There may be a few events over the summer months, cook outs, holiday parties, Happy hours, etc.... Hurricane season begins June 1st, 2026. Now is the time to think about and pre-plan> It will help to be aware, prepared and know what you are going to do.

- Sign up for the **Alert Pinellas**, it's a free emergency notification service, online at www.pinellascounty.org/alertpinellas. This service provides multiple ways to notify you, such as landlines, mobile phones, email, and text messages, whenever an urgent situation such as flooding arises in your location.
- There is also an application for your smartphone “Ready Pinellas.”
- It doesn't hurt to check your homeowner's policy for coverage.
- If a tornado warning is issued you would be better off going to the clubhouse or pavilion bathrooms (be sure you have the codes written down) than staying in your mobile home, park model or RV.
- Please stay safe, Have a great summer!

Don't forget you can keep up with us on the web at: www.monthly-media.com

Driveways

While backing out of your driveway, please stop and look before entering the street. There have been close calls with residents backing out and not looking.

We strongly urge residents to obey the one-way arrows. We have seen many instances where someone has almost gotten hit because of someone going against the arrows.

Fire Hydrants

We have been asked to advise you not to hang anything on the fire hydrants. It will hinder the fire department if they must come into the park.

Robert's Park has Two Organizations.

Why are there two organizations in the park? They serve different purposes:

Robert's Recreation Association was formed to provide social and recreational activities for all full-time and part-time residents of the park. There are meetings on the first Monday of the month from November to March. Committee Chairs make their reports, then let residents know what is going on in the park. There are no dues, and all residents are welcome to attend the meetings.

Robert's Park Homeowners Association, Inc., represents owners of mobile homes in the park. It is the liaison between those owners and Park management. Membership certificates are issued upon payment of a \$20.00 fee for 1 year or \$50.00 for 3 years. Contact Tim Dempsey Lot #93 or Marianne Szymanski at lot #76 if you wish to become a member.

The Hot Tub is for Adults Only

No one under 18 is permitted in the Hot Tub. Food and drink, of any kind, are not allowed in the pool or hot tub. The hot tub is meant for short sessions only, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed, and tragedy can strike quickly. Never swim alone. Use the buddy system for safety.

Also, for the health and wellbeing of everyone, please do not go in the hot tub or pool if you are not feeling well, have wounds or open sores.

Golf Carts

Golf carts are only to be driven by people 18 years old and older with a valid driver's license and you should obey the speed limits within the park.

Roberts' Facebook Page

Our Robert's community has a Facebook group page. This group page has been created for the community at Robert's RV Park for anyone that is a current or seasonal resident and is interested in activities and events at the park. The intention of this group is to help to inform visitors and those living in the park about upcoming events, create easy online sign-up forms for community organized events, send reminders, discuss and plan upcoming events and to share encouragements, announcements, and pictures. We hope this will help the community stay connected year-round. Please feel free to join the group on Facebook under the group name "Robert's RV Community". All are welcome!

Mowing

If you have any problems with mowing, please contact the office and not the mowing crew. The office will contact the manager and resolve the situation as quickly as possible.

Guests

Please check with the Roberts Office for guest rates. Residents must accompany their guests while at the pool or other locations and are responsible for the behavior of their guests. Children under 18 must be accompanied by an adult who shall assume full responsibility for their safety and conduct.

Solicitors

If you see a solicitor, please call the office. We will send someone down to tell them to leave the park. These people are very bold and brazen. Please help us stop them before they take advantage of anyone in our community. The office never gives permission to any solicitor.

Royal Palm Cemetery is now off limits to all residents with dogs.

The cemetery will be putting up “no trespassing” signs for anyone with a dog. There have been many complaints that people are taking their dogs to the cemetery for walks and not cleaning up after them. Anyone caught on cemetery property will be prosecuted.

Home Site Alterations

If you are making any changes or additions to your home site or the exterior of your home, please come to the office and submit a completed request (green sheet). Paint colors must be approved, and a request form must be approved. Submit your written request and wait until you have received approval before proceeding with any work. Anyone other than the homeowner working on the home must be licensed and insured and we must have a copy of such on file in the office.

Alcohol in Pool Area

Please remember that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken in the pool, it can be quite expensive to clean out. Please remember there is NO alcohol in the pool area, in the pool or hot tub.

Linda Quinn, FMO Rep, Lot 39, 727-455-8331

The FMO - Federation of Manufactured Homeowners of FL, not to be confused with the HOA.

****It is the FMO that fights for your Rights in Tallahassee.**

****It is the FMO that fights to keep beneficial programs in place such as the STATE TIE-DOWN Program**

****It is the FMO that took steps to save us money...We defeated being charged Sales Tax on our Lot rent and forced the repeal on property tax for carports and screen rooms.**

****It is the FMO that keeps us informed of Bills the Legislature wants to change our way of life.**

****It was the FMO that made it possible for our communities to hold BINGO games.**

The list of FMO accomplishments is long. Many retired community residents freely donate countless hours to protect our rights.

****So, all we ask of you is \$30 per household or 3 years for \$75.00**

****If you think the FMO does NOT Matter and is not important, think again!!!**

****Sometimes you do not know how important something is to you until it is gone or Taken Away.**

*****SO PLEASE START 2026 OUT WITH A COMMITMENT...TAKE A STAND AND JOIN THE FMO...**

*****Please contact Linda Quinn FMO Rep for an application at Lot 39 or call 727-455-8331. Please make sure you have the correct prospectus...**

Dog Poop

The complaints continue about people not cleaning up after their animals and not walking them in the pet area. Pet areas are marked on the map. Please take your "doggie bag" home with you or deposit them in the dumpster at the compactor, do not deposit them in the trash cans at the laundry facility or in activity areas.

Security

Some thefts have been reported recently, please remember to keep your property locked, even when you are here. This applies especially to but not limited to bikes and golf carts. If you want the Pinellas Park Police Department to check your property when you go back up north or on vacation, you can call 727-369-7864 for instructions.

THE MAXIMUM POSTED SPEED LIMIT IS 10 MPH unless otherwise posted. Many residents walk, run, and ride bicycles while playing music in their ears. Some of us are elderly and deaf with grandchildren, girlfriends and boyfriends on our mind.

Please do your part, slow to a safe speed, and obey the signs especially during the hours of darkness and DRIVE SAFELY.

Monthly

Adopt a Cat Month. Your local shelter has tons of cute, cuddly newborn kittens, mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

National Dairy Month. Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

National Zoo and Aquarium Month. June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

PTSD Awareness Month. The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

Weekly

National Automotive Service Professionals Week, June 8-14. A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

Men's Health Week, June 15-21. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

National Nursing Assistant Week, June 11-17. Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

National Mosquito Control Awareness week, June 20-26. During "Mosquito Week," the American Mosquito Control Association's goal is to educate the public about the significance of mosquitoes in their daily lives and the important service provided by mosquito control workers throughout the United States and worldwide.
