From the Editor

April is here and the signs of spring are all over the neighborhood. Although it has been a very different winter season than we are used to, I have noticed that we seem to be loosening up some in the way we interact with one another. That is certainly welcomed and hopefully points to further help from ELS in getting back to normal or at least some semblance of what we enjoyed in the past.

This month I received several welcomed submissions from residents and I urge you to enjoy them and consider what you might like to see in the media. I thank all who have made submissions and hope it is a harbinger of things to come in the future.

I am still looking for someone to step up and become the editor of the media and give this old guy a break. I would gladly assist anyone until they feel comfortable with the position.

HOA DUES FOR 2021

HAPPY NEW YEAR! Things are starting to open (a little) here in Eldorado Village, and we look forward to the day when we can have larger gatherings. Homeowners Association Dues are \$10 per household each year. This is a friendly reminder and instructions on how to pay for **2021**. You may write a check (or cash if comfortable) and put in the personal int of Sharon Laney #47 (Treasurer) or Dorisanne Gibson #187 (President). ***A receipt will be issued by Sharon and put in your personal home mailbox. If you have a question, give a quick call to whoever you gave your money to.***

Thank you for your cooperation during this unusual time!

NEW Rules and Regulations (Village Rules - Effective 12.01.2020)

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations.

6. SETUP: NEW or REALES

6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

H.O.A. NEWS

Article 9:

Because of the pandemic we are not currently having HOA general membership meetings. As a result, there are things that we would normally be talking about that are being left unsaid and we wanted to share them with you:

1. Wish list for EV park improvements:

Every year in March/April, the HOA submits to ELS(*) a “wish list”. The list includes projects around the park that we would like to see accomplished. Our wish list submitted in 2020 included paving of the area in front of the laundry. As many of you have seen, that project was completed on February 12, 2021.

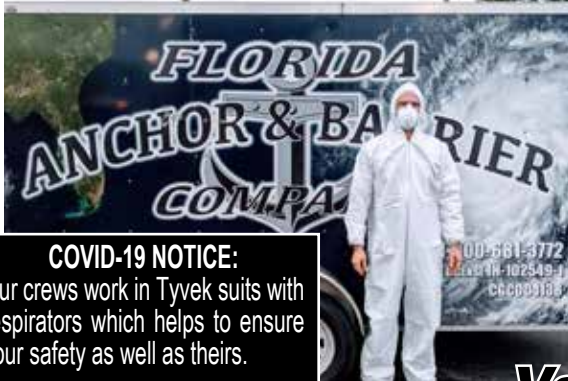

The idea for that paving came from one single person on the HOA board, was added to the wish list last April and agreed to by ELS. Some of the things that ELS does around the park

stem from ideas submitted to them by the HOA. People often get the impression that it is ELS that thinks these things up, but that is not always the case. There are several projects on the 2021 wish list still to be finished, but we have a whole year to get them done.

What we need to think about now is the **wish list for 2022**. **The HOA will have to submit this list to management by April of this year and we need your input.** What do you see around the park that needs attention? Please let anyone on the HOA board know your ideas and remember just one person can make a difference.

2. FYI – the COMPLETED improvement of “automatic lights” in the clubhouse restrooms was a suggestion by an individual on the HOA board. SEE – your suggestions are needed and heard.

HISTORY – The “wish list” (Capital Improvements budget) is an ongoing responsibility of the HOA, and without the general meetings we wanted to reach out to the owners and renters to ask for your suggestions for improvements you may see for our park facilities.

As I see ELDORADO VILLAGE from MY YELLOW BIKE

by Pam Spilbeler

APRIL – A BREATH OF FRESH AIR

APRIL has always been my favorite time of year. It always seems like a **breath of fresh air**. What is meant by breath of fresh air? Refreshingly new, different, and pleasing... Pleasantly different from what you are used to...

I see “a breath of fresh air” everywhere in Eldorado Village in 2021 compared to 2020. **I looked back to April 2020 and read the article I wrote which was about me feeling grateful.**

“I must admit I never stopped and considered how grateful I am for our world and the simple pleasures of our daily lives. The other day I walked door to door in our Eldorado Village delivering notices from our landlord/property management ELS regarding the Coronavirus Disease (COVID-19) and suspending clubhouse activities and limiting gatherings to 10 people only for the next 30 days. While walking the 8,316 steps I thought of the Coronavirus and how it is currently affecting not only our little Eldorado neighborhood but the entire world. We take so much for granted every day of our lives. Simple things like having a clubhouse dance or even having a small party in our house are now placing us in jeopardy for our individual health and world health. I am more aware and more grateful for all the worldwide health professionals, scientists, medical & public health, and human services who are giving up their evenings and family time to track and unfold and find a cure for this horrible virus. When you look at things this way, suspending clubhouse activities is not such a big deal.”

For me personally, **2021 is STILL a YEAR for feeling grateful – but it also is about A**

BREATH OF FRESH AIR. While walking or riding my bike, I see new faces to say Hello to. I see moving trucks, delivery trucks, I see people painting, power washing, decorating, and landscaping their homes. The folks I see appear to be both new and/or familiar faces. I see such beauty and fresh air in our community.

This beauty might appear off our Friendship Dock as in the photo Kathryn Kraus captured below.

I have seen beauty on Lot 62
in Sandy & Tim's Orchid Tree
blooming.

I have seen beauty on Lot 45 in my new
neighbor's blooming Cactus.

As OUR ELDORADO COMMUNITY CONTINUES TO RECOVER FROM COVID RESTRICTIONS, please do not forget to stop, take a BREATH OF FRESH AIR, SEE THE BEAUTY AND ALWAYS BE GRATEFUL as everything we know, and love can change in a truly short period of time.

Submitted by one of our Residents, but there are many more who feel the same way.

One of my favorite parts about living in Eldorado Village is getting to see and know the neighbors who are pet lovers. Nothing brings a smile to your face more than spending time with a friendly pup. But, here comes the BUT, nothing is worse than stepping in dog poop and tracking it into your home. I am trying to fix up my home and the new plants require watering every few days. Now I know I need to do it in sunlight and look before I step in it or drag my hose in it.

I simply ask that you please pick up after your dog. Thank you and stay safe and healthy in 2021.

A New suggestion and I love it

The following was submitted by Randell Burton, one of our longtime residents and I think it is a great idea. I hope that others send in their submissions for all of us to enjoy. And, if you have an idea for something you would like to see, please share it with us.

I am privy to your secrets--all of you! I am talking about the secret artists who write poetry on the sly. Stop hiding your work and share it with the world! We will now feature one poem with every new edition of our media magazine. Please email: richwham@aol.com with your poem, and he will let you know when it will be printed. More than one poem by the same author is fine, and if you are a little shy, you can always ask that your work be anonymous. Please don't send anything too long, and if you want to introduce your poem, write the introduction to Mr. Hambley so he can print it above your work. So let's get going and get some poems sent in! You can write new ones, too! Let us make the master (Shakespeare) himself proud!!!

PS--And you can write any way you choose--freestyle, limerick, sonnet, haiku and etc...

A Difference to One

Woe to the starfish lying on the beach
The blue salt water they are unable to reach

They gasp and they cry in a world almost lost
They must get to the water at any cost

A boy comes along and sees their distress
He takes the action that seems only best

He throws the poor creatures into the sea
Singly they go, one, two and three

But there are so many, he cannot save all
But he throws and he throws, heeding their call

A man approaches and said don't waste your time,
You cannot save all, though your intentions are kind

The boy looks up, with his face in the sun
and says, "It is not wasted, if I can save one."

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS.

Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Bank served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

2020-2021 Shuffle Season

Please be advised that the President of the Friendly League shuffle club has decided to postpone the upcoming shuffle season. A decision on future play will be made in January 2021.

If you are interested in playing for the Eldorado shuffle team, please message me with your name, phone number and email address and I will keep you updated on any future decisions.

Thank you.

Ernie- Captain EV shuffle team

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts.

PHONE DIRECTORY

Dick Hambley

Please write any corrections or additions to the Eldorado Village Phone Directory. Submit to Dick Hambley Lot #51 email richwham@aol.com.

If you are a returning snowbird or a new resident, please contact me if you would like to have a copy of the 2020 directory.

COME VISIT THE LIBRARY -- SIT A SPELL!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.

Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system. Get a cardiology referral: MortonPlantHeart.org

HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy!

Thank you.

Linda Stayer

Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This

continued on page 36

system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S
There is nothing they can do, to help you.

CLUBHOUSE COMARADERIE

Editor's Note:

Listed below are activities that normally take place, however, due to the current restrictions we are unable to have them. Hopefully as things open up our activities will return to normal. We look forward to that day.

Weekly:

1. Tuesday night is BINGO! Come on out and enjoy an evening with your friends and neighbors!
2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Bingo Hours

Tuesday evenings:

Start selling at 5:00p.m.

Stop selling at 6:15p.m.

Start playing by 6:30p.m.

We will be following the guidelines set down by ELS for the good of everyone, so please plan on observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks.

We would appreciate it if you would not bring \$20-dollar bills as they are hard to make change.

Bingo is over by 8:45p.m.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

Hello, Mr. Hambley!!!

I am writing you because I have another idea for the media mag! It is called, "See Ya at the Drive-In!" and will be a blog about a favorite movie or show we all enjoyed in our lifetime. It can be an old film, new one, a TV movie or TV show, a cable show or even a reality one. We all love the movies or a good show on cable or regular TV--no one can deny it! The writer can tell us why they enjoyed a certain film/show and what it meant to them. And they should not give away any red flags about their choice in case others decide to see it. I can do the first one, if you want, to give an idea of what the blog should entail. And if this takes off, people are more than welcome to submit more than one--but it MUST be one AT A TIME so others can get theirs read also. Here is how we can introduce it:

SEE YA AT THE DRIVE-IN!!!

We all have a movie or show dear to heart that we enjoy over and over again. Something

that may have had a huge impact on our life or may have shaped us as children. Or maybe just something that we love for no specific reason. We want to know about it so please submit a small blog about your favorite film or show (it can be cable, TV, or anything) and share it with the rest of us. RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

SPEED LIMIT IN ELDORADO
