President's Report

By Tammy Davis #21

Hello GA Family,
On March 12, 2026, we received final approval for our land use and zoning change for the 1050 Main Street lot. This means the lot is now part of 1040 Main Street. The board will be working on a plan to bring it to a vote when everyone returns next season.

Thank you to everyone who participated in the Board of Directors' picnic. It was great to see everyone come together to celebrate the end of the snowbird season. Annual Inspections were completed March 31. If you did not receive a violation letter, you have passed this year's inspection.

We replaced 5 new palms throughout the park on March 30.

As of this writing, we have 5 homes for sale in the park.

Remember, spring showers bring May flowers and green grass at GA!

Tammy Davis

Greetings from the Office

By Karin Desmone

Please welcome Roger Scharf, Unit #138, and Carl & Colleen Cieccko, Unit #24 to the park. Congratulations and may you find lots of happiness, fun, and laughter at your new residence.

From the Editor

It has been a busy 11 days for both Kevin and I. Home from Golden Acres, then Easter Weekend, off to Montreal for the surprise family get together. All 3 Daughters and partners with 5 wonderful grandchildren. Of course lots of things due, Health Card, Passports and licenses to have renewed before Kevin's get-away. You Canadian's all know the drill- get to the Doctors so any meds can be changed well before we head south so our Medical Insurance will be paid in the US. Anyway –deep breath- Newsletter to be printed is just about ready to send- waiting for tomorrow to be over so that this can be off to the NewsMedia and get printed. Still able to add any articles to the email and website newsletter copy. (the sooner the better) To our full timers stay well, stay cool and have fun. Wishing those who have traveled, are traveling and who will be traveling that you arrive at your summer home safely. The drive is increasingly getting more difficult and we will be investigating ways to have our vehicle transported down to Golden Acres. I am sure this is just an age thing and all your “young uns” lol don't have to worry yet. I am hoping that all the pictures get included and have deliberately decided that they are more important to you than my Tech ramblings.

Remember if you have gatherings with GA friends past and present we would love to hear from you. May the May flowers start sprouting and the rain be enough to keep the grass growing and the sun provides lots of vitamin D.

Chris Rainsforth

Rec Committee Report May 2026

By Gina Douthit Unit 55 and Debbie Douthit Unit 60

Gina Douthit Unit 55 and Debbie Douthit Unit 60 form the Summer Rec Committee again this summer. We know throughout the summer many “year rounders” travel to visit family. The luncheons and craft events were enjoyed by those who were still in the park. Sometimes the luncheons were well attended and sometimes only just a couple of us. Regardless, it was good to get together. We welcome any ideas you may have and look forward to serving again this summer. Please share your email and phone number with the Summer Rec Ladies to ensure you don't miss out on summer Golden Acres Events.

CanAm A Little History Lesson from a former Resident

By Nancy Baker

Originally, the CanAm celebration was begun by Canadians to thank Americans for their hospitality. At the beginning, all the skits were created by Canadians but the American residents, seeing how much fun we were having, asked to join in.

Unfortunately, CanAm was begun so long ago that the founders are now gone and present residents are unaware of their identity.

While Randy and I were in the park, we saw many changes in the ceremony. Bob Mickle (#29) did the photography- even DVDs as a record of events - and a calendar of the Golden Girls which we still keep.

Mary Ellen Hearn (#18) did everybody's make-up so it looked more professional. For a while, a dance instructor, Lynn Perron, planned and choreographed all the acts.

All in all, the Irvings, Marlene Scott, and I agree it was great fun and a real time commitment but, everyone loved it. We had great fun and it brings back wonderful memories on snowy nights now that we are unable to come south to the sunshine. Thanks for the memories!!

Last Friday morning as I was surveying the kingdom from our front deck across from F Avenue I saw what I thought was a lynx. Ed came along with his golf cart and went up thru the park until he found it going thru the Harding property and out to the Mexican restaurant. Below is an online pic of what I saw. Probably the reason there are not many rabbits in the park.

Did You Know?

May is commonly referred to as the month of natural purity and beauty, representative of the Greek Goddess it was named after, Maia. This was because of flowers like roses, tulips, and lilies tend to bloom most in the month of May.

Monthly

ALS Awareness Month. ALS, also known as Lou Gehrig’s disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

Better Hearing Month. Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

National Military Appreciation Month. As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

Weekly

Children’s Mental Health Awareness Week, May 3-9. A yearly event aimed at raising awareness of the issues and causes integral to the children’s mental health field nationwide. Sponsored by the National Federation of Families for Children’s Mental Health, this year’s theme is “Healthy Families, Resilient

Food Allergy Awareness Week, May 10-16. Food allergies affect up to 15 million people in the United States, including one in 13 children. Whether you’re newly diagnosed or brushing up on the facts, learning all you can about the condition is the key to staying safe and living well with food allergies.

American Craft Beer Week, May 11-17. American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

The absent-minded composer

The famous composer Ludwig von Beethoven once went to a restaurant for some dinner, but being very absent-minded he forgot what he actually came there for. A waiter asked him several times what he would like to order, but Beethoven paid him no attention.

After an hour Beethoven called the waiter and asked him, “How much do I pay?”

The waiter replied, “Sir, you haven’t ordered anything yet. What I can do for you?”

Frustrated, Beethoven snapped back, “Oh, just bring whatever you want and leave me alone!”

Einstein: A genius with a human touch

Albert Einstein was a scientific genius, and stories about him are legendary. Three stories illustrate that he was as human as the rest of us:

- When Einstein went to Princeton University in 1953, someone asked what he would need for his office. His reply: “A desk, some pads and a pencil, and a large wastebasket to hold all of my mistakes.”
- A student visited Einstein in his Princeton office one day with a copy of this year’s final exam in his hand. “Professor, all the questions on this year’s test are the same as last year!” “Yes,” Einstein replied, “but this year all the answers are different.”
- After finishing a paper, Einstein and his assistant could find only one paper clip in his office to hold the pages together. Unfortunately, it was bent out of shape and impossible to use. They searched the desk for something to use as a tool to straighten the clip, and found a full box of paper clips in one drawer. Instead of taking one of those clips, Einstein used one as a tool to straighten out the bent clip.

The assistant asked why he didn’t just use one of the fresh clips. Einstein answered, “Once I am set on a goal it becomes difficult to deflect me.”
