## From the Board of Directors

*Roland Doucette, President*

---

**T**he Annual General Members Meeting will be held on February 17, 2026, at 7pm for the purpose of hearing reports of committees and the election of new Directors for the Board. This is an important meeting, and all residents are urged to attend. We need a quorum to conduct this meeting. Please mark your calendar and plan to attend.

The Board has been and will be dealing with a large number of new projects this year. We have already repaired the roof on the clubhouse, taken down the tree behind # 115, and completed the deck renovation. We also need to deal with the rebuilding of the stage in the clubhouse, as well as the new trees behind the clubhouse. It will continue to be a busy spring, with the usual repairs being required as we work on these projects.

In preparation for our spring drive-through, while most houses are in great shape, it appears that there are some houses that have mold on the house, roof, and especially on the bricks of planters. Now is a good time of year to take some time to walk around your home and check for issues with dirt and mold. It will be easier to clean now, while the weather is cooler, than to wait until it is hot again. Mold continues to be a problem for all of us, and only by keeping on top of it in the beginning do we stand a chance of controlling it. Your cooperation in keeping Blue Jay beautiful is appreciated.

We have already had to close the pool for a few nights because of the overnight temperatures. We will probably need to do so again. The pool is closed whenever we expect nighttime temperatures to fall below 55 degrees for an extended period. We have been informed by our pool heater company that failure to do so could cause our heater to burn out, and the cost of a new heater could be quite expensive.

Finally, we are about to enter a period in which we see many winter visitors coming down from the northern regions in search of some warm weather. This usually includes a visit to the pool. If your visitors are going to the pool, please remind them of our pool rules. Most important is a pre-swim shower and a reminder that no oils are allowed in the pool. Remember, these products will destroy our pool filters and cause us to undergo a very expensive replacement. Staining can already be seen on the underwater surface, installed just a few years ago. This staining has only one cause – tanning oils. Cleaning it will be expensive. It is your money, folks, that will be used to do the cleaning. And the pool will need to be drained to do it. A little preventative care will save money in the long run.

## From the Social Committee

Lisa Hickerson, Chairperson

Can you believe we are already in the second month of 2026? We ended 2025 and kicked off 2026 with a great New Year's Eve party...if I do say so myself (smile). But seriously, this was the 3rd year Wendell and I have hosted, and I want thank everyone who came to the party. I think a good time was had by all. I would also like to say thank you to the great support team that helped us put it together.

February doesn't have too many scheduled events but it will be a busy month as we prepare for the annual Rummage Sale. Coming up this month...

- February 6th - February Birthday Social Hour @ 6pm w/Ice Cream Floats
- February 8th - Super Bowl LX Party @ xxpm
- February 26th-28th - Rummage Sale: 2/26 – Setup in the morning, open for resident shopping in the afternoon; Friday & Saturday 8am-1pm is open to the public

Remember, in addition to special events like parties and dances, we have several games and activities that occur weekly: bingo, card games, dice games, crafts, a new fitness class, etc. There is a bulletin board in the clubhouse where you can get information and basic rules about each game. The information is behind each cover picture. Some games do require signing up in advance as it is necessary to know how many will be attending. We are always glad to see new people and if there is a game you're not familiar with, don't let that stop you. Everyone is always willing help you out.

Hope to see you at a future event or activity!

Lisa

## Red Hats

Rosalind Powell, Coordinator

On December 11, 2025, the Red Hat Mama's met for our Christmas luncheon and party. The luncheon was held at Outback, and the party at the clubhouse. Pat Serletic and Sandy Losiniecki were the hostesses and did a wonderful job. The party was a lot of fun with a gift exchange and refreshments. Our donation of \$100.00 was sent to St Jude Children's Hospital.

There are many new residents, and we would like to invite you to join us. It is held on the 3rd Thursday of each month, with annual dues of \$3.00. If you have any questions, contact me at 904-616-9141. Look forward to hearing from you.

# Annual Rummage Sale

Sandy Losiniecki, Coordinator

**O**ur Annual Blue Jay Rummage Sale will take place in the clubhouse and on the deck on Friday, February 27th, and Saturday, February 28th.

The deck space will be used for the Social Club to sell your donated items. This helps raise money to support social activities and purchases that are needed throughout the year. If you have items to donate, please contact a member of the Social Committee. We are currently limited on storage space. If you can hold your items until shortly before the sale, we can collect during the week leading up to the sale. If you cannot, we will do our best to collect your items in advance. We cannot accept large furniture items; small items such as a side table, TV stand, etc, are okay. Items must be clean and not broken. Electronics must be operable. We cannot accept "older" technology such as VCRs.

If you wish to sell your own items, table space will be available in the clubhouse. Tables are on a first-come, first-served basis. The signup sheet to rent table space will be posted on February 1st. A large table is \$20. There will be a single table limit until we see how many are needed. If available, second tables will be available on a lottery basis.

Set-up will be on Thursday morning, February 27th, with the sale being open to residents Thursday afternoon. If you wish to make your items available on Thursday afternoon, please be sure someone is available to work your table.

We will also have our very popular Bake Sale, managed by Joy Armstrong, and a great Lunch available, managed by Ken Boback. The bake sale and lunch will be available again this year on both Friday and Saturday.

All of this can only happen with the help of VOLUNTEERS! We need help with set-up, kitchen, deck sales, traffic, and of course, our amazing bakers. Sign-up sheets will be posted for volunteers. It is a busy weekend, and we can use all the help we can get, and any help is greatly appreciated.

## Staying Sharp, Connected, and Active

**A**s the years go by, staying mentally sharp and socially engaged is just as important as maintaining physical health. Keeping your brain active and maintaining a social life doesn't have to be complicated. Even if there are physical limitations, cognitive and social skills do not have to be abandoned.

### Keep Learning New Things

Our brains love a challenge and learning something new keeps our minds nimble. Try something like a craft class, learn a new game, tackle a crossword puzzle, or try sudoku. It all helps exercise those mental muscles and can help reduce the decline of cognitive skills.

*...continued on page 10*

## Staying Social Matters

Humans are fundamentally social creatures and maintaining social connections is a powerful tool for brain health. Spending time with friends, family, or neighbors can reduce stress, improve mood, and even help prevent memory issues. These kinds of activities offer both purpose and companionship. It's easy to lose sight of how important companionship is to our mental health.

## Move Your Body, Feed Your Brain

Physical activity doesn't just help the heart; it boosts brain health too. A walk, a yoga session, or even dancing to your favorite tunes can keep both body and mind in sync. Even though physical limitations can prevent some activities, it's important to do what you can.

Whether you're preparing to attend a community event, a small get together with friends, or go to dinner and a movie, you are engaging all three areas of importance, cognitive, social and physical activity. Staying curious, moving often, and connecting with others are the best ways to keep the mind, heart, and body the best it can be at any age.

## Blue Jay Christmas Parade

*By Mike McKenna*

**D**ear Neighbors, I would like to share my report on this year's "Blue Jay 2025 in the Park Christmas Parade"! It was December 23rd, the day before Christmas Eve, and a Chamber of Commerce evening. We had a pleasant 62 degrees, and it is now 6:11 PM. We have 8 decorated Christmas carts lined up, anxious to start in four minutes at 6:15 PM sharp, despite a brief moment of panic when we discovered Santa was missing. But suddenly here they come. Mr. and Mrs. Santa Claus arrive just in time in their decorated cart. It's OK now. We wanted them last in line to become our festive Parade Caboose. It completes our convoy like a "Macy's Christmas Parade".

The streets of Blue Jay immediately came alive with jingling bells and Christmas Carols. The atmosphere was electric! Many of our friends and neighbors were out along the curbs, yelling and waving as we honked and slowly cruised by, wishing everyone a Merry Christmas. It was a very special and spiritual night to remember.

This year, we had judges along the route looking for two outstanding carts. The Best Decorated Cart winner was Mr. and Mrs. Santa Claus, aka Bob and Susan Crowe #139, featuring delightful inflated animals and colorful lights. The out-of-the-box most Creative and Unique Cart was Dennis Wagner #175; he was fully engaged with enthusiasm on his Electric mini bike cart and playing Christmas Carols.

Congratulations to the winners, and a heartfelt, sincere thank you to every person who decorated and/or participated in the parade. We had many well-decorated Carts this year that could have won. The decisions were very close and tough to choose from. So let's try again next year. Yes, it was a wonderful family night, and it took all of you to make Blue Jay special!
