### TMHA MESSAGE

*Submitted by Ben Cortez, TMHA President*

Greetings Teakwood. For your information, there have been a rash of electric bicycles being stolen on the East side. The people that had the bicycles stolen had them secured with cables and/or chains. Unfortunately, these electric bicycles are a hot commodity and if at all possible, should be locked in the shed or in the house. One of the residents did some investigating and got her bike back. I asked Guy Schrek if anything similar was happening on the West and he stated it's been quiet with no reports of any thefts. The people doing these crimes have no regard for the senior citizens or for the fact that for some it's the only way they can get out.

In our teleconference with Mr. Houle, he informed us that he would be having a fence installed on the North side of the mailboxes. We have had many complaints about residents parking in the street to get their mail which has caused near accidents. There is plenty of parking spots in the lot for people while they are getting their mail so it's unfortunate that all these modifications have to be installed for the safety of all the residents. Since the painting of the Aloha Clubhouse the suggestion box was taken down and not re-installed. I talked to Lori and I was told that she would have the maintenance team make a new one and re-install it. Stay well.

## FROM THE MAIN OFFICE

*Submitted by Lori Fliger*

It's April and time for Mr. Cottontail to make his rounds. I just want him to help me with complaints. I can handle the letters and follow ups, but how about the reporting.

You see, I hear a lot of second-hand complaints and rumors, but don't actually get the eyewitness report. I understand that giving your name and telephone number seems like the person violating the Rules and Regulations would be able to get it. Teakwood Village Management does not give out complainant names so if they find out it generally is because they start asking around and you flinch giving it away that you reported. The reports must be made to the MAIN OFFICE on Commerce Drive. You can fill out a report form that you get from the Sales Office, but they cannot do anything with just a verbal complaint that you won't put your name to, so I respectfully request that you stop making the complaints, just get the form and they will bring it to the Main Office.

A few examples of violations that are talked about, but not properly reported:

1. My neighbor has 2 vehicles and when they use the one pulled closest to the shed they park the other on the street and leave it there. This is one of those parking violations, as there is NO on-street parking in Teakwood. Put this in writing with as much info as you can so that Teakwood can verify and get this corrected, yes even if we have to have a vehicle towed.
2. My neighbor has 2 dogs and just added another to their home. The pet section rules say no more than 2 pets per home. Put this in writing so we can take care of it.
3. My neighbor lets their pet do its business on my lawn and I have asked them not to. Put this in writing as we do not allow anyone to go into your yard without your permission.

There will be a number of things that are not a Rules and Regulations violation, but if you are not, sure call or text the main office at 727-584-8684 or e-mail at [tkwdllf@aol.com](mailto:tkwdllf@aol.com) to find out if it is a violation. One last thought on things I have heard. If your neighbor uses language that you find offensive, just politely let them know you are offended and if they don't change walk away until you are no longer offended.

Fun facts: April is Nat'l Grilled Cheese month. We start the month with April Fool's Day on the 1st and end with Nat'l Honesty Day on the 30th.

## HOMEOWNER'S ASSOCIATION DIRECTORS PRESENTS: "DID YOU KNOW?"

---

### "Did You Know?"

## DID YOU KNOW ?

- \* There is to be no parking on the street in front of the mailboxes, even for a minute(s). Not even because you think it is more convenient. Not even if you think no one is around or going to come.
- \* Recently there have been two close calls (accidents) caused by people parking in front of the mailboxes to get the mail. That curve is narrow and has blind spots. These two situations are not the only times there have been close calls.
- \* There is a sign stating no parking, there are stripes, there are words on the street that read no parking (just might be under your parked truck, car, vehicle, etc) but the words "No Parking" are bold enough to read before you park there illegally!
- \* Come on! Take pride in yourself! Make Safety a priority! Residents that are doing this (you know who you are) are putting yourself, your vehicle, your fellow residents in danger! Why? Because you cannot take the time to pull into the parking lot!
- \* How would you feel if someone gets hurt, if someone gets their vehicle damaged because of your lack of not obeying the rules and regulations?
- \* "Did You Know" There would be more people in Teakwood Village not so upset .... just by fellow community members using good judgment, being concerned, obeying the rules and regulations, and thinking of others!
- \* Try it! Be in the "Know"!!

If any residents use the clubhouses for any activities, please wear a face mask and clean your individual table space & chair or the exercise equipment you use with a sanitized wipe.

## OUTDOOR ACTIVITIES

*Submitted by Paul Fadden*

---

Some Teakwood residents have started getting together for “pick-up” games of bocce and shuffleboard. If you would like to play here is what you will need to know:

Bocce – Tuesdays 9:30-11:00 (unless it rains). Bring a mask and a card that says you have gotten both of the COVID-19 vaccine shots. Bring sanitizing wipes to clean your balls when you have completed your turn. Practice social distancing  
Shuffleboard - Thursdays 1:30 – 2:30. Bring your mask and sanitizing wipes to wipe of the pucks & your stick after the game. Practice Social Distancing.

## POOL AEROBICS

---

There are two classes you can participate in:

Low impact aerobics on Monday, Wednesday & Friday at 9:00 A.M. led by Darlene Coburn, weather permitting (at least 60 degrees)

OR

Regular aerobics Monday through Friday 10:00 A.M. led by Irene Girard.

## CANASTA:

---

Join the fun on Monday nights at the Tiki Hall. The start time has been changed to 5:30 p.m. Please arrive a few minutes early to pick teams. The cost to play is \$0.75. Don't forget to bring your mask and sani-wipe to clean your area after the games. Everyone is welcome.

## DINING OUT

*Submitted by Dianna Martin*

---

**B**enedict's 201 West Bay Dr, Largo, open Mon-Sat 7:00 am – 3:00 pm & Sunday 7:00 – 2:00, Dine in, Curbside pick-up, Delivery, on-line ordering available.

It is nice to have a breakfast, lunch, brunch restaurant so close to Teakwood. Benedict's is spacious inside which enables them to provide social distancing. There are also tables on the shaded veranda.

Here are the menu items we tried: Western Omelet (\$8.99), Sunrise Wrap (\$5.49), Quiche Lorraine (\$10.99), Smoked Salmon Eggs Benedict (\$11.49), Reuben Sandwich (\$8.99), Patty Melt (\$8.99), Turkey Club Sandwich (\$8.99). Most egg dishes come with fresh fruit and homemade bread. The sandwiches come with French fries, chips or cup of soup. Everything was about as you would expect from a nice restaurant. However, there were a couple of WOWs. First, the homemade bread. Two ladies chose cranberry/orange and two picked apple/caramel. Think of a thick slice of banana bread but so much better! More than one person wished they had the recipe. The second outstanding item was the French fries. The consensus was that the fries were coated in something before being dropped in the fryer. They were beautifully golden, crispy on the outside and served in an attractive basket.

If you want to spice up a Sunday Brunch, they do serve Bloody Marys and Mimosas as well as a variety of wine. For those of you who need a jolt of caffeine, Benedict's offers Cappuccino and Espresso in addition to regular or flavored coffee.

Overall, it was an enjoyable dining experience and everyone agreed they would come again.

## FUN FACTS

---

**S**pring occurs from the Vernal Equinox (usually March 20th) to the Summer Solstice (usually June 21st)

On the Vernal Equinox there are 12 hours of daylight and 12 hours of dark.

Benjamin Franklin was the first to propose daylight savings time in 1784 but it wasn't fully implemented until the end of World War II. Arizona & Hawaii do not follow daylight savings as they already have enough sunlight & hot weather and choose not to confuse the sleeping cycle of their residents.

During Spring the sun rises earlier in the morning and sets later in the afternoon.

Baby birds learn to sing during spring. Although they are born with the ability to sing, they must learn the specific song of their species.

## THE GOLFER'S POEM

*Submitted by Kathi Hawkins*

**I**n my hand, I hold a ball,  
White and dimpled, rather small.  
Oh, how bland it does appear,  
This harmless looking little sphere.  
By it's size I could not guess,  
The awesome strength it does possess.  
But since I fell beneath its spell,  
I've wandered through the fires of hell.  
My life has not been quite the same,  
Since I chose to play this silly game.  
It rules my mind for hours on end,  
A fortune it has made me spend.  
It has made me yell, curse and cry,  
I hate myself and want to die.  
It promises a thing called par,  
If I can hit it straight and far.  
To master such a tiny ball,  
Should not be very hard at all.  
But my desires the ball refuses,  
And does exactly as it chooses.  
It hooks and slices, dribbles and dies,

And disappears before my eyes.  
Often it will have a whim,  
To hit a tree or take a swim.  
With miles of grass on which to land,  
It finds a tiny patch of sand.  
Then has me off'ring up my soul,  
If only it would find the hole.  
It's made me whimper like a pup,  
And swear that I will give it up.  
And take to drink to ease my sorrow,  
But that ball knows ... I'll be back tomorrow!

**A**s you all have heard we have started having some of our events. We started having coffee hour, poker, shuffleboard and euchre. We are going to have an ice cream social on St Paddy's Day and then Easter dinner. We have asked everyone to wear masks so we can have more events. Hope you are all staying safe so we can all return to Teakwood.

## RCS FOOD BANK DONATIONS

---

Feeding the Community

### Hope Villages of America

**H**ope Villages in Clearwater is a very busy place providing sustenance for thousands in need in Pinellas County. March was a busy month with an average of about 65 families being serviced on a daily basis.

Although Teakwood Village West usually has an annual food drive in March, due to many who haven't returned this winter, we will continue our collection community wide as we have during the calendar year.

For those getting ready to depart back to the north, don't bother carting your food back home and consider donating to the food bank.

Although we have normally focused our collection efforts on foodstuffs, we also distribute these items that you may donate as an alternative:

Pet Food

Personal Grooming Items (shampoo/soap/toothbrushes/toothpaste/deodorant)

Men's/Women's Socks

Disposable utensils and salt/pepper packs

We are especially in need of reusable (cloth) shopping bags.

Of course, monetary donations are always welcomed and can be used as a tax deduction. As always you can drop the food off at my home under my mailbox (#7 Beechwood), or I will be happy to pick up any items you may not be able to carry.

Happy Spring!

## FROM THE EDITORS – APRIL 2021

---

It is Mid-March as I sit down to write this. The sun is shining, and temperatures hover around freezing. We had a few days of really mild weather last week and the snow is almost all melted. The ice is still on the lake but is anything but safe to venture out on. March came in like a lion in our area so we are hoping it will go out like a lamb. I really believe Spring is around the corner! Although Canada is extremely far behind other countries in getting needles into arms, with the development of more vaccines, we are getting closer to getting immunized against Coronavirus. I sincerely hope Health Canada looks at what all went wrong during this pandemic, in hopes of doing better in the future.

This pandemic has shown us how resilient we humans are. It's been a full year of living with Coronavirus and our case numbers are coming down in most areas. There is talk of a third wave due to the variants that have been developed. Thank goodness the vaccines have been shown to be effective against the variants we've seen so far. It doesn't look like we will be able to safely have concerts or other large events for the foreseeable future but at least we can start going out to eat and increase our bubbles to 10 people again. There is speculation that things will never return to what we saw as normal in the past but will hopefully be safer and healthier.

Can't tell you how much we have missed our Teakwood family this year. We are certainly looking forward to coming down next year – God willing. The lack of activities this year have not been kind to my waistline! I have tried to walk as often as I can and keep busy doing my crafts. My screen time is probably double or even triple what I used to have. Baking as a hobby hasn't helped my weight either!

Again, our newsletter is only as good as the articles you send to us. A big thank you to those who consistently send their information to us and always on time.

Please send information regarding your activities to “teakwoodkelly@gmail.com” by the 10th of the month.

Cheers – Dawn and Al

**Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.**

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system.
