Hi All:
Congratulations Tampa Bay Buccaneers!!!!

March brings with it the promise of gardening and warm(er), sunny days and we turn our frostbitten cheeks from winter and turn to spring.

We always enjoyed watching the kids come down to Florida for March Break playing volleyball on the beach and just having fun. We all need a March Break this year whether you're in school or retired. Enjoy March.

By the end of February, the sun sets at 5:41pm

By the end of March it will be 7:37pm

April 8:30pm

May 9:17pm

June: 9:34pm

There are brighter days ahead...

Hope everyone is doing well.

Take care of each other and stay safe.

Best regards,

Debbie

In March History

24 March 1944: The Great Escape arouses Hitler's fury

It was half past 10 when the first Allied prisoner crawled out of the tunnel into the snow, just short of the line of trees around the German prisoner of war camp Stalag Luft III, in Lower Silesia. After months of preparation, the Great Escape was on.

Immortalised in the much-loved 1963 film – this staggeringly audacious escape attempt was the brainchild of Squadron Leader Roger Bushell, whose Spitfire had been shot down over Calais.

“The only reason that God allowed us this extra ration of life,” Bushell famously told his fellow prisoners in the spring of 1943, “is so we can make life hell for the Hun. In North Compound we are concentrating our efforts on completing and escaping through one master tunnel. No private-enterprise tunnels allowed. Three bloody deep, bloody long tunnels will be dug – Tom, Dick and Harry. One will succeed!”

Bushell was right about that. Although the Germans were on the lookout for escape attempts, they never dreamed that the prisoners would dig three tunnels at once.

For the rest of the year, work went on, the prisoners disposing of the sand by shaking it from makeshift pouches hidden in their trousers. The ‘Tom’ tunnel was discovered in September, and ‘Dick’s’ planned exit became covered by a camp expansion, but by the following March, ‘Harry’ was ready. As night fell on the 24th, the men chosen for the escape attempt assembled in Hut 104.

By the time the Germans realised the prisoners were getting out, 76 men had crawled to freedom. The snow was so deep that they were forced to use main roads rather than forest paths, as they had planned, **and all but three** were soon recaptured. Hitler wanted them all shot; in the end, 50 were executed. Among them, sadly, was Roger Bushell.

The Start of Spring

The March equinox occurs on Saturday, March 20, 2021. In the Northern Hemisphere, this is known as the vernal, or spring, equinox and marks the start of the spring season. In the Southern Hemisphere, autumn begins.

At this time, the Sun crosses the celestial equator on its way north. Also on this day, the Sun rises exactly in the east and sets exactly in the west—a good thing to know if you get lost in the woods.

IMPORTANT NOTICE!!!! **Attention All Homeowners**

What is the HOA?

The HOA is comprised of residents just like you who volunteer their time to make our park a better place to live.

Complaints and comments from you will be forwarded and discussed with park management as received in writing. Please use forms available on the bulletin board at the clubhouse for this purpose

Feb 3 2021,

Good Morning to all, from your snow bound Canadian H.O.A. President

This is a reminder to all that care about our community and neighbors living amongst you in Riviera Estates.

As was noted in my previous letter below to all of you.

This is a reminder that the on line date for required training for those wishing to be part of the H.O.A. is rapidly approaching and is in fact at 9 a.m. **February 27, 2021**. If you have not already registered for this very informative session I encourage you to do so NOW as there is no time to waste.

For those that feel as we do that the H.O.A. is a very worthwhile and rewarding committee to be part of, and who have already stepped forward and registered, I extend on behalf of the existing H.O.A. our sincere thanks, for those of you that would rather sit back and let someone else put their efforts in on your behalf and complain when conditions and restrictions are forced upon you within the park. I respectfully suggest that you will have no one to blame but yourselves.

Residents of Riviera it is time to take control of your homes and conditions pertaining to a harmony between management, and all who reside in the park.

Regards

Dave Shiner

“Previous Message”

With the help of Gary Russell I have been able to get the information needed to update the H.O.A. e-mail list so that I can communicate with all of you on matters as they arise.

On behalf of myself and my H.O.A. team I would like welcome all new residents to Riviera Estates. I'm sure that you will find, as we have that under normal circumstances we have a very vibrant park which you will be proud to call home, if only for a few short months in the winter. Over the past few years we have noticed a shift from predominantly part time residents (snowbirds) in the winter to full time U.S. residents.

The message that I am sending you today is multi-faceted and requires some input from all of you.

First of all as I have said before we all know that these are unprecedented times that we are all living in and as such require us to make changes for the betterment of all at Riviera Estates. Your Homeowners Association (H.O.A.) works hard to ensure that all residents are treated fairly and equally on all matters that arise from time to time by the parks owners and management.

As you read in my last letter to all of you my e-mail conversations with management on issues like palm tree trimming ,better management of the overflow parking area and a request for a rent freeze due to covid-19 were just some of the issues that were undertaken on your behalf.

As you are now all aware the request for a rent freeze fell on deaf ears and unfortunately due to the virus we were not able to properly (face to face) challenge this decision. However some progress was made with the tree trimming and the overflow parking area.

With all that said I am once again requesting that you consider taking an active role in assisting the H.O.A by volunteering to join our team. We currently have two positions that need to be filled and in addition to those both Alan and myself, plan on resigning from the H.O.A. as of December 2021. When this takes place if no one has stepped forward your H.O.A is in dire straits and could cease to exist.

I cannot stress strongly enough that without an active H.O.A. You the residents will be at the mercy of the park owners to make changes as they see fit without consultation with the residents and no challenging body (H.O.A.) to keep them in check.

Allan as your F.M.O. representative has forwarded to me a link that you can join which will give you insight and instruction and the tools to become a member of the H.O.A.

PLEASE SEE THE LINK BELOW and take action to protect and enjoy, in harmony with park management the investment that you have chosen to make in your homes at Riviera Estates.

In closing with the number of snowbirds declining each year and the number of full time U.S. residents increasing each year I believe that it is time that the H.O.A. be managed by full time residents who have the most to gain by managing their homes within Riviera, and are in a better position to do so. We the existing H.O.A. will be more than happy to assist you based on our past experiences during this transition. And help in any way we can.

Please consider my remarks seriously and the possible consequences if the H.O.A. were not to continue, and you were left with no representation.

Riviera Spotlight:

This month in the Riviera Spotlight we introduce:

Rosemarie Moll

or as we know her just... Ro

Rosemarie currently lives on Riviera Drive with her daughter Tina. Ro was an active member of Riviera Shuffling and the overseer of Sunshine Club for years. She made sure any illness or anniversaries were recognized with a card. You’ll remember her greeting you at the door on Saturday mornings, shaking you down for your buck at Koffee Klatch. No one got passed her.

Rosemarie Moll was born in 1930 to parents that came over from Germany. Her father came through Ellis island in New York Harbor.

Her mother came over by visa, from Germany.

Rosemarie met her husband Henry through her best friend, (who happened to be Henry’s sister) at a dance club. While both were attending the dance club their attraction grew and they married in May 1945.

They had four children. First was Henry-John (Hank). Second in line was Douglas. Two years later...they finally had their girl Robinlee. They were all set, two boys and one girl. Surprise, Ro was sure she had the flu... ooops along came Tina Marie, (saved the best for the last!).

...continued on page 18

Henry and Rosemarie moved to Florida in 1981 to Riviera Estates for Henry's retirement from being a police officer in New Jersey. They both enjoyed many happy years together relaxing and enjoying the gang at Riviera.

They were very proud of their 8 grandkids, Douglas, Steven, Chris, Eric, Danny, Richard, Robert and Toni-Marie. Ro also welcomed another granddaughter from Douglas's second marriage her name is Jamie. In addition to that large brood Ro now has 4 GREAT grandchildren Xara, Steven, Debbie and Lucas.

Rosemarie's loving family started migrating back to their mom. Tina moved down on 2009 to help care for her. While her two sons and their wives Henry-John & Nancy and Douglas & Debbie moved down soon after. Her daughter Robinlee hopefully will be coming down this year.

Rosemarie has had some recent painful losses with the passing of her first born son Henry-John (Hank) and daughter-in-law Debbie to cancer.

Rosemarie turned 90 on October 9 surround by her loving family. No big party because of coronavirus.

It is a great tribute to a wonderful lady when her family gathers around to take care of year when her health is not the best. We are very blessed to know Rosemarie Moll at Riviera.

"Rosemarie celebrates her 90th birthday in style"

"Rosemarie with her latest GREAT-grandson Lucas"

RIVIERA ESTATES GOOD NEIGHBORS REPORT

Tina Moll, President

Riviera Good Neighbors Club: This volunteer group plans social activities in the park. We have great parties, with fantastic food, music etc. Membership is voluntary but gets you cheaper tickets for events. The cost is \$4 per year due in January to the Treasurer.
Good Neighbors meetings postponed until further notice

Street Party from

Saturday, February 13th

We finally were able to have some entertainment here at Riviera. Though we did miss the big crowds and the big Parties, we had a good night with DJ John G. Gallo. It was raining during the day, but thank the lord it stopped and we had a good night dancing under the stars.

"Charlie and Penny enjoying the evening"

"Go Steelers"

"Lola and Doreen ripping up the dance floor (as usual)"

"All were welcome even the four legged variety"

"These two were illegally parked in the handicap zone, charges pending. Marcia and Dutch"

"Shawn at the wheel"

"Party goes, glad to finally be out"

100 CLUB

Diana McNiven

Thanks, Diana, for running this fun draw.
Postponed until further notice

The 100 Club draw runs from November 1 to March 31. To have a number in the draw, it is \$5.00. There are eight numbers still available for the year ending March 31.

In mid March, \$5.00 is collected for the next year from those who want to keep their number. Numbers are 'sold' in March before most residents go North for the Summer because some do not return until after the first draw in November. When a number is drawn, you are a winner whether you are at Koffee Klatch or not. You are allowed more than one number.

Diana's Words of Wisdom:

1. When one door closes and another door opens, you are probably in prison.
2. To me, "drink responsibly" means don't spill it
3. Age 60 might be the new 40, but 9:00 pm is the new midnight.
4. It's the start of a brand new day, and I'm off like a herd of turtles.
5. The older I get, the earlier it gets late.
6. When I say, "The other day," I could be referring to any time between yesterday and 15 years ago.
7. I remember being able to get up without making sound effects.
8. I had my patience tested. I'm negative.
9. Remember, if you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.
10. If you're sitting in public and a stranger takes the seat next to you, just stare straight ahead and say, "Did you bring the money?"
11. When you ask me what I am doing today, and I say "nothing," it does not mean I am free. It means I am doing nothing.
12. I finally got eight hours of sleep. It took me three days, but whatever.
13. I run like the winded.
14. I hate when a couple argues in public, and I missed the beginning and don't know whose side I'm on.
15. When someone asks what I did over the weekend, I squint and ask, "Why, what did you hear?"

- 16. When you do squats, are your knees supposed to sound like a goat chewing on an aluminum can stuffed with celery?
- 17. I don't mean to interrupt people. I just randomly remember things and get really excited.
- 18. When I ask for directions, please don't use words like "north."
- 19. Don't bother walking a mile in my shoes. That would be boring. Spend 30 seconds in my head. That'll freak you right out.
- 20. Sometimes, someone unexpected comes into your life out of nowhere, makes your heart race, and changes you forever. We call those people cops.

10 best Caddy Replies:

10 -- Golfer: "Think I'm going to drown myself in the lake."

Caddy: "Think you can keep your head down that long?"

9 -- Golfer: "I'd move heaven and earth to break 100 on this course."

Caddy: "Try heaven, you've already moved most of the earth."

8 -- Golfer: "Do you think my game is improving?"

Caddy: "Yes sir, you miss the ball much closer now."

7 -- Golfer: "Do you think I can get there with a 5 iron?"

Caddy: "Eventually."

6 -- Golfer: "You've got to be the worst caddy in the world."

Caddy: "I don't think so sir. That would be too much of a coincidence."

5 -- Golfer: "Please stop checking your watch all the time. It's too much of a distraction."

Caddy: "It's not a watch - it's a compass."

4 -- Golfer: "How do you like my game?"

Caddy: "Very good sir, but personally, I prefer golf."

3 -- Golfer: "Do you think it's a sin to play on Sunday?"

Caddy: "The way you play, sir, it's a sin on any day."

2 -- Golfer: "This is the worst course I've ever played on."

Caddy: "This isn't the golf course. We left that an hour ago."

1 -- Best Caddy Comment Golfer: "That can't be my ball, it's too old."

Caddy: "It's been a long time since we teed off, sir."
