## Social Committee Tidbits

Mary Gilmore

Our county, Pinellas County, has become one of the leaders in getting its residents vaccinated in an efficient, organized, and timely manner. Perhaps the newest site, only about ten minutes away from Boca Ciega, is at 1197 East Bay and is reached by taking a right on Highland Avenue leading you directly into a parking lot of a former college building where the vaccinations are being given. I would say that most all of our residents who are 65 years old or older have received either two shots and are done or have received the first shot and have an appointment to receive the final shot. Starting March 15th, residents who are 60 years old and older, began the appointment process.

Many residents have thanked Susan Pranger for her help in getting them their appointments. Susan has helped more than forty residents so far. If you do have a computer, the recommended

Neighbors are helping neighbors by giving them rides to their appointments when needed. We are all in this together. Thank you again Susan for your help, time and patience. It was much appreciated.

As I have said throughout the season, residents are getting projects done both inside their homes and outside their homes. Our men, who have worked on cleaning out the ditch and trimming or cutting down diseased queen palms, are still on those jobs and have also tackled some new projects. They have become so efficient that on a given day the team can split up and tackle two or more jobs at once.

Our clubhouse and the cement walkways surrounding the clubhouse have been power washed. Remember the black mold on the cement by the bicycle racks and in front of the clubhouse? That's gone. Even the sheds and the car stoppers got a power wash. Our white fence on the west side got washed on both sides. Everything looks nice and clean. Thanks go out to Rob Bocchinfuso and Don Boccinfuso for a job well done.

Another job completed, was to freshen the entrance to our park. Our men took off the numbers and letters on each side of the entrance, prepped the cinder blocks, covered the lights, and then pressure washed the entrance. Later, after all was dry, the two sides were spray painted. Afterwards, the numbers and letters were replaced. At the same time, the brick edging around the garden at our entrance was also refreshed with a new coat of paint. Our entrance looks welcoming. Thanks go out to Ron Martin, Rick Martin, Doug Sutton, Joe Brodzinski, Rex Pranger, Darby Boyd, Keith Brogan and Bob Martin for their work.

For many days, you would see different piles of brush out by the roadway near the beginning of Michigan. Our men kept working their way down toward our clubhouse cleaning up the space between our property and Deerfield's. Thanks go to Rob Bocchinfuso, Dale Lenss, Greg Huettig, Pete Spangler, and Doug Sutton for their hard work.

As I said back in September, Scott from JSS Construction had promised to bring in four loads of dirt to continue to fill in the ditch. He was successful in finding dirt in Florida and brought two loads at the end of February. He encountered some wet ground and found himself and his bobcat stuck in the mud when he was trying to spread out the two loads of dirt in Nick and Michelle's backyard on Michigan. Bob Bulmer took pictures of all of the action and the huge vehicle that came through our park to give assistance. Later, in March, Scott came back and emptied two more loads of dirt which added to the half load of dirt still on the ground from the first drop off and there it all sits on the grass between #12 and #11.

Saint Patrick's Day is coming and our rock angel has again surprised us with a beautifully painted miniature masterpiece. We all are trying to guess who this mystery person is. Our park is relatively small, but still no one has been seen leaving these treasures at our homes. You would think someone has seen something, but no. I think I agree with Shirley, I don't want to know. Angels are all around us.

It's hard to believe, but our season at Boca Ciega is coming to an end for some of our residents. Easter Sunday is earlier this year on April 4th and some residents want to be home for Easter. Other residents have decided that after the Board meeting will be a better time for them to leave. Still others say that mud season is starting and they would rather be in Florida. Remember that summer in Florida can be rough. I'm not talking about hurricanes and tropical storms, we know that they are bad. I'm talking about the no name storms that blow in here sometimes. We all have to remember to bring all of our lawn furniture, our lawn ornaments and our beautiful pots inside. If you have awnings on your home, put them down to protect your windows. Make sure that all the wing nuts needed to secure the awnings are present and none are missing. We are blessed with a good crew of men during our season, but in the summer you all are gone. So all of us must prepare our property before we leave Boca Ciega.

I wish our residents here and our residents who were not able to be here this season a blessed Easter. May God bless us all.

## Fill The Ditch Project

*Bob Bulmer*

In an effort to finalize the "Fill The Ditch" project, Boca hired a contractor to assist. In their effort to smooth loads of earth, the contractor brought in a small Bobcat.

Photo #1 is the Bobcat mired "Axle Deep" in dirt, required help.

Photo #2 is the rescuer, to the rescue. The trucker "Winched" out the Bobcat.

# The Real McCoy, a Social Event

Mary Gilmore

**B**oca Ciega residents are thanking Susan Pranger and Rita Sutton for their first outdoor social event of the season, The Lucky Duck Races and Barbecue. The weather was perfect, not too hot, not too chilly and not too windy. The two hundred ducks positioned around the pool, were in fine spirits and ready to go, but they had to wait for their sponsors to enjoy their barbecue of delicious hot dogs and hamburgers, potato chips and chocolate chip cookies enjoyed with a beverage of the sponsor's choice.

The grillers were Dennis Eby and Doug Sutton. The name checker and money taker was Liz Martin. The servers were Rita Sutton, Rex Pranger, Susan Pranger, Ingrid Eby, and Rita's granddaughters, Kylie and Emily. We enjoyed our barbecue luncheon sitting around the pool, on the sidelines of the shuffleboard courts and at tables wherever grass could be found. A shade tent was put up for the festivities.

The 200 ducks were getting restless. Their older cousins, big blue, big yellow, and big pink and the matriarch of the family super big yellow changed their positions from being in the pool at the deep end to coming on deck to root for their cousins.

The wave makers each working a hose, were Doug Sutton and his son-in-law, Trevor Fry. The cannon ball jumpers, Kylie and Emily, were ready to encourage the 200 entrants to move from the deep end of the pool to the shallow end where a silver hoop

floating at the far end was their destination.

These 200 entrants were sponsored by residents of the park who bought their ducks from Rita and Susan in advance as they were riding around the park daily on their duck mobiles. There would be ten heats. All 200 ducks participated in the first heat. The first five ducks to swim into the silver hoop would be snatched up out of the water quickly by either Kylie or Emily or their mom, Stephanie and their numbers were recorded on the big chart by Rex Pranger who listened intently for the numbers shouted out by Rita. Ingrid would then look at her chart and called out the winning sponsors. Dennis also was there to call out sponsors. Susan stayed in the water the whole

time making sure no duck succumbed. Those first five ducks would then sit on the edge of the pool watching their cousins continue to race. All 200 ducks were gathered in a pearly white basket and thrown into the pool. Hoses came on, cannonballs dropped and the race was on. Strays were gotten away from the edges of the pool by the hose workers. As the ducks got closer and closer to the floating silver hoop, this was the point where the spotters were so important. Snatching the first five ducks out of the winners circle. What a race. This was repeated nine more times with the excitement

of the sponsors growing. The 10 heats were completed and the 50 winners were on the side of the pool drying and fluffing their feathers. The 150 losers were exhausted. Some were upside down completely worn out. It would have to be another year, maybe next year, for them to mature, develop their muscles and try out again. Maybe, just maybe, next year would be better. All sponsors of the 50 winning ducks got their \$5 back. These 50 ducks were gathered into the pearly white basket and the race was on. Hoses fired up, cannonballs dropped and the sponsors called out their support. The spotters had to be

keen eyed and had to call out in order of getting into the silver hoop the winners, 1st, 2nd, 3rd, 4th, and 5th. Those winners were shouted out by Rita to Rex who recorded on the big chart. Ingrid and Dennis shouted out the

winning sponsors. First round done. The 45 ducks still anxious to show their stuff got into the pearly white basket. The second final was about to begin. Hoses fired up, cannonballs dropped and the sponsors shouted out their support. The 6th, 7th, 8th, 9th and 10th winning duck swam into the silver hoop and the race was over. What an afternoon of excitement and fellowship. The sponsors of

all 40 ducks who lost won \$2 more to add on to their \$5 winnings. What a pay day. The biggest winners chose not to be announced for tax reasons. This is what happens when I have no social event all year to write about.

## THE FIRST ANNUAL DUCK RACE!!!

*Bob Bulmer*

---

**B**oca Ciega Social Committee scores a winner again. Even in the midst of the Covid Pandemic, a great social event took place.

Well, many of us think it could be an annual event. Two ladies formed a subgroup of our Social Committee and through some powerful work pulled off the event.

Going around knocking on every residents doors twice, posting notices throughout the complex, as well as pedalling around on their well decorated bicycles, the ladies pulled it off. Approximately 70 spectators showed up for the mid-week event.

Beginning with a Boca Ciega luncheon: hamburger or hot dog with trimmings.

Over 200 numbered, multi colored ducks, made it into the swimming pool for 12 heat races across the pool. Winners were selected from each heat. Finally, actual winners were found and their individual sponsors won monetary awards. (Actual almost all spectators won awards.)

A great fun event for all present. That's why many feel it could be worked into future social committee events.

THANKS TEAM !!!!!

## WELCOME NEW OWNERS

*Ingrid Eby*

---

**I**t is always an exciting time to welcome new owners into the park. New people means different ideas and more people to participate in our events. Every time another unit is occupied, it makes our park better. We look forward to having these two new couples in our Boca Ciega Family and getting to know them.

Tricia and Paul Novak are from Ancaster, Ontario and own number 31. They have three other couples in the park they have known for years, so they fit right in. They have five children and six grand-children, all boys. Both are retired as most of us are and they are ready for retirement life in Florida. Their hobbies and interests include golf, pickle ball, painting, crafts and mahjong. They are anxious to get involved in the park and help with maintenance and activities.

Jim Wiencken and Shyla Horsley are from Terre Haute, Indiana and now own number 20. Jim has been in the park for many years visiting Joann Taylor. They have five children between them. They are hoping to be down in Boca as much as possible, but Shyla is still working as a Respiratory Therapist. Jim is a retired Quality Control Supervisor from Pfizer. We are all well aware of that company now a days.

Their hobbies and interests include fishing, disc golf, hiking, camping, music and sports. They are counting down the time until Shyla can retire and they can spend more time at Boca Ciega.

We are very happy to welcome these new folks into our Boca Ciega Family.

**Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.**

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. # Remembering Gene Turner

Mary Gilmore

**B**oca Ciega is a special place to live. Gene and Fran were all year rounders who came to Florida from Ohio. They would take a trip home in the summer to see and connect again with old friends. Both Fran and Gene were quite active in our park. They were good friends with Betty and Dick Jacoby. So it was natural when Dick, a teacher and musician, started the Men's Choir of Boca Ciega, Gene was one of the members and that choir made good music. Betty and Fran and other ladies in the park worked for a few years on fashion shows at our hall featuring clothing from Bealls.

Besides the Men's Choir, Boca Ciega would have a talent show directed by Dick. Dick did this for maybe three years. Sometimes Gene and Fran would work together and sometimes Gene would work alone. Gene was a fantastic storyteller. He reminded me of Andy Griffith. He was a country boy through and through. His stories would go on for awhile and you would take it all in, sometimes laughing so hard you would cry.

Our men work hard no matter what year you are talking about. Gene was part of the crew that helped make the entrance island garden basically what it looks like today. Linc, Butch, Mike (Michelle's father), Lyle, ( sorry can't remember the fellows name), Ken and Gene worked hard on that project.

All year rounders are special folk who look after the park when you all leave. Gene was a good neighbor. Last summer, when some of us thought that Bill Lawrence's railing at his side entrance was broken by vandals, Gene investigated and found that the screws holding the railing to the side walkway were completely rusted out. He went to the hardware store, bought some galvanized screws and you won't believe it, but it's true, put in close to a hundred new screws. That railing is going nowhere now.

Gene will be missed. He was a good soul, a country boy through and through
