Art Collection Sale

Some of you may know Joe Martin and Arlene Kitchen, Annette Woodcock’s mother. Did you know they have been artists for most of their lives? Joe taught high school art for many years. Arlene started sharing her talents by painting pictures on her elementary school windows. Joe also owned a photo studio where he did most of his art. They both belonged to the Art Guild in Treasure Island, FL.

Joe is known for his photo art. He would take pictures and use different photo programs to enhance his photos. Finally, he would print these enhanced photos on canvas and frame them. Arlene

used acrylics in her original paintings.

Some examples of their enhanced prints and paintings are hung up in the clubhouse. Together they have quite a collection of artworks they will be selling at our annual **Carport Sale on Saturday, February 20**. You’ll be able to view and purchase their artwork that day at 66168 London. Prices range from \$5.00 – \$125.00

Book Club

The Book Watchers Club

January saw our club get back to our regular meeting schedule. We were able to catch up with a couple of movies we had not yet reviewed. They were *The Best of Me* by Nicholas Sparks, and *The Shipping News* by Annie Proulx. In February we will watch *The Help* by Kathryn Stockett and finishing up with *The Girl on the Train* by Paula Hawkins.

Our book for February is *Gone Girl* by Gillian Flynn. This novel is an American psychological thriller. It tells the story of a frustrated housewife who fakes her death and watches from afar as her husband takes the fall only to later realize she cannot live without him. Halfway through the novel the author, Flynn, throws us a curveball! Come join our club to receive a book to read and discover what the curveball is!

The movie was released in 2014 with great reviews. It was directed by David Fincher and stars Ben Affleck, Rosamund Pike, Neil Patrick Harris, and Tyler Perry.

Come join the fun!

There is a great need for Block Captains at this time. It only involves approximately 1 hour of your time when the media is dropped off at the Clubhouse.

The Block General is responsible for organizing the Media distribution. The Block Captains will deliver the Monthly Media to each resident on their street. Park mailboxes should be placed at the end of your carport near your USPS mailbox. Park Mail cannot be put in the postal service box. If there is no PARK MAIL box there is no delivery.

Veteran's Corner

by Anthony Suglia arsuglia@gmail.com

These stressful times have interrupted many of our normal routines, and we have all had to readjust. That has been especially difficult for those of us who count on others for support. No one stands alone, though – especially not Veterans. Through your service, you earned a place in our community. We have never forgotten that.

Veteransbenefits@messages.va.gov Check out this great resource for all veterans and their family.

Who will get a COVID-19 vaccine first?

The U.S. Food and Drug Administration has authorized the first COVID-19 vaccine. We have a limited amount of this vaccine to start.

We've worked with the Centers for Disease Control and Prevention (CDC) and other federal partners to develop a phased plan that will help us do the most good for the most people during this time. Under this phased plan, we'll first offer vaccines to Veterans in our long-term care facilities and frontline VA health care workers. Vaccinating our health care workers first helps us continue providing care for Veterans.

After 2 groups, we'll begin to offer vaccines to more Veterans who are at high risk of severe illness and death from COVID-19. Your VA health care team will contact you if you're eligible to get a vaccine during this time.

We will follow CDC guidelines for determining who is considered to be at high risk of severe illness and death from COVID-19. Factors that may influence the risk of severe disease include the following:

- **Age.** The risk of severe illness or death from COVID-19 increases with age.
- **Existing health problems.** People with certain health problems (like heart disease, or obesity) have a higher risk of severe illness or death from COVID-19.
- **Other factors** that raise a person's risk of severe illness or death from COVID-19, such as living in a nursing home or other group living facility.

More questions answered at: www.va.gov/covid-19-vaccine/

Thirty-seven medical centers including Bay Pines (FL) VA Health Care System began offering the Pfizer-BioNTech COVID-19 vaccine to eligible health care personnel and Veterans Dec 14. Additionally, VA is scheduled to receive another allocation of the Pfizer-BioNTech COVID-19 vaccine this week. Fifteen VA facilities plan to

by Carol Sue Simms

The Fiscal Responsibilities of the Board of Directors

The responsibility of the Board of Directors is to manage the business and affairs of the Association; in accordance with the purpose and objectives of the association. In addition, they have a fiduciary duty to conserve the finances and property of the association.

Fiscal responsibility An officer of the association is required to conduct the business of the association in a manner that is frugal, prudent and abstemious.

Budget The annual budget can be adopted by the Board of Directors or presented to the membership for approval. Either type of adoption requires that the meeting concerning the budget be announced to the members 30 days in advance. Included in the annual budget are estimated income and expenses of the association. Items such as: legal fees, insurance premiums, statutory requirements and fees, taxes, training, travel, business operating expenses. The treasurer is responsible for assisting in the development of the budget. At the end of the annual year the treasurer will prepare the statement of revenue and expenses and provide this to the members.

Dues The RHOA charges an annual dues to cover the costs and activities of the Association. The amount of dues is established by the Board of Directors at the adoption of the annual budget. The annual membership is from January thru December, the amount of the dues cannot be prorated.

Assessments The Board of Directors can approve the use of a special or annual assessment to cover the operating costs of the organization.

Revenue-Deficit If there is a deficiency in expenses exceeding revenue the Board of Directors can adopt an assessment or carry the deficiency into the next calendar year.

What your dues pay for: representatives training; publication of a directory; communication via email, direct mailings, and web site; business insurances and taxes; legal representation; and research/preparation for negotiations with park management.

Since February 2016 with the issuance of additional clarification of the term members, the associations are directed by Florida statute to representative all members. The use of the dues to distribute the privilege of who could vote on representation and officers was eliminated. (Poll Tax)

Next Step: Present to membership a draft annual budget and dues requirement for funding the operation of the organization for the year 2021.
