President's Message

By Jolee Rengo

Friends,

As you are all aware, we are going through a period of transition. The end of 2020 continued its miserable battle with us, with more cases of Covid-19, more facility closures and more time being cooped up in our homes.

With the departure of Ryan Osborn, the Board immediately began the search for a new manager. We worked together to keep the business of Americana Cove running smoothly. Many changes are taking place in the background that you may not notice right away. We are implementing a number of procedures and controls which will help create a better system of checks and balances, so our team can provide you with the best service possible.

Ginny Marcott stepped down from both the Presidency and the Board of Directors last month. It seemed the final straw to 2020. She has given hundreds of hours of her time toward the greater well-being of our residents, and I believe we owe her a debt of gratitude for her service.

Now for the good news: Our search for a new Manager has ended with success! We have made an offer to Catherine Gates to become the new park Manager at Americana Cove, and she has accepted. Cat plans to begin work at Americana Cove on January 25th, but we are hoping to introduce her to you at our Board meeting on the 20th. She comes to us with a great deal of experience and we anticipate keeping her for a very long time.

Wishing each and every one of you a happier, healthier 2021!

ACA News

By Ron Miller

Here we are, 2021, with a new board to lead the Cove down the road. I sure hope that things get back to normal soon. This open and closing game sucks. I know its for our good BUT. I do think everyone in the Cove is grown up and know right from wrong and know the dangers of COVID-19, if they think something is bad, they will not attend. It's so hard for my ACA board to plan anything. As of next month, it will be a full year with no lunches, dances or parties from any of the clubs.

ACA has run out of space to store anything else for Trinkets and Treasures, with no sale for a year. If anyone needs a table, chair, lamps, call me and I will let you see just what I have, and, boy, I have a lot stuff.

The Veterans plaques have been updated as of 1 Jan. If you have served in the U.S. military, your name should be on the plaque. Also, if you have any flags that need to be retired, please

...continued on page 6

do not put them in the garbage like someone did. Please give them to me, I will see your old flags are retired the right way. Call me or bring them to my house.

OK, this not an ACA job but let me vent. I, and a few other guys, take all the cans we get, put them in bags, and take them to the junk yard and turn the money we get over to the Old Times club so they can pay for lunches for are people. The carts that are out there are for **cans and cans only, not bags of mixed stuff**, like plastic, wine bottles, tin cans ie, bean cans, soup cans, or tomato cans. So **please help us help you!**

The Burger Burn of this month will be Feb 16th. The money made from these Burger Burns pay for a lot, so please come out and support ACA, meet new friends and talk with old friends.

Announcements

Adios 2020 (Good By)

Hello everyone and Happy New Year.
Hopefully 2021 will bring some much needed relief from the strains of the pandemic. Our Club house and all the group activities have been canceled and reopened on numerous occasions, and we have had to readjust our routines at a moments notice, however we will get through this pandemic and gradually get back to some semblance of normalcy. Club members please know that once this situation improves the clubs and their activities will be there for all of us. Please be patient and don't forget your mask, maintain your distance, sanitize and be respectful of others.

I would like to share this poem with you.

2020 has been marked with reflection and change;
some days feel good and others feel strange.

We've learned to work differently;
and love more unconditionally.

We try to tune out the stress;
but sometimes life still feels like a mess.

We find ways to turn negatives into good;
and learn new skills that we thought we never could.
We find ways to travel to less congested places;
and we meet our friends with covered faces.

Hopefully this year has been filled with opportunity;
and we've tried to exercise and strengthen our immunity.

2020 hasn't been like we expected;
but we've found new ways to stay connected.

Hug your love ones and enjoy the outdoors;
worry less about the very small chores.

Things will get better because they usually do;
enjoy what you love and learn something new.

Don't forget to pray and always be kind;
try to stay positive and learn to unwind.

The story has been written, good wins in the end;

Prayers for all my family and friends.

Boat Club

By Mary Ann Meljac

The ultimate Valentine’s Day gift is said to be time spent together. With Covid still gracing us with its presence, we have all spent a lot of time with our loved ones! Perhaps this year we could think outside of the box and begin a new tradition and make new memories on February 14th. Some believe it is the little things that count. Whatever you decide to do on Valentine’s Day this year, you can’t go wrong with a thoughtful and sweet card. If food is the way to your sweetheart’s heart, a surprise breakfast in bed or a fancy, at-home Valentine’s Day dinner for two might be the way to go; or order takeout from one of your favorite restaurants near you. Then cozy up together in your winter finest (PJ’s on the so-fa?) and settle in for a romantic Valentine’s Day Hallmark movie marathon. How about a walk on the beach? No matter how you choose to celebrate, I am sure you will come up with the perfect plan!

The Boat Club’s January meeting was cancelled due to our current lockdown situation. On January 11th you had the opportunity to pay your 2021 dues of \$10/person at the Clubhouse. We hope this will fa-cilitate the mandatory social distancing at the next few meetings. Welcome all returning club members and we extend an invitation to any resident interested in joining. Don’t forget that you do not have to own a boat to join the club and membership is a bargain for only \$10/year!

If you have any questions regarding your Island Bash tickets, please contact Sandy Shouse who is coordinating the selling, buying, or donating your tickets for the event scheduled for March 13th.

Highlight February 13th on your calendars. It is our next Boat Club Meeting. Join us at 10AM in the Clubhouse. Our monthly Golf Cart Parade will also take place on this day. Watch for emails, texts, Facebook posts and information on the marquee at the entrance. Boat Club hats/visors will be available to order as well as our new Boat Club flags.

Our Full Moon Kayak Coordinator, Pat Ley, is recovering from an injury. If anyone who enjoys kayaking and is interested in stepping in for Pat, please contact Jaci Klick for further information.

The next Kayak excursion is scheduled for **January 28th – Wolf Moon**. Mark your calendars and watch the marquee at the entrance, Facebook, email, and text for further details. **The February “Snow” Moon is February 27th.**

A Growing “Metta” Gratitude: How grateful we are for a community that wisely participates in steps to slow transmission of the surging Covid-19 pandemic.

Better safe than sorry, especially for Senior Communities like ours. Hopefully science will continue to prevail, with safe efficacious vaccines eventually becoming available for everyone.

Good News! No need to go stir-crazy while we wait, because from the Buddhist P.O.V. we have many “shelter in place” opportunities to help Mother Nature as we realize our Buddha Nature. Reflect on the beautifully landscaped Wats (temples). Many fine examples nearby. Buddha some 26 centuries ago recognized the interrelationship between Meditation and Nature. He created many fantastic retreat centers that exist to this day. H.H. the 14th Dalai Lama has gestured often; “It is the inalienable right of all sentient beings to have fresh air, clean water, and a healthy sustainable diet”. The synergy between Mindfulness and one’s surroundings are

utilized skillfully in progressive communities. We in our own small way can be a part of this emerging “life-affirming” paradigm shift by creating unique and beautiful gardens around our homes. Barren is considered bad for living beings. Diversity is good on many levels, including Spiritual/Metaphysical. Evaluate the research...

Anecdotal (along with empirical scientific evidence) is mounting to suggest that plants and the human connection (Biophilia) is superior for not only uncontaminated filtered air, but may well strengthen our immunity via the peace, harmony and quiet thus created. Feng Shui (Taoist art of placement) is the ancient science of this phenomenon. It has been an honor to have been asked to speak at Garden meetings over the years, to bring forth these apposite ideas suitable for anyone’s lifestyle. Container gardening (a perennial favorite) is perfect for many. It is easy to begin and manage. Watering, fertilizing and “Tao positioning” issues are easily solved and can be combined with “companion” planting schemas, balancing (yin and yang) energy. Please give it a try. Be part of the growing resolution. Birds, butterflies, (got milkweed?) and friendly bees can pollinate and propagate not only in our beautiful Park, but extend good-will neighborly “Metta” joyfulness throughout.

Remember: Florida (= flower!) Even more to the point is an alignment with Buddha’s original “inner insights” (concerning the “protective” meditative fields) of certain sacred plants including bamboo, mango, and ground covers that don’t require toxic sprays. The liberal use of desert rose is another tip to dispel negativity. Don’t forget porches, patios, and the interior of your dwelling. Create “sacred meditative space”, inviting angelic entities. Choose: Illumination, Peace, and Harmony. Reject divisiveness by overcoming harsh speech, unwise actions, and unwholesome thoughts via “Gaia’s” remedial assistance. May we work together (for the sake of all) to keep our world green. Hooray! We will celebrate the 51st anniversary Earth Day April 22, 2021. Check out the photos of unpolluted (“lapis lazuli-Medicine Buddha blue”) skies, in every major city worldwide. Think 7 generations into the future.

Victory over Virus! Since supply chains may become unpredictable we can attempt to fill in some of the gaps with homegrown veggies. Many evolved societies including monasteries around the world grow much of their own food, thus fostering peaceful relationships with their neighbors. Voltaire’s advise; “Tend your Garden” is becoming a survival Mantra! Still haven’t gotten the memo yet? Sadly things have changed. Some say indefinitely. An adjustment in mindset and perceptions is now (not just a “new age” catechism extravagance) but a physiological-psychological necessity. From the Buddhist P.O.V. Mankind is finally being awakened to the misuse of resources and their consequences. May we listen to (reliably sourced) professionals, saving precious life. This ongoing fateful “novel-19” moment is an unprecedented challenge. A “growing-gratitude” with a loving kindness “Metta” attitude is a positive approach forward. [Buddhism 1pm Thursdays “gameroom” will proceed as posted]

Please practice a safe lifestyle and be kind to all sentient beings...
Namaste

Cornhole Club

By Deb Howland & Erika Fitch

The cornhole club meets every Thursday at 6:30 in the clubhouse, if facilities are open. Hopefully by February, we will have had our first meeting and officers will be in place along with all current members enrolled. You can still join and play anytime of the year. Yearly membership is \$5.00 per person, guaranteeing you a spot to play league night. Drop in players will pay a \$1.00 donation per night to play to help cover costs. We are still planning to hold a few tournaments this year, open to all.

February is the month of “LOVE” and we would love for you to come out on Thursday evenings and join in the fun times. We are a very friendly group and would love to share our game with you.

We set up at 4:00 and appreciate any help.

As always please wear a mask and social distance when in the clubhouse.

Call Doug or Debbie if you have any questions. (727)366-4273.

Crafters Club

By Debbie Lewison

Hello Crafters! As I write this article, we haven’t been able to start crafts for 2021. But we have lots of crafts planned!! Stay tuned as usual to the Americana Cove Crafters Facebook page and the bulletin board in the Clubhouse when open. Plus Debbie sends out emails with updates as well!

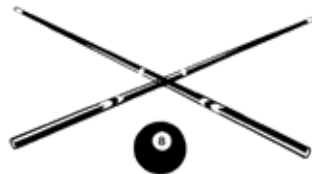

February celebrates Valentines Day so we will be making some special heart projects!

Again please let Cathy, Judy or Debbie know of any projects you might be wanting to try as a group! We’ve had such a good turnout and truly appreciate all your support and participation.

Cue Club

By Ray Larkin

Just to let everyone know, there will be a cue club meeting in the atrium for February 1st 5:00 pm. We will at that time try to complete the elections for officers for this year. Again, same as last year beer, soft drinks and pizza will be provided. We are limited to 25 people so unfortunately it will be first come first served. Please try to show up for this important meeting, thank you.

Cribbage Club

By Brian Murphy

We lost our Cribbage Club Leader, Donna Tanner, a few months ago and she is dearly missed. We are in the process of coming back together on Thursday nights. We welcome all of the regular players and encourage new experienced and inexperienced players who are interested in playing. Cribbage is a fun and exciting game that has been popular for decades. Our cribbage group is willing to help and teach all newcomers to this thrilling game. The Coronavirus did slow the process down. We are not going to let it ruin our fun. Cribbage is on Thursday evenings at 6:30 p.m. in the Atrium. Remember your masks and keep everyone safe. Call Brian at 727-873-6637 if you have any questions.

Helping Hands: Dealing with Anxiety

By Judy Hall, PhD

We often say we'd like to get rid of our anxiety, but anxiety can be useful. It can anticipate a threat and have our bodies respond to protect us. Unlike stress which is triggered by something external, anxiety is worry that doesn't go away even when the stress is gone. It can overtake your thoughts and cause you to obsess over things that may never happen. But anxiety can motivate you to meet a deadline or react to traffic or cause you to improve your health.

When anxiety begins to interfere with your life, you may have an anxiety disorder. One of the most common disorders is called generalized anxiety disorder (GAD). It affects about 6.8 million American adults. Other disorders include phobias (fear of flying, or fear of heights, for example) or social anxiety fear of being judged negatively in social situations.

Sometimes anxiety can result in physical symptoms. Because of the bustle in our lives, we sometimes don't recognize that anxiety is affecting us until it shows up physically. Common anxiety symptoms include hand sweating, dizziness, fast heartbeat, migraines, neck or shoulder pain or even insomnia.

Anxiety affects about 23% of women annually compared to 14% of men. Women often have more caregiving roles for aging parents or children.

Finding support varies around the country, but apps such as LiveHealth Online and Doctor on Demand can be helpful. Only 37% of Americans with anxiety disorder seek treatment, although the disorders are real medical conditions and not just "in your head." One of the most effective therapies is called Cognitive Behavioral Therapy (CBT) which teaches new ways of processing feelings and how to frame events more productively.

With a COVID-19 virus vaccine becoming available, many of us will be far less anxious in the New Year!

LANDSCAPE COMMITTEE

By Donna Andrews

A reminder of the Vision Statement of the Landscape Committee:

“As a subcommittee to the Americana Cove Board of Directors, the Landscape Committee assists the Board and the community residents by beautifying, enhancing and maintaining the common grounds of Americana Cove. Thus continuing the enjoyment of our neighborhood for years to come and maintain our property value.”

The Landscape Committee is always looking for residents to join us on the committee. We meet once a month to formulate ideas to beautify our community, put them into action with vendors, our maintenance team, the office and if needed, the Board of Directors.

If you have any ideas for beautifying our community please join the Landscape Committee. If you cannot attend the next meeting, please forward your ideas to me and I will present them to the committee. My email: donna872@hotmail.com

Line Dancing

By Judy Daigle

It's been a while since I've posted anything about our group.....We've been on and off for a bit but hopefully things will return closer to normal soon. Line dancers still meet every Monday from noon to 1 pm whenever the facilities are open. We review steps to previous dances every time we meet, so if anyone is interested in joining, feel free to come check it out. Masks are mandatory and keep our social distancing. Join our Line Dancing group on facebook at Americana Cove Line Dancers to see our weekly updates and video links to the dances learned.

Live Music

By Libby Hopkins

Hello Everybody!

We are now in the second month of 2021! The Americana Cove facilities have been closed off and on, and activities halted, due to outbreaks of the Covid virus in our community.

As soon as we can, we will be back entertaining you. We look forward to performing our shows and programs for you again. We are praying 2021 will be a joy-filled year for us all.

Please stay safe!!

Old Timers Young at Heart

By Kathy Laramie

February is here and we are hopeful that all clubs and activities are in full swing once again. It has been a chilly Winter so far but we take heart that we are not up North where it's really Cold!!

Please join us as we celebrate Valentine Day February 13 with our 1st Annual Sweetheart Dance in the Parking Lot. The great band, Southern Knights will entertain us from 6 to 9 pm so grab your sweetie or bunch of friends and come dance!! There is no charge and there may even be a few surprises during the course of the evening. You Don't Want To Miss This!!!

As you may or may not know, aluminum collection (cans and other) is a fund raiser for our club and we have the best volunteers that keep this going. They are sometimes finding it difficult to process everything due to the unwanted garbage and/or non aluminum items some of our residents are throwing in the assigned receptacles. I've made this plea many times before but here goes, Please do not put any-thing other than ALUMINUM in the can barrels. Your cooperation is greatly appreciated.

We are anticipating holding at least one meeting a month during the winter so please stay tuned for further information regarding date and time and particulars. Just because we are experiencing a different situation doesn't mean we can't continue our traditions in some way. I always say,

**WHERE THERE IS A WILL, THERE IS A WAY!!!
STAY TUNED!!!**

Shuffleboard Club

By Greg Moe

Again, no shuffling for two weeks from the end of December to the beginning of January. Fortunately we were able to reschedule our January meeting and discuss our internal-Americana Cove League.

24 members initially signed up and there's still room for more.

The next Shuffleboard meeting will be February 3rd at 9:30 AM in the Atrium. Due to the guidelines, we are limited to 25 people so please contact me (greg.moe@comcast.net or call 603-303-1234) if you plan to attend. Remember, only those who sign up will be allowed to attend. Masks are mandatory. We are still in need of a Nova Team captain.

Hoss Collar continues on Sundays at 1:00 PM. Please take notice that Social League is on Tuesdays at 10:30 AM.

We are adding shuffling on Thursday at 12:30 PM. this will be held on a weekly basis.

Remember to sign the log sheet that is kept in the shed, even if you go just to practice. Also, please remember to turn off all the lights, including the one in the shed.

Thanks

Swim Exercise

By Nancy Olson

Hi everyone! What a year this continues to be!! I'd like to thank everyone for their understanding and patience on our COVID roller coaster here in the Cove! We are all trying to be as safe as possible and keep ourselves healthy. The great news is we are in the implementation phase of the vaccine. Hold tight, you'll get it if you want it. We need to be patient as registration and scheduling change daily with the rollout of the vaccine.

What a great time we all had Christmas week deviating from our daily tape schedule and exercising to some of our favorite Christmas songs! It was great to have each of you call out your favorite exercises and lead the class for the whole song. I can honestly say we sure did have some great workouts!

I received a lot of positive feedback from several of you and I appreciate that! I want to thank Roger LaRoche for putting the music together for us and Maureen for taking pictures and videos. We will do this again next year! I am currently working with Roger on getting some oldies music put together and plan to do this once a month to change the pace a bit! Stay tuned!

WHEN IT COMES TO HEART CARE, WE BRING EXPERIENCE TO THE TABLE.

At BayCare, we want to help keep your heart healthy so you never need our table. But if you do, the experts at the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital are ready. As the first multidisciplinary center of its kind in the area, our experts offer a range of treatment options, including minimally invasive approaches to treat a variety of structural heart conditions such as aortic valve stenosis and mitral valve regurgitation. We provide innovative heart care and access to clinical research trials, making the latest scientific discoveries available to our community long before they become available to the general public. You may be thinking about delaying your heart care due to COVID-19. Rest assured, as a heart and health care leader, we've put enhanced safety measures in place to help protect you throughout Morton Plant Hospital. And we always provide the high level of personal care that BayCare is known for.

Our new start time is 9:05AM.

We are going to continue using our 2 day a week schedule.

As soon as you know you will NOT be swimming on your assigned day, post on group FB page. Lots of folks want extra days!

If you miss class for 3 weeks in a row you go off the schedule and on the waiting list. I do have folks on the waiting list who want a permanent spot.

That's it for now! Happy Valentines Day everyone!

2020 Year In Review

By Barefoot Realty Group, Brokerage Agent for Americana Cove

Despite a worldwide pandemic, there was a lot of buying and selling of homes at Americana Cove in 2020. A total of 306 people visited the sales office to view homes for sale and 45 homes were sold. September was the best month for home sales with seven closings that month. Of the 306 people, 99 were walk-ins, meaning that they stopped by the community during posted business hours without an appointment. When this occurs, the Realtor® on duty greets the visitor.

Once the pandemic hit in March, Barefoot Realty met visitors in the parking lot, and everyone wore masks to ensure the safety of residents, potential buyers and Realtors®.

Each year, the best-selling months change. In 2019 a total of 41 homes were sold with January and April being the best months with 6 closings each. In 2018, March was the best month for sales with nine home closings. Forty homes were sold that year.

New home sales were up in 2020 with five new homes sold and two shares for lots; however, the closings do not occur until the homes are ready for occupancy. Therefore, the moneys for the share sales will show as income to the co-op in 2021. Two model homes were placed on lots during the last quarter of 2020 and when sold these two share sales will bring more income to the co-op, as well.

Barefoot Realty also appreciates the staff at the gate as they distribute folders to visitors who come after posted business hours. In 2020, staffers distributed 178 folders to visitors. “We are always trying to capture as many people as possible through the use of different marketing tools. Not all visitors call or return, but those who are truly interested will,” explained Broker Marty Pozgay.

Residents play a key role in the reputation of the community. Word of mouth advertising is always the best. “It’s always nice to hear visitors say they had to check out the community because it has such a great reputation,” said Pozgay.
