President's Report

By Ray Lamoureux #9

The park is starting to clean out. People are leaving to go north for the summer. It has been a very strange winter with the virus affecting the amount of people we normally have over the winter. I hope this is coming to an end so next year will be back to normal.

We are still having problems with owners and guests not signing in when they arrive and leave. The owner signs in to let the office know where to address park mail when issued. It also tells us the number of residents in the park at that time to inform them if we are shutting off the water or the electricity. It also tells us who is here if a hurricane is going to hit this area. This is very important information for the office.

We have had a number of water leaks lately. The board is hoping that it will stop for a while. We seem to run in bunches and then nothing for a long period of time. The system has been in since 1968 and we are bound to have leaks now and again.

We have not had many owners tour the Hardin house. Until we get a substantial number can the owners and the board make a decision on what to do with the property. If you are in the park please tour the house and let us know your thoughts on the house.

We just had three sales this last month and they lasted one day before being sold. As of this writing we have no units for sale.

The board hopes everyone traveling has a safe trip home and stays virus free this summer. Most people in the park have got their vaccinations. Please be safe and have a happy summer.

From the Editor's Desk

By Sue Bailey #188 suebail@tampabay.rr.com

Greetings:

All activities for the fall/winter season have ended. If and when we have a summer activities schedule, we will let you know.

Summer is more of a “laid-back” time in Sunny Florida, so not as many events occur as they do in the winter months. Wherever you are, whomever you’re visiting or wherever you’re vacationing, your articles are always welcome for the newsletter. We always like to read about what our fellow Golden Acres residents are doing and don’t forget the pictures!

This month you will read about a hazard warning from Jim Whitney #176 regarding the possibility of a coach fire, a beautiful poem written by Norma Moore #54 a Board reminder, Bingo update, messages from Fraud Watch and News in Health, and more. Many thanks for those who submitted articles for this month’s newsletter.

As May approaches, here are some notable events to remember: “Feliz Cinco de Mayo”, Happy Fifth of May! It originated with Mexican-American communities in the American West as a way to commemorate the cause of freedom and democracy during the first years of the American Civil War, and today the date is observed in the United States as a celebration of Mexican heritage and pride.

Mother’s Day is May 9th honoring mothers and motherhood. It is always on the second Sunday of May, the fourth Sunday of Lent. So Happy Mother’s Day to all and enjoy a relaxing day!

For our Canadians, Victoria Day is May 24th to celebrate Queen Victoria’s Birthday. Which this year is on her actual birthday. It is also known as the “May Long Weekend” or “May Two-Four” and is informally considered the beginning of the summer season in Canada. So Happy Victoria’s Day!

Memorial Day is May 31st to honor all Americans who have died while serving in the military. It is not to be confused with Veteran’s Day (Nov. 11th) which celebrates the service of all military veterans. It is also informally considered the beginning of the summer season in the U.S. So Happy Memorial Day!

As many of you will be leaving this month for your summer homes, I want to wish you safe traveling and a wonderful summer. I look forward to seeing you again in the fall. Farewell.

Until next time,
May God bless and keep you well and safe...

Recreation Committee

By Mark Johnson # 174

Our great park has experienced an unprecedented public health and safety challenge, as a result of the global Coronavirus pandemic. This has caused an inability to plan and schedule the recreational events we have grown to enjoy here at Golden Acres.

However, we are thankful that the top priority has been for the health and safety of our residents and visitors. We support the board, in their ongoing efforts, as we continue to wage war on this invisible enemy.

The recreation committee does have a provisional calendar prepared, in the event that we can turn the corner, on the virus through vaccination, and by following the necessary protocols, to mitigate its spread. Should this take place during the summer months, a plan to have activities scheduled, is ready.

Like most of you, the committee longs for a return to more normal times. We are grateful that we have been able to enjoy each other's company when possible.

The rec committee is fully committed to support our calendar of events when we are assured we can do them with everyone's health and safety in the forefront.

Look forward to seeing you this fall!

Greetings from the Office

By Karin Desmone

Please welcome Kevin & Pamela Pursell #106 to the park. Congratulations and may you find lots of happiness, fun, and laughter in your new home.

Reminder from the Board:

It was brought to our attention that residents are taking it upon themselves to line the street lampposts lenses with foil, cardboard, and even painting the lenses and in some cases changing the light bulbs. Please do not tamper with the lamp posts. The lamp posts are there to safely light up dark streets.

BINGO

By Linda St. Peter #140

Hello Everyone,

I'm taking over our weekly Bingo games. Maureen Shannon has been kind enough to train me, in hopes we can have Bingo next season. If so, we'll be starting in January. What a year this has been, we went from so many fun things to closed until Covid is over. So, here's hoping for next year and for all those that helped out, I hope you'll be able to again. Look forward to seeing lots of you at Bingo again.

Golden Acres Coach Fire Hazard

By Jim Whitney #176

Heating and Cooling Breaker Box F.Y.I

We woke up on Saturday of Easter Weekend to no heat or cooling. It turns out that the outdoor breaker for the HVAC unit had been switched off. I reset it and after 20 min. it quit working again. The breaker had switched off again.

We called an HVAC company who trouble shot the issue and found that the breaker had actually shorted out between the box and the breaker. (See Photo) The breaker had actually melted and appears to have burned, at least momentarily. The possibilities as a result of this problem were blowing a hole through the coach, shorting out and electrifying the entire coach, and most probably would have started a fire. We were blessed to have found this issue before a worst-case scenario occurred.

Most of the coaches in Golden Acres are older units and may still be using the original breaker box, as ours did. From our experience we encourage you to have your HVAC system inspected yearly and specifically have your HVAC breaker box inspected beyond just the breaker itself. It could save your life.

A HEARTFELT THANK YOU

By Valerie O'Farrell #31

Thank
You!

Thank you to all the people who helped me during my run of surgeries. For getting groceries and bringing food, for driving me to appointments, etc. and to Dawg for arranging the purchase and delivery of my new car.

Thank you all so much, it was all very much appreciated, and I must add that I am well on my way to a full recovery!

MOONLIGHT

By Norma Moore #54

The sun is warm, snow is melting, Spring is here. But memories of Winter in the North are not far away. Here is one of my Winter memories:

Moonlight

It was simply impossible to resist. The moon was calling, and I couldn't turn away. I couldn't stay in my nice, warm, cozy bed and try to get back to sleep; the snow fairies were out, and they were dancing!

My long coat, over my pajamas, warm toque, and winter boots, insulated me from the February cold. The words of the old hymn, 'In the Bleak Mid-Winter', "snow had fallen, snow on snow on snow" were so apt as I waded through the six inches that had fallen last night after yesterday's eight.

My garden was unbelievable in its white beauty. Even the deciduous trees were clad in white – soft and fluffy and clinging. Our view of the valley was gone, our trees a curtain of white where in summer they are a backdrop of green. Not enough light for my camera, yet it seemed like daylight, the world was so bright. The stars added their light to the moon's glow.

Our deer, our family of four, were not out tonight in my garden. The only movement was when a soft puff of wind moved branches above me. I hoped the deer were curled up, tucked

...continued on page 16

in and safe, somewhere deep in the forest.

Inside again, as I watched, everything changed. As clouds moved in to cover the moon's face the picture from my window went from three dimensions to two. I felt bereft! The moon behind the trees had cast shadows over the snow, creating a whole world of dimension and possibility; when her face was veiled, the world became flat, an unpainted canvass.

If you are old enough, you will remember the words of this song, this little prayer:

‘I see the moon, the moon sees me,
down through the leaves of the old oak tree,
Please make the light that shines on me,
Shine on the one I love.’

As I watched, the clouds parted, and I saw my garden in three dimension again. Ahhh! Such beauty in the world around us if we are able to lift the veil and see it. It is like falling down a rabbit hole, or stepping into the magic wardrobe, another existence is there waiting for us to experience, if we can just see it. Perhaps insomnia has its benefits!

Medicare Card Scams

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

Scammers are emailing, calling, and even knocking on doors, claiming to be from Medicare and offering all sorts of pandemic-related services if you “verify” your Medicare ID number.

The scheme: The offers include new cards they claim contain microchips. Some posers are asking for payment to move beneficiaries up in line for the COVID-19 vaccine.

How to avoid: Hang up the phone, shut the door, delete the email. According to the Centers for Medicare & Medicaid Services, Medicare will never contact you without permission for your Medicare number or other personal information. And it will never call to sell you anything. Guard your Medicare number and never pay for a COVID vaccine. It's free.

Antibodies Protect Against COVID-19 Reinfection

From NIH (News in Health) [newsinahealth.nih.gov](https://www.newsinahealth.nih.gov)

After having COVID-19, most people's bodies develop antibodies to help fight it off. These are special molecules made by the body's disease defense system, the immune system. A study found that people with these antibodies were less likely to get COVID-19 again.

Researchers looked at more than 3 million people who had an antibody test for SARS-CoV-2. SARS-CoV-2 is the virus that causes COVID-19.

They found that about 11% of people had SARS-CoV-2 antibodies. More than 88% had a negative test. And less than 1% of tests were inconclusive.

The scientists looked at who came down with COVID-19 after the test. They analyzed up to 30 days, 31–60 days, 61–90 days, and more than 90 days after.

About 3% to 4% of people with negative antibody tests got COVID-19 in each time period. But those who had antibodies were less likely to have COVID-19 as time went on. Only 0.3% of the people with antibodies had a positive COVID-19 test more than 90 days after. Those without antibodies were 10 times more likely to get the disease.

The findings suggest that people who have a positive result from an antibody test may be at lower risk for future infection with SARS-CoV-2.

NIH's Dr. Lynn Penberthy, who led the research team, explains that more questions still need to be answered. "We are nevertheless encouraged by this early finding," she says.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
