## How to pay your monthly maintenance fees

Golden Gate residents use many different methods to pay their monthly maintenance fees

1. Write a monthly check INCLUDING LOT#, place in the mail, or deliver to the office before the 1st of each month to avoid late charges.
2. Write one check to cover two, three, six or twelve months – mail or deliver to the office.
3. Pay with twelve separate checks. Checks postdated to be applied monthly relying on the Office Manager to correctly apply your monthly checks.
4. Pay in cash or money orders – monthly or annually.

Cash payments are discouraged as the homeowners' association incurs a bank charge. The bank charges approximately \$10 for large cash deposits. Seems outrageous but they must call for a pickup to deposit extra cash in the federal reserve bank and remove it from their premises.

### BEST OPTION TO PAY YOUR MONTHLY MAINTENANCE FEE

- Use Bill Pay at your bank (most banks offer this service at no charge and saves postage)
- If you have a computer you can do it yourself or go to your bank, they will assist you.
- Sign on to your account
- Go to Bill pay
- Set up recurring payments
- Put in Golden Gate Residents
- Address 8201 40th St No, Pinellas Park, FL 33781
- Account No. – Your address/lot number
- Date to mail on the 25th to 28th of the month to ensure payment received by GG by the 1st of the month to avoid late charges. Checks are never deposited by GG before the 5th of the month.
- Recurring 12 payments
- Remember to change amount annually if necessary, according to approved budget.
- If you need help, your bank will help you or one of the directors will guide through the process

## Safety & Security

There are always burglaries to unlocked vehicles. Remember to lock your vehicles so you won't become a victim.

**Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.**

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system. ## Articles for the Newsletter

---

Any article submitted to the Golden Gate Newsletter should have the author identified. If you have a computer with an email connection, articles may be emailed to [ggmedia@tampabay.rr.com](mailto:ggmedia@tampabay.rr.com), *preferably by the Monday before the third Tuesday of the month. The Board of Directors' Meeting is the third Tuesday of the month* and the agreement with the publisher gives us up to the day after the meeting to deliver copy to be published. If you don't have a computer you may continue to deliver a double-spaced paper copy, again, preferably by the Monday before the third Tuesday of the month.

## Parking Request

---

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules!  
**NO PARKING ON SIDEWALKS.** Your maintenance fees pay for all repairs. Please use common sense and do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to "zig-zag" to get by. This causes obstructions and creates a dangerous situation for cars, golf carts and bicycles trying to proceed by the vehicles.
