PARADISE ISLAND UPDATE

Pat Walker, Association President

Oh happy days, Spring has arrived! Time to break out shorts, tank tops, sandals and swim suits and enjoy this brief season before the summer sun starts to sizzle.

Wow, one whole year has passed since that evil virus known as COVID-19 struck with a vengeance creating havoc and leaving heartbreak along the way. Many of us have known friends or family members who were personally affected and our prayers continue to go out to them. Most senior citizens have finally gotten vaccinations and can now start to breathe easier and feel more comfortable in social situations. With COVID numbers falling, we remain hopeful that ELS will soon ease some restrictions placed on the number of attendees allowed at social gatherings so we can include more participants at park events.

The free monthly membership dinners have been very popular, but because of the ELS requirement to have all food either catered or purchased, the impact on our budget has been significant. Until we can once again share food prepared in our homes and have a real pot-luck dinner, going forward we are forced to charge a small donation for attendance. The donation will be collected at the door. Continue to sign up to attend and remember to bring your beverage and place setting. Ham is the traditional entrée for Easter and will be the main course at the April membership dinner.

The entertainment committee met to make tentative event plans for the next several months. We are hopeful to be able to host the annual Derby Day party the first Saturday in May, BBQs during the summer, a Country-Themed event in October and of course the Christmas Party in December. Stay tuned for details....better yet, come to the monthly meetings where we get your input before finalizing event plans.

Let us know what type of activities you would be interested in participating in: kayaking, canoeing, fishing, golf, walking, horseshoe contests, shuffleboard, etc. perhaps we can get some organized group activities going.

Once again, to comply with an ELS requirement, please do to not drop off White Elephant Sale donations in the clubhouse; call either me or Lei and we will meet you at the storage garage.

See you at the monthly meeting on April 3rd. Remember to check your white mail tube for important notices and announcement flyers.

LAKE HAVEN MOBILE HOME OWNERS, INC.

The Annual HOA membership meeting was conducted February 16. Due to situations created by COVID (room attendance limits, fewer seasonal residents on-site and personal health concerns) attendance was well below normal.

President Lei Crance itemized the major HOA objectives accomplished over the past year: shuffleboard courts removed and replaced with new amenities; although limited to the most needed areas, some sidewalk repairs were made; re-cemented the damaged concrete at the dumpster site; three-year rental contract successfully negotiated with ELS. Issues related to compliance with the park Prospectus and Rules continue to exist and the HOA will continue to pursue resolution with ELS.

Tim Biggs discussed the possibility of forming a “Help Your Neighbor Committee” to aid those residents unable to perform minor tasks such as weeding. If you are interested in supporting this effort, please contact Tim; his phone number is in the park directory.

The HOA Board was pleased that many residents stepped forward to be nominated for a position on the board. Each nominee spoke of their work experience, individual strong points and desire to support Lake Haven and its residents. Election results were: serving two-year terms – Vern Lusk and Erin Pantelis; serving one-year terms – Tim Biggs and Rick Kastel. They, along with the three park presidents, Rob Peacock (effective April 1), Lori Witkin-Mocerino and Pat Walker represent the HOA Board of Directors effective March 1, 2021.

Following the HOA general meeting, the new board members met to determine board officers. Elected at that meeting were:

President	Vern Lusk – Lot #112
Vice President	Erin Pantelis – Lot #59
Treasurer	Rick Kastel – Lot #155
Secretary	Pat Walker – Lot #53
Directors	Tim Biggs – Lot #419
	Rob Peacock – Lot #508
	Lori Witkin-Mocerino – Lot #254

These board members are committed to supporting your interests to the best of their ability and to continuing to ensure that Lake Haven is a desirable place to live.

On behalf of all Lake Haven residents, I would like to thank outgoing President Lei Crance for her leadership and tireless efforts over the past four years. Responsibility is often a burden but she met the challenge with dedication and determination. We also want to acknowledge and thank the other outgoing directors: Ralph Crance, Bob Schauer and Rick Williamson for their service to our community. Thank you for a job well done.

TREASURE COVE HAPPENINGS-PARK

Susan Regan, Park 2 Secretary

Hi Everyone! I hope you all had a great month. Did everyone recover from the loss of 1 hour yet? Welcome to April. April is considered the growing season when trees and flowers begin to open but those of us that are fortunate enough to live in Florida enjoy a lot of blooms all year long. However we look forward to the flowers that only grace us in the spring.

By the time you read this we will have had our “Meat and Greet BBQ” which is being held March 27 at 3pm. We’re looking forward to meeting and getting to know our new residents. We will be serving hamburgers, hot dogs and all the fixings! All while honoring Covid protocols. I’m sure the weather will be great and it should be a great success.

We also have Passover and Easter. They can be two important days to reflect upon. The membership wants to wish all residents a Happy Easter and a Happy Passover. We hope you have a blessed day with family and loved ones.

Dedicated Senior Medical Center
A CHENMED COMPANY

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

www.Dedicated.care

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

**If you answered no to four or more of these questions,
call us at (727) 260-2651.**

Enough is enough

Investor John Bogle, founder of Vanguard, once told a profound story about the value of money:

“At a party given by a billionaire on Shelter Island, Kurt Vonnegut informs his pal, Joseph Heller, that their host, a hedge fund manager, had made more money in a single day than Heller had earned from his wildly popular novel *Catch-22* over its whole history. Heller responds, ‘Yes, but I have something he will never have—enough.’”

Legend of the touchstone

When the library of Alexandria burned centuries ago, only one insignificant book was saved. A poor man who could read a little bought it for a few coppers. The book wasn't very interesting, but between its pages he found something very interesting indeed—a thin strip of parchment on which was written the secret of the touchstone.

The touchstone, according to the document, was a small pebble that could turn any common metal into pure gold. The writing explained that it was lying among thousands and thousands of other pebbles on a beach. The real stone would feel warm to the touch, while ordinary pebbles are cold.

The man sold his few belongings, went to the seashore described on the parchment, and began testing pebbles. Figuring that if he picked up ordinary pebbles and threw them down again because they were cold, he might pick up the same pebble hundreds of times. So, when he felt one that was cold, he threw it into the sea.

He spent days at his search, picking up a pebble—cold—then throwing it into the sea. Picking up another and throwing it into the sea.

One day, after weeks and months, the man picked up a pebble and threw it into the sea. Then he realized that the pebble had been warm—the touchstone! But he had formed such a strong habit of throwing each pebble into the sea that when the one he wanted came along he still threw it away.

Don't let your habits trick you into throwing away your opportunities.

Storytelling is among the oldest forms of communication. Storytelling is the commonality of all human beings, in all places, in all times.

—Rives Collins

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

MONTHLY

Financial Literacy Month. It's a chance to reflect on the state of your personal finances and an opportunity to improve them one step at a time. Step one: Commit to change. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? Can you identify at least one benefit you hope to gain by changing your money management behavior?

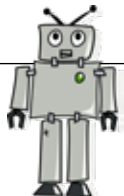

Jazz Appreciation Month. A music festival held every April in recognition of the significant contribution that jazz music has made to society. The aim of this annual event is to pay tribute to jazz for its historic and cultural significance by encouraging schools, governments, and organizations to participate in free jazz concerts and educational programs.

National Garden Month. Nothing says springtime more than the sprouts and shoots of a garden. Remember that gardens are not just for the enjoyment of people. They are important habitats for pollinators like bees, bats, birds, beetles, butterflies, and other animals.

WEEKLY

National Robotics Week, April 3–11. “RoboWeek” is a series of grassroots events and activities aimed at increasing public awareness of the strength and importance of the U.S. robotics industry and the tremendous social and cultural impact that robotics will have on the future.

National Dental Hygienists Week, April 4–10. Focusing on the importance of maintaining good oral health practices and helping people understand the role and importance of the dental hygiene profession, this year’s theme, "Oral Health for Total Health" reminds all of us that taking care of our mouth, teeth, and gums has a positive impact on other aspects of our lives.

National Park Week, April 17–25. National Park Week is a special time to celebrate national parks and programs across the country, and to encourage everyone to discover the nation's diverse natural and cultural heritage.

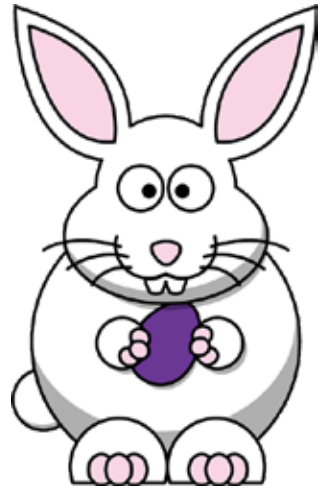

Medical Laboratory Professionals Week, April 19–24. Now in its 44th year, Medical Laboratory Professionals Week provides the profession with a unique opportunity to increase public understanding of and appreciation for clinical laboratory personnel.

Mysteries of the largest black hole

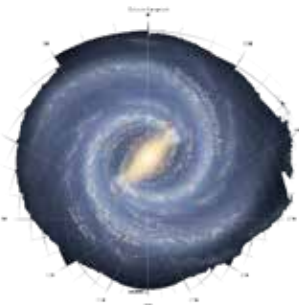

It's the biggest and oldest black hole ever discovered. And it's nowhere near close to giving up all its secrets, according to the Science News website.

The black hole, J0313-1806, has a mass equal to 1.6 billion suns. It's at the center of a galaxy more than 1.3 billion light-years from Earth, and it comes from a time when the universe was only 670 billion years old—about five percent of its age now.

How did it get so large? That's the mystery. Supermassive black holes—also known as quasars—are typically thought to grow from smaller black holes pulling in matter. However, astronomers estimate that if this quasar formed right after the universe's oldest stars and grew as fast as possible, it would have needed to start out with at least 10,000 times the mass of the sun. Collapsing stars that form black holes, though are thought to only create quasars around a few thousand times the mass of our sun.

Scientists theorize that a huge black hole could have formed from the collapse of primordial hydrogen gas in vast amounts. On the other hand, this black hole could have been produced by stellar collapse and grown more quickly than previously thought.

Which explanation is correct? Scientists will have to look further back through time toward the birth of the universe for smaller black holes and measure how they grow.

Yikes! Electric eels hunt in packs

Imagine fleeing from an electric eel. Pretty scary, right? Now imagine trying to escape a pack of them.

It's not a horror movie (yet). But The New York Times reports that scientists have discovered that eels, long considered to be loners of the deep, actually congregate in packs to hunt other fish. The behavior was actually first observed in 2013, when a Brazilian diver exploring an Amazon waterway came upon a “writhing mass” of 100 or more eels ganging up to prey on a group of tetra fish. The eels nudged them into tight balls and then hit them with a series of synchronized shocks.

The discovery was confirmed by other researchers and recently written up in a scientific journal. The eels have been identified as the Volta electric eel, which can grow to eight feet long and deliver a shock of 860 volts. Ten of them working together could produce enough electricity to power 100 light bulbs. Researchers speculate that they coordinate their attacks by communicating with low-voltage energy discharges.

The aim of science is to seek the simplest explanations of complex facts.

RAJANI MEDICAL GROUP

PRIMARY CARE PHYSICIANS

Lauren Holderith, M.D.

Board Certified, Internal Medicine

Dr. Holderith is a primary care physician with over 10 years experience delivering care to patients in the Tampa Bay Area. She earned her undergraduate degree from the University of Florida before completing her medical degree at the University of South Alabama College of Medicine and residency training at the University of South Florida. Dr. Holderith received multiple awards as an outstanding resident and is a member of the Alpha Omega Alpha national medical honor society. Dr. Holderith dedicates herself to providing high-quality compassionate care and has a special interest in preventative medicine and cardiovascular health.

Camille Mattia, M.D.

Board Certified, Internal Medicine

Dr. Mattia attended Boston College as an undergraduate and completed her medical degree at the University of Florida College of Medicine and post-graduate training at the University of South Florida. Consistently recognized by the Residency Evaluation Committee as an outstanding resident committed to patient care, professionalism, and personal development, Dr. Mattia has had a strong focus on outpatient preventative care throughout her training. Dr. Mattia strives to create a welcoming practice environment for her patients, establishing long-term relationships based on trust and good communication.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$156,200** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**.

That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:

Precision Vapor Barriers

Have You Looked UNDER Your Home Lately? **PROTECT YOUR HOME**

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a **20 Year Transferable Warranty!**

Call Us for a **FREE NO-PRESSURE No-Obligation Estimate**
