Editor's Note

Pamela Watkins

Hello! I am delighted to be the new Editor of our Fairway Village Monthly Flier. If you would like to submit something, please reference #12 in the "Need to Know" section towards the back of the Flier. Deadlines are mentioned under the Fairway Social Committee section below.

From the Editor

We have a couple of pages we are entitled to fill with FV information so it would be great if I could get reports on the events from the past month(s) reported on, maybe a director or two could provide reminders or updates or whatever they feel is needed.

And I am human and mistakes happen. PLEASE let me know right away of any omissions or errors (pammywatkins@outlook.com).

FVRA Manager/Office

Office Staff

As the snowbirds fly north, please remember to complete and submit the Departure Form which can be found on the FV website or pick up a copy at the office. If sending via email, please send to reception@fvra.net.

Fairway Social Committee

Ronee Patterson

Does it seem to you that the older we get time just seems to fly by? It feels like we just greeted the snowbirds and some are already headed back north again. We had a very full season of activities and events. For those of us here in April, we still have some entertainment for you.

As the event leads head back north, you'll notice that their games and events are slacking off. Bingo and Euchre are ending mid-April. We'll keep you updated on the weekly E-Blast.

Some dates you might want to take note of.

April 4 – Monthly Dance (Mark Anthony Band)

April 8 – Flier Deadline for May edition

April 18 – Koffee Klatch

April 18 – Karaoke

April 28 – FSC Planning meeting (last one until October 27, 2026)

April 30 – Fairway Village Olympics

Check the website calendar for all updates and other regular weekly events. If you have any questions, please text me at 774-571-0853 or ronneepatterson.fsc@gmail.com.

Just a reminder for those of you who will not be here to receive the flyer, you can access it through the Fairway Village website. Under Concierge you will find the **Monthly Media Newsletter**.

FSC Dances

Howie MacKenzie, Mike Comeau, Jane Ann Hedrick

LAST CHANCE TO DANCE!!!!!! April 4th is the last dance of the 2025-2026 Snowbird season. This is the dance to bring out your creativity as we decorate our own tables. The great Mark Anthony Band will be playing for our final dance. They are sure to have the dance floor crowded throughout the night. This is also the last dance for the current dance committee. We have enjoyed our many combined years (over 16 years) of serving the community in this capacity. We wish the future committee much success. Special thanks to Bob and Sherry Moore for stepping in for the band at the February dance and to all the volunteers who have helped with each and every dance in so many ways. Also, to Debbie Kemp and Dena Owens for the beautiful decorations and Barb Rowland and Patsy Greer for filling in when asked. Everything that happens here in Fairway Village is because of the volunteers. If you haven't volunteered in the past, please consider how you can use your talents to help make this an even better community for all of us.

Enjoy your summer! See you in the fall.

Final ticket sell date is April 2nd, 2026
Music by Mark Anthony – Tickets \$8

In the past, we have been missing some anniversaries and wishing people happy anniversary who no longer reside in FV. The Office has generously offered to attempt to get the Editor an up-to-date list as soon as their time permits.

If a loved one has passed and you haven't let the office know, please do so in order that the Office can update their records. We'll start posting Anniversaries again soon!

Architectural Review Committee

The ARC Rules and Regulations Governing Document defines and outlines the guidelines for all exterior changes to homes, as well as for placing homes. This document is available from the office or may be downloaded from the FVRA website. Before any work begins, a Home Placement or Modification Request Form must be completed and returned to the FVRA office. The ARC, which meets on Mondays in the Clubhouse, looks forward to working with you to replace your home or planning the changes to the outside of your home. Any questions, contact the ARC Chairperson.

Women Working Wonders (WWW)

Kathy Sturdee

Fairway Village has a huge heart! And everyone here is a part of its heartbeat. Cher sang it for us “AND THE BEAT GOES ON”. It sure does. Women Working Wonders continues to strive to make life a little easier for 90+ year olds and shut-ins here in the park. It is our privilege and honor to do so. We delivered 23 leftover taco meals. The recipients were thrilled!! We also were given hand made lap blankets several ladies in the park made. They brought a smile to those who received them. And if that wasn't enough, thank you to Kathy Weinrich for selling her cell phone carriers and donating the money to WWW. Light meals and donuts were delivered last month by volunteers. We have another resident receiving Meals on Wheels and who also had a deep clean done inside his house. We made many visits to our residents as well. Bless each and everyone of you who made these acts of kindness work without missing a heartbeat.

We now have three volunteers who solely are going to be concentrating on the FREE services available for our 90+ residents. Just a few of the services include Meals on Wheels, one time deep clean, chore care services that include both inside and out, free incontinence supply locations, caregiver support, prescription assistance - just to name a few. Ask your WWW volunteer to contact Jamie for you.

Once again if you are 90+ years young or are house bound, please call Kristy Williams at 727-218-8121. We sure would love to meet you and set things up for you.

Soon we will start to see our snowbirds return home but that doesn't mean that WWW stops. We will continue to serve our residents until they return.

Thank you to all who make this heart be filled with love. Fairway Village love. The best kind ever! Until next month, LET THE BEAT GO ON!

CHAIR YOGA/EXERCISE

Patti Graham

Namaste in bed...no get up and get going to Chair Yoga exercises! I'm Patti Graham and I volunteer to lead the class Mondays and Fridays 10:30 -11: 30 a.m. I know many of you have been joining in all season, good for you! For those of you that are new and want to attend, there is no level of chair yoga exercise. Our saying is "you do you" because everyone is at a different level of fitness and you work at your own level and achieve your own goals. We always start with a warmup stretching your body from head to toe. The second part of the class is always weights, resistance bands or cardio. Believe it or not you can get just as good of exercise, from head to toe, while sitting in a chair. All practices are osteoporosis friendly and are gentle on your bones if you have had knee, hip or shoulder surgery /issues.

I would like to thank all of you and say 'kudos to you' for showing up all season since November. I appreciate all of your energy and laughter throughout!!!

The LAST class for this season will be Monday, April 27th 10:30-11:30 a.m.

Patti Graham (lot 683) 647-527-1855 patti@prestigebeauty.ca

YOGA/PIYO

Mike St. Onge

I am a certified fitness instructor. For the past 15 years, I have taught Yoga, Pilates and strength training at Achieve Therapy in Grand Forks. Achieve Therapy is a physical therapy clinic. I am also certified as a Silver Sneakers instructor.

I was introduced to Yoga in FV by Kori Van Houten, a former FV resident. Kori moved on and I continued to work with Pam Watkins to offer the Yoga and PiYo classes for FV. I currently teach/lead two classes weekly while I am here for January, February and March. We meet at 5:00 p.m. on Wednesdays and 9:00 a.m. Saturdays in the main auditorium. If the main auditorium is not available, we usually use the meeting room.

Because I teach in a Physical Therapy Clinic my classes are geared to all levels from beginning to advanced. The Wednesday class is a combination of Vinyasa, Ashtanga and some Hatha practices. The emphasis in my classes is on improving breathing, strength, flexibility and balance. The Saturday class has been tagged as "PiYo". The name reflects a little more emphasis on those Pilates moves using core strength but still has yoga-based positions. Both are taught at multiple levels to allow all levels of participants to attend together. All that is necessary is a yoga mat, water bottle and a willing participant.

We learn and exercise together. If you know someone that is currently attending, ask them how they feel about the classes. The ability to get up and down off the mat is necessary.

After my departure in March, there is usually a combination of participants who will lead the classes via Video/YouTube until the last of the willing participants fly north. Pam will resume the classes in November and will continue until I arrive in January, again.

Monthly

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 4-12. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

Animal Control Officer Appreciation Week, Apr. 12-18. This week recognizes the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 19-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.
