LETTERS TO THE EDITOR

SENT BY JUDY GUMP

MEMORIAL SERVICE CANCELLATION

It is with regret that we announce the annual Memorial Service scheduled on Sunday, February 14 to honor Westwind I & II residents who passed away in 2020 has been cancelled. This decision was made to align with health measures limiting large groups in our clubhouses due to COVID19.

We will recognize these individuals in our March newsletter. The residents who passed away in 2020 will be honored at next year’s Memorial Service in 2022.

Our thoughts and prayers are with the neighbors, friends, and loved ones of those that are no longer with us.

Janet Hattan and Judy Gump, Coordinators

SIP & PAINT 1-13-21

..... **Presented by Barbara Henson**

On Wednesday 8 of us gathered in the club house to paint a stepping stone, a frog or a palm frond.!

Barbara organized this event and had all items ready for us. She did a great job of setting everything up so our projects were ready and offering instructions and help to all of us. The chocolate wine didn't hurt either! A great time was had by all.!

↑
Thanks again Barbara!!!

New Westwind Website Goes Live

Westwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. *We especially look forward to making this a community wide website with the addition of the Westwind II events and information.*

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

MEET YOUR NEIGHBOR: JIM & JILL DESRANLEAU #268

We are Jim & Jill Desranleau and we live at #268 Second Street. We came to Westwind in 2010 after I retired from the Air Force, and as Jill likes to say she “Quit”. After renting for one season we purchased our home and became residents.

In June of this year we will have been married for 40 years. We are from a small town in Vermont and live on a small lake where we enjoy spending time with Family and friends.

We have two children Samantha and her husband Andy who have two girls Elin 9 and Tessa 5. Our Son Dylan and his Wife Elyse who also have two children sons Damian 4 and Kieran 6 months. Who are the light of our lives.

We stay busy kayaking, swimming, gardening and have the “Littles” over whenever we can.

We have made many life long friends living in Westwind and enjoy living in Dunedin and being part of the Westwind family.

Hope everyone is Safe and Healthy.

Jim & Jill

LETTERS TO THE EDITOR CONT'D

Each person can choose the subject that they want to sketch and paint.

When they paint an art piece, they learn 7 or 8 important factors. They learn very fast and then they are happy and excited with what they have accomplished.

This class is for beginners, intermediate and advanced.

No one is criticized. We praise you and help you when you ask.

We have fun, laugh and interesting conversation.

We wear a mask - 6 feet apart - it's healthy to be with others.

This class is free and I donate my time to help each one.

RECENTLY ADDED TRIM COLORS

At the January 12th meeting of the Westward II Board of Directors' meeting, the board approved a revision to the accepted colors for TRIM of the mobile home units. The new colors reflect lighter, more "Florida-like" colors and are **in addition to the already approved colors.**

Residents can see the new colors on a chart at the office and acceptable colors will be "similar to" the ones on the chart.

Residents must still fill-out a "Request for Modification - Alterations - Additions" form AND get approval from the Architectural Committee BEFORE painting outside with the new colors.

Thanks to **Pat Snyder, Don Rowan and Sally Daniels** for working on the committee that proposed the new colors.

THANKS TO JOHN SCHOEN FOR THE FOLLOWING:

Slow Down and Stop...PLEASE!

We have had many Westwind One residents express their concerns about the traffic safety in the park. Most frequently cited as issues are speeding and the failure to stop at the Stop signs. These issues impact not only the safety of our residents but of our visitors and guests. It has been pointed out that many vendors as well as Westwind residents are in violation. This is a particularly serious problem on First Street where speeding and the failure to stop at the intersection of 1st Street and 7th Avenue have created a very dangerous situation.

The Westwind 1 board of directors has formed a committee to do a study on how to resolve this issue. To get input from the WW1 residents they will be sending out a survey. **If there are any residents in WW2 who share our concerns and would like to have input we ask you to please submit any comments or suggestions to the WW1 Managers Office.** We appreciate everyone's assistance in making our Westwind community a safe place to live.

New 2021 Rule Changes for golfers Age 65+

- Rule 1.a.5– A ball sliced or hooked into the Rough shall be lifted and placed on the Fairway at a point equal to the distance it carried or rolled into the Rough with no penalty. The senior player should not be penalized for tall grass which ground keepers failed to mow.
- Rule 2.d.6 – A ball hitting a tree shall be deemed NOT to have hit the tree. This is simply bad luck and luck has no place in a scientific game. The senior player must estimate the distance the ball would have traveled if it had not hit the tree, and play the ball from there.
- Rule 3.B.3 – There shall be no such thing as a lost ball. The missing ball is on or near the course and will eventually be found and pocketed by someone else, thereby making it a stolen ball. The senior player is not to compound the felony by charging himself with a penalty.
- Rule 4.c.7– If a putt passes over a hole without dropping, it is deemed to have dropped. The Law of Gravity supersedes the Rules of Golf.
- Rule 5. – Putts that stop close enough to the cup that they could be blown in, may be blown in. This does not apply to balls more than three inches from the Hole. No one wants to make a mockery of the game.
- Rule 6.a.9– There is no penalty for so-called "out of bounds". If penny-pinching golf course owners bought sufficient land, this would not occur. The senior player deserves an apology, not a penalty.
- Rule 7.G.15 – There is no penalty for a ball in a water hazard, as golf balls should float. Senior players should not be penalized for any shortcomings of the manufacturers.
- Rule 8.k.9 – Advertisements claim that golf scores can be improved by Purchasing new golf equipment Since this is financially impractical for many senior players, one-half stroke per hole may be subtracted for using old equipment.
- Rule 9k.34– If a tree is between the ball and the hole, and the tree is deemed to be younger than the player, then the ball can be moved without penalty. This is so, because this is simply a question of timing; when the player was younger, the tree was not there so the player is being penalized because of his age.

Please advise all your senior friends of these important rule changes and keep multiple copies in your golf bag. Those not following the rules need to be provided a copy.

Golf is...above all...a game of integrity.

WESTWIND II HISTORY LESSON

EDITOR'S NOTE: Trish Craig, our park's "Hi Lites" delivery coordinator, recently found a stack of OLD "Hi Lites" in the WW II library. They go back into the 80's before we became a "R.O.C." park. I will be printing some of the old articles that I found interesting. THANKS, Trish!

The Storyteller

Here are some facts about the 1500s

Most people got married in June because they took their yearly bath in May and still smelled pretty good by June. However, they were starting to smell, so brides carried a bouquet of flowers to hide the body odor.

Baths consisted of a big tub filled with hot water. The man of the house had the privilege of the nice clean water, then all the other sons and men, then the women and finally the children - last of all the babies. By then the water was so dirty you could actually lose someone in it - hence the saying, "Don't throw the baby out with the bath water."

Houses had thatched roofs - thick straw - piled high, with no wood underneath. It was the only place for animals to get warm, so all the dogs, cats and other small animals (mice, bugs) lived in the roof. When it rained it became slippery and sometimes the animals would slip and fall off the roof - hence the saying "It's raining cats and dogs."

There was nothing to stop things from falling into the house. This posed a real problem in the bedroom where bugs and other droppings could really mess up your nice clean bed. Hence, a bed with big posts and a sheet hung over the top afforded some protection. That's how canopy beds came into existence.

The floor was dirt. Only the wealthy had something other than dirt, hence the saying "dirt poor." The wealthy had slate floors that would get slippery in the winter when wet, so they spread thresh (straw) on the floor to help keep their footing. As the winter wore on, they kept adding more thresh until when you opened the door it would all start slipping outside. A piece of wood was placed in the entranceway - hence, a "thresh hold."

In those old days, they cooked in the kitchen with a big kettle that always hung over the fire. Every day they lit the fire and added things to the pot. They ate mostly vegetables and did not get much meat. They would eat the stew for dinner, leaving leftovers in the pot to get cold overnight and then start over the next day. Sometimes the stew had food in it that had been there for quite a while - hence the rhyme, "peas porridge hot, peas porridge cold, peas porridge in the pot nine days old."

Sometimes they could obtain pork, which made them feel quite special. When visitors came over, they would hang up their bacon to show off. It was a sign of wealth that a man "could bring home the bacon." They would cut off a little to share with guests and would all sit around and "chew the fat."

Sometimes they could obtain pork, which made them feel quite special. When visitors came over, they would hang up their bacon to show off. It was a sign of wealth that a man "could bring home the bacon." They would cut off a little to share with guests and would all sit around and "chew the fat."

Those with money had plates made of pewter. Food with a high acid content caused some of the lead to leach onto the food, causing lead poisoning and death. This happened most often with tomatoes, so for the next 400 years or so, tomatoes were considered poisonous. Most people did not have pewter plates, but had trenchers, a piece of wood with the middle scooped out like a bowl. Often trenchers were made from stale bread, which was so old and hard that they could be used for quite some time. Trenchers were never washed and a lot of times worms and mold

got into the wood and old bread. After eating off wormy, moldy trenchers, one would get “trench mouth.”

Bread was divided according to status. Workers got the burnt bottom of the loaf, the family got the middle, and guests got the top, or “upper crust.”

Lead cups were used to drink ale or whiskey. The combination would sometimes knock them out for a couple of days. Someone walking along the road would take them for dead and prepare them for burial. They were laid out on the kitchen table for a couple of days and the family would gather around and eat and drink and wait and see if they would wake up -hence the custom of holding a “wake.”

England is old and small and the local folks started running out of places to bury people. So they would dig up coffins and would take the bones to a “bone-house” and reuse the grave. When re-opening these coffins, 1 out of 25 coffins were found to have scratch marks on the inside and they realized they had been burying people alive. So they thought they would tie a string on the wrist of the corpse, lead it through the coffin and up through the ground and tie it to a bell. Someone would have to sit out in the graveyard all night (“the “graveyard shift”) to listen for the bell; thus, someone could be “saved by the bell” or was considered a “dead ringer”.

And that’s the truth...(and whoever said that History was boring?!)

IT’S VERY LONELY DOWN HERE WITHOUT ALL OF OUR FRIENDS!

Winter Covid Lockdown

Well Tim, Gayle and I are well as we hope that you and Pat are. We are on complete lockdown but can go out for groceries and to the pharmacy. Effective today until April 30/21, all flights to Caribbean and Mexico are cancelled. Anyone coming back to Canada must have a negative covid test within 72 hours of boarding plane or crossing border. Upon arrival they have to take a mandatory covid test again. Not sure of date yet but will have to go to Gov. approved hotel to Quarantine at travellers expense for 14 days if pos. and for three days if negative and then be retested in 10 days. Quarantine at home will be checked on.

I have been doing lots of carving during shut down in between shovelling snow. I have attached photos of some of my carvings finished. Working on a Snowy Owl at this time. Gayle has been scrap booking trying to catch up on all the photos. Doing some painting in between.

Say hello to gang for us and stay safe . We miss you all

BOWLING

Bowling is going to start on **Thursday Oct. 8th at 12 o'clock**. I was not sure when or if we would be able to bowl. I know most members have not returned to Westwind yet so we will accept any new members. The bowling alley is making up teams so we can get started. Any one interested should just come to the bowling and we will get them on a team. We would also like to hear from the members as to when they plan to get back and if there are going to bowl. They can also call me at 727-409-1973. **(Neil Lloyd)**

If you can send this message out it would be appreciated .

Thank you

WINDFALL SALE

THANKS TO PAT SNYDER FOR THE FOLLOWING:

Thanks to all of you who continue to shop at our Covid 19 Resident's Only Windfall Sale. We have made \$2000.00 to date and we aren't done yet!!!! **Barbara** has been a whirlwind of activity helping to set up and straighten up. In addition she is also selling items from the sale online.....over \$300.00 so far. A big thank you to **Annette, Cheryl and Bob** for getting the linens packed up and new stock out. **Bob** has been moving bins back and forth from shed to sale and stacking returned bins in the shed. As usual, **Iben and Harlow** have been taking care of the Windfall recycling which is certainly appreciated. For anyone that has not yet shopped, there are tables of items set up in Westwind II Clubhouse. All items are priced as marked. There is a locked money box on the table. Just insert your money in the slot. **No change is given, so bring dollar bills and change**. In addition, we are putting furniture items out in the laundry area. They are priced as marked and the money goes in the money box in the clubhouse. Be sure to check it out regularly. We add new items as space allows. Please remember that the sale is for **RESIDENTS ONLY!!!** Also, **please be considerate of others and wear a mask when shopping**. Thank you for shopping with us and helping to support the WWII Social Club.

We are still accepting donations. Small items may be left in the clubhouse or in the laundry area by the shed.

THANKS TO PAT SNYDER FOR THE FOLLOWING:

KITCHEN CUPBOARDS

Jane Merucci, Elaine Blank and I have been working on cleaning and organizing the kitchen cupboards. It is a good time to do it when kitchen use is at a minimum. We have money from the ROC to purchase items to help organize the drawers and cupboards. As we finish an area, we have used masking tape to indicate what is currently in the cupboards/drawers. When the job is complete we will have cupboard contents listed on the inside of the doors. Thank you to those of you who have given your input. We are working to make the kitchen clean and efficiently organized to make it easier for everyone to find what they need to use and to be able to put it back in its place.

REMINDER: HOMEOWNER'S INSURANCE

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

Thanks to all who are helping to keep the bulletin boards neat. When posting items, please use a quarter or half sheet of paper so that there is room on the board for everyone. "WILL WORK FOR BEER"

Someone in WW II asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay

anything - even a free beer. This service will be provided to W W II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

JUST FOR LAUGHS & GIGGLES!

THANKS TO DEE & BOB FENTON FOR THE FOLLOWING:

Groups of Americans were traveling by tour bus through Switzerland . As they stopped at a cheese farm, a young guide led them through the process of cheese making, explaining that goat's milk was used. She showed the group a lovely hillside where many goats were grazing.

"These," she explained, "are the older goats put out to pasture when they no longer produce." She then asked, "What do you do in America with your old goats?"

A spry old gentleman answered, "They send us on bus tours!"

SOCIAL CLUB NEWS

SOCIAL CLUB PRESIDENT'S LETTER

Welcome back to all of our residents that have left the north to come south. It has been a quiet summer here and activities have been very limited. Going forward into the winter season we will have to play it by ear as to what activities we are or are not having. *The Christmas party and the Windfall Sale have already been canceled.* Until further notice we will have to look at our "Hi Lites" to see what's happening. **I have also instituted a Facebook page for Westwind II Social Club.** I will try to post things there so that we have an updated list of what activities may be occurring. We are having coffee again so if you're interested in signing up, the sign-up sheet is on the board. If anyone has an activity in mind that would still allow us social distancing, please let me know. I wish all of you a safe winter ahead.

THOUSANDS manufactured home residents have won over **\$155,800** since our contest began. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**.

That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
