## Social Committee Tidbits

Mary Gilmore

---

Organized social activities are not a part of the 2020-2021 season at Boca Ciega. So you might think that nothing much is going on in the park. That is not true. Neighbors are hard at work making improvements in their homes and in their yards. A few neighbors on Michigan, with their backyards adjacent to the ditch, have taken the time to meet their backdoor neighbors in the next complex and ask them if they would like some of the brush cut down and taken away. Of course they said okay. The result is a more beautiful and peaceful backyard for neighbors on both sides of the infamous ditch.

Our men have taken down perhaps one of our tallest Queen Palms between #28 and #29 backyards. It was diseased and leaning. The crew must have started quite early in the morning because the job was done by 8:30 AM. Impressive. Thanks go to Ron Martin, Joe Brodzinski, Dennis Eby, Don Boccinfuso, Rick Martin, Keith Brogan, Butch Persons, Rex Pranger, and Doug Sutton.

Our one year old and two year old foxtail palms are coming along well. The job of fertilizing these palms was done by Don Boccinfuso, Keith Brogan, and Joe Brodzinski. New foxtail palms have been ordered and Don said that he will need the whole park to help water them.

Now what more is being done in the park? Since our Florida weather is quite cool, it's a good time to work outdoors. A group of neighbors started to refresh our pool area. First thing was to take all of the furniture out. Rita and Doug Sutton and John Bender and Don Boccinfuso got that job done. Then the weeds in the cracks were all cleaned out with a screwdriver and the dirt and weeds were swept away. Rita and Doug Sutton and Sue Pranger and John Bender handled that job. Then the pool area was power washed and later in the afternoon and the next day, the caulking and painting started on the pool surround and the fence around the pool. Ron Martin, Rick Martin, and Keith Brogan along with all the others, were on hand to work at different times. What a project to tackle.

A few reminders to all. If you don't have a park mailbox, use a basket or your own imagination and arts and crafts skills to create a container for park mail. Terry is not supposed to stick your newsletter in the back of your mailbox. When you have company staying overnight, fill out a family or a guest registration form. Finally, remember to fill out a unit alteration request form when you make improvements on your home that can be seen when you walk around the perimeter of your home.

When an article is written the month before it is put in our newsletter, I sometimes forget what is coming up next month. You can't imagine how happy Bill Maegdlin is when he receives your cards, and if Bill is happy then Terry is happy. In February, of course, is Valentine's Day. We have another opportunity to send Bill a card.

For many years, my Jim had two personal shoppers. Our backdoor neighbors, Pat and Ilva. They made Jim happy that he could give me a card and flowers. I will never forget their kindness. Happy Valentine's Day to all.

Don shared this with us at yesterday's meeting, Ron Martin was appointed to the board after Dan Spitzley's passing to finish out his term. Dan specifically asked that Ron be placed on the board. Our President does have the ability to appoint a person to the Board when a board member resigns or passes away. As you might recall, he did that when Sharron DeVillers resigned.

Last of all, we are thankful that our neighbors who had the coronavirus are well again. Most of us are now waiting to be able to get the vaccine. Our holidays were quite different this season, but our rock angel and our Secret Santa made us smile. Thanks so much.

Special thank you to Ron and Rex for picking the chairs up and delivering them and also a shout out to Jon Bender for arranging them around the pool.

## PANDEMIC TRIALS AND TRIBULATIONS

*Covid-Christmas*

*Deb & Gary McQueston*

Gary & I hope that everyone had a wonderful Christmas. Our Christmas was very different as our area was in “lockdown” due to COVID-19. It was recommended that people from outside of your household not gather indoors, so our kids visited us in our garage for about an hour & a half for our “Garage Gift Giving Gathering”. We had heaters on & the garage door partly open for fresh air. We dressed warmly and had hot chocolate and cookies. It worked very well and we had fun!

We miss all of you and we are keeping our fingers crossed that we may be able to come to Florida later on in the season or maybe early Spring.

We would like to wish everyone a very happy, healthy & safe 2021!

# Social Committee Update

Santo Amenta

As the New Year 2021 begins, the situation that we experienced for most of last year is still front and center with us. With the effects of the Covid-19 pandemic still here, decisions have to be made regarding the election of the new Social Committee Executives for 21/22. Our usual yearly elections take place in February, with the new Executive taking over as of March 1. Not wishing to put any of our residents at risk, I have asked all the current members of your Social Committee Executives if they would be willing to continue in their current positions for the coming year.

They have all indicated that they would be willing to carry on going forward for another term. I hope that this is agreeable to all our residents. If any of you feel strongly about this decision, please do not hesitate to call or e-mail me with your concerns. In the next couple of months, I will be putting together plans for the coming Fall/Winter 2021 – 22 Social Program in consultation with your Executives. I will also be publishing the present list of Chairs for all our weekly and Special social events as currently approved. I hope that everyone carries on with their activities. If you choose not to, please let me know, otherwise, thank you once again for volunteering. Please be aware that all social events that are planned for the Fall/Winter of 2021-22 will ONLY happen if it is safe to do so based on health regulations for the State and CDC. Please stay healthy, stay safe, and stay responsible. EVERYONE'S safety depends on it.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,  
The Florida Anchor & Barrier Team
