HAPPY FATHER'S DAY

FROM THE DESK OF THE SOCIAL CLUB PRESIDENT

Welcome Summer!!

I hope everyone will participate in our summer activities. Ask your new neighbors to join us. We are getting ready for our July 4th Celebration, 250 years! I'm open to suggestions, what would you folks like to do? Let us know!

Let's make it a fun summer in Harbor Lights!!
Betty Hindman, HLSC President

HARBOR LIGHTS ASSOCIATION, INC (HOA)

HOA meetings are held the first Wednesday of the month, during the season, November to April.

These meetings are open to all residents of our park who own a mobile.

Please plan to attend next fall.

FATHER'S DAY

Father's Day was spearheaded in the US by Sonora Smart Dodd in 1910 to honor her father, a Civil War veteran who raised six children alone. Following a 1908 West Virginia mine disaster memorial, momentum grew, leading to a 1966 presidential proclamation and its official establishment as a federal holiday by Richard Nixon in 1972.

Key Historical facts: In 1908 it was Grace Golden Clayton who proposed a service in Fairmont, W.VA. to honor fathers who died in the mining explosion. President Lyndon B. Johnson issued the first presidential proclamation in 1966 designating the third Sunday in June as Father's Day. During the 1920's and 1930's, the holiday was pushed by retailers as an occasion to buy gifts, particularly during the Great Depression.

While the modern US holiday was sparked in 1910. Catholic countries have celebrated fatherhood on March 19th (Feast of St. Joseph) since the Middle Ages.

1ST DAY OF HURRICANE SEASON

Are you ready

HURRICANE SEASON HAS ARRIVED – DO IT NOW!

2026 Hurricane Season 6-1-26 – 11-30-26

- Start bringing drinking water into your house. Plan for 1 gallon per person per day. Avoid shopping when a storm watch is issued. Get it now.
- Shop for non-perishable food, 3 days of food is recommended. Avoid stocking up with PERISHABLE “buy one-get-one” items.
- Find a place to store any outside grills, garbage cans & recycling bins before a storm approaches.
- Lawn ornaments, flags, and plants should be picked up and stored. They will become dangerous projectiles during a storm.
- Have a plan to close your awnings or board up windows. Arrange to get help from a neighbor.
- Have an evacuation plan in order – a shelter, staying with a friend, or staying in a motel.
- Take personal papers with you.
- If our park sustains damage, keep an eye on the local news channel for re-entry information into our park.
- Make sure your car has a FULL tank of gas.
- Have CASH on hand, small bills.
- Turn off your water at the meter.
- Use common sense and stay safe.

BEING PREPARED FOR A HURRICANE

We in mobile homes are in the area known as ZONE A. This designation means we must evacuate from our homes when/if a hurricane is expected to come to our area. Evacuation may be to a friend’s or relative’s home in a safe zone, going North and or inland or to a designated shelter. If you require assistance with transport during the emergency, arrangements can be clarified through the citizen’s information center 727-464-4333 PRIOR TO THE NEED. Forms will be available to be completed then submitted to appropriate people at the EOC. This number is only available once the hurricane threat is posted. Paper pamphlets are being printed and will be available.

To get updates on any storm it is suggested you sign up to receive emergency notifications by phone text or e-mail at www.pinellascounty.org/alertpinellas.

To find updates on preparedness before, during and after the storm sign-on at www.pinellascounty.org/emergency.

If you have a pet, you can contact www.pinellascounty.org/animalservices.

ORIGIN OF FLAG DAY

Flag Day in the United States originated to commemorate the adoption of the national flag on **June 14, 1777**, and was formalized through efforts by educators and patriotic organizations in the late 19th and early 20th centuries.

Early History of the U.S. Flag

The origins of Flag Day trace back to **June 14, 1777**, when the Second Continental Congress passed a resolution establishing the design of the United States flag: thirteen alternating red and white stripes with a union of thirteen white stars on a blue field, representing a new constellation. This flag was first carried into battle on September 11, 1777, at the Battle of Brandywine, and it was first saluted by a foreign naval vessel in February 1778. The flag quickly became a symbol of unity and independence during the Revolutionary War. Wikipedia+3

Early Proposals for Flag Day

The idea of celebrating the flag emerged during the **Civil War era**. In 1861, George Morris of Connecticut is credited with organizing one of the first formal observances in Hartford to rally support for the Union cause. The flag had become a powerful symbol of patriotism, especially after the Fort Sumter Flag was preserved by Union soldiers. Britannica+1

Bernard J. Cigrand

In 1885, **Bernard J. Cigrand**, a schoolteacher in Waubeka, Wisconsin, held the first recognized formal observance of Flag Day at the Stony Hill School, calling it “Flag Birthday” and encouraging students to honor the flag. Cigrand later promoted the idea nationwide through essays and public advocacy. Around the same time, **William T. Kerr** of Pennsylvania founded the American Flag Day Association of Western Pennsylvania to further institutionalize the celebration. Wikipedia+2

State and National Recognition

The first state to officially celebrate Flag Day was **Pennsylvania in 1937**, beginning in Rennerdale. President **Woodrow Wilson issued a proclamation in 1916** designating June 14 as Flag Day, and in **1949, Congress officially established National Flag Day** through an act, though it remains a commemorative observance rather than a federal holiday. Schools and communities across the country gradually adopted ceremonies to honor the flag, often as part of patriotic education for children. Wikipedia+3

Legacy

Flag Day continues to be observed on **June 14**, with the president typically proclaiming the week as National Flag Week. The holiday honors the historical significance of the U.S. flag, its adoption, and the efforts of educators and civic leaders who promoted its celebration. Figures like Bernard J. Cigrand are remembered as the “Father of Flag Day” for their pivotal role in establishing the tradition. Britannica+1

The things that come to those that wait may be the things left by those who got there first.

It is said that if you line up all the cars in the world end to end, someone would be stupid enough to try and pass them.

I wish the buck stopped here, as I could use a few.

HERE'S WHAT'S COOKIN

Sheet-Pan Honey Tahini Salmon with Chickpeas and Couscous

Ingredients: ¼ cup honey, ¼ cup tahini, 3 tablespoons fresh lemon juice, plus 1 lemon halved, 2 tablespoons extra-virgin olive oil, pinch of kosher salt, and freshly ground black pepper, 2 pounds salmon fillets, one 15-ounce can chickpeas, rinsed and drained, 1 cup couscous, ¼ cup chopped fresh parsley, plus more for garnish, ¼ cup golden raisins, plus more for garnish, 1/8 teaspoon crushed red pepper flakes, 1 ¼ cups chicken stock (store-bought or homemade), 1/3 cup toasted chopped almonds, 1 tablespoon za'atar, labne or Greek yogurt for serving.

Directions:

1. Preheat oven to 400 degrees,
2. In a small bowl, whisk together the honey, tahini, lemon juice, olive oil, salt and pepper. Using a pastry brush or spoon, evenly coat the salmon fillets with the sauce on all sides. Place the fillets in the center of a sheet pan along with the halved lemon, cut side up, and roast for 10 minutes.
3. After 10 minutes, carefully slide the sheet pan out of the oven and add the chickpeas, couscous, chopped parsley, raisins, pepper flakes in an even layer surrounding the salmon and lemon. Pour the stock over the couscous mixture and return to the oven. Cook until the salmon is medium-rare and flakes easily with a fork and the couscous is cooked through and tender, 6 to 8 minutes.
4. To serve, garnish with more parsley and raisins and the za'atar and almonds. Serve with labne or Greek yogurt on the side.

Makes 6 servings.

Monthly

Adopt a Cat Month. Your local shelter has tons of cute, cuddly newborn kittens, mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

National Dairy Month. Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

National Zoo and Aquarium Month. June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

PTSD Awareness Month. The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

Weekly

National Automotive Service Professionals Week, June 8-14. A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

Men's Health Week, June 15-21. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

National Nursing Assistant Week, June 11-17. Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

National Mosquito Control Awareness week, June 20-26. During "Mosquito Week," the American Mosquito Control Association's goal is to educate the public about the significance of mosquitoes in their daily lives and the important service provided by mosquito control workers throughout the United States and worldwide.

The cost of a wedding? Priceless

June is a traditional month for weddings, and for some brides and grooms, the sky's the limit. The Knot website tracks wedding costs, and its most recent findings give a snapshot into the state of the wedding industry today:

- Average wedding cost: \$35,329 (excludes honeymoon; up from \$32,641 in 2015)
- Most expensive wedding city: Manhattan, \$78,464 (average)
- Least expensive: Arkansas, \$19,522 (average)
- Average cost of a wedding dress: \$1,564
- Average age: bride, 29; groom, 31
- Average number of guests: 141
- Average number of bridesmaids: 5
- Average number of groomsmen: 5
- Most popular month to get engaged: December (15 percent)
- Average length of engagement: 15 months
- Most popular wedding month: October (16 percent) and September (16 percent)
- Most popular wedding colors: dark blue (29 percent), gold (28 percent), and light pink (28 percent)
- Percentage of destination weddings: 20

What millennials want when dining out

Millennials are driving more and more of the economy, especially with their food and dining choices. Y-Pulse, a youth marketing and millennial research firm, looked at some of the restaurant trends being pushed by people 18-34 years old, and here's some of what it found:

According to the survey, 71 percent of millennials love to attend food-focused events, and 81 percent enjoy exploring new cultures through food. Memorable dining experiences are also important, with 48 percent saying they seek out new restaurants with famous chefs and 69 percent enjoying eating establishments with chefs' tasting menus.

On the other hand, 61 percent say they wish they could find more restaurant offerings that remind them of their grandmothers' cooking, and 69 percent are looking for food that reminds them of their childhood.

Quote

Mathematics, rightly viewed, possesses not only truth, but supreme beauty—a beauty cold and austere, like that of sculpture, without appeal to any part of our weaker nature, without the gorgeous trappings of painting or music, yet sublimely pure, and capable of a stern perfection such as only the greatest art can show.

—Bertrand Russell
