## President Comments

Susan Grippin

Hello Bayside Waters Residents,  
As we welcome the beautiful month of April, I'd like to wish everyone a wonderful start to spring. It has been lovely seeing so many of you out gardening and freshening up your landscaping; these personal touches truly make our community a beautiful place to live.

We have an exciting lineup of events this month, including our Easter Luncheon and the Spring Fling featuring the band Flashback. These gatherings are a wonderful opportunity to enjoy the company of the neighbors who make our park feel like home. Thank you for being such a special part of Bayside Waters. I appreciate the pride you take in our neighborhood. Wishing you all a relaxing and enjoyable April.

## Food Giveaway

The next Food Giveaway, sponsored by Good Neighbors, will be held on Wednesday, April 1st, starting at 1:00 p.m. in the Clubhouse. If you know a neighbor in need who cannot attend, you are welcome to pack a bag for them starting at approximately 1:30 p.m., after others have finished. Please ensure the recipient has no food allergies. We often have leftovers, so feel free to return for a second round. Thank you to Greg Schmidt and our volunteers for making this possible.

## 3 score Senior Softball League Charity Event - April 10, 2026

Ralph Scunziano

---

**T**he annual charity softball games at BayCare Park will be held on Friday, April 10th. Last year we had 35 people from Bayside Waters attend, a fantastic showing! We would like to beat that number this year! The \$18 admission includes up to 4 softball games courtesy of the 3 score Senior Softball Club, the 6:30 game between the Clearwater Threshers and the Tampa Tarpons, free hotdogs, hamburgers, chips, ice cream, soda and water from 2pm to approximately 8pm. A portion of each ticket sale goes to the Clearwater for Youth foundation. The first game starts at 11:30, 2nd at 1:00, 3rd at 2:30 and 4th at 4:00. My game

...continued on page 12

should be the 2:30 one which fits nicely with when the free food starts. We usually gather on the third base side, both for the shade and the closeness to the “Hot Corner” for the free food and drinks. Please contact me, Ralph Scunziano, at 518-469-7275 if you are interested in attending. Tickets must be purchased by 4/8/26. Thank you for your support.

## Cribbage

Marshall Giles

---

**C**ome Join Us for Cribbage Night!  
Love cribbage? Looking for a fun way to spend your Monday evening? Come join us at the clubhouse every Monday at 7:00 PM for a friendly night of cards and great company. Cribbage is a two-player, three player or four player card game combining luck, strategy, and mental arithmetic. Players score points by forming pairs, runs, and fifteens, pegging their progress on a wooden board. Simple to learn but deeply strategic, it rewards experience like few games can. All skill levels are welcome — whether you're a seasoned pro or a curious newcomer, there's always a seat at our table. We'd love to see you there!

We had some great wins this month.

February 16, Mike Brophy 1st place, Maggie Rau 2nd place and Phyllis Lepage third place

February 23, Marshall Giles 1st place, Denny Schrader 2nd place and Maggie Rau third place

March 2, Rene Russell 1st place and Bob Francis 2nd place

March 9, Evan (Denny's grandson) 1st place, Rene Rousell 2nd place, Grant 3rd place and Phyllis Lepage fourth place

Some very high hands were scored by our players. Joe Jeffries scored two 24 hands in the same game, Grant and Marshall scored 24-point hands.

Both Pat Schaffrath, and Jan Sibbald scored 20-point hands. ...pretty good scoring as the ultimate score is only 29 points.

## Try this uncommon career advice

---

**R**ead enough self-help books, and you'll run across a lot of the same repetitive career advice: Work hard, be helpful, go the extra mile. If you're already doing this, and want to add oomph into your career, consider this advice from the Fast Track Promotion website:

- **Develop your emotional maturity.** Focus on staying calm no matter what happens at work. Treat everyone with respect. Learn to choose your words carefully—and more important, recognize when it's best not to speak at all.
- **Negotiate in good faith.** Find out what the other person wants, and work toward a mutually satisfying agreement instead of one with winners and losers. In other words, seek solutions, not victories. Negotiate as if you're both on the same side.
- **Shift your point of view.** Support your organization's goals, not your own. When you make a decision, ask yourself whether it's one your manager or CEO would make. If not, reconsider your priorities.
- **Provide real value.** Instead of just doing your job, find out how your work supports your organization's objectives, and then give a little extra to help your it thrive. Talk to your manager about what you've done and what you can do to add to the organization's success.
- **Listen to feedback.** Praise is fun to receive, but often we learn most from criticism. Make a point of listening to and considering other people's points of view, and incorporating their feedback into your performance. You'll show that you're a team player committed to improvement.

## Don't be afraid to ask for help

---

**M**any people avoid asking for advice from fear of being seen as ignorant or incompetent. But soliciting guidance from others can show that you're open to new ideas and focused on success. Here's how to ask for help and look good doing it:

- **Be sure you really need help it.** Don't interrupt a colleague for something you can figure out on your own with a little more time and effort. Save requests for problems that are truly difficult to solve.
- **Ask the right person.** Identify the person who can really help you. You'll irritate your co-workers by asking for help on something that's outside their area of expertise.
- **Be direct.** Don't beat around the bush when you need assistance. If you don't know the person, introduce yourself and explain why you think he or she is best person to help you out. Most people are happy to lend a hand, and they'll feel flattered that you think highly of their skills.

## Monthly

**Financial Literacy Month.** With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

**Month of the Military Child.** More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

**National Autism Awareness Month.** A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

**National Garden Month.** Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

## Weekly

**National Robotics Week, Apr. 4-12.** The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

**Animal Control Officer Appreciation Week, Apr. 12-18.** This week recognizes the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

**National Environmental Education Week, Apr. 19-23.** The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

**National Pet ID Week, Apr. 17-23.** Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.
