# Women Working Wonders (WWW)

Cheryl Dorfman

**A**pril has our seasonal residents preparing for the return north and our full timers settling in for the warmer summer months ahead and hopefully for all, a return to some sense of normal life as the COVID crisis begins to wane. We hope everyone has had their immunizations or has plans to get them soon. Our thanks are extended to many of our residents who used their expertise to assist residents having difficulty in accessing the vaccination system to get their immunizations. In some cases, they even drove residents in need to the sites.

Summer finds many of our WWW members heading north as well, so we worry about the shut-ins we leave behind. Only half of our members are full time but are willing to help fill the summer void. Just a reminder to all residents who are full time: if you know of a neighbor or anyone who is alone and may be in need of assistance, reach out to them and offer a helping hand or refer them to one of our members who may be able to help. Feel free to contact Chairperson Cheryl Dorfman with any referrals (number is in the directory). There are many community resources available to assist with home chores, transportation and meals:

**Neighborly Care Network - 727-573-9444** - provides both transportation services and home delivery of meals

**Pinellas Opportunity Council - 727-823-4101** - has a Chore Services program to help with household and yard cleaning. They also provide home energy assistance for the elderly.

This spring we have made creative Easter “baskets” (Mason jars actually!) which will be distributed to those on our WWW list in time for the holiday. We hope they lift spirits and act as a sign of spring. We also distributed Valentine remembrances in February. We want to thank the many people who have given us positive feedback on the items we pass out, sent notes or called to offer thanks and also those who have made donations to our WWW cause - we are most appreciative of your support. In an otherwise dim year, we hope we have brightened days for some of our most deserving residents. In the cold months we were able to distribute about a dozen lovely afghans to several residents who were homebound and feeling the chill of winter. These were lovingly handcrafted by a resident who wishes to remain anonymous, and we are so appreciative of these lovely items which people loved.

Our last meeting for the season will be held in early April and we will be seeking member volunteers to chair our 2021-22 events, including the annual 90th Birthday Party after the first of the year. Meantime, we wish everyone an enjoyable and HEALTHY summer season. Stay safe! We look forward to seeing everyone return for a “normal” Fairway season next autumn!

## National Garden Month

Throughout the year there are national days to celebrate everything from Fool's Day (April 1) to Bugs Bunny Day (April 30). In honor of Earth Day (April 22), an annual holiday, people all over the world get together to help support the environmental issues by the planting of vegetation, cleaning the oceans, and recycling.

April is also National Garden Month. In Fairway Village, we have numerous garden plots throughout the community that make up our beautiful landscape. Flowers and plants include everything from Alyssum to Zinnias. Gail Carr and her group of volunteers spend a lot of time and hard work during the year to maintain the gardens and pots for everyone to enjoy.

## Garden Volunteers

Ed Watzel

**W** *e need summer volunteers!*

The Fairway Village garden volunteers maintain the gardens at the pools, as well as, tending to all of the gardens and flower pots around the park. Our current winter volunteers are Gail Carr, Bill Davignon, Trish Tallant and Fritz Weinrich. Fritz and Bill will be heading up north soon. We are working with our manager, Anthony, to coordinate our efforts. However, we need your help in keeping our gardens beautiful during the summer.

If you are interested in volunteering; please call Gail Carr – 532-9790 or Ed Watzel – 524-2988. We would like to thank the maintenance men for their help and to all the residents for their compliments; it is greatly appreciated.

## The Welcome Mat

**I**n the last year our country has seen a lot of changes; Fairway Village is no exception. As the weather is now encouraging us to take a walk, sink a few putts, or swim some laps; we are noticing quite a few new faces.

Let us give our new neighbors a warm welcome to the community.

**Susan and Richard Bragg**, #726, are full time residents and are originally from the Northeast region. The last twelve years they have been traveling full time in their RV. They both come from Sales and Marketing backgrounds. The family includes two wonderful sons and three beautiful grandchildren. Dick's hobbies are hiking and golf; while Sue enjoys water aerobics, line dancing and art. They are looking forward to meeting everyone and making new lasting friendships.

**Michael Pernini**, #221, is a full time resident and is from Rhode Island. Before retirement he was a Radiation Safety Officer (Thielsch Engineering). He has three sons and five grandchildren. Hobbies include fishing and hunting.

**Bill and Debbe Jones**, #123, even though they are only part time residents, this third generation Fairway Village couple have enjoyed this community since honeymooning here in 1981. While not indulging in their hobbies of golf and traveling; you often see Bill out walking their dog Max. During the rest of the year, they are at home in Ohio. Family includes a daughter. Bill is retired from GE – Aircraft Engines and Debbe's resume includes Environmental Lab Tech, Quality Control, Customer Service, and Manager.

**Wisconsin State Flag** – Originally designed in 1866; the flag went through various designs from depicting the state seal to the thirteen stars at the bottom. In 1979,

Wisconsin and 1848 were added to distinguish it from other blue US state flags. The plow, pick and shovel, arm and hammer, and anchor represents agriculture, mining, manufacturing and navigation. Famous people from Wisconsin include Orson Welles, Spencer Tracy, and Gary Haag.

## Architectural Review Committee

The ARC Policies and Procedures Manual defines and outlines the guidelines for all exterior changes to homes, as well as, for replacing homes. This manual is available from the office or may be downloaded from the FVRA website (Fairway Info; Home Buyers information, ARC revised P and P). Before you begin your project please obtain a Home replacement or Modification Request form from the FVRA office or download it (page 12, Exhibit D, in the manual) and return the completed form to the FVRA office. The ARC, which meets most Mondays in the Clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home.

**Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.**

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system.
