Ranchero Village CO-OP March Newsletter

Bob Flanagan, President

WOW, April is here already and now many of our residents are preparing for or are heading north for the summer months. Of course several northerners were not able to be with us this winter because of the covid threat but hopefully that will turn around for next fall as we get this virus under control. Hopefully any resident that wanted a covid vaccine has gotten it by now and maybe we are on our way to some type of normal.

I want to personally thank all of the residents for your support of the past and into the future for the village. We will continue to serve all the residents of Ranchero Village and keep moving forward to keep this a great place to live. We have a lot of projects for the park this year so we all will be busy.

Finally I am able to report that the Tree removal project we started back in 2017 has been completed as of February this year. Thanks to all of the residents who reported hazardous / dangerous trees to the office the past few years and helped us locate those trees that were damaging your homes or a safety hazard to people in general. There will be no more mass tree removals in the future. I'm sure there will be an occasional tree that needs attention in the future but they can be dealt with as needed. Thanks again for all your help.

We welcome all the new homeowners to the park and the board thanks you all for being a great part of the Ranchero family.

Let's all keep moving forward as a team and keep Ranchero the beautiful place it is. Thank you all for all you do and please remember when I say "There are no strangers in Ranchero Village, Only friends you haven't met yet"

With Pride, Bob

Bulletin Boards

Charlie Gilmette

Bulletin boards are in every clubhouse for the use of the residents.

Guidelines for use of Bulletin Boards:

1. Boards are for the use of Park Residents only.
2. File cards are not to exceed 3x5 (other sizes will be removed.)
3. Name, date and phone number must be included.
4. Renewal date is every three months with a new card.
5. No outside services or vendors are permitted.

Note: Notices will be removed if guidelines are not met.

SAC is back.

We will be having a meeting on Friday, April 9th at 10am in the Lakes club house. This meeting will cover new members and go over ideas on how we plan to proceed in the future.

Any one is welcome but unless you are on the agenda, no comments may be presented. Thank you.

We hope that many activities will be eased into our future plans as the pandemic seems to be on the ebb. Thanks to all of our wonderful residence for their patience and understanding.

Regards,

David Neumore.

BINGO

It is hard to believe that it has been more than a year since Bingo and other activities in Rancho Village have been shut down due to the Covid pandemic. At that time, I certainly didn't think we would be waiting this long to open up the doors again. As I am writing this, we have not been given the go ahead to restart Bingo. With the vaccination program now in place and as more of us are getting our shots, I am hoping that we will be able to start Bingo in the next few months. Rest assured that when we can start playing again, it will be under safe conditions for everyone. In the meantime, please stay safe and get your vaccination when able to do so!

Exercise

Please join Pat Devine every Monday, Wednesday, and Friday at the Coral for Exercise from 8:15am to 9:00am. All you need is a mat, rope, and hand weights. Check the calendar for the days and what is needed to bring with you.

Newsletter Deadline

Gail Marquis gmarquis11@rocketmail.com.

The deadline for the changes/articles/news is the 10th of every month for the following month. It must be sent to me by email typed/PDF form so that I can forward it to the newsletter media. NO EXCEPTIONS! PLEASE! Thank you for being prompt and considerate in this matter.

Dart Baseball

The Dart Baseball League season is winding down. We have four weeks left to play. At this point in the season the leading batters for the women are Hazel Koreen (242 avg.), and Barbara Simpson (137 avg.). For the men it is Dino Sundon (252 avg.) and Bob Zenkum (195 avg.). Leading Homerun hitters are Ann Marchetti who has 3 for the women and Bob Zenkum who has 3 for the men. We play Dart Baseball every Friday at 1:00 pm at the Hacienda Club House. Contact Joe Salkaus for information at 1-508-479-2270. We are always looking for new players. It is alot of FUN!!

MESSAGE FROM THE MANAGER

The management and staff of Ranchoero would like to wish everyone a Happy Easter. The office will be closed April 2nd in observance of Good Friday. There will be no trash picked up that day. Please note that our schedule is not the same as the City of Largo or Pinellas County. We do not go by their schedule.

In case of a community related emergency, please call 727-346-4819.

If you see something, say something

If you see someone who doesn't belong here please call the Largo non-emergency police at 727-587-6730. Call the police as soon as you see something happening, do not wait until the next day to call the office. Be aware of your surroundings.

If you see a mess in the restrooms or clubhouses, let the office know and we will have it cleaned up.

If there is anything else out of place in the park, let the office know. There are some gates that belong to the City of Largo or Pinellas County. If they leave them open when they are finished working here, please call the office right away and we will contact them and/or take care of it.

MUSCOVY DUCKS

These ducks are a nuisance. If you have them around your home do not feed them. Remove all food of any kind outside; cat food, dog food, or birdseed.

Once the food supply is gone, they will move on. Check your roof. Remove any nesting areas you find. Throw away nests and eggs. Trim your bushes and shrubs around your home to make them less inviting. If they continue to return to the same spot even after you destroy the nest, place chicken wire over the area. Use a broom or water hose to scare them off. These birds leave a mess wherever they go. We are working with Capt. Mike who is a licensed trapper.

*******ALL TRASH AND RECYCLING WILL NOT BE PICKED UP IF IT IS MORE THAN 1 FOOT FROM THE ROAD. *******

DOG WALKING

All dog walkers be sure to walk your pet **only in the dog section** and **only on the side of the street designated as dog section**. Many streets are designated “dog section” on one side of the street, but the other side is not in the dog section. Keep your neighbors happy and obey the pet rules. And, of course, don’t forget the ‘Litter” bag. There is a leash law in Pinellas County please do not let your dog run loose. We have had reports of coyote sightings. They will go after dogs and cats.

SEWERS DON’T LIKE GREASE – We definitely want to keep our sewer flowing properly. Never pour grease down the sink. A few simple measures can make a huge difference in your plumbing. Pour excess grease and oil into a disposable container and wipe out the greasy pan with a paper towel before washing. **Sewers and sinks** can be kept flowing and in good condition by the addition of enzymes available at nearby home improvement stores or hardware stores. Enzymes poured down the sink periodically will help to break down the grease and gunk that build up in the plumbing. They act as a natural detergent. Only a couple ounces a month will do the job.

Spring and fall, when the trees have high root activity, are the best times to treat the sewer with Copper Sulfate Pentahydrate crystals. It can be poured into the sewer cleanout at your home or flushed down the toilet. (This kills off the roots and growth that get into the sewer line.

A little prevention now is well worth the cost and effort.

RANCHERO PHONE DIRECTORY

Check the yellow Rancho phone directory and if you haven’t already made sure that you have provided the office with your correct phone number for the next issue, please do so soon. We are finishing the changes to the current draft and need your assistance to assure all the information is correct. Call the office or drop a note in the drop box by the front door if you have corrections or additions. If you are away and reading this, you can email Darlene in the office at rancherovillageadmin@tampabay.rr.com with any changes or additions. Thanks for your help.

DOOR TO DOOR SALES

Call the Largo Police Department (587-6730) immediately and please notify the community office if you have a solicitor come to your door. Even if you think you can just send them away with no harm, please remember they will be preying on your neighbors. Be a good neighbor and help to get rid of these predators. If a solicitor tells you they have received permission from the office to be in the park, do not believe it. Management NEVER gives permission for solicitation.

BACKGROUND CHECKS FOR RENTERS AND RESIDENTS

Both long term and short term occupants of a home, whether a renter, an owner, or an additional occupant are required to have a background check run. Anyone staying in Rancho Village as more than a guest of 15 days up to twice a year is required to have a background check. This rule applies to everyone. No running, jumping or diving into the pool.

HOT TUB USE is for adults only.

No one under 18. **Food and drink are not allowed in the pool/hot tub.** The hot tub is only meant for short sessions, no longer than 15 minutes. The use of alcohol combined with the relaxing heat of the hot tub can be a dangerous combination. A person can easily slip under the water unnoticed and tragedy can strike quickly. Never swim alone, use the buddy system for safety.

Also, for the health and well being of everyone, please do not go in the Hot Tub or Pools if you have wounds or open sores.

STOP – at all the stop signs. Whether you are in a vehicle, bicycle, golfcart, or anything else, please stop at the stop signs and make sure it is clear and safe to proceed.

DRIVEWAYS – When backing out of your driveway, please stop and look before entering the street. There have been several ‘close calls’ with residents backing out and not looking.

Obey all street signs. Many people are running stop signs and going out the “in”.

Belcher Road Exit

Do not make left turns onto Belcher Road or cross there. If you cause an accident while doing so you will receive a ticket for driving into oncoming traffic. This has been verified with a Largo Police officer. We have had several near misses lately. We want our residents to be safe.

Landscaping and Mowing

If you have any problems with the landscaping or mowing, please contact the Rancho Village office and not the mowing crew. The office will contact their managers and get the situation resolved as quickly as possible.

GLASS BOTTLES – PLEASE REMEMBER that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken, you have the potential of people getting cut. If glass is broken in the pool, it can be quite expensive to clean out.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. DEPARTURE TIME

It is that time of year already when our friends and neighbors begin to pack up and head north again. It comes so quickly! Please take a moment in the midst of your packing to fill out a CHECK OUT FORM. These are so important. They help to direct your Rancho mail and provide the office with other crucial information. Before you leave, please walk around your home and look to see if the exterior may need a quick clean due to algae growth and remove or secure any loose items in your carports and around your home. Remove all containers and pots that hold water, standing water is a breeding ground for mosquitos. Remember weeds are still growing in Florida. Please have someone lined up to weed your planning beds.

Drop the form off in the office or in the drop box outside the front door. Thank you.

Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.

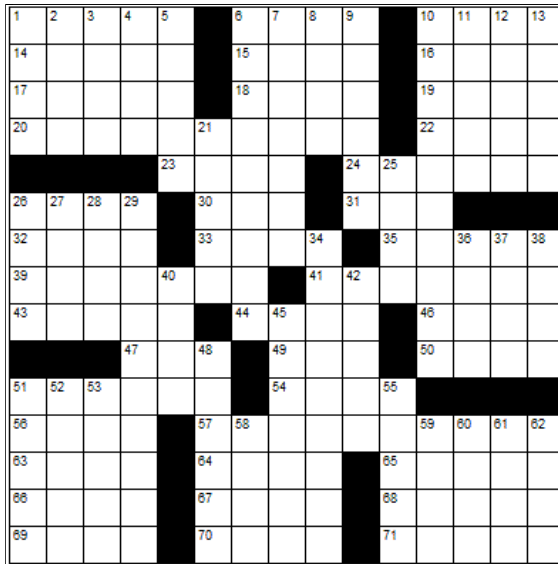

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions.
