Thinking of Selling Your Home? Let Your ELS Office Team Handle It!

If you're ready to sell your home in our community, your ELS office staff is here to make the process smooth, successful, and stress-free. Unlike outside agents, our only focus is this park—and that gives you a real advantage.

Why Sell With Us?

- **We Know Your Buyers:** We receive direct inquiries from people actively looking to buy in this park. Your home gets immediate exposure to serious, qualified buyers.
- **Smart Pricing Strategy:** Our in-depth market analysis ensures your home is priced to sell—not sit. We understand local trends and buyer expectations better than anyone.
- **Powerful Marketing Package:** Your listing will be featured on top platforms like Zillow, Realtor.com, and dozens more. Plus, we run targeted Facebook campaigns to reach even more potential buyers.
- **On-Site Promotion:** We'll provide a professional "For Sale" sign and flyers to attract attention right here in the park.
- **Competitive Fees:** Our pricing is in line with other agents in the area, giving you great value without sacrificing service.
- **Better Resident Vetting:** Because we're involved in the entire process, we help ensure incoming residents are a good fit for the community—leading to fewer violations and a smoother transition after move-in.
- **Local Expertise, Personal Service:** Our team lives and works in this community. We're not juggling multiple neighborhoods—we're dedicated to yours.

Let us take the stress out of selling and help you get the best value for your home. Stop by the office or give us a call to learn more!

Trash Compound Hours; Disposal Guidelines – Please Read Carefully!

To help maintain a clean and safe environment for everyone, please follow the updated hours and disposal rules for the trash compound:

Operating Hours

- Tuesdays: 8:00 AM – 3:00 PM
- Fridays: 8:00 AM – 3:00 PM
- Saturdays: 8:00 AM – 11:00 AM

What You Can Dispose Of

- Bagged household trash only is allowed in the enclosed compactor.
- Unbagged items no larger than a standard trash can may be placed in the open-top containers.

✗ Prohibited Items

You may not dispose of the following at any time:

- Large furniture
- Construction debris
- Paint, oil, or chemicals
- Electronics
- Tires

Violations of these rules may result in a \$500 fine. Improper disposal creates safety hazards and can lead to serious consequences for the entire community.

If you're unsure about an item, please contact the office before bringing it to the compound. Thank you for helping us keep the community clean and compliant!

Please Do Not Feed Stray Cats or Wildlife – It's Prohibited

Feeding stray cats or wildlife may seem like a kind gesture, but in our community, it is strictly prohibited—and for good reason.

Why It's Not Allowed

Feeding stray animals can attract more wildlife, feral cats, and rats which can attract snakes leading to overpopulation, property damage, and health risks. It also disrupts local ecosystems and can increase the spread of diseases like toxoplasmosis, which affects both wildlife and humans. [myfwc.com]

It's Against the Rules—and the Law

While Florida does not have a statewide ban on feeding stray cats, local ordinances and community rules—including those in Pinellas County—prohibit feeding stray animals on private property without permission and near parks, schools, or conservation areas. Violating these rules can result in a formal violation and a \$500 fine. [pinellas.gov]

△ What You Can Do Instead

If you're concerned about stray cats or wildlife in the area, please contact the office or local animal services. Programs like Trap-Neuter-Vaccinate-Return (TNVR) exist to humanely manage feral cat populations without encouraging uncontrolled feeding.

Let's work together to keep our community safe, clean, and compliant. Thank you for your cooperation!

Be Considerate—Drive Safely in the Park

We all share this community, and a little courtesy goes a long way—especially when it comes to driving.

Speed Limit is 10 MPH

Please remember that the speed limit throughout the park is 10 miles per hour.

Slowing down helps protect pedestrians, pets, and property. Speeding is not only dangerous—it’s a park violation.

Drive Slowly Through Standing Water

After heavy rain, standing water can accumulate in certain areas. Driving too fast through these puddles can cause water to surge into nearby homes, leading to flooding and costly damage. Always approach standing water very slowly and cautiously.

△Violations Will Be Issued

Failure to follow these rules may result in a community violation. Let’s all do our part to keep the park safe and respectful for everyone.

Thank you for being a thoughtful neighbor!

Your Community Listens

Thank you for making Eldorado Village your home!

We strive to deliver the high level of customer service you have come to expect and promptly address the needs of all our residents. In order to deliver on this goal, we are highlighting a process to help us address any questions or concerns that may arise during your residency.

STEP 1: Please visit the community office or call (727) 531-9105 to discuss any questions or concerns with your community manager. Please allow appropriate time for a response or action from your community manager, and feel free to follow up as necessary.

STEP 2: If, after allowing appropriate time for your community manager to respond or initiate action, you feel the need to further address your questions or concerns, you may contact the regional manager for your community at (813) 282-6754.

STEP 3: After allowing appropriate time for a response or action from the community's regional manager, if you find it necessary, you may take the additional step of contacting our corporate customer service representative at (312) 279-1400.

We appreciate that you have chosen to call Eldorado your home and look forward to continuing to serve you for many years to come.

Sincerely,

Your management team at Eldorado

ELS stands for Equity Lifestyle Properties and if you want to be added to the list to receive ROBO CALLS in the case of critical or routine events, please call the office at 727-531-9105.

Protect Your Hot Water Heater During a Water Outage

During an extended water outage, you may want to turn off the water heater by going to the electrical panel and throwing the water heater breaker to the "Off" position. Once the water has been restored, residents should turn the hot water on at a few faucets and make sure that all of the air is out of the lines. Once there is no sputtering and the water is running smoothly, the breaker can be switched back on. This process is to keep the water heater elements from overheating and burning out if the water level gets too low.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters. clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Do You Want To Be In the Know?

Stay in the KNOW—Sign Up for Robo-Texts Today!

Did you get our last robo-text? If not, you might be missing out on critical updates like water shut-offs, maintenance alerts, safety notices and more. This is our primary way of getting important information to residents quickly and reliably.

Here's how to make sure you're connected:

- You must have a cell phone that can receive text messages.
- If you don't have a cell phone, please find a buddy resident who agrees to keep you informed whenever a message is sent.
- Signing up is easy—just call the office today and we'll get you added to the list.

Why it matters: Robo-texts are fast, direct, and help us keep everyone informed in real time.

Whether it's an emergency or a routine update, you'll be the first to know.

Call the office now at (727) 531-9105 to sign up. Don't wait—stay connected!

Thank you for helping us keep communication strong and our community informed!

From the Editor: And thank YOU, Miss Kristen, because these really do help—especially the water shut off ones and maintenance in the park. I applaud you and the staff for making sure we are literally IN THE KNOW—it makes our lives a heck of a lot easier!

Pet Policy

People need to pay attention to number THREE.

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. PET CATS ARE TO BE INDOOR ANIMALS ONLY.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—If you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

IMPORTANT MESSAGE FROM DORISANNE GIBSON:

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

EDITOR'S NOTE:

Flags, like books, are treasured items and should by NO MEANS ever be disposed of in a FLAGRANT manner (no pun intended—really). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to DOC at Lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate BOTH and just drop them in the drop box on the side of the building—easy as CAKE and PIE!!!

Did You Know?

It is thought that the word "April" comes from the verb "aperire," which means "to open", due to April being the season of trees and flowers beginning to bloom.

The Think Tank

WHERE DID WE GET APRIL FOOLS' DAY?

April Fools' Day origins are uncertain, likely rooted in late Middle Ages European traditions, possibly linked to the French adoption of the Gregorian calendar in 1564, which moved New Year's Day from April 1 to January 1, making those who celebrated late "April Fools". Other theories include the Roman festival of *Hilaria*, spring renewal, or Chaucer's 14th-century tales.

LOG *The Library of Congress (.gov)* +2

Key historical theories regarding the origin include:

- **The Calendar Change:** The most common theory is that when France shifted to the Gregorian calendar, those who continued to celebrate the New Year during the last week of March through April 1st were mocked.
- **Hilaria and Spring Festivals:**

Ancient Roman festivals like *Hilaria* (held in late March) involved dressing up and mocking people, which may have evolved into April Fools' traditions.

- **The "April Fish" (Poisson d'Avril):** In France, a common prank involves pinning a paper fish to someone's back, a tradition dating back to the 1500s, possibly signifying a young, easily caught fish.
- **Medieval Literature:** Early references to fooling in April appear in Geoffrey Chaucer's *Canterbury Tales* (c. 1390), specifically in the "Nun's Priest's Tale," which highlights a prank played on a fox.

LOG *The Library of Congress (.gov)* +3

While many believe the day has roots in ancient festivals marking the vernal equinox, the specific, documented, and widespread tradition of playing pranks on April 1st began to solidify in the late Middle Ages and early Renaissance.

Always Marry an April Girl

By: Ogden Nash

Praise the spells and bless the charms,
I found April in my arms.
April golden, April cloudy,
Gracious, cruel, tender, rowdy;
April soft in flowered languor,
April cold with sudden anger,
Ever changing, ever true --
I love April, I love you.

GOLDEN WEDDING BOARD

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark, we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that they are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Book

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

The LIBRARY Is For All Residents!!!

It’s SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author’s last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the “Drop-off” box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention!
6. HISTORY of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or a comfortable chair, and enjoy a “blast from the past!”

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

BINGO IS STILL GOING STRONG!!!

Bingo Hours:
Tuesday evenings:
Start selling at 5:15 PM. Stop selling at 6:00 PM. Start playing by 6:30 PM. We will be following the guidelines set down by ELS for the good of everyone, so please be amicable in observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks! We also would appreciate it if you do not bring \$20 bills as they are hard to make change for—thank you!

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should NOT put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for everyone. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is ONLY for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

Did you hear about the guy who drank invisible ink as an April Fools' prank?
He's at the doctor waiting to be seen!
