FROM THE PRESIDENT

By Mark Vetter

With the upcoming month we say goodbye once again to many of our seasonal friends and neighbors who are traveling to their home up north. We have had much fun and created more wonderful memories together.

Thank you to everyone for making this winter season another great success. We look forward to seeing everyone again later this year. In the meantime, those of us still here look forward to our Summer Activities Group plans.

I want to especially thank Donna Collins for her tireless work as Editor of the Chronicle for the past six years. She is retiring from this job as of this edition of the Chronicle. Virginia Warfield will be our new Editor. Thank you, Virginia for taking on this responsibility.

Thank you also to others who are passing the torch to others. I know that Patti Ranslow and Sandy Cooper are passing their Election Committee hats onto Lennie Eckert and Barb Otto.

And Maddy Haber is moving on from the Activities Committee as she is now busy as a Director for the Park. Maddy has been the heart of Fla-Ming Cha-Ching which has always been a fun and successful event. Debbie Creighton will now head up this committee. Thank you, ladies and thank you to all of our volunteers who help make Clearwater Cascade such a great community.

In other Park news, we are getting bids to renovate the North laundry/mailroom in April & May.

We will temporarily move all of the mailboxes to the South laundry/mailroom while renovations are occurring. We are also getting bids to replace the old cameras throughout the park. The flag poles out front are being fixed where all three poles will once again each fly flags separately. We have also started work on the sewer system. The first thing will be to camera the areas of the sewer we will start with, followed by actual repairs. So, there is a lot of work in the process.

FROM THE EDITOR

By Donna Collins

Where has the time gone? My first Chronicle was April, 2020, and here I am doing my last one six years later. I have enjoyed putting these newsletters together, and hope that you have found them informative and fun, despite the errors and omissions. Thank you for your patience. Virginia Warfield will be starting with the May edition and I wish her well. Every editor has their own ideas and ways of doing things. I look forward to reading the Chronicle for a long time to come.

Much has happened in the last six years starting with the recovery from COVID, hurricanes, and changes in management. Through it all, we have had some difficulties but are pulling together to make our Park better in many ways.

How to sign on to our Clearwater Cascade Facebook page:

- You must have a personal Facebook account to sign on to our Clearwater Cascade Facebook Closed Group page.
- Once you are on your personal Facebook page, in the white “Search” box at the top of the page, type in Clearwater Cascade.
- Click on the link for Clearwater Cascade.
- On the Clearwater Cascade page click on the “Join” box below the picture at the top. Answer the 3 questions that will be presented to you.

One of our Facebook Admins will review your request. You **MUST** be a Shareholder and answer all 3 questions in order to be approved. Once approved, you will be notified by one of our Facebook Admins that you have been accepted and are now allowed to view and post on the Clearwater Cascade Facebook page.

COMMITTEES COMMUNITY ACTIVITIES

By Bonnie Barnes

Happy Easter from the Community Activities Committee. I can't believe we are going into the Spring and Summer months. We wish safe travels to the snowbirds going back home.

Congratulations to the winners from the Fla-Ming Cha-Ching event! Thanks to all who helped and came out to have fun with us.

Stay tuned for some casual fun this summer with indoor ping pong, tabletop shuffleboard, cornhole and other fun Community Activity games. If you have any other suggestions, please let us know.

SUMMER ACTIVITIES

By April Loomis

As the Social Club's events come to an end and the seasonal residents head north, it is time for Summer Activities to begin.

A small group of us have met to brainstorm ideas and I think it will be another fun-filled summer. We welcome all to join our group because it takes a village to organize these events.

To kick the season off, we are having a "Not so Newlywed" game on April 17 at 7:00 in the clubhouse. Bring your snacks and favorite beverage, sit back and enjoy our married couples try to duplicate answers. It promises to be a hilarious evening so mark your calendar. I will keep you updated on the coming events which include a pool party, sports competition and an auction to name a few.

If you want to help at any event or have a suggestion for an event, contact me! For those of you who are heading North, safe travels! We look forward to your return!

VOLUNTEERS

By Jane Boucher

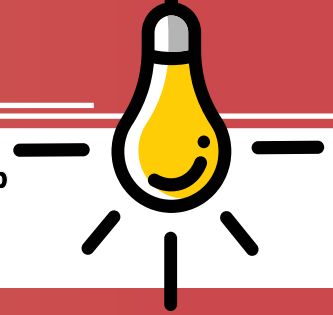

There been a whirlwind of events through these winter months and the time has flown by so swiftly. It's been so wonderful seeing our Clubhouse filled with so many new faces and to have these opportunities to meet and spend time with so many of our neighbors. As you are reading this, we have just enjoyed our end of season Park Picnic and the Sports Luncheon, and you might think the events in our Park will subside...but the Summer Activities is busy planning some exciting events to keep us busy through the summer months on into Fall.

Every so often I like to reread our Rules and Regulations, just to freshen my memory. The second paragraph in Section I. WELCOME is a good place to start as it states: *"The Board is made up of non-paid homeowners selected to their positions by the members. They are entitled to the same quiet enjoyment of the park and its facilities as any other member. Therefore, please refrain from discussing concerns or problems with members of the Board at social events, poolside, etc. Problems or complaints should be addressed, in writing, to the park office. Thank you for your consideration in this matter."* The reason the Board asks for "problems or complaints" to be *addressed in writing to the park office* is to allow a means for following up on such matters so they can be addressed appropriately and in a timely manner, also it is much more conducive to achieving results rather than posting your issues on the Clearwater Cascade Facebook page. Each year we elect our Board of Directors to run our park in a manner that follows Florida state statutes, on which our Governing documents are based. Every member of our Board of Directors spends numerous hours volunteering their time to ensure our park is run efficiently and effectively.

We truly live in a paradise with beautiful common areas, friendly neighbors, and so many activities to keep us active and engaged. There will be Bingo, Bunco, Cardio Drumming, Euchre, Spades, and so much more. You will soon be hearing about our Summer Line Up of fun events for the next several months. And we'll finish the summer season off with our Annual Craft Fair & Bake Sale on Saturday, November 14, 2026. Be Healthy, Be Happy and Be at Peace

Did You Know?

It is thought that the word “April” comes from the verb “aperire,” which means “to open”, due to April being the season of trees and flowers beginning to bloom.

WORDS OF WISDOM - 2023...

I don't think these have changed. 2026

1. The biggest joke on mankind is that computers have begun asking humans to prove they aren't a robot.
2. When a kid says "Daddy, I want mommy" that's the kid version of "I'd like to speak to your supervisor".
3. It's weird being the same age as old people.
4. If I am ever on life support, unplug me and plug me back in and see if that works.
5. Do you ever wake up in the morning and look in the mirror and think... "That can't be accurate?"
6. Last night the internet stopped working so I spent a few hours with my family. They seem like good people.
7. We celebrated last night with a couple of adult beverages Metamucil and Ensure.
8. You know you are getting old when friends with benefits means having someone who can drive at night.
9. Weight loss goal: To be able to clip my toenails and breathe at the same time.
10. Some of my friends exercise every day. Meanwhile I am watching a show I don't like because the remote fell on the floor.

Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.
