Tew Westwind Website Goes Live

Westwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a "work in progress" and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the "Contact Us" page and sent to the Webmaster/Website. <u>We especially look forward</u> to making this a community wide website with the addition of the Westwind II events and information.

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

MEET YOUR NEIGHBOUR:

BRENT & VELVET HOWE - #348

Helping friends, travel, tennis and lots of Starbucks dates. Life is good for us!

We were regular Spring Break vacationers in Treasure Island, and 'discovered' Dunedin when we came to visit friends who wintered here. It was clear to both of us that Dunedin was special, and we agreed that it was the place to look for a winter residence as we got closer to retirement. We were introduced to Westwind by Tod and Mimi Huffman who arranged a winter rental through Dan. Life was great in Westwind but we had no intention of buying a place at that time. Naturally, two weeks before we left for home we became Westwind homeowners... We know there are many folks in the park with a similar story! We later moved to a larger coach in the park to give us more room for visiting grandkids. What could be better than that?

1928 Rolls-Royce - Car owned by a gentle old man who just drove it so carefully

Rolls Royce Phantom I 1928

This person had a great start in life. Mr. Allen Swift: Born - 1908 Died - 2010. This man owned and drove the same car for 82 years.

Can you imagine even having the same car for 82 years?

Mr. Allen Swift (Springfield, Massachusetts) received this 1928 Rolls-Royce Piccadilly-P1 Roadster from his father, brand new - as a graduation gift in 1928. He drove it up until his death in 2010... At the age of 102. He was the oldest living owner of a car that was purchased new.

It was donated to a Springfield museum after his death.

It has 1,070,000 miles on it, still runs like a Swiss watch, dead silent at any speed and is in perfect cosmetic condition.

82 years - That's approximately 13,048 miles per year (1087 per month). 1,070,000 that's miles not kilometers.

That's British engineering of a bygone era. I don't think they make them like this anymore. Bob & Dee Fenton

SOAP MAKING 101 - PRESENTED BY BOB ESSERY

THANKS TO BRENDA ROWAN FOR THE PICTURES

he first soap I made was about 30 years ago, It was one of my hobbies I did in my spare time. The soap I made then was with beef fat and I gave most of it away. The women kept coming back saying how good it was on their skin. So it got my interest up again and then I started making it with oils. There is much you can do in making good quality soap. Today, there are so many chemicals in soap that are bad for your skin. I used to like Irish spring soap because of its nice smell. Then I started getting dry skin and a rash, mainly on my legs and inner thighs. Not good! Then I remembered the soap I made up north and it so happened, we had some down here so I started using it again. I had been using it for about a month, and no more rash or dry skin. Wow! I was talking with a few of the ladies in the pool one

day about this soap making, and how good it is for your skin. They convinced me to do a soapmaking class in the clubhouse.

.We did a class on February 23rd with a brief history of soap and how it was made in the past. We made 20 ounces of lard soap The next class we will be making 60 ounces of coconut oil soap with essential oils, which add a lovely scent without harsh chemicals.

We were only allowed 10 people in the class so perhaps when the restrictions are lifted we can do a bigger class in the future.

So cheers, for now,! Stay safe and wash your hands often! Bob Essery

THANKS TO BOBBIE INGLEHART FOR THE FOLLOWING: WESTWIND || ART CLASS

THURSDAYS 10 - 12 in WW II CLUBHOUSE

started classes in January and 5 or 6 very talented and

Interesting people have been doing great art pieces.

Each person can choose the subject that they want to sketch and paint.

When they paint an art piece, they learn 7 or 8 important factors. They learn very fast and then they are happy and excited with what they have accomplished.

This class is for beginners, intermediate and advanced. No one is criticized. We praise you and help you when you ask. We have fun, laugh and interesting conversation.

We wear a mask - 6 feet apart - it's healthy to be with others. This class is free and I donate my time to help each one.

COME JOIN US!

Bobbie Inglehart

THANKS TO SALLY DANIELS FOR THE FOLLOWING:

RECENTLY ADDED TRIM COLORS

t the January 12th meeting of the Westward ll Board of Directors' meeting, the board approved a revision to the accepted colors for TRIM of the mobile home units. The new colors reflect lighter, more "Florida-like" colors and are **in addition to the already approved colors.**

Residents can see the new colors on a chart at the office and acceptable colors will be "similar to" the ones on the chart.

Residents must still fill-out a "Request for Modification - Alterations - Additions" form AND get approval from the Architectural Committee BEFORE painting outside with the new colors.

Thanks to **Pat Snyder, Don Rowan and Sally Daniels** for working on the committee that proposed the new colors.

HEART GRABBER

THANKS TO RENEE HERRMANN FOR THE FOLLOWING: NEED WASHING

little girl had been shopping with her Mom in Wal-Mart. She must have been 6 years old, this beautiful red haired, freckle faced image of innocence.

It was pouring outside. The kind of rain that gushes over the top of rain gutters, so much in a hurry to hit the earth it has no time to flow down the spout. We all stood there, under the awning, just inside the door of the Wal-Mart....

We waited, some patiently, others irritated because nature messed up their hurried day.

I am always mesmerized by rainfall. I got lost in the sound and sight of the heavens washing away the dirt and dust of the world. Memories of running, splashing so carefree as a child came pouring in as a welcome reprieve from the worries of my day.

Her little voice was so sweet as it broke the hypnotic trance we were all caught in, 'Mom let's run through the rain,' She said.

'What?' Mom asked.

'Let's run through the rain!' She repeated.

'No, honey. We'll wait until it slows down a bit,' Mom replied.

This young child waited a minute and repeated: 'Mom, let's run through the rain..'

'We'll get soaked if we do,' Mom said.

'No, we won't, Mom. That's not what you said this morning,' the young girl said as she tugged at her Mom's arm.

'This morning? When did I say we could run through the rain and not get wet?'

'Don't you remember? When you were talking to Daddy about his cancer, you said, ' If God can get us through this, He can get us through anything! ' '

The entire crowd stopped dead silent. I swear you couldn't hear anything but the rain. We all stood silently. No one left. Mom paused and thought for a moment about what she would say.

Now some would laugh it off and scold her for being silly. Some might even ignore what was said. But this was a moment of affirmation in a young child's life. A time when innocent trust can be nurtured so that it will bloom into faith.

'Honey, you are absolutely right. Let's run through the rain. If GOD let's us get wet, well maybe we just need washing,' Mom said.

Then off they ran. We all stood watching, smiling and laughing as they darted past the cars and yes, through the puddles. They got soaked.

They were followed by a few who screamed and laughed like children all the way to their cars. And yes, I did. I ran. I got wet. I needed washing.

Circumstances or people can take away your material possessions, they can take away your money, and they can take away your health. But no one can ever take away your precious memories... So, don't forget to make time and take the opportunities to make memories every day.

To everything there is a season and a time to every purpose under heaven.

I HOPE YOU STILL TAKE THE TIME TO RUN THROUGH THE RAIN.

They say it takes a minute to find a special person, an hour to appreciate them, a day to love them, but then an entire life to forget them.

Renee Herrmann

BOWLING

B owling is going to start on Thursday Oct. 8th at 12 o'clock. I was not sure when or if we would be able to bowl. I know most members have not returned to Westwind yet so we will accept any new members. The bowling alley is making up teams so we can get started. Any one interested should just come to the bowling and we will get them on a team. We would also like to hear from the members as to when they plan to get back and if there are going to bowl. They can also call me at 727-409-1973. (Neil Lloyd)

If you can send this message out it would be appreciated .

Thank you Neil Lloyd

KITCHEN CUPBOARDS

CHS CHS

ane Merucci, Elaine Blank and I have been working on cleaning and organizing the kitchen cupboards. We are getting close to completing the task. As we finish an area, we have used masking tape to indicate what is currently in the cupboards/drawers. When the job is complete we will have cupboard contents listed on the inside of the doors. Thank you to those of you who have given your input. We are working to make the kitchen clean and efficiently organized so it will be easier for everyone to find what they need to use and to be able to put it back in its place. Hopefully, before long we will once again enjoy activities in the clubhouse. Pat Snyder

"WILL WORK FOR BEER"

omeone in WW ll asked if we could try to bring back our old"Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name -"Will Work for Beer." If you have a SMALL job that needs to be done and

would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to W W ll residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

SOCIAL CLUB NEWS

SOCIAL CLUB PRESIDENT'S LETTER

Here i everyone! We are happy to see more of our residents venturing back to their Westwind homes. Activities are slowly coming back. Coffee and donuts will be back in April on the first and third Tuesday of the month. Anyone who would like to host, please sign up in the clubhouse.

Bobbie is painting on Thursdays.

We had a sip and paint with *Barbara* and are scheduling another one in March. We had a soap making class with *Bo*b. Very interesting and fun. All activities have been limited to 8 or 10 people so we can social distance.

The windfall sale in the clubhouse has been a great success do to the hard work of *Barbara Henson* who has listed and sold through Facebook as well as *Pat Snyder* and the other volunteers who have sorted and priced items for sale. We are grateful for the money it has brought into the social club. We have a couple of activities in the planning stages for March and April. Please check the blackboard and the *Westwind II social club* page on Facebook.

Also *THANK YOU* to all the people in the park who helped their neighbors with getting covid vaccine!

Stay safe everyone! shorejane54@gmail.com

'Never swallow your chewing gum'.

I've finally told my suitcases there will be no holiday this year.

Now I'm dealing with the emotional baggage...

I have a pencil that used to be owned by William Shakespeare.

But he chewed it a lot. Now I can't tell if it's 2B or not 2B. Did some financial planning and it looks like I can retire at 62 and live comfortably for eleven minutes.
