**C**olleen Hoover wrote “It Ends With Us”. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up. Lily graduated from college, moved to Boston and started her own business. So when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true! There is no such thing as bad people. We’re all just people who sometimes do bad things.

Colleen lives in Texas with her husband and three sons. She is the founder of Bookworm Box, a nonprofit subscription service and bookstore in Sulphuric Springs Texas.

The library is located at Lot 231 and is open daily 10:00 a.m. - 6:00 p.m. We have WiFi and air. We also have a lot more than books. There are DVDs, puzzles, CDs, books on tape, and so much more. Come in, select something, take it home and enjoy.

Please remember to shut the door and turn off the lights when you leave.

## FROM THE OFFICE

Jessie Buchholtz, Property Manager

Here we are, heading into May already! As we all learned as kids, April showers bring May Flowers.....except in Florida this year. As you may know, Pinellas County is experiencing severe drought conditions, which I have mentioned in my meetings. Essentially it means that the entire county is limited to watering 8 hours, one day a week, scheduled by a Pinellas County schedule. It first started in March, but on April 3rd it was modified to be more extensive. The following paragraph is what I received:

*“Severe drought conditions and declining water supplies have led the Southwest Florida Water Management District to issue a Modified Phase III “EXTREME” Water Shortage Order. This elevated restriction level emphasizes the urgent need to take immediate action to conserve water.”*

Additional restrictions that affect Embassy residents are:

- a. Car washing once a week, on your watering day ONLY; and you must use a hose with a nozzle.
- b. Ornamental fountains are limited to four hours a day (Manager’s Note: I have 3 fountains that are self-circulating and not directly connected to a water source, so they are not part of this restriction, I called the County for clarification)!
- c. You can hose down your carport AS NEEDED, not daily.
- d. Power washing of your mobile is allowed for now.
- e. All water leaks, interior and exterior, must be fixed immediately.
- f. Hand watering is allowed, but only before 8 a.m. and after 6 p.m.

Outdoor water use accounts for more than 50% of water consumed by households, so it is very important to follow the rules. The fine is \$193 for a first-time offender. (After April 17th there will be no warning, the first time fine is mandatory.) Even if we start getting some of the rain that seems to go around us, it will take weeks, if not months, for the water levels to rise enough to lift restrictions. I will keep you posted, but you can also visit [Pinellas.gov/watering-schedule-and-rules](http://Pinellas.gov/watering-schedule-and-rules) for complete details.

**Embassy’s watering window is Tuesday, 12:01 a.m. to 4:00 a.m. or 8 p.m. to 11:59 p.m.** You can only use 1 of these time slots, not both.

Common sense should tell you that extremely dry conditions bring fire hazards. Just this week there was a brush fire a few miles away that took 8 hours to control. You are not allowed to burn garbage; the only fires allowed in the park have been small ambiance fires, in a container, with a screen over it, and a working hose ready. Due to the severe drought, high winds, and how quickly a fire spreads in a mobile home community, I am imposing a temporary ban on ALL fires.

Last month I mentioned something about antifreeze being flushed out, onto the ground, by northerns getting ready to head home. After living here over 20 years, no car dealer has ever reminded me to check my anti-freeze! John Halliday provided me with information that antifreeze is important in hot climate regions; it helps to regulate engine temperatures, prevent corrosion, and maintain the integrity of the cooling system. Who Knew?

The new blinds are not to be lowered up and down at random! The south side windows are to be kept halfway open, the window by the back door and the door walls left completely down. Some of you may not know this, but there is no air conditioning or heat in that back area, as it was an add-on and not well thought out! No flyers or notices are to be put on the window facing the pool. Absolutely nothing is to be fastened to the window shades!!!!

Once again, it is necessary to remind residents about not digging in the ground without testing the area to see if there are any water, power, gas, etc. lines in that area. Twice last month a main water line was broken by people who didn't follow the rules. The bills were \$7,000 and \$4,700. Who do you think pays that??? While the homeowners are responsible, first by not following the rules, second by not hiring a licensed and INSURED contractor, many times they are not in a financial position to pay this bill. Ultimately it gets figured into the equation when a rent raise is negotiated. Additionally, due to the length of time the water had to be turned off, several residents had their hot water tanks burn out. The park has always suggested back flow preventer valves be installed to prevent this, but I can't make them do it. We do our very best to limit the length of time that the water is off, but there are a lot of components to fixing a major water line. I have purchased "contractor" parts for a variety of sized pipe; the 2 that were used last had only been on site for 2 days, and cost \$967.50! Without them, it could have been 3 days without water! And thank God for Ed Morenzoni!!!! He jumps right in, doing all he can to restore the water as fast as possible. He jumps into the hole full of water and tries to assess the situation quickly and stays until it's fixed. Yes, the park pays him for his time, but it is his knowledge and years of experience that are invaluable. Although he keeps threatening to change his phone number and/or move, he never lets me down!

The Office will continue to close at 1:30 p.m. until May 18th. It has been announced at several meetings, and there is a sign on the door. Residents who walk in at 1:29 p.m. will be turned away; I am having a series of medical treatments at 2:00 p.m., in Dunedin; I had no control over the time slot and certainly won't miss one "because you can't fix stupid"!

As always, I monitor park email several times a day. Some of you have tried to reach me using Instant Messenger.....this is entirely different than email and I don't monitor it for park business. It is part of Facebook, which is a social media platform.

There will be no Resident's monthly update meetings after April unless needed. Remember that there are no hurricane safe buildings on property; you should rely on the Pinellas County hurricane guides for information to keep safe. I am currently waiting for the 2026 issue.

## RECYCLING BEER, POP, AND SPARKLING WATER CANS

*Submitted by the Embassy Shuffle Club*

The Shuffle Club collects aluminum cans as part of their fundraising to maintain the courts. We ask all Park residents to help us by recycling beer, pop, and water cans. You can bring your cans to the Clubhouse Shuffle Courts and deposit them in the marked containers, or, for your convenience, the Club has added **containers** at the 12th street **LAUNDRY** to dispose of “**BEER and POP CANS ONLY**”.

Thank you very much for your support.

## SATURDAY BINGO

Twenty-four people showed up for Saturday bingo on March 21st. Lynne Tyler won the Bonanza (the first game of the afternoon) for a whopping \$129 and Janice Yeo won the 50/50 for \$46. Once again, the overwhelming majority of people who attended won at least a little money. This is really a low-cost way to spend Saturday afternoon. For as little as \$10 you can play every game and even have a chance at the 50/50.

Remember, all the money collected on the sale of games is paid out on the same day. We use our portion of the 50/50 drawing to defray expenses.

So, mark your calendars for the 3rd Saturday of the month and come join us.

Time: 2:00 p.m. Cards sold 1:00-1:45 p.m.;  
games start at 2:00 p.m.

Where: In the Clubhouse

This is a shorter program and runs approximately 2 hours.

## PLANNING MEETING

The 2026/27 Calendar Planning Meeting was held on March 26th. Representatives from the Social Club, Canadian Club, and Shuffle Club attended, along with some others who manage specific programs — 10 people in all. All of our regular activities and their appropriate dates/times are listed at the back of this issue on the “Who’s in Charge” page.

Remember, these dates are not set in stone and are subject to change. However, every attempt will be made to keep everyone informed of the changes. In other words, watch for flyers to be posted at the office, at the laundries, and in the cases outside of the Clubhouse.

## MIXED DOUBLES NIGHT SHUFFLE TOURNAMENT

*Submitted by Viateur Viel*

Embassy Park made history on March 31 with the successful hosting of its very first **Mixed Doubles Night Shuffle Tournament**, a unique and memorable event played under the lights at dusk.

The tournament featured **16 mixed teams**, each composed of one male and one female player. The competition format included **two games of 10 ends**, followed by a **final game of 8 ends**, creating an exciting and fast-paced evening of friendly rivalry and sportsmanship.

What made this tournament truly special was its nighttime setting. As the sun set and the lights came on, players experienced a different atmosphere on the courts, adding a touch of novelty and excitement. The weather cooperated beautifully, making it a perfect evening for players. The event was widely praised for its spirit of camaraderie, enthusiasm, and fun.

After an entertaining series of matches, the top three teams were announced:

- 🏆 **First Place:** Ken and Janice Yeo
- 🥈 **Second Place:** Barry and JoAnne Murphy
- 🥉 **Third Place:** John Holliday and Michelle Swanlund

The celebration didn’t end on the courts. At the conclusion of the tournament, participants and guests gathered at the **Clubhouse** for light finger foods and an evening of dancing. The festivities were energized by lively music provided by **DJ Jesse Osborne**, keeping the dance floor active and the good spirits flowing.

This inaugural Mixed Doubles Night Shuffle Tournament was considered a great success and is already being talked about as a future **annual tradition** at Embassy Park.

With strong participation, great sportsmanship, and a fantastic social atmosphere, the event highlighted once again what makes Embassy Park such a vibrant and welcoming community.

## BINGO ... BEHIND THE SCENES

*Submitted by M. Bassy, Roving Reporter*

Those of us who regularly attend Bingo (whether on Wednesday night or Saturday afternoon) know that it wouldn't be the same without the caller. At Embassy Park we have Patrick. He's been our caller for many years now. Others have tried, but no one else can do the job the way he does. Yes, we grumble and complain when the bingo machine messes up, but we know we'd be lost without him. So, to show our appreciation, we celebrated his birthday on Wednesday, March 18th (his birthday was actually the day before). Jessie bought a birthday cake and we took time to sing "Happy Birthday" at the start of the evening. So, I know it isn't said nearly often enough, but ...thank you, Patrick for being our bingo caller.

## CANADA DAYS

*Submitted by Jo-Anne Murphy and Lynne Tyler*

Sunshine, cold drinks, incredible food shared among friends. Lots of laughs, great company, and some seriously dramatic shuffle games -- axes and beanbags flying like never before!

A sea of red and white worn with pride. Truly a wonderful time enjoyed by all.

Canada Days 2026 was one for the books!

# CRIBBAGE AWARDS

Every Thursday night, mid-November through March, a group of dedicated players meets to play cribbage ... 'crib' for short. Our numbers range from 10 to 16 players per week. It only costs \$1.00 to play, so no one plays with the intent of becoming a millionaire. Rather, we come together to spend time catching up with our neighbors and just to have a good time. At the end of the season, we take a minute to recognize the players who stood out ... in this case, first and second place for highest average score and an award for Most in Need of Improvement. This year, the winners were:

First Place: Linda Mairs

Second Place: Vanessa Nead

Most in Need of Improvement: Trina Whipple

Congratulations to all and we hope to see you next year!

# COMEDY NIGHT

Submitted by Yvette Novak, President of the Social Club

Our annual comedy night performance was on Saturday, March 14th. Thirteen performers got up on stage before a sold out crowd and gave us two hours of hilarious entertainment. Feedback from attendees and performers alike indicate the favorite skits were Dad Jokes by Dave Howard and Bob Steckley; Vitameatavegamin performed by Cathy Russell and Jim Geibel; The Ventriloquist featuring Jesse Osborne and Dave Howard; and The Lost Lollipop with Danielle McBurney, Peggy Baldwin, and Bob Steckley. And we cannot forget Ron Russell as our Master of Ceremonies. This is not to say that they all weren't very good acts and I consider all of the performers to be very courageous in the way they put themselves out there for the entertainment of us all.

However good the show was, it wouldn't have been a success without the hard work and dedication of the stagehands. I'd like to acknowledge the folks that worked behind the scene to ensure sound, lighting, set design, and costume changes went smoothly. Special kudos go out to former resident Janice Yeo for set design, Bev Morrison for stepping in at the last minute when our curtain puller took ill, Mike Matheny for seeing to refreshments during intermission, and Deb Steckley and Sharon Howard who were our ticket takers and greeters.

For those who are new to Embassy Park, every year the Social Club sponsors Comedy Night. We put out a call looking for actors/singers willing to bring this night of pure entertainment to you. If you missed out this year, but would like to be a part of next year's show, mark your calendar now for Tuesday, January 5, 2027. Traditionally, the first planning/organizing meeting is held on the first Tuesday in January. Participation at the first two meetings of the season will determine whether or not there is enough interest to put on a show for the year.

## APRIL LUNCHEON

*Submitted by M. Bassy, Roving Reporter*

LUNCHEON

The April luncheon was held on Thursday, April 9th, at the Cracker Barrel restaurant. Hosted by Vanessa Nead and Yvette Novak, 16 people came together to share a meal and visit with their neighbors. The theme was “Spring” with placemats decorated with spring flowers and door prizes intended to beautify outdoor gardens. The Cracker Barrel is a good place to get old fashioned, home cooked comfort foods. You can order a turkey or meatloaf dinner, fish and chips, and a simple salad ... all of it is good and the prices are quite reasonable.

May’s luncheon will be hosted by Irene Blondin and her daughter Linda at a location to be determined. Watch for flyers posted on the bulletin boards and a sign up sheet posted at the clubhouse.

## 4th OF JULY TEASER

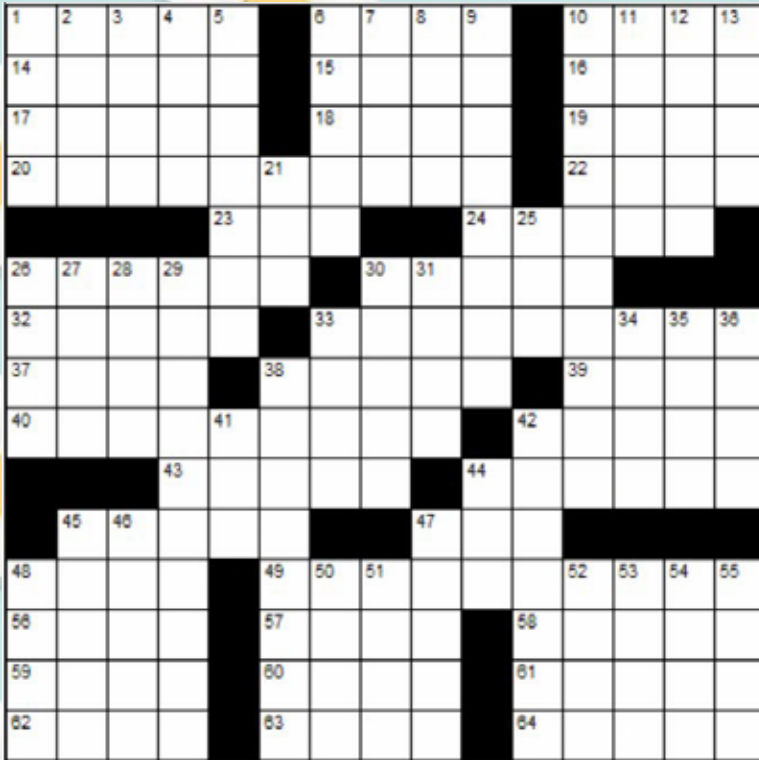

*Submitted by Yvette Novak, President of the Social Club*

This year is the 250th anniversary of the United States, marking 250 years since the Declaration of Independence was signed. The Social Club would like to commemorate the occasion with a birthday celebration. We will have a light dinner (sloppy joes and chips and dessert ) followed by a game of USA Trivia.

Details are still being worked out. For now I can tell you the party will be on Saturday, July 4th, beginning at 4:00 p.m. Tickets will be sold in advance, but ticket prices and where to get them are still being finalized. Watch for flyers posted on the Office door and the bulletin boards throughout the park.
