BOARD BUSINESS and UPDATES

VICE-PRESIDENT – Lawn Maintenance

Kim Stoltz

Hello Briar Creek! Hopefully, we have all recovered from doing our favorite Irish jig and playing that kazoo! Now on to April showers.....

Mowing dates for April should be as follows:

Tuesday, April 13

Tuesday, April 27

The RED lawn boards are in and just in time for the upcoming rainy season. If you do not want your lawn mowed because of wet, soft grass, maybe it's too dry, or you just applied seed or fertilizer, no worries. Simply place one of the new RED BOARDS in your front yard and the lawn mowing company will not mow your lawn. The red boards are \$4 each and come complete with ground stakes. If you want one, call me and I will deliver it to you directly. The board is yours forever, no matter who the contract lawn company is. Simply place it in your front yard on mowing day and the mowers will not mow. Hurry they are going fast!!

And remember, when you can be anything, be kind.

For any other concerns, please feel free to contact me as well. Call or text (815) 514-1110.

DIRECTOR, Pool

Pat Rivera

Sun! Towel! Chair! LEAVES?

Briar Creek I has a magnificent pool! Recently, a new pool service was hired to maintain the pool. The lovely, deciduous trees bordering the pool are truly spectacular... most of the time. When the leaves start to fall and blow into the pool, it can become a "situation".

The previous pool company was unable to maintain a consistent water level or keep up with the falling leaves. Frequently, the pool filter became clogged, the water flow to the heater was insufficient and the heater would shut down. Fix (sort of). Repeat. The cyclical interruption of heated water was problematic. Enter new service, Aqua Serv Pool. Initially the agreement was for five days a week until everything was properly diagnosed and repaired in the pump house. Yay! Things have been running swimmingly.

The three day a week schedule will soon begin each Monday, Wednesday, Friday. The technicians are friendly but try not to distract them by engaging them in conversation. "Hello" and "Thank you" will do.

If you notice something about the pool that you think may be "off" or unusual, please contact me directly. Text is the best way since I don't answer my phone if I don't recognize the phone number. You can text me at (305) 546-2714.

Summer is coming and the pool is the best place to be when the temperatures rise. Unless we have an uptick in COVID-19 cases, your guests are now welcome in the pool with you or with a Visitors Pass.

DIRECTOR, Clubhouse

Gene Arend

At the March 3rd Board of Directors meeting, the owners present were polled. A majority of owners agreed with opening the Clubhouse to all Briar Creek residents and guests. The Board then unanimously accepted and agreed. As a result, effective March 31st, the Clubhouse will be fully opened with seating to remain at 50% until October when seating capacity will again be reviewed. All persons in a relationship, or who reside in the same unit, will be permitted to sit together. All others will continue to sit with chairs spaced apart. Current CDC guidelines remain in effect.

Should there be an occurrence of COVID-19, all Clubhouse activities will be suspended for 10 days, based on current guidelines established by the COVID Committee and posted on the Clubhouse bulletin board. If you have any questions, please contact me.

BAZAAR 2021 - JEWELRY

Patty Branch

Hi Briar Creekers! It's that time again. Please save and donate usable jewelry, scarfs, purses and belts to the Bazaar Jewelry Committee: Pat Fontaine, Helen Coar, Mary Houpt, Terry Henry or Beverly Wilson. Thank you, as always, for your thoughtful donations.

FANNY AND FREDDIE FLAMINGO

Here is a tip for anyone looking for a home in Briar Creek. Always make an offer to purchase a home conditional/contingent on a satisfactory home inspection, and the home inspection company, or inspector, should not be one recommended by your real estate agent. Think about it!

WHAT'S GOING ON IN BRIAR CREEK THESE DAYS

BC MART

Dave Doran/Ray Jablonski

Yes, we are open every Wednesday and Saturday from 10 am until noon. There is lots of new stuff so stop in to say "Hi" and poke around for something you may have often wanted. It might just be sitting there waiting for you!

ENTERTAINMENT

Kim Stoltz

Don't forget the **PICNIC!!**

On Saturday, April 10th, there will be entertainment (music) from 1 to 4 pm. Hamburgers, hot dogs, beans, coleslaw and the fixings will be catered. The event is free to Briar Creek I residents. If you are bringing guests, the cost is \$5.00 each. Can't wait to enjoy some sunshine and music!!

TRAVEL CLUB

Gene Arend

We have elected to postpone the trip to EPCOT due to the high cost for a smaller group. Instead, we are looking to combine the EPCOT experience with our trip to Stetson Mansion in mid-November when EPCOT has the Taste of Epcot International Food & Wine Festival. The plan is to visit EPCOT on Day 1, have an overnight stay in a hotel in the Deland, Florida area. Staying in Deland overnight provides more time in the morning on Day 2 to visit the Stetson Mansion, then in the afternoon, a short visit to Disney Springs for lunch and shopping before returning to Briar Creek.

We are planning a visit to Sunken Gardens on May 18th as a carpool event. This will be a self-guided tour to avoid group tours. We will have to submit a request for a date for the self-guided tour due to capacity restrictions at the site. We will select one or more restaurants for a midday lunch. The selection of restaurant will depend on the size of our group. The cost for the self-guided tour in Sunken Gardens is \$9 per person and

Continued on page 14

the date will be determined after we submit the request to the Gardens.

On June 13th, we are going to do the Early Bird Dinner Theatre again since it was enjoyed by so many the last time. Our numbers may be smaller as some Snowbirds may have left by then. It will be repeated in early November when our Snowbirds may have flown South again since our Canadian and Northern friends will have missed the June opportunity. The Theatre has not yet posted the schedule for that time frame. I have reserved 24 spaces in the front row for June 13th so if you are interested, let me know at travel@upcsportshub.com or call me. By mid-May, I will adjust that number.

In the summer, maybe June, we are also looking at a Pizza Nite at the Beach, then a Round of Golf (miniature that is), followed by Ice Cream on the Beach at Sunset. Date and sign up will follow.

All members are encouraged to make a suggestion for trips large and small to any member of the Travel Committee. We understand some trip suggestions may be beyond some travel budgets however we support, and will assist, with small group trips. As always, additional information on our Travel Trips is available on www.upcsportshub.com.

LINE DANCING

Helen Coar

Line dancing is back on the schedule. Come enjoy the music and exercise. Wednesday, 6:30 pm to 7:30 pm. Will have instruction for beginners at 6 pm as needed.

BRIAR CREEK BIRD WALK

Bill Kaempfer

Did you know that over 100 bird species have been identified in Briar Creek and more than 200 at the nearby Possum Branch Preserve. Let's take a Bird Walk and start enjoying our wildlife.

Join me on the second Tuesday of every month for a 60 to 90-minute walk around Briar Creek to see what bird life there is around here. We will meet at the BC 1 Clubhouse at 8:00 a.m. Bring binoculars and good walking shoes. You may contact me at (303) 717-5063 or kaempfer@colorado.edu for more information.

Briar Creek Bugle Phase II – April 2021

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: Pete316@Knology.net)

Board of Directors:

Ron Prevost – President

Spring is here and many of our snowbirds are thinking about the trip to their other homes. We want to wish them safe travels and a happy summer. We look forward to your return in the fall.

After consulting with our management company I find that, as of this writing, the covid-19 restrictions have not been relaxed. We are still requiring social distancing and mask wearing in our clubhouse. Our pool area is still limited to one-half capacity with no visitors or children allowed. Upon notification of any changes you will be notified immediately on the BC Phonetree.

I am glad that so many of our residents have been able to get vaccinated and hope that soon things can return to normal in our community. So far, by being cautious, we have avoided large breakouts. Thank you for your diligence to the CDC guidelines.

Jean Schmidt – Vice President - Secretary/Alterations

As we get closer to our summer season, I think about the friends I will miss. When summer is over, I am hoping COVID restrictions will get lifted so we can resume somewhat normal social activities!

In the meantime, wear your masks, wash hands often, and get vaccinated to help us achieve this goal!

Please remember to submit an outside alteration request for any changes to the outside of your home. Forms are in the clubhouse near the library and office door. My phone number changed a couple months ago. New number is 727 953-7593 to request a form. As summer approaches, I will have fewer Board Members available to sign approvals – so remember to allow time for request to be processed and to receive your approval notice.

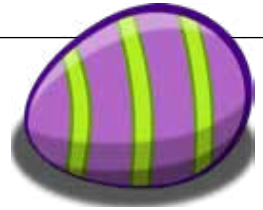

Jim Tashjian – Director

Home Inspections
Round two of home inspections is now complete. Second notice checklists have been delivered along with a return slip. With an extra hour of daylight, now is the perfect time to finish up those last couple of tasks. Once all of the items on your checklist have been completed please return the slip to my rock box at 193 Clubview Drive, or call or text to let me know you have finished. My phone number is at the bottom of the slip.

Thank you, Jim Tashjian

HAPPY HUNTING

Compliance Committee

Bob Raynor

One of the most common challenges for Community Associations is how to effectively enforce association rules when residents repeatedly violate them. To start, it is important that the rules and regulations, as set forth in a community's governing documents, be enforced consistently for each and every member, director, officer and resident. If a Board of Directors is forced to deal with a repeat violator, who is obliged but has no intent of complying with the community's rules, one of the most effective tools an Association Board can use is

provided in Article 718.303 of the Florida Condo Statutes. The statute allows for the Board to impose monetary fines against the violator and/or suspend voting rights as well as access to community amenities such as the clubhouse area, pool, fitness center and RV lot.

Article III, Paragraph L of our Briar Creek II Condo Documents, details how the compliance and fining process works. When residents move here, everyone agrees in writing that they will abide by the association’s rules and restrictions. It is always the association’s goal to first encourage residents to comply with association rules and restrictions out of respect for our neighbors and personal community pride. However, at times, it may be necessary to take more firm steps to address non-compliance. Consequently, your Board of Directors, at its January 2021 Board Meeting, has taken the initiative to establish a resident based “Compliance Committee”.

Working under the direction of the Board and in accordance with both Briar Creek official documents and the State of Florida Article 718 statute, this committee will work with owners and residents to help ensure BCII is the friendly, wonderful and beautifully maintained community in which we live. At the same time the committee will also assist with non-compliance issues to review alleged violations as needed.

For 2021, the newly formed “Compliance Committee” will have five members as follows:

- Bob Raynor, Chairman
- Bonnie Briggs, Member
- Sandy Fassett, Member
- Dick Howd, Member
- Sam Oliverio, Member

Because this is a new committee, initial emphasis will be on member training, compliance with BC2 and Article 718 process requirements, becoming familiar with our board’s existing compliance efforts, and working with Progressive Management to coordinate communications.

As we move forward with this new initiative, we will keep you informed of our progress. In the meantime, everyone is encouraged to review our BC2 documents to help ensure we are following association rules and abiding by established restrictions. Should you need an updated copy of the BC2 documents, contact Progressive Management.

March 2020 to March 2021. A year to remember.

Sheena Lee

A year ago I wrote a small piece about the beginning of “Covid times”. A year later, what has changed? Did we ever imagine it would take the world a year to get as far as we have?

On March 2020, I wrote

We are living in interesting times, aren't we! It seems that, just as in politics, the response to this new virus is very divided. On Wednesday we golfed with a group of people from Tarpon Springs, almost all of whom poooh-pooohed the idea that the coronavirus was something to worry about “just another media hype story”. We kept our mouths shut and thought “oh really”.

I think the Briar Creek community in general may have another opinion. Certainly panic buying of toilet paper is a bizarre reaction but making sure that we have sufficient food and basic supplies in our houses just makes good sense in a very uncertain world.

This morning, after going to the pharmacy to pick up a 90 day supply of the meds that are starting to run low, we went to Publix to buy a few necessities like milk, veggies and fruit, and we have never seen the store so full of people but so empty of products. Several shelves were empty, and the meat cases had only very limited supplies left. Hopefully this picture will change.

I'm sure we are all sorry that it has become necessary to close the clubhouse to group gatherings. A tough decision for the Board to make, but one that makes sense given the apparent easy spread of this virus and the susceptibility of residents, especially those in the older age group. It would be tragic to enjoy a couple of hours of entertainment and a dance etc and risk having the virus spread among us.

But we are fortunate. There is no reason we can't enjoy each other's company, well maybe a meter away from us and with only an elbow bump instead of a warmer greeting. We can sit outside or in a lanai: we can “visit and chat” with each other from the safety of the seats in our golf carts, or just taking a break during a walk. We don't have to worry about it being too cold or snowy to go outside, and we can sit by the pond and watch our neighborhood alligator swimming around. Life will be ok...and good.

So, neighbors, feel free to come and ring our doorbell and have a visit, share a few laughs and bless the day you chose to come and live in Briar Creek.

On March 3rd, 2021, I am writing

Okay, it's a year since we had to “close down” life as we knew it in Briar Creek. How have we done? Did we need to stockpile that much toilet paper? Have we been able to find all the groceries we needed?

It has been a year of ups and downs. We did have a few residents who tested positive and a few who actually had the virus, and are finding the recovery slow. The good news however is

that no-one in the park was lost to the virus.

We have become accustomed to putting on masks before opening the car door to go shopping, sanitizing the groceries before putting them away, talking with friends golf cart to golf cart or from opposite sides of the street. But as time has gone by, we see the golf carts getting closer to each other and small groups of neighbors chatting at the end of the driveway, and we've been able to have small social gatherings at home, and "distanced" meetings at the clubhouse.

We have had the pool open for most of the year (when it hasn't been too cold), and it has not been hard to live with the limit of 10 people in the pool at one time. If someone arrived at the pool when there were already 10 people in the water, what you usually heard was someone in the water saying "I've been here long enough, it's time for me to get out anyway."

The Library has been well used and our three librarians have made sure that all books and puzzles being reshelved were clean and sanitized. People using the exercise room have cleaned the equipment after they used it.

There has been no major shortage of food in the grocery stores, and we see Amazon Prime and Fedex trucks daily (hourly?) looking after our other shopping needs.

On the less positive side, we have sorely missed the opportunity to get to know new residents and invite them over for a glass of wine. We have missed being able to visit with residents in hospital. We have missed seeing family members living elsewhere. We have missed many of our Canadian snowbirds, but appreciated that at least some were able to join us. We have missed the Entertainment events at the park, but we enjoyed the few activities that were organized such as the golf cart parade. Whoever saw a masked golf cart before?

We have done a lot of maintenance work on our homes, sewn a lot of masks in those first months, deep cleaned cupboards and storage areas, done puzzles, watched a lot of TV and DVDs, and discovered shopping on-line for groceries.

Now that so many of us have been able to get the vaccine shots, it is a big relief, although we are not at the end of the tunnel yet. As a vaccinated person you can still carry and pass on the virus, so it we still need to wear masks in public places and maintain distancing. It is not clear when we will be able to resume a "normal" social life with group events in the clubhouse, but there is light at the end of that tunnel.

The bottom line is that though there have been tough times, we've done well and living in a community like Briar Creek has helped us on our journey through the year of Covid.

Thank you friends and neighbors and all Briar Creek residents.

From your Clubhouse Librarians

Billie Ann, Ruth, and Bill

Thank you, thank you to all the BC2 readers who have followed our requests to leave books being returned in the card table room. That has made it so very much easier for us to make sure the library books are as clean and sanitized as possible.

The library continues to be a very well used resource, with many people borrowing both the books and the puzzles on the shelves, as well as being a place for residents to donate books, puzzles and DVDs. Over the last couple of months we have received a large box of DVDs, many of them never even opened and these are located in the cabinet with doors near the hard bound books.

Most recently, we have received another large collection of books by Louis L'Amour, mostly Westerns. By the way "Louis L'Amour is the only novelist in history to receive both The Presidential Medal of Freedom and the Congressional Gold Medal. "

Many thanks to the donors. These items are already on the shelves for you to borrow.

That's the good news. On the less good news side, until the state and county "powers that be" decide that a sufficient number of Floridians are protected from the Covid virus and we are given authorization to resume our normal lives, we will need to continue the current protection practices including sanitizing returned items and limiting the number of people in the library at one time. Surely this will all end soon.

Meanwhile, Happy Reading, Puzzling, and DVD watching.

It Gets Hotter, and Plants Need Water

Jody Larson

From now until the end of May, the dry season is at its peak. April is often the driest month in this part of Florida, with an average of only 3 rainy days. At the same time, the temperature is going up. Lawns and other plants can start to suffer.

Currently, Pinellas County has restrictions that call for lawn watering only twice a week: On Thursday and Sunday for even-numbered addresses, and on Wednesday and Saturday for odd-numbered. Sprinklers should be set and watched so that water doesn't run down the street.

No lawn irrigation is allowed between the hours of 10 a.m. and 4 p.m. when it's hottest. Hand watering can be done at any time, though, if plants need it.

In contrast, by mid-June the rains will be rumbling through daily. They keep on that way until mid-October. Of course, it's Florida, so rain isn't unheard of at any time—in spite of what my weather app says.

Travel Club

Peggy Raynor & Carol Rodrigues

We are pleased to be serving as your Travel Club Co-chairs and look forward to many safe, healthy and fun trips together. We will be working jointly with the Travel Team from Phase I to share ideas, resources and travel plans for both communities. At this time, no dues will be required to join the Travel Club. We welcome all residents from Phase I and II to participate.

Our first goal is to gather information from our community to determine the current interest in travel and gather your thoughts on trips you are interested in taking. Please tear off and complete the short survey below and return to Carol at 187 Clubview Drive or Peggy at 157 Clubview Drive by April 15th.

We are planning a “Spring Back Into Travel” outing at Philippe Park on Friday, April 16th from 11:00 AM - 2:00 PM at Shelter 7. This will give us the opportunity to share the feedback from the surveys and brainstorm other travel ideas. Please bring your own picnic lunch and beverage. There is ample parking next to the shelter, but suggest you carpool if comfortable. Phase I residents are also welcome to attend. Please let Carol or Peggy know if you are coming by Saturday, April 10th.

The Phase I Travel Team has been meeting for a few months and have a number of future trips planned. All residents of Phase II are invited to attend. Please refer to the Travel Club notice in Phase I’s section of the Monthly Media for trip details. Please note two upcoming trips: May 18th - Sunken Gardens, St. Petersburg and June 13th - Early Bird Dinner Theatre, Clearwater. There is also additional information on their website at www.upcsportshub.com

Please contact us with any questions.

Sit & Stitch

Sandy Fassett

We are continuing making shawls for the chemo patients at the cancer center. We would love to get more people involved in this community project. Come down to the clubhouse on Mondays at 1:00 pm with knitting needles or crochet hook. Each shawl takes approximately 12-16 ounces of yarn. If you have any questions, call me at 727-424-6045.

Humane Society & the Haven

Barbara Bergling

Briar Creek residents are the most generous people I have ever met. Thank you all for your donations to the humane society and to the Haven. During this time few people are traveling, but you are still going to the dentist. If you don't use the toothbrush, floss or toothpaste, consider donating them to the Haven. The Humane Society can always use old bath towels, blankets and decorative pillows that you no longer want. As always, you can drop any contributions off inside my screen room. 93 Briarwood Pl.

Thanks again

Barbara Bergling

We have had numerous speed bumps during the year but I want to Thank the many bowlers who will hang in there and finish the year with us on April 13th. "...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
