Manager's Corner

Submitted by Cary O'Connor, CMCA, AMS

The Real Estate market continues to be very busy.

There are only 2 homes listed, and we are getting interest from residents wanting to place a new home on a vacant lot. There have been very few rentals this season due to the pandemic. Although the clubhouse is open, most every event has been cancelled. Please remember that the pool/spa, and pool deck is for resident use only. No family or guests who do not reside in the park are permitted. The pandemic restrictions have not been lifted and this guideline must be followed. Thanks to all for your continuing cooperation.

Please remember:

1. You can only park the number of vehicles that will fit on the carport. It is your responsibility to find a parking place.
2. Do not Park in any neighbor's driveway without written permission of the neighbor.
3. No Parking golf cart on the lawn.
4. Do not parking in front of neighbor's driveway. It makes it difficult to enter exit driveway.
5. Exterior Alterations need to be approved at the office before any work is started.

Please let the office or Maggie know of any phone number changes, we are trying to update the 2021 – 2022 Phone Directory, and need to know if there are any phone number changes. Maggie email: sunsetpalms3401@gmail.com, or Office emails: admin@sunsetpalms.org or manager@sunsetpalms.org

Trash Collection Days: Trash collection is on Tuesdays and Fridays. Recycling is on Wednesdays. Remember to call the City of Pinellas Park to schedule any oversize trash pick-up: (727) 369-0690 or email: utilitybilling@pinellas-park.com

- Waste Management will not pick-up furniture, old carpet, TV's, or building supplies.
- Recycling & Household Electronics & Chemical Collections is located at 2855 109th Ave N, St. Pete, FL 33716. No charge to drop off electronics, TV's, old paint, etc.
- Pinellas County Solid Waste is located at 3095 114th Ave. S, St Pete, FL 3371. Cost is \$10, cash. Drop off all building supplies, old windows, you name it!

WEEDS/CONDITION OF MOBILE: If you do not make arrangements with someone and the weeds become an issue, or the mobile needs to be cleaned, etc., you will receive a letter asking you to correct the violation. If the work does not get done, the resident will be charged a service fee of \$25.00 per hour with a one (1) hour minimum for each time work needs to be done. It

is only fair for the residents maintaining their homes & lawns on a year-round basis. Thanks for your cooperation.

Landscapers are on property Wednesdays and Thursdays. Since Wednesday is RECYCLE day, we ask that you put your recycling on your carport and not on the lawn.

Whenever you, your guests, or contractors need to park out on the street, please follow Community Rules; **No parking on the sidewalks.** Please do not park near or on corners or close to intersections. We would encourage parking on the same side of the street to avoid traffic having to “zig-zag” to get by, or be completely obstructed.

SERIOUSLY SLOW DOWN! & STOP AT ALL STOP SIGNS! The speed limit in Sunset Palms is ten (10) M.P.H. for all vehicles. Please also remember for Bicycles, and Golf Carts to turn your lights on early morning and evenings.

CAR REGISTRATION: Resident’s vehicles must be registered at the Park Office and display a decal indicating the vehicle is approved to be in the community. Please come to the Office to pick up your sticker if you have not already done so.

Safety Tips:

- **Call the police immediately** if you witness any suspicious activity at all! Be prepared to give as many details as possible. The Pinellas Park Police non-emergency phone number is **727-369-7864**. Call 911 (in dire emergencies.)
- Keep outside lights during hours of darkness, every night.
- Lock your cars. Don’t leave anything in your vehicle that you don’t want to lose. Never hide a spare set of keys anywhere in your vehicle.
- Keep your outdoor shed locked at all times.

President's Corner

Submitted by Bob Lohrman

Hello from the Board of Directors, Hard to believe another year has gone by. Election and annual meeting are over. Congratulations to Bob, Tina and Dominic, elected for a 3-year term. There is no change in the Officers elected. Bob for President, Grant for Vice President, Tina for Secretary, and Gary for Treasurer. I look forward to working with the Board for another great this year.

Thanks to Cary and Maggie for running the zoom meeting. This was something new but it worked out well. I am sure there will be more in the future. Also, I would like to thank Dot Thomas, President of Resource Management and all the volunteers for running the election. Great Job, Thank You.

As I write this article the crew is cameraing the storm sewer lines and will follow up for the re-lining them. Once this is completed we will start bids for asphaltting the streets, this will be a major project.

At the March meeting, we will appoint committees for the coming year. Volunteer sign-up sheet will be posted on the bulletin board. Due to pandemic, you can contact the chairman if you wish to volunteer.

To our friends up North, stay safe and well. Hopefully things will get better soon. Our thoughts and prayers go out to our sick and shut-ins and those who have lost loved ones.

Be Safe
Bob

Lift Station Monthly Reminder – Important

Submitted from the Office

F **FLUSH ONLY:** Body waste and toilet paper. It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

Person of Interest

Submitted by Phyllis Calandra and Lynda Schoonover

“Creativity is intelligence having fun.” There is no better introduction to this month’s Person of Interest, Maggie Stokes

Maggie has been a permanent resident of Sunset Palms for nine years. Hailing from the Chicago, Illinois area, Maggie is an accountant by trade, and has had quite the successful career. But before we go into her lives journey, let us start at the beginning.

Many years ago, Maggie’s parents moved to the beautiful state of Florida. Finishing college, Maggie’s career started in Illinois, but rapidly ventured out to other parts of the country. While there was a short stint in Atlanta, Georgia, the District of Columbia was where

Maggie’s career came to life.

With a degree in Accounting, Maggie continued her career until retirement age. Working for a litany of organizations, Maggie’s career circled around Rocket Scientists, including Astronauts, Medical facilities, Bell Telephone Company, and Commercial Real Estate, just to name a few. The degree of difficulty in maintaining debits and credits, thus managing the accounting and financing arm of these organizations is a feat in and of itself. I say this, as, not only do regulations change on an annual basis, rather there is a dependency on that person who watches where the dollar flows. And I feel I must add this final statement, on a personal note, my days of accounting courses mandated two days per week of tutoring, along with one day of classroom training. So, with absolute respect, this is a career to be proud of, its demands are extreme, and are consistently in need of self-development.

In my opening, there is a quote that signifies my personal observation of Maggie. Now retired, Maggie is most creative. “I have lots of hobbies, being retired, it’s nice to have time, to not set an alarm clock” said Maggie, and as we spoke I understood her meaning. Creativity beyond my imagination, Maggie does woodworking, needlepoint, quilting and creates children’s toys and puzzles. But wait, how about Maggie manufacturing her own furniture. It was at that point that I felt like an under-achiever, I can’t imagine the degree of difficulty, but to Maggie, it’s all in a day’s work.

I would be remiss not to mention that Maggie is the generator of our Website. I have visited this site on multiple occasions, and would urge each person to log in and take a peek at its beautification as well as its informational sources.

Moving on to our discussion regarding the Park, we spoke of the changes that have occurred over the past years. Maggie explained that the Park has had its ups and downs, but today, it is up. Maggie further states that the Park is nicely maintained.

Keeping on this topic, we spoke of changes that might be beneficial to the Park. While Maggie may be unaffected, she spoke of the possibility of a “pet policy.” With each owner taking responsibility for their pets, perhaps this is matter that can be discussed in the future. Conversely, what Maggie does not feel would be beneficial is a gate at the entrance of the Park.

We spoke of Maggie’s most memorable moment. Clearly, there is not one specific moment, however graduating with an Accounting Degree is not only memorable, but rather comes with, in my humble opinion, prestige. Let’s not forget, in that moment of time, women were built to become secretaries, Maggie certainly was not the “norm.”

We concluded our interview with just what would be in Maggie’s bucket list. “Just to be able to complete these projects, to see them finished.” With multiple works in progress, Maggie has become quite the artisan, and is enjoying every single moment given to her creations.

I so enjoyed this interview, while meeting Maggie for the first time. With her charming giggle, from accountant to inventor, it was my pleasure to spend time with you.

The Mystery Person

Submitted by Lynda Schoonover and John Swisher

Who is this mystery person? Answer is coming in next month's article. If you would like to guess who it is, please email at scheferl@aol.com if you know who this mystery person is. Let's see how many will get the right answer?

Answer to last Month's Mystery Couple

Submitted by John Swisher and Lynda Schoonover

Last month's Mystery couple are basically local folks. His family moved to Pinellas County when he was 5 years old. They have lived in Sunset Palms for 4 years full time. They find this is a great place to live.

He still works and has been at the same job for 42 years and is a Quality Control Manager for an Electronics Firm. At one time she worked at the same firm as he and that is how they met. She also worked as a patient Register for Diagnostics.

They have been married for 28 beautiful years. They have 4 children, 3 sons and 1 daughter, 11 grandchildren and 17 Great-grandchildren.

They are Kevin and Ruth Osborne! You will see them cruising the park in their golf cart, the one with the Florida Gators on the side!

They both enjoy the activities at the club house, especially the breakfast each month. They enjoy going to the pool as well.

Since they have been here they both say the park hasn't changed much but the new people seem younger! Kevin, do you think maybe your just getting older?

Being avid campers they would like to see a fire pit back at the Lake. They would also like to see the cars slow down in the park. Most of us would like to see that as well.

A memorable time for both of them was when they got married.

Their bucket lists include a trip to Niagara Falls and a trip to the Grand Canyon. We hope that you both are able to do this as they are fantastic to see.

Thank you Kevin and Ruth for inviting us into your home.

From Your Travel Committee

submitted by Kim Paquette

After a year filled with cancelled flights, quick exits, panic and quarantine we are finally smiling again. As vaccines are injected and spring is upon us, it is a great time to reset our intentions. We are filled with hope that soon we can hug our snowbird family again. We are reminded about our craving for exploration. Your travel committee has received a huge variety of requests. These range from half day trips locally to longer durations in the South Pacific and everything in between.

The annual Travel meeting during March typically sets the travel agenda for the following year. Since we are not in the clubhouse this year, instead of circulating a paper survey, I will send an electronic survey through the webmaster. You may also reach out directly to me with any questions. Contact details are below.

In 2018 we received requests for spring and fall group trips that would begin at the destination point so everyone could fly from their home location to a starting point. We implemented this with the Alaska trip 2019. COVID forced both our 21-22 Italy trip and River Cruise plans to be put on hold, however moving forward we are looking at 2022 and 2023 travel and have something for everyone.

The 2022 Panama Canal cruise has been cancelled and replaced with 2 others. Celebrity has guaranteed our great price on a sailing to the Dutch ABC islands of Aruba, Bonaire and Curacao. We also have secured amazing rates for the French Polynesian Islands around Tahiti and Bora Bora with Paul Gauguin. The PG ship has a maximum of 332 guests and a staff ratio 1.5 to every guest. Pricing was secured 2 years in advance, so we have guaranteed rates far below current quotes. All Sunset Palms trips are escorted by a travel committee member and most often our photographer...Danielle Rockett.

If you are an "Outlander" miniseries fan, we have paired up with another community to offer Scotland in October 2022. This will be a 2-week tour with the first 6 days totally customized to include filming sights and hotel stay locations. The Rhine and Moselle Castles River Cruise will be offered May 2023.

By pairing with other communities to bring numbers up, we can offer Nashville again. Many residents were disappointed when this trip was previously cancelled. Detail will be available shortly.

We are always prepared to arrange any excursion you desire. Bear in mind, the bus is our key expense for short trips. Although carpooling is cost effective, it is essential to have full participation. There are many advantages to boarding a bus at the clubhouse, even if cost is slightly higher. Complete details are available as well as payment information. Many have opted to make fully refundable monthly installments, so the trip is prepaid by due date.

We look forward to updating you on available excursions. All Sunset Palms trips are open to family and friends. Everyone receives the special pricing/perks negotiated.

Travel Committee formation History

Going back several years the social committee started doing one or two small bus trips that were primarily put together by an outside company. We had no say and no room for adjustment. Time passes quickly but somewhere around 2012-2014, I began working with the same companies but customizing to our resident needs. This involved much research and planning before turning it over to the tour company. In addition to added costs due to modifications they were also implementing my ideas into their future tours. I wanted to keep costs down but could not bypass the middleman without becoming a licensed travel planner, thus the formation of our own Travel Committee began in 2015. I have not looked back. The intense studying and exam were worth every smile. Today we have a committee working together to better our community. We are truly a Blessed neighborhood.
