## Social Club Committee

---

**A**s we enter March, this is the last month of service for your current Social Club committee. As of the writing of this I have not heard of anyone expressing an interest in becoming the new Social Chair. If anyone out there thinks they would be interested but just not sure of what it entails, please feel free to call me at 618-791-6555.

This year has been very different as we had to cancel all of the activities we had planned for the year and come up with other ways of getting together. I am very fortunate to have had a committee dedicated to helping me to try to salvage this past year. My Vice Chair, Linda Bearley, was more of a co-chair as she split the responsibilities and was there for anything that we did. Barb King stepped in to be our secretary after finding out our appointed secretary would not be leaving Canada. Not only did she exceed in that position, but she also chaired a breakfast and helped in so many of our other events. Our treasurer, Brenda Dreier, also had to remain in Canada. But she was able to continue doing everything she needed to do from there. Hazel Holliday was unable to return from Ohio this year but was still very helpful with entertainment duties. Most of these were cancelling bands that she had already contracted for the year. Patty Peterman stepped up to do the media guide for us after our original person moved back north. Randi Sandford took care of the media guide for several months, training two different people along the way. She has planned, shopped for and did most of the preparation for the monthly dinners. She has also chaired other events and has been a big part in our planning of activities. Rose Hendershot and Jackie Lafountain volunteered to take care of the library and they have done an awesome job. Besides being our kitchen manager, Bill Bearley, along with Bill Peterman, arrive early every social club meeting to have tickets ready to sell and take care of the drawings. Ann Ohr created a new system for assuring everyone is welcomed into Amber Glades. Cyndi Conley has done a great job with sending get well cards and sympathy cards when needed. ML Faiola has continued chairing the block captains and getting all of the books ready to be given out each month. Janet and Paul Fether have done an exceptional job of keeping the club house decorated for all the seasons and holidays. To all of the above people and to all of the other people who have helped in making this past year the best that we could, THANK YOU!

Liz Johnson  
Social Chair

## THANK YOU!

Thank you to everyone that participated in the Walking Taco Blue-Plate Special in January. Hope everyone enjoyed it. And, thank you also to the faithful volunteers that helped serve: Jackie, Bill, Linda, Liz & Richard.

## Notes from the HOA President

Spring is sprung and most of our cold Florida weather should be behind us. Many of us have been able to get the covid vaccine and we should be starting to wind our way out of the darkness and solitude of the past year soon. With that in mind and as we become more comfortable being around each other once again, I want to remind everyone of the recreation equipment available to all residents at the clubhouse. There are pool and poker tables inside the clubhouse as well as a piano and organ and an excellent library. And don't forget about BINGO on Monday evenings. Outside there is the pool of course (we are working with the management on new pool furniture) as well as shuffleboard, cornhole, horseshoes, golf driving cage, and the putting green which we have asked to be refurbished. This equipment is in a storage building just outside the patio door of the clubhouse. As we gradually move toward a more normal existence this year, it will be nice to see more people out enjoying the equipment that is available. The Board has asked for some new equipment and we'll let y'all know if and when it appears. Don't forget about the grills and picnic areas on the island and to the rear of the clubhouse.

If you are not a HOA member yet, you are invited to join. Dues are \$15.00 per year. Currently about 1/3 of the residents are paid members of the HOA. We would like to increase that significantly for several reasons, one being that rent negotiations are coming up in the next few months and a strong HOA membership should give us an advantage when we meet with the landlords. And it goes without saying that additional paid members would help us meet our expenses for this year. Members receive a discount on all social activities and sometimes that in itself will equal the dues for a year. So consider joining. We'd love to have you. There is a drop box for dues payments by the patio door in the clubhouse. Cash or check is acceptable. Make checks out to Amber Glades Inc.

I'm going to do my best to enjoy March. I pray that you will do the same.

Dave Suderman, President

## **SOCIAL COMMITTEE CHAIRPERSON NEEDED**

**L**iz Johnson has been our social committee chairperson since April 1, 2020. She has done a fabulous job with her team in putting together meaningful and enjoyable social events. Thank You Liz!

However, Liz is retiring on March 31, 2021 and the HOA Board is looking for someone to fill this position in the coming year. The basic requirements are a heart for social activities (you like them) and a willingness to put together a team of friends and helpers that can help implement the ideas that y'all come up with. If you are interested or know of someone who you think would be good, let myself or Liz Johnson know. If you have questions about how it all works, Liz would be happy to talk with you and fill you in. She knows the ropes as well as anyone. Needs to be an HOA member too.

I'm sure there is someone out there for this opening. We would love to hear from you soon.

## Greetings from the plant lady

Timing tips for gorgeous Gardens.

**F**ollow these phenology folk sayings and also apply them to perennials. The key is temperature. When you see a certain flower bloom, or a particular plant with leaves, you know the temperature is warm enough to sow seeds, prune, or transplant. Give this old-fashioned advice a try in your own garden.

There is no set date for when you can begin working the soil in the Spring but its best not to start too early – wait at least until the rains have passed. Working wet soil can destroy the structure or tilt. Once damaged, it can take years to recover. Walking on wet dirt can also compact it. Rather than relying on calendars, let the soil itself tell you when its ready. Pick up a handful and squeeze. Crumble easily? Then its ready to do. If it sticks together and keeps its shape, that is still too wet.

Happy Gardening – Debra Michelle – The Plant Lady – 843-290-8884
