Manager's Corner

Submitted by Cary O'Connor, CMCA, AMS

As I write this article for February, it is only January 8th. The year 2021 has started with a flurry.

The Board has been working on delaying the Annual Meeting date of the Shareholders. The pandemic has slowed up the postal system, and a large portion of the Shareholders are not receiving their Notice of Annual Meeting containing their ballots and proxies. It is not fair that such a large portion of the Shareholders would not be able to participate in the Annual Meeting. We gathered information from the Florida Department of Business and Professional Regulations, and Attorneys to assure we are following all requirements.

SENIORS VS. CRIME:

Seniors Vs. Crime is an organization in partnership with the Florida Attorney General and law enforcement. The organization is made up of volunteers, that work with Seniors who are exposed or concerned about scams/fraud, etc. You can either go to their website; <http://www.seniorsvscrime.com/> or phone: 1-800-203-3099 if you want to file a complaint.

Popular scams against seniors;

- Extended warranty on vehicle
- Building contractor – asks to be paid in full up front
- Grandma (Grandpa) scam – Don't volunteer grandson name- says they're in jail, send money
- Phone call – virus in computer
- Reader's Digest sweepstakes scam
- Courthouse scam – you failed to appear for Jury Duty
- Door to door solicitor – Florida Statute requires all door to door solicitors to have a permit.

This park has strict no trespassing/no soliciting rules. If it is during regular business hours, and someone knocks on your door, please contact the office at (727) 577-0287 so we can take care of escorting solicitor off of the property. If you have not made an appointment before hand, no one should be knocking on your door.

Friendly Reminders:

Please check in with us at the office when you return to the park so we can adjust your Water Billing. Also, remember to clean up your lot and weed planters. If your home needs to be pressure washed and/or painted, please address this matter shortly upon your return to the Park.

...continued on page 6

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules; No parking on the sidewalks. Please do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by, or be completely obstructed. Please remember, do not park in any neighbor’s driveway without written permission of the neighbor. Written permission must be on file in the office.

SUBLETTING UNITS: It is the responsibility of the Unit Owners to notify Sunset Palms Office of their intent to lease their Unit. In order to approve the rental, Subtenants must complete the background process. The subtenant must sign in at the Office upon arrival and sign out at the time of expiration of the lease and the departure from the park. The terms of the lease is a minimum period of three (3) months and a maximum of six (6) months.

SLOW DOWN – SLOW DOWN – SLOW DOWN – SLOW DOWN- SLOW DOWN: The speed limit in Sunset Palms is ten (10) M.P.H. for all vehicles. Please also remember for Bicycles, and Golf Carts to turn your lights on early morning and evenings.

EXTERIOR HOME CHANGES: Prior to any work; all exterior changes to your home must be approved on a Request for Approval form, available at the Office. Many projects need a building permit and applications can’t be finalized until the permit is obtained. You may call the City at 727-369-5647, or check online at: <http://www.pinellas-park.com>, for projects requiring a permit.

CAR REGISTRATION: Resident’s vehicles must be registered at the Park Office and display a decal indicating the vehicle is approved to be in the community. Please come to the Office to pick up your sticker if you have not already done so.

GOLF CART RESTRICTIONS: Remember that only licensed drivers are allowed to drive golf carts, and you must be at least 16 years of age. Make sure they are not parked on the sidewalks or grass. Golf carts must use lights at night and obey the 10 MPH speed limit.

Safety Tips:

- Call the police immediately if you witness any suspicious activity at all! Be prepared to give as many details as possible. The Pinellas Park Police non-emergency phone number is 727-369-7864. Call 911 (in dire emergencies.)
- Keep outside lights during hours of darkness, every night.
- Lock your cars. Don’t leave anything in your vehicle that you don’t want to lose. Never hide a spare set of keys anywhere in your vehicle.
- Keep your outdoor shed locked at all times.
- LOOK OUT FOR ONE ANOTHER.

President's Corner

Submitted by Bob Lohrman

Hello from the Board of Directors,

Because Florida remains in a declared state of emergency as a result of the COVID-19 pandemic, travel restrictions, and the US and Canadian Postal Service delays the Board of Directors are working on rescheduling the Annual Meeting and Election so that all of the shareholders will be given an opportunity to receive and send back their Ballots and Proxies. At the time of this writing the Board of Directors will be voting to reschedule the Annual Meeting and Election at their next scheduled meeting on Wednesday, January 20, 2021. You will be receiving a Second Notice of the rescheduled Annual Meeting and Election Date once the Board of Directors vote to approve. If everything goes as anticipated, the new Annual Meeting/Election Date will be held on Friday, February 26, 2021.

Our thoughts and prayers go out to our sick and shut-ins and those who have lost loved ones,
Bob

Toy Drive

Submitted by Jan Grynewicz, Administrative Assistant

2020 has been a very difficult year but the Pinellas Park Fire Department toy drive was very successful once again thanks to all of you. The kindness of our residents is overwhelming. Every year your donations are more than the year before ensuring a very Merry Christmas to those who otherwise would not be celebrating. Thank you for being so generous. Sunset Palms once again helped to put smiles on many young faces.

Thank you and Happy New Year!

Lift Station Monthly Reminder – Important

Submitted from the Office

F LUSH ONLY: Body waste and toilet paper. It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

Welcome Committee

Paula Kilgore and Billie Barnes are the Welcome Committee. They have prepared a basket of goodies and important information when they greet our new neighbors.

Person of Interest

Submitted by Phyllis Calandra and Lynda Schoonover

It is with pleasure that I introduce you to this month's Person of Interest, Terry Lohrman. Originated from Newark, Ohio, Terry and his beautiful wife Becky are part time residents of our community. For the months that they are not here at Sunset Palms, they are off to their home in Newark, Ohio.

While this interview was conducted with Terry, much of this write-up will focus on him. However, as we all know, there is never just a "him", if there is a "her", so as I write, Becky's name, along with "couple like details," will be interjected throughout this article.

Taking a walk down memory lane, we began our interview with Terry as a young man, directly

out of high school. Accepting a position at Roper Corporation, Terry manufactured stoves and appliances. As time went on Terry attended the School of Electronics, where he educated himself for a career in the venue that was his real interest. During this time, Terry worked at repairing television sets, and did so for a period of approximately five years. Education never fails us, we all know this to be true, which in the end, brought Terry to his career at Dow Chemical Corporation.

It's always interesting to learn the dynamics of specific corporations, and this was of no exception. Terry explained that the two main products that were manufactured by his area of expertise were the light plastic coating that secures the names and addresses on envelopes, and products that are part of colostomy bags. I had no idea that products of this nature were part of Dow Chemical, and I would venture to say, that most can say the same.

During Terry's high school years, Terry played football. His love of sports does not stop there, for Terry is also an avid golfer.

Terry and Becky have lived in our community for thirteen years. As previous mentioned, their residence is part time, leaving here in the month of April. It is then that Terry enjoys his annual fishing trip, one that he has been a part of for the past thirty years. Heading to Tennessee with a group of about twenty friends, Terry and this group enjoy the sport of bass fishing.

With actions speaking louder than words, I'm comfortable in saying that Terry enjoys this Park as with him, he has brought four other friends, who are now residents of our beautiful community. And now with our background completed, let talk about what Terry is really known for, which is his undoubted talent, and his love for Bluegrass Music.

There is a rather delightful story that Terry tells, a story centers around his music and his love for Bluegrass. For many years, Terry has played the banjo, and is part of a group of talented individuals, playing at festivals, and shows alike. "Blue Grass entertainers are down to earth," says Terry, which now meeting him, I can easily recognize the attraction. For those of you who follow this music genre, the name Sammy Shelor would be at the top of the list of entertainers.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Carol Zapiecki, Clearwater, FL

visit: www.ascaluminum.com

Five times “Banjo Player of the Year,” Sammy has become a close friend of Terry’s throughout his music career.

Today, Terry has brought this love for music directly into the Park. It is with Ed Moody, that brings with him all karaoke equipment, that Terry, Ed and whatever friends are available share in the joy of Bluegrass music.

Terry can be considered a “helping hands” sort of man. It is not unusual for Terry to assist people in the community with minor fixes that need to be accomplished on their property. But this is done, after the morning get together at McDonald for coffee, which has become the start of Terry’s day.

Becky and Terry have been married for forty years. Together, they have a beautiful family, their three children Jessica, Joshua, and Justin. They have four grandchildren, and one great grandchild.

As the interview progressed, we discussed changes in the Park over the past thirteen years. Terry mentioned the sewer upgrade, and how the fountains at the pond are beautifully maintained. Terry expressed that the Board of Directors does a great job, and that Cary – Park Manager also does a great job and is fair to everyone. “She follows through with the rules.” Finally, Terry stated that his brother Bob, who is the President of the Board of Directors, really cares about the Park. When asked what changes would be beneficial to the Park, Terry mentioned that it would be nice if the clubhouse were a bit larger. This thought is wrapped around the notion that residents of the Park is now younger, and that bring more participation in Park activities. Other than that, Terry is happy with the Park just the way it is.

When discussing his most memorable moment, Terry did not hesitate when he said “marrying Becky was that perfect moment.” You’ll recall that at the beginning of this article, I stated that there is never just a “him” if there is a “her”, and so I rest my case. “I have the perfect wife,” he said, “It’s a partnership”. When Terry speaks of Becky, there was a genuine smile on his face. This is a marriage of the upmost respect and admiration; it was delightful to hear of the many stories that solidified this statement. One in particular was their gambling events, which in 2010, turned into winning a 2011 Mercedes at the Hard Rock Casino right here in Tampa. Can you only imagine the excitement of hearing your name, and winning such a vehicle?

Thank you, Terry, for inviting us into your home. I very much enjoyed listening to your story, and I would be delighted to someday stop by and listen to you, Ed, and the rest, both singing and playing the banjo to the Bluegrass music that will forever be such a big part of your life.

Committee with her sister Billie. They also volunteer to deliver the Monthly newsletter here in the park.

Larry is a “Handyman around the park and he is a very helpful person. We have to admit he made us laugh during the interview. What a funny sense of humor this guy has.

They haven’t seen too many changes in the park. They did say the new people moving in seem to be younger. Larry said, “He likes seeing younger women!!”

They would like to see more activity such as Bocci Ball and moving the Horseshoe court down by the club house area, beside the Shuffle Board Courts.

Memorable times include being married for over 56 years according to Larry. Paula said an extended trip through the west with her sister Billie and husband Don.

Their bucket list would be a trip to Niagara Falls and maybe another trip out west.

I would pray God’s Blessing on this couple and many more years together.
