HOME MAINTENANCE

We would like to give a shout out to all of the residents who have been keeping your homes maintained and looking fabulous. We appreciate you maintaining the beauty and charm of Sugar Creek. In the month of April we will be looking at homes that need outside storage and carports cleaned out.

SUPPORT DOGS

We are asking residents that have support dogs to walk them only in the pet section in consideration of your neighbors who bought in the non-pet section. **DO NOT** let your pet do his/her business on other residents' lawns. We really appreciate your cooperation in this matter.

WATERING LAWNS

When watering your lawns please remember to water only before 10 AM and after 4 PM. No watering between those hours. Even house numbers may water Thursday and/or Sunday, Odd house numbers may water Wednesday and /or Saturday.

OUTDOOR GATHERINGS

We have had complaints about street parties and loud music. Pinellas county does have a noise ordinance, however, in our park Rules and Regulations, it states "No excessive noise is permitted and to play your radio and TV's softly at all times." With this in mind, Now that the clubhouse and pool has re-opened, we ask that you reserve it for these kind of events.

LEAVING

It is that time of year when many of you leave the community for the summer months. Here are some action items to remember before leaving:

- Please place items inside that can be blown around. Some storms come with high winds.
- It is very important that you notify the office when you are leaving and check to make sure we have your correct phone number and address where you can be reached while you are away.
- When leaving and returning if you would like us to turn your water off and on please contact the office and we will be glad to do this for you.
- Please remember to give us the name of the person who will be doing your trimming while you are gone.
- If you have given permission for someone to park their vehicle in your driveway please leave a note at the office.

YOU MUST PUT IN A CHANGE OF ADDRESS TO THE POST OFFICE AND OATS ENERGY SO YOU WILL RECEIVE ALL CORRESPONDENCE FROM SUGAR CREEK AND RECEIVE YOUR WATER BILL.

SUGAR CREEK LIBRARY

Hi everyone,

Our new and improved Sugar Creek library is up and running. More shelves mean more reading material for all to enjoy. We would like to thank Marilyn Lemon for assisting us with the filing of all the books and maintenance. We appreciate all her help. Please don't leave magazines or other publications as there is not enough space to accommodate them. When you return books, please put them in the bin provided. Happy reading!

Jerry and Marie

Pinellas County commissioners require all persons wear a face covering while in any indoor public place countywide.

The emergency order will remain in effect as long as the local state of emergency is active or is rescinded by a separate vote by the commission.

There will be an HOA meeting the last Monday in April, that is the 26th at 7:00 pm in the clubhouse. The main subject matter for the meeting will be election of officers. I know this is late for elections but as you know covid-19 has everything fouled up. I hope we will have a good turn-out for this meeting, even with social distancing. Please remember to bring a mask for inside of the clubhouse.

Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
