## 🌟 Neighbor Spotlight: Karan Rater

Alana - Lot 308

This month, we'd like to recognize one of our wonderful neighbors, Karan Rater, for the kindness and dedication she shows to both our community and the greater Clearwater area.

Karan volunteers tirelessly at a local food bank every Monday, Wednesday, and Friday, helping ensure that those in need receive support and care. Her giving spirit doesn't stop there — as a nurse, she is often the person residents turn to for helpful medical advice and a reassuring word.

Recently, Karan went above and beyond when a stray dog wandered into my carport. Leslie and I tried to locate the owner through the county and even the dog's veterinarian, but we weren't getting anywhere. Karan graciously stepped in, offered to take the dog, and continued the search. Thanks to her persistence and compassion, she was able to track down the owner and reunite them with their beloved pet.

Karan has also stepped up to serve our community by volunteering to be the HOA Secretary, and we truly appreciate her willingness to help.

Karan is a wonderful example of what makes Regency Heights such a special place — neighbors who truly care about one another.

Thank you, Karan, for all that you do! ❤️

## Monthly

**Financial Literacy Month.** With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

**Month of the Military Child.** More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

**National Autism Awareness Month.** A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

**National Garden Month.** Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

## Weekly

**National Robotics Week, Apr. 4-12.** The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

**Animal Control Officer Appreciation Week, Apr. 12-18.** This week recognizes the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

**National Environmental Education Week, Apr. 19-23.** The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

**National Pet ID Week, Apr. 17-23.** Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.
