FROM THE OFFICE

UPDATES on the Pool remodeling: I had 4 companies come and look at the pool; only 1 of them gave a quote, the other 3 said it was too big of a project for them. By the time you read this I will have had at least 3 more quotes (had 3 more companies tell me over the phone that it was too large/time consuming project for them to be interested seeing as how residential new pools are booming.)

The reason Mr. Larson and I didn't go with the only quote we have is because his company is so busy that it would be at least 6 months before he could schedule us. However, if we don't get anyone else to bid on it and be able to do it sooner, we will have to go with them.

This is not a reduction of services; I have all of the documentation showing that we are trying to get it redone as fast as we can. I am tired of hearing this, but if it makes you feel better to complain,,,,,,,,,,,,,

After the reminder letter was sent out, I had several people comment that "we never knew that"; this was just a summary of the most often broken rules, so nothing in that letter should have been new to any resident!

Rent checks are still coming in with the wrong amount; if you are not sure what you owe, call the Office. It was basically an \$18 increase across the board for everyone i.e., \$562 became \$580; \$569 became \$587, etc.

Mr. Larson is still planning on resurfacing some roads this year; I have not put in any speed bumps yet because I would prefer the black top ones (on Sixteenth street by the Office) vs. the store-bought ones. The premade ones have doubled in price and do not last as long as the blacktop ones. If Walter doesn't get a commitment from the asphalt company soon, I will put in some of the premade ones.

Speeding, failure to stop at STOP signs and bikes riding on the wrong side of the road remain an issue. Oh, and let's not forget the garbage! How hard is it to close the door when you open it? If you get to the large dumpster on 3rd street and the door is closed, it means the DUMPSTER IS FULL! Some people think it means "I'll just put my trash wherever I want"!

Everything in this article is discussed at my Manager's meeting but I know a lot of residents read the News and Views online seeing as they can't be here or are working at the time I have my meetings. Besides, somethings can never be OVERSTATED!

The next Manager's Meeting will be MARCH 17th, 9:00 A.M. for coffee; meeting at 9:30 a.m. Please note: If you plan to attend, practice social distancing that you are comfortable with. If everyone at the table is wearing a mask and you are not, please respect that and sit elsewhere.

BON WORTH IS BACK!

Ladies:

I just wanted to let you know that we are back! Please come in and visit with us. We are located in Welch Plaza, 2655 East Bay Drive, Unit 10, Largo, FL 33771 (Between Subway and the Laundromat)

As you all know, with Covid as a strong concern this year, business looks different for everyone. We will require masks to join us in the store. And we no longer will be bringing our merchandise outside of the store to your location.

Keep an eye on a new upcoming Facebook page.....Largo Bonworth.

Hours are Monday thru Saturday, 10 a.m. to 5 p.m.

(Embassy Editor's note: I received this in the Office mail so I am sharing it for everyone)

CDC UPDATE ON COVID-19 VACCINES (February 10,2021)

- New recommendations for preventing, reporting and managing mRNA COVID-19 vaccine administration errors (Appendix A)
- Clarification on contraindications and precautions. Person with a know (diagnosed) allergy to PEG, another mRNA vaccine component, or polysorbate, have a contraindication to vaccination. Persons with a reaction to a vaccine or injectable therapy that contains multiple components, on of which is PEG, another mRNA vaccine component or polysorbate, but in whom it is unknow which component elicited the immediate allergic reaction have a precaution to vaccination.
- Updated information on delayed, local injection-site reactions after the first mRNA vaccine dose. These reactions are neither a contraindication nor precaution to the second dose.
- Update quarantine recommendations for vaccinated persons. Fully vaccinated persons who meet criteria will no longer be required to quarantine following an exposure to someone with COVID-19. Additional considerations for patients and residents in healthcare settings are provided.
- Additional information and updated recommendations for testing for TB infection. TB testing can be done before or at the same time as mRNA Covid-19 vaccination, or otherwise delayed for 4 weeks after the completion of mRNA COVID-19 vaccination.

(This is a 16-page document that can be found on Center for Disease Control's website; I have a printed copy you can read).

LIBRARY

NEW FEATURE: There will be a designated spot where all the books Embassy has from the featured Author will be on display.

W.E.B. Griffin was born William Edmund Butterworth III in Newark, NJ on Nov 10, 1929. He grew up in the suburbs of New York City and Philadelphia.

William enlisted in the Army in 1946. After Basics he had counterintelligence training. In 1951 William was called to active duty for the Korean War where he earned the Combat Infantry Badge as a combat correspondent. On Griffin's release from active duty in 1953 he was appointed Chief of Publications Division of the U.S. Army Signal Aviation Test and Support.

Griffin's knowledge of the military jargon and writing style shows when fictional orders and dispatches are incorporated in his novels. Many of his characters have to battle red tape and bureaucratic mix-ups, sometimes making humorous end runs around the system.

To date Griffin has 160 fiction and nonfiction works to his credit. More than 40 million of his books are in print in more than ten languages including Hebrew, Chinese, Japanese and Hungarian. William has seven best selling series. They are: The Corps, Brotherhood of War, Badge of Honor, Men at War, Honor Bound, Presidential Agent and Clandestine Operations.

Mr. Griffin said, "Nothing honors me more than a service man, veteran or cop tell me they enjoy reading my books!"

Don't forget the Library is open daily 10 – 6: Wi-Fi can be accessed from the screen room 24/7. Please use your Library.

The office also has for sale pool cover-ups, embassy mailboxes, and face masks that help support our Library.

Please remember to be safe and take precautions.
