Southwind Fall and Winter Bowling League

by Bill A.

Well folks, our fall and winter bowling season is over. We bowled 23 weeks and finished up with a 9 pin tap tournament and banquet at Maples Lanes. We all had a good time and cheered everyone on, our teammates and opponents.

Here is the rundown for the final league results. After 22 weeks of bowling, we had a tie for first between the Chevy Truckers and The Bentleys. The Chevy Truckers members were Ginny Hughes, Lyle Neumann and Dave Lense. The Bentleys members were Kevin Robertson, Dale Feiste, and Jane Szarlan. All teams received a cash prize. The amount was based on how many points you had at the end of the season.

Other prize winners were as follows:

Men- high scratch game: Dave Lense-246, high scratch series Dave Lense-620,
high handicap game: Carl Mankowski-279, high handicap series: Jerry Antonczak-722.

Women high scratch game: Joanne Zeffiro-208, high scratch series Joanne Zeffiro-502,
high handicap game Jane Szarlan-256, high handicap series Cheryl Hudecek-670.

Summer league sign-up sheet is on the bulletin board, in the Club House.

We start on Friday, May 7, 2021 at 9:30am, practice at 9:20am. Cost is \$10 per week.

This is for something to do during the summer type of league. Teams are flexible. It runs through the end of September or first week of October. There are no league standings, but we do keep your average. We welcome new members to Southwind to come and bowl with us, at Maple Lanes on U. S. 19 N.

SOUTHWIND MONTHLY – MEN’S BREAKFAST

SOUTHWIND MONTHLY – MEN’S BREAKFAST is held year around offsite, often on the 2nd Tuesday of the month. Southwind resident John Mietus, Lot #21, puts a sign-up sheet on the Community Bulletin Board in the Club House about a week before the breakfast. If you are interested in attending this monthly event, please sign up. For the past few months, they have been meeting for breakfast at Benedict’s in Dunedin. Days and places may vary, so be sure to check the info on the sign-up sheet.

ATTENTION: SOUTHWIND LADIES

By Terri C.

If you are new to Southwind, or ready to venture out again (post Covid vaccinations) – you may want to sign up for the **Monthly Ladies Luncheon** that is held on the **2nd Wednesday of the month** at various local restaurants and eateries, usually at 12:30pm. You can carpool with a neighbor, or come on your own, but please sign up on the Bulletin Board in the Club House. Joanne Zeffiro is kind enough to volunteer to organize this monthly outing and call ahead to make reservations. She often asks for suggestions from the group.

We have been to Cheddars Scratch Kitchen in Largo, to Yianni's Greek and Rusty Bellies in Tarpon Springs. My personal favorite is Sunset Grill, in Clearwater, but Grillsmith, Beachcombers, and Café Al Fresco in Dunedin also top my personal list... OK, OK, let's be real here – I have a lot of favorites! LOL

The March 2021 Luncheon was held on March 10th at Palm Pavilion Beachside on Clearwater Beach. (Yup, you guessed it – another one of my list toppers).

Maggie Griscavage sent this attached photo in to The Breezes for the newsletter. Thank you, Maggie! Hope to see you ladies, at the next one in May!

2021 HELP YOUR NEIGHBOR DAY A HUGE SUCCESS!

By Terri C

Once again, this AWESOME Southwind Community came together to help our neighborhood stay clean, tidy and beautiful so that we may all enjoy living in a well kept environment. Maintaining our Community as attractive as possible really does draw in new residents and keeps our home values up, for resale.

The Volunteers hard work and caring efforts made an amazing difference and their pride really shows! Led by our committed organizer, Cheryl Hudecek – 23 volunteers showed up to help their neighbors with weeding, raking, trimming, gutter cleaning and just a whole lot of sprucing up, including bagging up and removing debris. The volunteers included:

Lyle Neumann	Dave Cheney	Debbie Johnston	Sandy McDonald
Rose Baker	Susan – Rose’s Friend	Bill Adams	Jack Manning
Bill Kairis	Joanne Zeffiro	John Mietus	Frieda Juran
Ellie Malloy	Ray Miller	Lynn McGraw	Sally Maloney
Karen Ragsdale	Maggie Griscavage	Dale Fieste	Julie Martens
Dave Lense	Mike Maloney	Cheryl Hudecek (took the picture)	

Unable to attend on Saturday were Peggy Zillman and Jerry Antonczak, but they helped a neighbor on Friday, the day before. Thank you.

Lunch was provided by Management, and workers enjoyed delicious deli sandwiches, chips and drinks.

As a special thank you from this grateful neighbor, chocolate brownies were fresh baked and contributed to the volunteers who did a tremendous job on #127. “NO Ray, Cheryl did NOT bake the brownies!” A special thank you from Terri; to Lyle, Joanne, Dave, John, Debbie, Karen, and Jack, for your help and kindness. Residents have put “Thank you” notes up in the Club House to express their gratitude, but we ALL benefit from this wonderful event each year. THANK YOU VOLUNTEERS!

Fun Day 2021

by Bill A.

Fun Day 2021, held on Saturday March 27th, was a beautiful sunny day. The tables were set, the grill was hot and the soda and water was cold. The cooking duo of John and Jack, worked under a hot sun by a hot grill. They cooked 24 hotdogs and 48 hamburgers. Sharon ladled out the baked beans and chips to go along with the hotdogs and hamburgers.

On Fun Day, the shuffleboard courts were full and many games were played. Neighbors and friends sat on their lawn chairs and talked. We had around 60+ people in attendance. It was a fun day where our community socialized once again.

The HOA Board wants to thank Ceci and Kingsley Management for providing the hotdogs and hamburgers. The Board would also like to thank the many people who volunteered in helping set up, handing out the meals and cleaning up. There were too many volunteers to list them all, but we give a Big Thank You from the Southwind HOA Board and Community for volunteering. We could not hold these events without the volunteers.

Please look on the bulletin board for our next event.

TO YOUR HEALTH

By Terri C.

After having had both Covid vaccinations, some people are dealing with what they call Covid constipation. If that sounds like someone you know, this suggestion might help: This recipe for a morning elixir may be the answer.

To boost hydration and digestion, and get things ‘moving’ again – just mix:

1. Half a cup of fruit juice
2. 8 ounces of water
3. 1 teaspoon of chia seeds

Stir and drink the whole glass for best results, fast.

*Chia seeds are available at Publix - Greenwise brand organic chia seeds 8 ounce bag for about \$5-6

You can also try eating slices of Kiwi fruit with the skin still on – light golden skin tastes better than the darker “fuzzy” skin, to help with constipation.

THINGS YOU MAY NOT KNOW ABOUT THE HEALING PROPERTIES OF LEMONS

1. It has been proven through research that placing sliced lemons next to your bed at night can help improve respiratory concerns, air quality and sleep
2. People suffering from asthma or sinus should practice the habit of placing lemon next to the bed, as it also opens up their lung pathways.
3. By placing lemon near your bed you inhale the natural aroma of the fruit that further

continued on page 14

- 
- regulates blood circulation and reduces blood pressure
4. According to aromatherapy studies, lemon stimulates serotonin production (the brain's happy place chemical), reduces stress, and regulates anxiety/ mood swings. Adding a few drops to your morning water can boost your energy.
 5. Rubbing lemon peels on your skin or even placing it near the pillow can protect you against mosquito and insect bite. (ants and mosquitoes hate the smell)
 6. Some studies claim that aromatherapy with essential oils such as lemon could improve the cognitive function of people with Alzheimer's disease.
 7. Lemon oil extracted from the skin of the lemon and diluted can be applied directly to the skin, and is used for a variety of skin conditions including acne.

Joke of Art

From Art Temple

Young Marriage

Two very close classmates, Timmy and Dolly, were 10 years olds who admired each other intently. One day they decided it was time to get married, so Timmy approached Dolly's dad one day and said, "Mr. Smith, Dolly and I are in love and I am asking you for her hand in marriage."

Mr. Smith thought for a moment and then said, "Timmy, you are only 10 years old. Where do you two expect to live?" Timmy quickly replied, "Why, in Dolly's room. Mine is too small. Hers is a nice big room and we will fit there nicely."

Mr. Smith, with a huge grin, said, "How will you live? You're not old enough to get a job, and you'll need to support Dolly." Instantly, Timmy replied, "On our allowances. Dolly gets \$5.00 a week and I get \$10.00 a week. That's about \$60.00 a month, so that should do us just fine, don't you think?"

Mr. Smith, impressed that Timmy had put so much thought into this, replied, "Well, Timmy, it seems you have figured everything out. I just have one more question. What will you do if you two have little children of your own?" Timmy simply shrugged his shoulders and said, "Well, we've been lucky so far."

Scribblings To Samson

By Bill Roberts

Hey, Sammy Samson. Let's do story time. Ok let's get situated in Papa's chair. Yes we need to get the footrest up. Blue Kentucky pillow behind our heads. All comfy. No, we didn't forget the book. Well there are many ways to tell a story. Ha Ha I'm not making that up. Tonight's story is going to be about a little boy. Yes, you know him quite well. The little boy is you and Papa is going to tell you about things that you will do, things that you will see, things that you will feel and things of that sort. Oh no, it will not be boring but quite exciting. Of course, in some ways it will be up to you on how things turn out, but ultimately it will be the good Lord who will lead you on your path. Are you ready to get started? Well here we go.

Samson where should Papa get started? Yes, of course at the beginning. Well we won't go back as far as when you were born, but how about we start where you are now. Being a kid is a magical time in your life and you will learn more and more as each day goes by. Learning is a lifelong adventure and never stops. Samson, you have already learned how to walk, talk, ride a big wheel, and even catch a fish. As time goes on you will learn so much more and it will be a process that never stops as long as you keep your mind open and your heart loving. Yes, Papa still learns and some things more than once. But let's not forget that being a kid is also about playing, running, jumping, and watching cartoons on Saturday morning. Yes, I guess you're right. You can watch Peppa Pig anytime you want. I think Papa was thinking back to when he was a kid and he was watching Bugs Bunny and Scooby Doo. You're Mom and Dad told me that you have a swing set in the backyard. That is something that you will have hours and hours of fun with. Being out in the sun, a warm breeze hitting your face, and having the world at your feet. Papa can still remember swinging at Mom Macs house on a swing that was rigged up to the garage door opening. Yes, this time and the time around the corner will provide you with a lifetime of memories.

I heard you were going on to a new school. You know, school is a very important part of your life and can lead you in many exciting directions. You will learn to read and write your numbers, how to draw, and how to make things. Yes, I know you can spell your name and count to ten. You're already learning and Papa is proud of you. There will be so many things that will come your way; like classes that will teach you about English, math, history, and science, but the most exciting will be reading. Eventually you will read your own books that will allow you to learn about anything that you want and to go any place that your mind will allow. Papa's favorite book is: To Kill a Mockingbird and is waiting for the day to read it to you.

Something else that will be part of going to school will be the friends that you will make. Friends that might just be in your life for a short period of time or ones that will be in your life for a lifetime. There's nothing like having a buddy to ride bikes, shoot some hoops, go fishing, or just hang together on a lazy summer day. Papa can still remember hanging out with Billy C, Perma Bond, Amos, and M.O.K. You're right those are funny names. No, those weren't their real names but they're nicknames. A nickname is a name you make up for somebody to call them by. Like when I call you Sammy Samson or Bud Roe.

Girls. Oh yes, they will become a part of your life. No, you will never understand them but you will still want to be around them. Trust me. We will have to talk about that later when you are a little bit older. Yes, Papa has had girls in his life but for Papa they would be women

now. This will also be a discussion for later. Moving on, you will have girlfriends as you get older and one day you will marry one just like your Daddy married your Momma. Of course the lady you marry will be pretty. You will find her to be the prettiest woman that you have ever seen and you will light up like a Christmas tree every time she is around you. Just remember Samson always treat them like the ladies they are. Always use your manners, open doors for them, and let them order first in a restaurant.

Now of course you won't stay a kid forever. You will eventually learn to drive a car, finish your education, and to start your career. Career is just a fancy word for work. Then you will be all grown up and will become a man. This is when you will decide how you are going to act and present yourself to the world. You will make mistakes but will be remembered on how you correct them. Keep your manners and always be in the habit of saying "thank you", "you're welcome", "yes sir", and "yes, mam". No, you never get too old for that. Remember to be kind but to also be firm when needed. Stand tall and straight to offer your opinions but be gracious to listen to others. Never forget your heritage and remember we are a people who started in Kentucky, but you were born in North Carolina and always hang on to that with pride. Family is forever and never to be forgotten. As a man stand for your beliefs and don't be swayed with the fad of the moment. Be caring, loving, tolerant of others, and always be willing to help people.

Well I guess it's about time to get you into bed. Yeah I guess Papa can talk a lot. I'm glad you enjoyed the story. Yes, Papa will always read or tell you stories. One day you probably will be a Papa. You know Samson one day you might be reading Papa stories. And maybe by then you will be writing your own scribblings. Goodnight. I love you Papa. I love you too Sammy Samson.

ATTENTION SOUTHWIND HOMEOWNERS

By Terri C.

MAY is a good month to get your home service checks for your A/C, plumbing, hot water heater, electrical and drainage systems, before the summer.

After hearing an ad on TV for a \$68 a/c checkup, I called Performance at 727-323-8088, to schedule an appointment. I did set an appointment but then days later (before my scheduled appt), my A/C went out. I called Performance and they sent a Tech out the same day. What I found out was terrifying!

I wrote this review on Google and now I'm sharing it with Southwind residents:

*"My a/c stopped working days before I had a scheduled spring check-up with Performance A/C, so I called and got A/C Tech - Cody E. assigned to come make the repair. Cody is very professional, courteous and diligent in his work. He found the problem, which was **serious enough that it could have caught on fire!** He just may have saved my life! He replaced the High Voltage Safety Interruptor, and got my a/c working again. Cody took pictures and was very thorough in his work. I can't say enough good things about this young man and how much I appreciate Performance Air Conditioning, Electrical and Plumbing."*

I'm attaching pictures of how bad the corrosion and rust was inside the wiring box on the outside wall and carried the wiring from the thermostat to the outside a/c unit. I feel very lucky that Cody found the problem and fixed it. My unit is only 7-8 years old. Some of our

SOUTHWIND WATER AND UTILITIES INFO

By Terri C.

With our storm season coming up soon, here is some information that may be helpful – On Page 2 of this issue of the Breezes, please find a phone number listing for the following Utilities:

Duke Energy Outage – 1-800-228-8485

Spectrum Outage – 1-855-657-7328 (ask for customer service billing dept)

Water Outage – call Park Manager Office -727-786-6558

To have our community phone directory handy, cut the from page cover off of this issue and tape it inside a kitchen cabinet door, so you'll know where to find it at all times.

Also, please be advised that Southwind Park Manager will send out an email to let residents know when the water is off. If she does not have your email address, you will not be notified. Some residents don't check email daily or have no access to internet. The last time our water was off, I called several neighbors to let them know and they really appreciated it, and called more neighbors to let them know. It seems like we have water shut off far too often then we would like. I called Pinellas County Utilities to find out why this happens so frequently. There is a Palm Harbor Water Main Replacement Project going on this year, BUT it does not include Southwind. Here is what I found at <http://www.pinellascounty.org/utilities/projects/old-palm-harbor-alt19.htm>:

Pinellas County Utilities is replacing approximately 15 blocks of residential water mains in the Old Palm Harbor area neighborhood from Alt US19 (Palm Harbor Boulevard) to Omaha Street and from Delaware Avenue to Nebraska Avenue. The purpose of the project is to improve the water quality, water circulation and public safety by replacing the existing old and deteriorating potable water mains with new high standard pipes and improved potable water network system/safety.

The existing potable water mains are composed of old deteriorating galvanized pipes and very thin substandard Schedule 20 PVC pipes. The new replacement mains shall be 2-inch and

When Southwind has a water main break, it is the management office's responsibility to notify residents, call a plumber to make repairs, and notify residents if a boil water advisory is in effect (according to Pinellas County Utilities).

There has been some discussion about water quality safety and Boil Water Advisory's. The HOA Board is looking into this issue, but it may help now to review this info below.

Here are common FAQ's from: <http://www.pinellascounty.org/utilities/boilwater.html>

1. What is the proper way to disinfect my water so that it is safe to drink?

The preferred method of treatment is boiling. Boiling water kills harmful bacteria and parasites (freezing will not disinfect water). Bring water to a full rolling boil for at least 1 minute to kill most infectious organisms (germs). For areas without power, disinfect the tap water by adding 8 drops, about 1/8 teaspoon, of plain unscented household bleach per gallon of water and allow the water to stand for 30 minutes. If the water is cloudy, repeat the procedure. Use a container that has a cap or cover for disinfecting and storing water to be used for drinking. This will prevent contamination. If your well was flooded, boiling the water is the safest action, since disinfection does not kill certain parasites.

2. How should I wash my hands during a boil water advisory?

Based on the current conditions of the affected public water supplies, vigorous hand washing with soap and your tap water is safe for basic personal hygiene. If you are washing your hands to prepare food, if at all possible, you should use boiled (then cooled) water, disinfected or bottled water with hand washing soap.

3. Is potentially contaminated water (where *Cryptosporidium* is not the significant contaminant) safe for washing dishes or clothes?

Yes, if you rinse hand-washed dishes for a minute in a bleach solution (1 tablespoon bleach per gallon of water). Allow dishes to completely air dry. Most household dishwashers do not reach the proper temperature to sanitize dishes. It is safe to wash clothes in tap water.

4. Is potentially contaminated water safe for bathing and shaving?

The water may be used for showering, baths, shaving and washing, so long as care is taken not to swallow or allow water in eyes or nose or mouth. Children and disabled individuals should have their bath supervised to ensure water is not ingested. The time spent bathing should be minimized. Though the risk of illness is minimal, individuals who have recent surgical wounds, are immune-suppressed, or have a chronic illness may want to consider using bottled or boiled water for cleansing until the advisory is lifted.

5. How should I wash fruit and vegetables and make ice?

Fruits and vegetables should be washed with boiled (then cooled water) or bottled water or water sanitized with 8 drops (about 1/8 teaspoon) of unscented household bleach per gallon of water. Ice should be made with boiled water, bottled water or sanitized water.

6. What if I have already consumed potentially contaminated water?

Even if someone has consumed potentially contaminated water from either a public water system or a private well before they were aware of the boil water advisory, the likelihood of becoming ill is low. Anyone experiencing symptoms such as diarrhea, nausea, vomiting, abdominal cramps, with or without fever, should seek medical attention.

SOUTHWIND EVENTS UPDATES AND IDEAS

Our HOA Board is planning a **Memorial Day Cookout/ Barbecue**, and will post info on the Community Bulletin Board once details are formed.

New resident, Maggie Griscavage #143, is helping to collect ideas for evening events offsite, until the Club House re-opens fully. She was not here when we had Friday night Sunset Socials (before Covid). The 2nd Friday of the month, residents were invited to bring a snack item to share (and their own beverage) up to the Club House and meet their neighbors. After an hour of socializing, we all gathered at tables to play a dice game called (Left Center Right). Often times there were 50 - 60 people attending the Social. Everyone had a great time!

Maggie is willing to look into an offsite dinner out when working residents can go. The Jolly Trolley takes passengers to close by places like Clearwater Beach, Safety Harbor and Tarpon Springs. Maggie's looking into booking a group trolley to cut down on the hassle of finding parking, making it more convenient for a group. Trolley should pick up and drop off within the park. Trolley cost would be equally shared among those signing up to go.

If you are interested in something like this, please email Maggie at: yukon3135@gmail.com

THE GOOD OLD DAYS

I'm so old, I can remember going through a whole day without taking a picture of anything.

You think you know stress? When I grew up, if you missed a TV show you just missed it. Forever.

"GO FUND ME" in 1985 The First Tablet for Kids

MISSING THE GOOD OLD DAYS

by Terri C

Do you remember a show years ago, hosted by Art Linkletter? It was called "Kids say the darndest things". It's back now with a new host. Wouldn't it be fun for a family to sit down together and talk about words and phrases from their childhood and growing up?

Not long ago, I asked my 7 year old great niece about a phonebook and she asked "What's a phonebook? Is that "like" facebook on your phone?" My 33 year old nephew said, "I remember I used to sit on a phonebook when I was little and we had dinner at Grandma's house".

It's so strange to me now, with things changing so fast these days, that The Good Old Days were filled with words, phrases and stories that seem "like" they're "like" on a different "like" planet now... "for sure".

Wouldn't it be wild if a 7 year old saw a police car and said "Here comes the FUZZ dad,

you better slow down your hotrod, you dig?”

When I was a kid, don’t you dare ever complain about how tough life is, or you’d hear “You don’t know what tough is! I had to walk 10 miles to school, in the snow and rain, in shoes with holes in them.” I didn’t have a car or a bus to pick me up!”

Do you remember the family sitting down to Sunday dinner and just talking to each other?... but not with your mouthful! Or having to say “May I please be excused from the table?” Now, it’s hard to enforce the “no cell phones, or tablets at the dinner table” rule – if you ever even have Sunday dinner together at all!

In the parking lot at Publix the other day, people are walking around with their heads down looking at their phone, not paying attention – they’re not watching out for you, and if you honk at them, they might scream foul words at you or “flip you the bird”. Why?

All we are saying, is give peace a chance....
