeting:** A Board meeting was held on 19 January 2026 to vote on the front entrance renovation. The board minutes were sent out to all shareholders and posted in the hall.

**Financial:** The financial reports for January will be posted in the hall. The expense statement for January will be available on the LSR website. A 2026 budget review meeting for all shareholders was held on 19 January 2026. The proposed budget for 2026 was presented. The outside auditors have been contracted, and the audit is in process. The results of the audit will be presented at the AGM in March.

Regards,

Steve Schaefer

## NEIGHBORS HELPING NEIGHBORS

Launching a boat into the lake can be challenging under normal circumstances, but if you add 40-50 miles an hour of wind, it can be somewhat difficult. So, when ‘Captain’ Ken Brown was launching his pontoon on Sunday, January 25th, he was very happy when a few ‘pirates in shining armor’ came to the rescue. Shown from left to right are John Hopwood, Kevin Kempf (with special broom, aka launching tool), Bill Smith and Ken Brown, Captain. How lucky to have such hands-on deck to the rescue. That's why we live in Lake Seminole Resort... Thanks to all!

## NFL CHAMPIONSHIP PARTY IN THE LSR HALL

We had a nice crowd for the 2026 NFL Championship held on Sunday, February 8th

In the LSR Hall. This year featured the LSR Touchdown Toss and the winners were Joyce Green, Jube Stanicki and Miriam Jung. There was a lot of great food and everyone had a good time.

## LSR BIKERS VISIT DUNEDIN

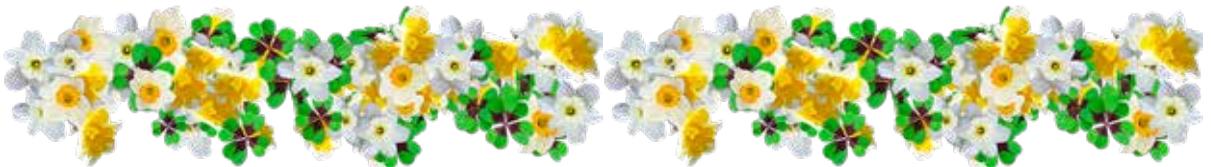

A group of bike riders from the park made their way up to Dunedin to have breakfast at the Dunedin VFW. A few others drove to the VFW to join the bikers for the breakfast. The same day as the bike ride, several people enjoyed some live music from a trio who set up and played in the driveway of Alan and Cathy Durdle. The musicians entertained the crowd that gathered for nearly two hours.

## THE HALL WAS JUMPING ON SATURDAY, JANUARY 31st FOR BLACKWATER JACK

**B**lackwater Jack put on an amazing show with some very talented guitar playing, as well as excellent harmony vocals. Their set list included lots of great country music as well as some classic southern rock. The dance floor was full for most of the show. Many thanks to Suanne and Scott Braun for finding this wonderful band and to all who helped with the set-up and clean-up after the dance.

## LAKE SEMINOLE RESORT ANNUAL FLEA MARKET

---

Happy Spring Everyone!

Our Lake Seminole Spring Flea Market is coming up fast...Saturday, March 7th from 9:00am until 1:00pm. Including our favourite bake table loaded with cookies, cakes and pies, we are having a 50/25/25 (two winners!), coffee and donuts for the early birds, and don't forget about our BBQ hot dog lunch. Just the smell of the BBQ will bring our neighbours out.

I truly appreciate all the volunteers that make this day so special. If you can't volunteer, come out, buy a hotdog and check out all the treasures we have on display...I like to say that our flea market is 'nothing but the best'.

Many thanks to everyone,  
Sherry Brown

## **LINE DANCING IN THE LSR HALL EVERY FRIDAY AT 10:00 AM**

**S**heila and Ed Dansereau teach line dancing every Friday morning in the LSR hall. This is currently scheduled to continue through Friday, April 17th. Come out and learn to line dance and get the many benefits of dancing described below.

Researchers have become interested in how dance and dancing benefit various areas of our health, such as falls, cognition, and physical function.

**FALLS**-The risk of falls, especially fatal falls, increases as we age. Researchers feel that engaging in dance-based mind-motor activities (Tai Chi is one of these activities too) may decrease the number of older people who fall.

**COGNITION**- In older adults, declining cognitive function is a leading cause of disability and death. Dance is an example of an activity that allows people to engage in exercise and brain training at the same time. The combination of these two can improve our cognitive function.

**PHYSICAL FUNCTION**- Exergames are popular in Canada. Dance exergames involve dancing to music (sounds like line dancing to me: ) ). Researchers have found that dance exergames can improve balance, reaction time, and movement time, all things that decline as we age.
