August Anecdotes

Columbus Sets Sail – August 3, 1492

Christopher Columbus began his famous voyage across the Atlantic in August. Legend has it that as he departed from Spain, many believed he would fall off the edge of the Earth. Instead, he stumbled upon the Americas—though he thought he'd reached Asia!

Shakespeare's Summer Stage

It's said that in Elizabethan England, August was prime time for open-air theater. Shakespeare's Globe Theatre would be packed with audiences enjoying plays like *A Midsummer Night's Dream*—a fitting title for the season!

World Elephant Day – August 12

In recent years, August has become a month of advocacy too. On August 12, people around the world celebrate World Elephant Day, raising awareness about the majestic creatures and the threats they face. One touching story involves an elephant sanctuary in Thailand where rescued elephants are treated to fruit buffets and mud baths on this day.

The Great American Road Trip

August has long been the month of the classic family road trip in the U.S. One anecdote from the 1960s tells of a family who drove from New York to California in a station wagon, stopping at every roadside attraction—from the world's largest ball of twine to dinosaur parks. It became a cherished family tradition for decades.

The Perseid Meteor Shower

Every August, stargazers gather to watch the Perseid meteor shower. One couple in Utah reportedly got engaged under a sky full of shooting stars—he timed the proposal with the peak of the shower, and she said yes just as a meteor streaked overhead.

"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing... and the lawn mower is broken."
— James Dent

"Some of the best memories are made in flip-flops."
— Kellie Elmore

"It's so hot I saw a fire hydrant chasing a dog."
— Unknown

"Resting beach face."
— Every beachgoer ever

World Elephant Day

Celebrated every year on August 12, is a global initiative dedicated to the preservation and protection of elephants—both African and Asian species.

Origins and Purpose

- Founded in 2012 by Canadian filmmaker Patricia Sims and the Elephant Reintroduction Foundation in Thailand.
- Created to raise awareness about the urgent threats elephants face, including:
 - Poaching for ivory
 - Habitat loss
 - Human-elephant conflict
 - Mistreatment in captivity

Why It Matters

- African elephants are listed as Vulnerable, and Asian elephants as Endangered on the IUCN Red List.
- The global elephant population has declined drastically due to illegal wildlife trade and shrinking habitats.
- Elephants are admired for their intelligence, empathy, and strong social bonds, making their protection a moral and ecological priority.

How People Participate

- Educational events and documentary screenings (like *Return to the Forest* and *When Elephants Were Young*).
- Sanctuary visits and virtual tours that promote ethical elephant experiences.
- Social media campaigns to spread awareness and support conservation efforts.
- Fundraising for organizations that rescue and rehabilitate elephants.

August Heat

Why did the sun go to school in August?
Because it wanted to be a little brighter before fall!

It's so hot in August...

I saw a squirrel fanning his nuts.

Why don't people tell secrets in August?

Because the heat makes everything leak!

What's the best way to enjoy August heat?

From inside an air-conditioned room with ice cream in hand!

You know it's August when...

You open the car door and feel like you've entered a pizza oven.

Why did the popsicle break up with August?

Because it couldn't handle the heat of the relationship!

What's August's favorite type of music?

Anything with a cool beat!

Why did the air conditioner break up with August?

Because it couldn't handle the pressure of a hot relationship!

What do you call a lazy breeze in August?

A fan with commitment issues!

"If you can't stand the heat, get out of the sunscreen."
— **Unknown**

"I need six months of vacation, twice a year."
— **Unknown**

"Deep summer is when laziness finds respectability."
— **Sam Keen**

August Safety

Stay Cool

- Stay indoors during peak heat hours (10 a.m. – 4 p.m.).
- Use fans or air conditioning to cool down your space.
- Take cool showers or baths to lower body temperature.
- Wear lightweight, loose-fitting, and light-colored clothing.

Stay Hydrated

- Drink plenty of water, even if you're not thirsty.
- Avoid alcohol, caffeine, and sugary drinks, which can dehydrate you.
- Eat water-rich foods like fruits and vegetables (e.g., watermelon, cucumber).

Check on Vulnerable Individuals

- Seniors, children, and people with chronic illnesses are more at risk.
- Check in regularly with neighbors or family members who live alone.

Protect Yourself Outdoors

- Wear a wide-brimmed hat and sunglasses.
- Apply sunscreen with SPF 30 or higher every 2 hours.
- Take breaks in the shade or indoors when possible.

Know the Signs of Heat Illness

- Heat exhaustion: Heavy sweating, weakness, dizziness, nausea.
- Heat stroke: High body temp, confusion, no sweating — call 911 immediately.

Hydration Recipe

Cucumber Mint Water

Ingredients:

1 cucumber, thinly sliced
A handful of fresh mint leaves
1–2 liters of cold water
Ice cubes

Instructions:

Combine all ingredients in a pitcher. Let it infuse in the fridge for at least 1 hour. Refreshing and great for digestion!

How to write good

Follow these tips, and you'll be writing gooder in no time!

- Always avoid alliteration.
- Prepositions are not words to end sentences with.
- Avoid clichés like the plague—they're old hat.
- Employ the vernacular.
- Eschew ampersands & abbreviations, etc.
- Parenthetical remarks (however relevant) are unnecessary.
- Parenthetical words however must be enclosed in commas.
- It is wrong to ever split an infinitive.
- Contractions aren't necessary.
- Do not use a foreign word when there is an adequate
- English quid pro quo.
- One should never generalize.

Job interview

A man went to apply for a job. After filling out all of the paperwork he waited anxiously for the outcome. The employer read over his application, said, "We have an opening for people like you."

"Oh, great," the man said, "what is it?"

"It's called the door!"

—*from HumorShack.com*

A class in psychiatry

A class for aspiring psychiatrists was being held and the topic of the day was emotional extremes. "To establish some parameters," said the professor to a student from Ohio, "What is the opposite of joy?"

"Sadness," said the student.

"And the opposite of depression?" he asked of a young woman from Nebraska.

"Elation," she said.

"And you sir," the professor queried a young man from Texas, "how about the opposite of woe?"

The Texan replied, "Sir, I believe that would be giddy-up."
