President's Report

By Ray Lamoureux #9

It has been a hard time for me the last couple of months with the passing of Georgina from Covid and me being sick from it also. Without the support from my brothers and sisters and children all the great people in Golden Acres that give me support to get thru this terrible time in my life. I would also thank the people that contributed who donated to the beautiful flowers at her funeral.

We have been going thru a rash of water leaks in the park lately. We had the past that water leaks seem to come in bunches for some unknown reason. Fourth Street seems to be the area hit hardest at this time. It is their time this go round where First Street and Second Avenue were last year's turn. It is hard to predict a water leak will appear.

We have people coming and going in the park at all times of the year. You are required to sign in and out if you are leaving or coming in. All guest and renter are also required to do the same. The board needs to know who is living in the park. Sign in sheet are in the office and the library which is now open seven days a week from the outside door. Guests are only allowed for thirty days in a calendar year. We want all residents to be honest about who is staying here and sign them in. The board does not want it to be police to enforce the rules. The board's job is time consuming please don't make it harder.

We have no places for sale as of this writing. Most units only last a week when they go up for sale. We have people calling every day to get their name on our waiting list. We are a very popular community in Dunedin.

The board approved the new contract with Progressive Management for 2021. Bill Martin will still be our property manager for the next year. I feel they are doing a great job for our community.

Happy Easter!

All activities are still canceled for the month of April except our Food Drive scheduled all month until April 30th as indicated in the article from our Recreation Committee.

This month you will read about welcoming 3 new residents (many thanks to Elaine Janes for submitting them), a Board reminder, messages from Fraud Watch and News in Health, and more.

...continued on page 6

Many thanks for those who submitted articles for this month's newsletter.

Some important dates to remember in April are:

April Fools' Day on April 1st (sometimes called All Fools Day) is one of the most light-hearted days of the year. It is celebrated by people playing practical jokes and hoaxes on each other and the victims are the "April Fools".

Easter is on April 4th. Happy Easter Everyone!!

National Tartan Day is April 6th and is celebrated in both the United States and Canada. It honors and celebrates Scottish culture and it is typically celebrated with parades, pipe bands, Highland dancing, and other Scottish themed events.

April 15th is the deadline for income taxes here in the United States, but Canadians have a couple more weeks since your taxes are due on April 30th.

April 22nd is Earth Day, a special day that celebrates the Earth. Try to do some of these things: Volunteer to help clean up and restore a "green space"; try to go the whole day without creating garbage; and/or update your light bulbs to energy saving ones.

On April 24th is also Administrative Professionals' Day. So, don't forget to give thanks to our own Administrative Professional Karin Desmone.

April 30th is Arbor Day when the Arbor Day Foundation inspires people to plant, nurture, and celebrate trees. A single tree can absorb as much as 48 pounds of carbon dioxide per year and can seize one ton of carbon dioxide by the time it reaches 40 years old. So, visit a park with green area that has beautiful trees and hug a tree.

As many of you will be leaving this month for your summer homes, I want to wish you safe traveling and a wonderful summer. I look forward to seeing you again in the fall. Farewell.

Until next time,

May God bless and keep you well and safe...

Recreation Committee

By Mark Johnson # 174

In this recreation report, I want to recognize Sue Bailey (#188) for her dedication and service here at Golden Acres. Sue has been a valuable contributor of her time and talents, for our park, and we all appreciate the great job she performs with the newsletter. The Recreation Committee is fortunate to have Sue, as the board liaison, and congratulate her recent addition to the park's Board of Directors. We presented Sue with a Certificate of Recognition and look forward to continuing our relationship with her in her new capacity. Great job!

The Committee made the decision to donate the remaining balance of \$384, of last year's 50/50 funds, from the Wednesday's Coffee Hours, to the Dunedin Food Shelf. Over the years, we have selected charities with proven track records of reliability, in serving the needs of the

community. The Food Shelf is a good example of this, and to help augment our contribution this year, the Recreation Committee is sponsoring a food drive. Details of how residents can contribute their donations, can be found in this newsletter, or by contacting any rec committee member.

The Big Red Bus makes a return to the park on Tuesday, March 30th. The scheduled time for this life saving blood drive will be from 8 am to 1 pm.

Although the Covid pandemic has limited our ability to socialize and enjoy activities like normal, it hasn't limited our resolve to contribute to the greater good of society. Thank you Golden Acres, for demonstrating the true compassion the park has, for the betterment of us all.

Greetings from the Office

By Karin Desmone

Please welcome Bob & Judy Dean #119, and Nate & Therese Cerbelli #211 to the park. Congratulations and may you find lots of happiness, fun, and laughter in your new home. Park Directory (2021–2022) will be published in the fall. I will deliver it to every resident as you return to the park.

City of Dunedin informs me that they will no longer pick up metal bulk wastes. Ex: A/C units, washers, dryers, appliances, etc. They did refer a scrap metal person who will pick up your metal items “*free of charge*”. I have his name and phone number in the office if you are in need of his service. Residents will have to coordinate pick up day and time with him directly.

New Residents from Delaware – Are They Our First Delawareans?

By Elaine Janes #216

Welcome to Steve and Patty Cockerill, from Camden-Wyoming, Delaware. They are new neighbors in coach #97.

Steve retired in 2019 and celebrated that epic event by renting an apartment in Dunedin for seven months. They wanted to “try the town on for size.” Steve and Patty loved Dunedin so much that they went looking for something to own. They found and bought the coach in Golden Acres before they left in the spring. The coach was rented out last winter, but Patty and Steve are enjoying their new home this year.

Steve enjoys hiking, biking, doing home projects, and happy hours. Patty likes taking walks and reading. She is looking forward to gaining more experience kayaking and trying out pickleball.

We are hope Steve and Patty enjoy many happy years of relaxation and fun in their Golden Acres home. It is great to have them in our community.

From the Recreation Committee

In addition to donating \$384 to Dunedin Cares, the food bank, from last season's 50/50 Raffle, the Rec Committee would like to sponsor a food drive. Please take cash and checks to Karin in the office to put in the safe; Steve and Sue will collect them to donate.

To our friends up north: If you want to donate by check, please send it to Karin in the office, and put a note on the envelope so she knows.

A Golden Acres Legacy: Welcome, Debra Farris

By Elaine Janes #216

Many of you knew Debra's father, Howard Farris. He bought coach #28 in 1999. Howard learned about Golden Acres from Debra's Aunt, Dorothy Farris, who also lived here. Debra inherited the coach from her dad. We are so happy Debra did! Debra has taken over as Aquafit instructor, besides sharing her musical talents.

When Debra is not here, she can be found in Santa Barbara, CA or Kalamazoo, MI. Debra has been a career musician, including being a commercial music composer (for radio, TV, film). She is a massage therapist, body worker, and corrective exercise specialist. Debra enjoys hiking, walking, cycling, Aquafit, and cooking.

Debra states that she loves Golden Acres and the people here! We welcome you, Debra, and hope the years ahead continue to be happy ones.

New Neighbors from Michigan

By Elaine Janes #216

Welcome to Peter and Bethany Chorba! They are the new residents in coach #20. They have done a ton of work to make their home look shining and new.

Peter and Bethany are retired critical care registered nurses from the University of Michigan Medical Center. Their other home is in Bay City, Michigan. They have two adult children who also live in Michigan. They discovered Golden Acres three years ago while visiting friends and driving around Dunedin.

The Chorbas enjoy swimming, biking, running, staying fit, doing handywork, and reading. Bethany owns a fitness studio, serving her clients online in Michigan and Florida. Pete enjoys a good workout, outdoors, and competes in a couple of triathlons each year.

It is great to have Bethany and Pete living in Golden Acres. We hope their years in our park are filled with happy days and fond memories.

Covid-19 Fraud Alert

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

The alert said the public should be aware of these potential indicators of fraud.

- Advertisements or offers for early access to a vaccine upon payment of a deposit or fee.
- Requests to pay out of pocket to obtain the vaccine or to put your name on a COVID-19 vaccine waiting list.
- Offers to undergo additional medical testing or procedures when obtaining a vaccine.
- Marketers offering to sell and/or ship doses of a vaccine, domestically or internationally, in exchange for payment of a deposit or fee.
- Unsolicited emails, telephone calls or personal contact from someone claiming to be from a medical office, insurance company or COVID-19 vaccine center and requesting personal and/or medical information to determine eligibility to participate in clinical vaccine trials or obtain the vaccine.
- Claims of Food and Drug Administration (FDA) approval for a vaccine that cannot be verified.
- Advertisements for vaccines through social media platforms, emails, telephone calls, online or from unsolicited/unknown sources.
- Individuals contacting you in person, by phone or by email to tell you that government officials require you to receive a COVID-19 vaccine.

The agencies offered these tips for avoiding COVID-19 vaccine fraud

- Consult your state's health department website for up-to-date information about authorized vaccine distribution channels. Obtain a vaccine only through such channels
- Check the FDA's website for current information about vaccine emergency use authorizations.
- Consult your primary care physician before having any vaccination.
- Don't share your personal or health information with anyone other than known, trusted medical professionals.
- Check your medical bills and insurance explanation of benefits (EOBs) for suspicious claims, and promptly report errors to your health insurance provider.
- Follow guidance from the U.S. Centers for Disease Control and Prevention and other trusted medical professionals.

How Long Does Protection Last After COVID-19?

From NIH (News in Health) [newsinahealth.nih.gov](https://www.newsinahealth.nih.gov)

After your body's disease defense system (the immune system) fights off a virus, it keeps a memory of it. A study suggests that people's immune systems remember COVID-19 for months after recovery.

The immune system makes different types of cells and molecules to fight disease. These include antibodies, T cells, and B cells.

Researchers looked at immune responses from about 200 people who'd recovered from COVID-19. Some had been infected up to eight months before the analysis. Other cases were more recent. Of the people who recovered, 95% had immune system "memories" of the virus that causes COVID-19, SARS-CoV-2.

Almost everyone had antibodies that block the virus' spike protein. The virus uses this protein to enter cells. The number and type of antibodies varied between people. But the levels usually remained stable over time. They slightly decreased six to eight months after infection.

Immune cell levels also remained high. Memory B cells, which make antibodies, increased for a few months after infection and then remained stable. Most people had one important type of T cell. About half had another type of T cell that kills infected cells.

"Several months ago, our studies showed that natural infection induced a strong response, and this study now shows that the responses last," says Dr. Daniela Weiskopf at the La Jolla Institute for Immunology. "We are hopeful that a similar pattern of responses lasting over time will also emerge for the vaccine-induced responses."

Active Duty Soldiers to Remember

Please take a moment to offer a prayer of thanks and remembrance to all those who help to protect our way of life. Keep them in your prayers until they return safely to their loved ones.

Last will

Robert went to a lawyer and said, "I'd like to make a will, but I don't know exactly how to go about it."

The lawyer smiled at Robert and replied, "Not a problem, just leave everything to me."

Robert looked upset. "I knew you were going to take a big portion, but I would like to leave a little to my family, too!"

Happy landing

An airline had a policy that required the pilot to stand at the door while the passengers exited, smile, and say, "Thanks for flying with our airline!" The landing on one particular flight was particularly rough, and the pilot had difficulty looking the passengers in the eye, expecting that one or two would have a smart comment for him. However, it seemed that all the passengers were too shaken to say anything.

Finally, everyone had gotten off except for one little old lady walking with a cane. At the door she said, "Sonny, mind if I ask you a question?"

"Why, no, ma'am," said the pilot. "What is it?"

The woman said, "Did we land or were we shot down?"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
