April is here and we are looking forward to the spring. In the March meeting we covered some of the issues that have come up concerning our park. We talked about sub-letting your home and the rules and regulations involved with the sub-let, we addressed the issue of “ room rentals “ within your home and the requirements involved, and we talked about the responsibility of the resident with regard to their guests’ behavior while visiting in our park. We addressed the water increase and the increase in the base rent. The question was raised about returning all patio furniture to the pool area; response, we are still under a CDC outside distance guidelines. The next HOA meeting will be in October; the board will continue to be available to address any issues you may have. I would like to announce my resignation from the HOA board, my health has impaired my ability to provide 100% attention and energy to the needs and concerns of this community. I can no longer provide the caliber of representation all of you should have. It is time and what is optimal for the community for me to step down.

Annette Watts, President, Lot 504, 843-457-9599

Iwould like to thank all the people who helped with the pancake breakfast this year. Without you all we could never have pulled it off. Thanks to Kathy Brady for running the kitchen. A big thank you to all the kitchen workers. A giant thank you to all the volunteers who ran the food to the tables, set up, and cleaned up afterwards. Liz & Dave thank you for selling tickets for the season. And most of all thanks to all the folks who came to eat and supported us! Hopefully next year we can resume all activities and get back to business! To all the people going home for the summer, drive safely and we will see you in the fall!

We may try to do some movie nights this summer. If anyone has any ideas please let me know!

OAKCREST ACORN CARPORT SALE

Saturday April 10th from 8 AM to 2 PM

It's about time we got rid of some of the "stuff" we have accumulated and a carport sale is the best way to do that. So take a look around your home and see what you want to sell to get some extra cash and to declutter.

As they say "one person's junk is another person's treasure"

Please be sure to buy your balloon in the Clubhouse Friday April 9th from 3 to 5. The balloon should be attached to your mailbox so that prospective buyers will see it.

Balloons are \$4 and all buyers will be eligible for the Lucky Draw.

You can pick up your table (one per household) at the same time in the Clubhouse.

Hazel Regan

The only true wealth is health.

HOW OLD ARE YOU?

We never heard of FM radios, tape decks, CD's, electric typewriters, yogurt, or guys wearing earrings. We listened to Big Bands, Bing Crosby, Jack Benny and the President's speeches on our radio.

The term 'making out' referred to how you did on your school exam. Pizza Hut, McDonald's and instant coffee were unheard of. We had 5 and 10 cent stores where you could actually buy things for 5 and 10 cents.

Ice cream cones, phone calls, rides on a streetcar, and an RC Cola were all a nickel. And if you did not want to splurge, you could spend your nickel on enough stamps to mail a letter and two postcards.

...continued on page 8

You could buy a new Ford or Chevy for around \$1000. But who could afford one? Too bad because gas was 29 cents per gallon.

In my day, “grass” was mowed, “coke” was a cold drink, “pot” was something your mother cooked in and “rock music” was your grandmother’s lullaby. “Aids were helpers in a hospital,” chip” meant a piece of wood, hardware was found in a hardware store and “software” wasn’t even a word.

We were the last generation to believe that a lady needed a husband to have a baby. We volunteered to protect our country.

No wonder people call us “old and confused” and say there is a generation gap.

THE EASTER BUNNY

What Does A Bunny Have to Do with Easter?

In short, bunnies really have nothing to do with the Biblical account of Easter, directly at least. Rabbits don’t lay eggs. Tracing the origins of the egg element to solely the bunny or Christian roots of Easter, poses a bit more of a challenge, considering that ovum may have a place in both.

Despite the centuries-old association between this holyday and the big eared animal that’s come to serve as its chef symbol, few ever pause to ponder what connection a rabbit might have with the religious holiday. Perhaps it’s a human tendency to not ask too many questions about the one providing free chocolate.

While Christians have long held Easter Sunday sacred as the day of resurrection, people in 13th century Germany also had a celebration around the same time of the year in honor of the pagan goddess of spring and fertility. When it came time to find a symbol for this mythical figure, rabbits hopped to mind. As Germany gradually became Christianized in the 15th century, former pagans didn’t do away with their former holiday entirely, but instead incorporated its symbols, like the bunny rabbit into their new faith.

Eggs may also have been an early symbol in Christianity as well, given eggs easy metaphor for rebirth. Easter eggs are said to represent Jesus emergence from the tomb, though their appearance around this time of year may also be associated with the end of lent, during which eating eggs was forbidden. By the 17th century, the pagan and Christian origins of both rabbits and eggs around easter had meshed into a single tradition with the appearance of stories of easter

bunnies hiding colorful eggs n gardens for children to delightfully discover. Giving kids love of all things, candy, it wasn't long before chocolate found its way into the modern form of the long-evolved holyday. 18th century German settlers in Pennsylvania brought the easier bunny to the New World, thought wasn't until after the civil war that the tradition of bunnies on Easter spread throughout the United States.

In the 1950s the Easter bunny truly became a cultural fixture, like Santa Clause, with the release of the Steve Nelson and Jack Rollins song "Peter Cottontail" which topped the pop charts and later served as the inspiration for children's books, cartoons, and comics.

Today, the Easter Bunny is more popular than ever, even though its origins are largely overlooked. But then again, who has time to ask such questions when there's free chocolate just lying around for the taking.

HAPPY EASTER.

Student arrested for bringing stolen gun to school.

WINTER HAVEN, FL. Police arrested DeShawn Lee Williams, 18, after they say he brought a loaded handgun to school in his backpack. According to police, a teacher at Winter Haven High School smelled marijuana on Williams and sent an email to the administration. The school's assistant principal went to the classroom and asked to search Williams backpack. Williams refused and actively resisted, which caused the assistant principal to contact the school resource officer who responded the classroom, got control of Williams and school officials searched his backpack where they found a loaded gun. Further investigation revealed that the gun was stolen from Polk County. Public Safety Director Charlie Bird said "This could very well have prevented something. Much more serious from occurring on campus or off, I applaud the teacher for acting on a suspicion."

Hospital Employee stealing from COVID-19 Patient.

HAINES CITY FL. Police arrested Yolanda Curtis-Delis, 46, a certified nursing assistant, after they say she stole \$920 from a COVID-19 patient's wallet at Advent Health hear of Florida. According to police, Cutis-Delis was working in an area of the hospital restricted for CIVD-19 patients, the patient placed his wallet in a bedside table draw when Curtis-Delis insisted that he go to the bathroom to "freshen up" while she "refreshed" the room. When the patient exited the bathroom, he noticed the table where his wallet had been placed was turned in a different direction and the draw opened. The patient, a former law enforcement officer, opened his wallet to find that \$920 had been taken. While investigating, police learned that Curtis-Delis had an active warrant out of Osceola County for dealing in stolen property and providing false information to a pawn broker. Chief Jim Zelensky said "Curtis-delis does not represent the fine people working in the healthcare industry who have taken tremendous risk and worked tirelessly to care for patients during this global pandemic, her egregious actions are unconscionable. I am grateful for the hospital administration who were incredibly transparent, helpful and worked closely with us throughout the course of this investigation.

FACTS OF THE MONTH

BY REGGIE 'K'

Penny Marshall, Laverne from “Laverne and Shirley” was also a pioneer in the world of directing, in 1988, she became the first female director to have a film reach the \$100 million mark at the box office. That film was “Big” starring Tom Hanks.

Bugs bunny is the beloved rabbit from Warner Bros. Looney Tunes. He first came to life back in 1938. However, Bugs Bunny was not original name, when he first debuted, Bugs was known as Happy Rabbit.

Each king in the deck of playing cards represents a great king from history; Spades – King David, Clubs – Alexander the Great, Hearts – Charlemagne, Diamonds – Julius Caesar.

If a statue of a person in the park on a horse has both front legs in the air, that person died in battle. If the horse has one front leg in the air, that person died as a result of wounds received in battle. If the horse has all four legs on the ground, that person died of natural causes.

Warner Brothers cancelled “Home Alone” because they didn’t want to spend \$14 million on it. 21st Century Fox continued the production, and the film grossed \$476 million worldwide.

The first roller coaster was used to transport coal down a hill. After people found that it could reach speeds up to 50 miles per hour, tourists asked to ride on it for a few cents.

It took the creator of the Rubik’s Cube, Erno Rubik, one month to solve the cube after he created it; as of June 2008 the world record is 4.22 seconds.

Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system. Get a cardiology referral: MortonPlantHeart.org

Ingredients.

2 tbsp. sugar, 2 tea bags, 1 cup fresh raspberries, ice cubes.

Directions.

Bring 3 ½ cups of water and sugar to a boil, remove from heat and add the tea bags, cover and brew for 5 minutes. Meanwhile, place the Raspberries in a blender and blend until smooth, strain the raspberries puree through a fine mesh sieve into a large bowl, add the tea to the bowl and stir to combine. Add more sugar if needed to taste. Add the ice cubes to a large pitcher, pour in the rasp berry tea and stir well. Pour the tea into a tall glass and enjoy.

JOKES

A man being mugged by two thugs put up a tremendous fight, finally the thugs subdued him and took his wallet. Upon finding only two dollars in the wallet, the surprised thug asked, “Why did you put up such a fight?” To which the man promptly replied, “I was afraid that you would find the \$200 hidden in my shoe.”

My three year old , jack, was all excited to visit his grandma and grandpa n Florida, especially since it meant taking his first trip on an airplane. We had just boarded and got buckled in when jack looked around the plane and frowned. “What is it?” I asked, wondering if he was nervous. He then asked me, a bit worried, “Are ALL these people going to grandma’s house too?”

A couple had been married for 45 years and had raised a brood of 11 children and were blessed with 22 grandchildren. When asked the secret for staying together all that time, the wife replied, “Many years ago, we made a promise to each other....the first one to pack up and leave has to take all the kids.”

It was April and “Tax Day was looming when an elderly woman showed up at my desk at the IRS. She said she required a thick stack of tax forms. “Why so many?” I asked. “My son is overseas and asked me to pick up forms for the soldiers on the base.” She said. I told her. “That she shouldn’t have to do that, it’s the base commander’s job to make sure that his troops have access to the forms they need.” “I know,” she said, “I’m the base commanders mother.”
