We will also continue to do the Resident/Board Workshops which are being moved to the evening of the third Monday of each month. These meeting and workshop dates and time will appear on your Bugle (media) calendar.

The dates for February are as follows:

### VICE-PRESIDENT – Lawn Maintenance

*Kim Stoltz*

Welcome 2021! Our first month of the new year is complete and I hope we find everyone happy and healthy. I am going to be reviewing our present contract with TLC and by the time you read this, I will have already met with them to present a list of things we would like them to focus on such as edging, leaf and lawn blowing, as well as the upkeep of common areas. We will also look at, and speak with, a couple of other

*...continued on page 6*

companies since our contract is up next year.

I will be travelling around in my golf cart on “lawn day”, checking areas and having the crew correct things immediately, if possible. Should you need me to address something specific, please feel free to call or text me at (815) 514-1110. Until next month, stay safe!

Mowing dates for February should be as follows:

Tuesday, Feb 9

Tuesday, Feb 23

## TREASURER/DIRECTOR, Roads and Grounds

*Al Hartin*

**A**s many of you know, Ray Jablonski has retired from the Board of Directors and I have replaced him as the Director in charge of Roads and Grounds. That being said, it is impossible to replace Ray with just one person so I have formed a Roads and Grounds Committee. The members and their phone numbers are listed below.

Should you encounter a water leak on common property, you can call one of the members of the Committee. You can start with me and if I am not available, you can go down the list and contact any member of the Committee.

Al Hartin (727) 223-8805

Ray Jablonski (727) 386-5283

Dennis Arguin (603) 466-5141

## Laundromat Parking Spaces

**T**here are seven (7) parking spaces in front of the Laundry Building.

Please be aware that the first three (3) parking spaces on the right side of the building are reserved for people doing laundry and are marked as “Laundromat Parking Only”. One of these three spots is designated for Handicap Parking only while using the Laundry Building.

Ray Jablonski and I recently marked these three spots to designate them as Laundry Parking only.

The other four (4) parking spaces are TEMPORARY parking spaces for residents.

Thank you for your cooperation in this matter.

## **DIRECTOR, Inspections & Architectural Requests**

*Lynn Lijewski*

**H**ome Inspections will be done over the remaining 11 months of this year. If you want your home inspected during a particular month, please contact me at least 15 days ahead either by phone (727) 504-0345 or email [lynnlbc6@gmail.com](mailto:lynnlbc6@gmail.com) .

Four volunteers have stepped up so far, however more are needed to assist with inspections so please let me know if you are available. We will be having a brief meeting on what to do and a list of things to watch for, then we can get started. Jeff and I will work with the volunteers and we hope to have great success.

## **DIRECTOR, Clubhouse**

*Gene Arend*

**U**nfortunately, social activities in our Clubhouse had to be suspended on occasion due to indications of Covid-19 within Phase I. Guidelines have been set in place whereby social activities are suspended for 10 days should a person test positive for COVID within Phase I.

Since we are unable to accurately do effective contact tracing, it is within the COVID Committee Guidelines to suspend activities for 10 days to ensure there is no additional spread to anyone engaging in social activities. While the Clubhouse facility will remain available to our residents, the structure will be disinfected twice weekly so that residents using CDC guidelines can most likely enter the facility safely. There are requirements to wear a facial covering when you enter and we recommend using the hand sanitizer upon entering. If the sanitizers need to be refilled, please call me immediately at (727) 725-5844. Hopefully, with the initiation of the vaccination program, the pandemic may begin to diminish and the happy days at the Clubhouse can resume.

As Director responsible for the Clubhouse, if you see any need for improvement or repair, please let me know. You can do this by dropping me a note in the Directors' mail slot. Supplies for the clubhouse are monitored, however unexpected higher usage can impact the supplies on hand. If you see supplies getting low, there is a notepad on the refrigerator door in the kitchen. Just jot down a note. We can usually restock within a few days. Our Coffee Social on Wednesday and some weekly social activities have resumed and they function within the COVID Guidelines. Each activity chairperson will ensure these Guidelines are followed as well as any additional recommendations they judge necessary to ensure your safety and good health. If you are unable or uncomfortable attending within the Guidelines and social distancing we have in place, we fully appreciate your caution, and respect your decision. Your health is our priority and we have experienced a good, safe and healthy record so far. We intend to

*Continued on page 10*

maintain that condition. We have suspended the use of the Clubhouse for private usage at this time. This will be evaluated monthly and notice will be given when it is safe to once again open the Clubhouse for private use.

## WHAT'S GOING ON IN BRIAR CREEK THESE DAYS

---

### PLEASE NOTE:

1. Some Social Club **activities** have been cancelled and then restarted more than once due to Covid-19 cases in Phase I. Until the Covid-19 situation has improved, please rely on notices on the board in the Clubhouse, when the Clubhouse is open, or on emails from Betty Chatigny to those residents who signed up to receive park notices and information.

2. **Looking for new activity leaders** - We now have a few people who retired after many years of leading activities at the Clubhouse for our residents. If you would like to co-ordinate an activity, whether it's a pre-existing or new activity, and have fun while doing so, please contact the retiring leader or an officer of the Social Club. These people and their phone numbers are listed on the front and/or back inside cover of the Bugle/Media. We are currently seeking

*...continued on page 14*

leaders for BINGO and CRAFTS as well as for other activities so that when the time is right, these activities can be restarted/started and included in our weekly calendar. Don't be shy, step up to volunteer so that our many activities can resume as soon as protocols and the virus situation permits.

## **SOCIAL CLUB MEMBERSHIP DUES**

*Gene Arend*

The annual membership dues for March 1, 2021 through February 28, 2022 are available starting February 1st either by request or at the weekly Coffee Social. If a member is currently out of state, he/she may request a membership and upon return to Briar Creek, obtain the membership card and pay the dues. As per the Social Club Constitution, only members of the Social Club may vote at any Social Club executive meeting or annual election of officers. In view of the Covid-19 situation, I have asked the Social Club's Executive Board to waive the increased membership dues of \$5.00 as specified in the Club By-laws.

### *“Section C - Contribution*

*The obligation of membership shall require an annual contribution of \$1.00 (one dollar) per person, payable From February 1st to March 31st after which the contribution will be \$5.00 (five dollars).”*

## **COMMUNITY WORK WITHIN BRIAR CREEK**

*Pat Dion*

There are some unsung heroes in the park that volunteer their time and effort behind the scene to benefit people in need in Safety Harbor and in some surrounding communities. Two of these heroes have caught my attention over the past several years and I would like to bring them to your attention as well so we can all support their community work.

For many years, these longtime residents and dear friends to all, Helen Coar and Joe Guazzerotti (Joe G), have devoted time and energy to causes which I would like to highlight. Although Helen has handed over the lead to new volunteers, Toni and Don Beaton, she remains a staunch supporter. Let us celebrate and thank these heroes next time we see them.

## JOE G FOOD AND \$\$\$ COLLECTION

**N**on-perishable food items in a box, jar, can, (ex. peanut butter, pasta, cereal, salmon) are donated and placed in the large “food box” located near the library in the Clubhouse. Money is also collected in the small box labelled “Food Bank” located on the shelf next to the famous Bell that we ring after each donation, near the main entrance doors. Joe G and his loyal assistant, Terry Henry, pack, load and deliver these items monthly to the Mattie Williams Neighborhood Family Centre in Safety Harbor. This Centre helps local families who are in great need of food, clothing and services.

Joe G has been donating his time and energy for longer than anyone can remember along with Terry who joined him in this endeavor many years ago. These two are such precious people and I swear, they are the Energizer Bunnies of Briar Creek!

The Mattie Williams Centre absolutely appreciates the generosity of all residents of Briar Creek. Each year, you will find on the cork board, a “thank you” letter outlining our donations from the Centre!! Many residents who win the \$5 attendance prize after Wednesday coffee hour will place their ‘big win’ in the Food Bank box. Many residents throughout the park regularly drop off food items in the large wooden food box. You might even consider calling Joe G or Terry and offer help to pack and load the food items in their vehicles. Let’s all think of this project while shopping for groceries or looking through our kitchen cupboards in **SUPPORT THIS MOST WORTHY CAUSE!!**

## PULL TABS COLLECTION

**T**he tabs you pull to open soda, soup and other aluminum cans are collected by Briar Creek residents and donated twice a year to the Northwest Florida Chapter of Ronald McDonald House. This ensures that the nearly 1,100 families they serve each year can stay free of charge at a Ronald McDonald House while their children are hospitalized. The pull tabs are recycled to generate dollars that support the House and the families they serve each year, not to mention how the recycling helps the environment. The pull tabs typically add up to approximately \$10,000 annually!

The pull tabs can be deposited in the large brown envelope affixed to the cork board that’s near the back door of the Clubhouse, by the shuffleboard court, or delivered to Toni and Don Beaton at 126 Juniperus Drive. Thanks to Tony and Don for stepping up to take over the lead of this worthy cause. Let’s all start saving our pull tabs and **PULL FOR THE HOUSE!!**

If you are aware of other unsung heroes of Briar Creek I, please contact me by email at [mediabugle1@gmail.com](mailto:mediabugle1@gmail.com) so we can celebrate and support them as well.

## BINGO VOLUNTEERS NEEDED

**F**or many, many years now, Jean Richter efficiently organized Bingo games for large crowds of residents from Phase I as well as some from Phase II. It's a very popular activity in our community. Those who attended had a lot of fun every week. Jean, along with a group of volunteers and husband Jerry who always helped out, were there to ensure everything ran smoothly. Jean has now retired from this position and is looking for a volunteer, or a group of volunteers, to take over leading this activity. She will train you to ensure a smooth transition so the activity can resume as soon as safe protocols/guidelines are established and the Covid-19 situation permits.

## Board of Directors:

### President

Ron Prevost

**W**elcome back to the newly arrived Snowbirds and a hello to all our new homeowners.

The first month of 2021 has certainly posed its special kind of problems with outbreaks of Covid19 in the community.

We had an exceptionally cold spell of weather during which our pool could not keep up to temperature but we were able to heat the hot tub for your use. The pool area, library and exercise room remains open for resident use only — no guests or children at this time. Please observe all CDC guidelines and follow all posted restrictions. New roofs are being installed on the Tiki Huts to spruce them up (and hopefully rid us of the hornets).

Social activities and gatherings are still curtailed due to the virus. Many of you are still awaiting the much anticipated vaccine. Some have been able to secure at least the first one with no reports of bad reactions. Be sure to keep following the Pinellas County updates as to the availability of the vaccine.

Home inspections under the direction of Director Jim Tashjian are underway. His crew of volunteers are out and about checking every home in our community. Please review the reports you receive and make the necessary changes they advise you of. Your co-operation is what

## Vice President - Secretary/Alterations

*Jean Schmidt*

**H**appy Valentine's Day! Hopefully we will get this COVID under some control and get on with our lives soon! There's just so much I can find to do to keep me busy and productive. I miss getting together with friends in groups. There are not much more projects I can think up to keep Mike busy around our house!

Please remember – any improvements, altering, or changes to your home on the outside & yard need to have an alteration request form and approval by four members of the Board. Requests are rarely denied. Please allow enough time to process paperwork *before* you start on an outside project. In other words, we don't approve projects within hours or even overnight! Projects that have been approved and are in process are posted on the Condo bulletin board for those interested or curious.

The "Document Review" Committee will be working hard to suggest updates on our restrictions. They hope to have a proposed update approved by the Board & legal department before the deadline of being able to vote on them by this year's annual meeting in December.

## **Social Club Update**

*Lois Heisdorf – Past President*

**A**s of this writing, Jan. 5, this is the most current information we have regarding Social Club. Because we have not been able to have a Social Club meeting since November 21 due to the Covid 29 outbreak in the park, it was not possible to hold an in person election for new Social Club officers for 2021. We found it necessary to have Social Club members vote by paper ballot instead of a show of hands as was usually done. Thank you to Pete Foley for designing and delivering the ballots. Due to our member's great participation, we received many more votes than needed to approve a new slate of officers for 2021. The Social Club officers for 2021 are as follows:

President: Mike Schmidt

Vice President: Pam Edwards

President Elect: P.J. Wierzbowski

Treasurer: Pete Loranger

Corresponding Secretary: Bonnie Briggs

Recording Secretary: Carol Rodrigues

Past President: Lois Heisdorf

Thank you to all the members who have agreed to accept these nominations for 2021. Currently we are unsure when our next meeting will be held. Please watch the BC II phone tree for all updates.

Wishing everyone a happy, healthy new year.

*Lois Heisdorf*

## Social Club

Michael Schmidt - President

I am hoping to have a Social Club board meeting this month, February 20th, if things are better with social distancing. I know we are all eager to have social functions and see our neighbors.

I will keep you updated on information I receive about when we can resume are social gatherings -- on the phone tree. It is important for you to get on the phone tree. It is the only way I can get all of you any social club information.

*Michael*

## Information on disposal of paint cans

Clark Woodard

In the past 10 months, we have all been staying home more and doing much needed home projects. Some of which include painting. Lately there have been a few incidents involving cans containing paint that have been thrown into the trash. When the trash truck compresses the trash, the cans of paint pop open and eventually paint leaks onto the road. Recycling is back. The recycle centers are open every month for all paint, chemicals, televisions and electronics. If you have difficulty getting to the recycle center, other arrangements can be made. The Pinellas County dates will be listed in the club house and will be sent out on the BC II phone tree.

## Now the clubhouse is open again, the BC2 Library....

Now the clubhouse is open again, the library is open every day.

However, it will still be very important that when you return books or puzzles, you must leave them on the designated table outside the library in the card room, so they can be disinfected. Do not put items back on the library shelves. That includes books and puzzles that you pull out from a shelf to check, and then decide not to take. These items must also be placed outside the library on the designated table in the card room.

We also ask that there be no more than 2 people in the library at a time to ensure appropriate social distancing and face masks are required.

Thank you for your cooperation.

*Your librarians Billie, Ruth and Bill*

# Briar Creek Resident and Phone Directory

Sheena Lee

The publishers of the Directory have asked us to submit the changes for the next edition by the end of January or early February at the latest, and, with any luck, we may have the copies for distribution before most Snowbirds leave for the summer.

In order to make the Directory as complete as possible, please check the 2020-2021 (42nd Edition) carefully to make sure that:

- The names of *all* permanent residents in your household (that is, the names of all the people approved by the Board and Progressive Management to live in your house) are included,
- The phone numbers that are listed are correct, and
- All names are spelled correctly.

Please contact me by phone, text, email or a note in our “Rock Box” as soon as possible so any changes can be included in the next edition.

We will still have a number of residents listed without a phone number in the next edition as the Covid virus situation ended our plans to visit everyone without a phone number to make sure that this is their current preference, but we hope to complete this work next year.

Thank you,

Sheena Lee, 163 Clubview Drive, 727-421-5665, sheenalee33@hotmail.com

## Neighbor to Neighbor

Linda at [lme@iquest.net](mailto:lme@iquest.net) and Ellen at [ellenreports@yahoo.com](mailto:ellenreports@yahoo.com)

Happy New Year to All Briar Creek Neighbors!! We hope everyone has begun a healthy 2021.

We wanted to talk a bit about the lovely trees here in BC. Along with flowers, wildlife, curvy roads, and great neighbors, our trees are what make BC such a beautiful place to live. The trees make our community different and more attractive than any other.

After the events of 2020, we thought a reflection on trees would be fitting for the month of February.

Here’s what trees and humans have in common.

According to Mark Nepo, an aspen grove has individual, separate, tall trees that are connected by an extensive, interdependent root system. What happens to one aspen tree affects them all because they are reliant on one another and a common survival system. Human beings are the same, evolution ensures that when humankind seems to be following apart, cooperation will prevail. In his book, “More Together Than Alone, The Power of Community” he states

that the noise of things falling apart is much louder than the noise of things coming together. His hopeful observation is that in "saving others we save ourselves, if the common root gets diseased then in the end that's bad for all of us." He said, "life has been made just hard enough that we need one another; and through experiences of great suffering and great love, we are reduced to what is essential." Wise words for 2021.

The benefits of trees include; beautiful landscape, shade from the sun, soil retention, producing oxygen, particulate pollution filter, evapo-transpiration to cool the air, habitats for birds and animals, produce flowers, fruit, fragrance, absorb sound, reduce crime, and increase real estate values.

The benefits of neighbors include; make home and community safer, greener, environmentally friendly lifestyle, keep us healthy, help us enjoy time together, help keep our houses in good repair, respect peaceful living, back up supplies, camaraderie, provide good advice, errand help and support a healthy quality of life.

## A Nice Poem about Trees:

---

**TREES**  
*by Joyce Kilmer*

I think that I shall never see  
 A poem as lovely as a tree.  
 A tree whose hungry mouth is pressed  
 Against the earth's sweet flowing breast;  
 A tree that looks at God all day,  
 And lifts her leafy arms to pray;  
 A tree that may in summer wear  
 A nest of robins in her hair;  
 Upon whose bosom snow has lain;  
 Who intimately lives with rain.  
 Poems are made by fools like me,  
 But only God can make a tree.

Next time you think about cutting down a large tree on your property, (we know those acorns can be really annoying!!) remember, the trees are what makes us different from other communities and are symbolic of our neighbor connection. Let's be proud of our trees and our common humanity.

Make it a great day in the neighborhood!  
*Ellen and Linda*

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at [BC2phonetree@gmail.com](mailto:BC2phonetree@gmail.com) with your name, e-mail address, your street address and phone number. I'm the only one who has your email address and I do not share it. I have around 160 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to [BC2phonetree@gmail.com](mailto:BC2phonetree@gmail.com).
