MESSAGE FROM THE OFFICE

DeeVon Schisler, LCAM, Office phone 727 584-1413, email: secretary.fourseasonsestates@gmail.com

Spring is around the corner. Who would have thought last March, when COVID-19 appeared in our lives, that a year later we would all still be shut in.

As you all know, the new home at lot 187 is here and in its final stages of completion. Lot 347 is still under the completion process as well. By now, the park has torn down lot 459 and is under-way to tear down lot 454 as well. This will make room for two more brand new homes in our community. I have already had numerous calls from new owners wanting to purchase and install homes on these two lots.

We have developed a new website (www.fourseasonsestatesrocinc.com) that is now properly linked to Google for Google searches. Check that out! You can also google Four Seasons Estates and get to the website by clicking the website. It gives you the capabilities to print out our application packets, should you have the need to download and print at home. One is Canadian specific for buying and renting and one is for U.S. buyers and renters. Our construction form is on there as well.

Please welcome our new maintenance man, if you have not already. His name is Jim Kelly. Our young James has finally got accepted into the police academy. While I personally was sad to see him go, I am happy that he is chasing his dream.

I have been working with the City of Largo in conjunction with Gross Point on the terrible state of Golden Corral. There has not been much forward movement, but not for a lack of trying. IF EVERYONE STARTS CALLING Code Enforcement, maybe something will be done. Their phone number is 727-587-6799.

Again, while we understand that everyone is tired of being cooped up with no activities, it has been decided that it is in the best interest of the community to not reopen anything for the foreseeable future. The risk is just too great.

If you are a person who pays using coupons and have not received them yet, let us know in the office. I do know that some people have received theirs. The issue was with the mail, not the office or the management company. The coupon books came from North Carolina. It was no ones fault, it's just the world we are living in right now, unfortunately. A letter went out to all coupon holders several weeks ago, explaining this and the means to pay your fees were included in that letter. It is for reasons such as this that the Association would like all of you to take advantage of the automated withdrawal system that our bank handles.

There will also be a new security arm installed at the bridge. This is being done to stop

outside people from using us and Pointe West as a shortcut. There have been numerous reports of speeders. The number of calls to the office regarding speeders and “cut through” people have risen dramatically. We have installed new signage in the park as well, trying to make everyone more aware of our 10 M.P.H. speed limit and to observe it. This includes golf carts as well. Some letters have gone out to violators as well. This is also going to increase everyone’s property values, as we can now promote ourselves as a partial gated community. We will keep you all updated on that proect and are happy to announce it!

FOUR SEASONS HOMEOWNERS ASSOCIATION (HOA)

By Janice Lamore, Secretary, Lot #332, Phone #802-879-0501

As of the February HOA meeting, the following people now serve as our Board of Directors: John Jones, President, Pat McDonnell, Vice President, Janice Lamore, Secretary, William Frey, Treasurer, Alice Strawn, Director and Pat Costa, Director.

Management has made the clubhouse available to us. Thus, we are holding the meeting of our Homeowners Association as scheduled on March 4, 2021 at 10:00 a.m. Please note that everyone will need bring masks and we will be maintaining social distance. We will also be collecting the reduced annual membership dues of \$5.00 at that time. We will not be serving refreshments due to the COVID-19 virus. If you have any questions or concerns for the meeting, please see one of our board members during the week before the meeting.

If you have about five hours a month to spare, please consider volunteering for our Board. We are searching for one new member to join our Board. We know that many of you have served on community and charitable boards in your working lives and appreciate the importance of staying connected to our community.

We hope and trust that there is one homeowner who shares our values and concerns and will step up and do his or her part. Please contact our President, John Jones at Lot #507 or phone him at 330-715-9026 if you are interested in joining our Board. We have one immediate opening. If you feel you would be a good match for our board, please contact us as soon as possible.

Also, since we have reduced our annual dues to \$5.00, we are encouraging all of our homeowners to become official members of our association. Please join and attend our scheduled meetings so that you may have input as a homeowner. It is important to maintain our Homeowners Association as organized under the laws of the State of Florida to act for the benefit of its members in dealings with the owners and operators of the Park (ROC.) It is the legal voice to represent all homeowners.

MESSAGE TO OUR FOUR SEASONS COMMUNITY FROM SAC

Lynn Ruhl, Chair of Information, Lot #482

The board of FSESA, Inc., commonly referred to as SAC, wants to remind our Four Seasons Estates Community members that until further notice ALL SAC sponsored events and activities, including monthly meetings, continue to be cancelled at this time. The newsletter, monthly calendar and news articles will be published as if everything is normal. This will insure a smooth transition to normalcy when our usual monthly events and activities can be resumed.

If anyone is doing an activity that the SAC has sponsored in the past, it is on their own and not connected to SAC in any way at this time.

The SAC board will be reviewing current information and recommendations by governing bodies when available. This includes government, the CDC, the Florida State Health Department, Pinellas County, the ROC Board, our Quality Park Management Company, our insurance company and any other pertinent sources. The SAC board has recently discussed the current situation and has made the decision NOT to reopen any of our events and activities at this time. It is NOT in the best interest of our community. We will continue to review the situation as current information becomes available.

To be perfectly clear, the Resident Owned Community, Inc. (ROC) controls the property and all the amenities. The ROC and the office control what is allowed to happen on the property. If anyone wants to use any of the amenities on the property they must speak with the ROC or office to get permission. That decision is made by the ROC and the office – SAC has no part in that decision.

Everyone will be updated by Facebook when we have changes to our notice of cancellations. Only a SAC board member will make these official posts to get information out to our community. Community members who are returning to FSE should be cautious. Social distancing of at least six feet apart continues to be the recommendation when gathering in any size group. People ages 65+ should take extra precautions to avoid exposure to this virus. Facial masks are also recommended/required when around anyone outside of your immediate household. We have shared websites on our Facebook page for you to receive the most recent information during this crisis.

We hope all of our community friends are staying safe and healthy during this time. These are difficult, unusual days, and you are encouraged to be patient and understanding. We are looking forward to the time when all of us can share in the fun that is Four Seasons Estates!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

AQUA LADIES -- AND MEN!

JOYCE ON THE GO!

Joyce Fosdick, #203

In January I went to Castle Rock, Colorado to visit my daughter Judie, her husband Bob and of course Angela and Roy. Roy was home for Christmas, due to leave for Houston to go back to school on the 4th of January. By the way, he will graduate from the deep diver welding school in April.

While there, enjoying the cold and snow (ha ha), they decided that we should take the time for one of our bucket list items. That was to drive 7 1/2 hours to go and see Mount Rushmore. To spend the night and return the next day. We had a lot of fun on the way, all of us anticipating our ultimate goal. We saw several herds of antelope, elk, turkeys and prairie dogs.

Upon our arrival, we drove around quite a while to find a parking space. There were a lot of people there, who had the same idea as we did. After walking for about a quarter of a mile, we arrived at the lookout point. What an awesome sight...nothing to see except for a thick pea soup FOG!!!! We saw nothing except for a lot of other disappointed people. We ended up taking a selfie of the four of us, with Angela holding up a picture of Mount Rushmore on her phone. They do have a really nice gift shop!!

On the way home we did get to see a few bison, had a lot of laughs about our wonderful adventure. Joyce Fosdick

YOU'RE GOING TO LOVE THIS!

A frog goes into a bank and approaches the teller. He can see from her nameplate that her name is Patty Whack. "Miss Whack, I'd like to get a \$30,000 loan to take a holiday."

Patty looks at the frog in disbelief and asks his name. The frog says his name is Kermit Jagger, his dad is Mick Jagger, and that it's okay, he knows the bank manager.

Patty explains that he will need to secure the loan with some collateral. The frog says,

"Sure. I have this," and produces a tiny porcelain elephant, about an inch tall, bright pink and perfectly formed.

Very confused, Patty explains that she'll have to consult with the bank manager and disappears into a back office. She finds the manager and says, "There's a frog called Kermit Jagger out there who claims to know you and wants to borrow \$30,000, and he wants to use this as collateral." She holds up the tiny pink elephant. "I mean, what in the world is this?" (You're gonna love this.)

The bank manager looks back at her and says, "It's a knickknack, Patty Whack. Give the frog a loan. His old man's a Rolling Stone." (You sang it, didn't you? Yeah, I know you did.)

Never take life too seriously.

TRAVEL AND ENTERTAINMENT

Sandy Hansen, #452, hansens167@gmail.com, 586-1985

The future of cruise and European travel is remaining an unreachable goal. But as a result your entertainment and travel account can grow for the future when all the pandemic problems are behind us.

How about a day trip to Tarpon Springs! True, we may have been there before, did we venture into anything new, or only stroll down the main street and sample all the Greek foods?

Check out ODYSSEY CRUISES on a future visit, (www.Odysseycruises.net). March is the best month to find great sea shells on Antelope Island. A two hour cruise on a large pontoon type vessel will travel down the Anclote River escorted by a Master Naturalist who will inform you of the river's history and wildlife as you are treated to the waterways of Tarpon Springs. A stop will be made at the island to find new shells that have been brought ashore by the winter storms. The number of trips per day is controlled by the number of visitors. There are also shorter trips available. Two vessels are available with departure times beginning at 12:30pm with social distance and sterile policies observed.

Travel Is Fun Tours (www.TIFTOURS.COM) has a BRANSON, MO trip scheduled for June 8-15. Check out the website for all the details. Top quality hotels are used and all shows are listed. Also, BILOXI GETAWAY at BEAU RIVAGE; May 2-5. The normal perks for casino trips are included. Price for two is \$344.00 and a single \$474.00.

OBEY THE SPEED LIMIT

You have undoubtedly seen all the new signs around the park. We want our residents to be safe – please observe the speed limit. **That means your golf carts too!**

HOW SMART ARE YOU?

A quiz for people who know everything! I found out in a hurry that I didn't. These are not trick questions. They are straight questions with straight answers!

1. Name the one sport in which neither the spectators nor the participants know the score or the leader until the contest ends.
2. What famous North American landmark is constantly moving backward?
3. Of all vegetables, only two can live to produce on their own for several or more growing seasons. All other vegetables must be replanted every year. What are the only two perennial vegetables?
4. What fruit has its seeds on the outside?
5. In many liquor stores, you can buy pear brandy, with a real pear inside the bottle. The pear is whole and ripe, and the bottle is genuine; it hasn't been cut in any way. How did the pear get inside the bottle?
6. Only three words in Standard English begin with the letters 'dw' and they are all common words. Name two of them.
7. There are 14 punctuation marks in English grammar. Can you name at least half of them?
8. Name the only vegetable or fruit that is never sold frozen, canned, processed, cooked, or in any other form except fresh.
9. Name 6 or more things that you can wear on your feet beginning with the letter 'S.'

FOUR SEASONS ESTATES SOCIAL ACTIVITIES, INC. (SAC)

Did you know that this newsletter is put together by SAC community volunteers? Volunteers write articles; the volunteer editor formats the newsletter articles each month and submits to Monthly Media Publishers. MMP print and deliver the newsletters (free of charge to us) and then the newsletters are hand delivered (door to door) to all residents of FSE. This takes a great team of dedicated volunteers.

To be a part of the distribution team, contact Mandi Harman-Ashley (#373). We're always looking for new folks to be involved.

In addition, our FSE Phone Directory is updated every spring. This, too, is published at no charge to us by Dial Directories. If you would like more information on how to help, talk to Marilyn Franz or Lynn Ruhl.

ANSWERS TO QUIZ

1. The one sport in which neither the spectators nor the participants know the score or the leader until the contest ends: Boxing.

3. Only two vegetables that can live to produce on their own for several growing seasons: Asparagus and rhubarb.
4. The fruit with its seeds on the outside: Strawberry.
5. How did the pear get inside the brandy bottle? It grew inside the bottle. The bottles are placed over pear buds when they are small, and are wired in place on the tree. The bottle is left in place for the entire growing season. When the pears are ripe, they are snipped off at the stems.
