Presidents Report

Don Boccanfuso

What an unbelievable year & half we all have had. So many negatives, but we have had some positive ones in Boca Ciega, that I will share.

When I arrived in Florida in November, we were very careful to stay safe and the park was our bubble. The residents came together to accomplish many tasks, which I will list.

- The lights on the shuffle board were replaced with LEDS, with a new system to make it much easier to change them in the future.
- We planted 40 fox tail palms.
- We took down a number of tall queens & diseased ones -also resident requests. We are also able to trim the remaining trees in house. This will allow us to save enough to pay for the fox tail next year.
- The Pool area and fence were painted.
- The front entrance was painted.
- We replaced all remaining 2 inch water shut offs.
- We fixed 3 ground leaks.
- We put 400 ft. of pipe in our ditch that should eliminate a lot of standing water.
- The laundry room was closed in, which will keep it much cleaner.

All the work was done with no cost to the park for our labour, as our residents are second to none.

I have never been so proud to be a part of Boca Ciega.

To the residents that did not make it down the year, we miss you, and are hoping all can get back next season.

In closing we would like to welcome the following new residents-

Paul & Tricia Novak (#31), Richard & Pamela McCoy(#129), Mark & Charlene Atkinson(#118), Joe & Alison Dennis (#79), and Mark & Karen Mace(#122).

Please stay safe.

GOOD BYE DEAR FRIENDS

Ingrid Eby

With the passing of Walt Kiernan, another piece of Boca Ciega's history has gone. Not only Walt, but now his wife Marge, has had to move to Texas to live with her daughter and son-in law. Unit 118 has been sold and those of us who knew Walt and Marge for many years are missing them. If you would like Marge's address to send her a note or card here it is:

Social Committee Tidbits

Mary Gilmore

As our season comes to an end, it is a good time to reflect on the many accomplishments successfully completed this year, in spite of the pandemic and a reduced resident population at Boca Ciega. Residents that I have spoken with have praised the work done by our men. Here is a list of projects many of which were completed and a few are a work in progress.

1. Trimming queen palms at the beginning of our season and before the end of our season.
2. Taking down diseased queen palms that were identified by a landscape service.
3. Cleaning up ditch in back of homes on Michigan. Also, focusing on growth between our fence and Deerfield's fence.
4. Bought and had planted (25+15) foxtail palms which then had to be watered for 6 weeks.
5. Fertilized existing (20+18) foxtail palms.
6. Found a leak in a pipe on Michigan near a shut off valve and replaced pipe with a PVC pipe.
7. Refreshed pool area by cleaning and then painting deck, design on deck, fence, tables and benches. Thank you ladies and gentlemen.
8. Refreshed lights on shuffleboard courts. Each of the two poles are now collapsible and have been painted black with LED lights.

9. Trimmed southern oaks at west end of park near our clubhouse.
 10. All 17 water valves in park have been replaced with PVC pipe and these water valves now have a 25 year life expectancy.
 11. Clubhouse, sheds, walkways, car stoppers and white fence have been power washed.
 12. Park entrance refreshed with paint and entrance garden brick surround also refreshed.
 13. All foxtail palms have been fertilized before the end of our season.
 14. Major work has been done on the ditch to connect pipes coming from the two storm drains on Michigan to a pipe system in the ditch. This is a work in progress.

A project that was started because a need was identified, was to eliminate the obstacle course made by boxes and bags of books on the floor of the library in front of the men's washroom. Lori heard about this problem from Rob, so she and Lucy took on the task of solving the problem. They went over all of the books and placed some of them on the library's shelves while duplicates that were found were saved for next year's yard sale. When Lori and Lucy emptied all of the boxes and bags of books, the ladies organized and straightened out the games, puzzles and extra newsletters on the shelves of the library. Thank you Lori and Lucy for doing this job for all of us. That's how things get done at Boca Ciega.

Another job that was done, was enclosing the laundry room. We now have a solid door and a wall with a window on the south side. No more screen porch look. Painting of the laundry room will be done in the future. Thank you to Dale Lenss, Ron Martin, Rob Bocchinfuso and Dennis Eby for your work.

A recent event that happened in our park and we should be aware of, was the theft of a three wheeler. The three wheeler was locked up with three other bikes in a carport. I spoke with Marty Boyd about the incident. She told me that the carport was equipped with a motion detector light, but that particular night, things were moved around in the carport because the family had company. For that reason, the motion detector didn't pick up any movement when the bike was stolen. Marty feels now that the sheriff's department should have been notified, but at the time the family thought that they didn't have enough information to give the police. We both agreed that the police should always be told of a theft that has taken place. A theft leaves any person thinking... "why would someone steal something from me"? They wonder...." does the thief now know what I have, and will they come back"? That's a bad feeling for anyone. What can a person do? Maybe you have a picture of your bike or you can describe it when you talk to the police. Maybe if your carport is quite long, you might need two motion detectors or perhaps reposition your motion detector to the area of your carport where your bikes are located. When you leave for the season, put your bikes in your home or in your shed. We were told by Don, if you see a car or an individual at night and you don't know who it is, call the police, not a board member. The Sheriff's Department phone number, found on the second page of our newsletter, is 582-6177.

On a much happier note, our rock angel has left quite an impression on all of us. We now have a collection of painted rocks. We got another gift at Easter from our rock angel to include

with our Saint Patrick's Day rock, our Valentine's Day rock and our first gift of the season, our Christmas rock. All of our gifts were signed BC 2020 or BC 2021. What good memories of our season at Boca Ciega. Many neighbors told me that this season was certainly different because of the pandemic and the fact that many of our residents were not able to come down. But this season was special, in that many of us got to know folks that we didn't know well, or at all. Our newest residents were great. They helped out whenever they could while working hard to make their home their own. Our park looks beautiful with all the work that was accomplished.

Hope you all have a good summer and we pray that next year we all can return to Boca Ciega for another year of making good memories.

St. Patrick's Day 2021

Susan Pranger

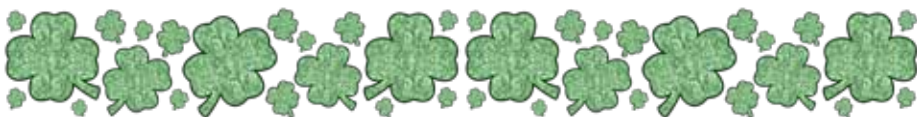

There was St. Patrick's Day 🍀 entertainment at the pool on March 17th. Three "Irish" ladies from the park entertained for the afternoon with their Irish jig. The Entertainers were Debbie Main, Sandie Anderson and Trish Novak .

Judges were (left to right) Sande Mousseau, Susan Pranger, Ingrid Eby, Lynda and Perry Anderson,

(Ingrid's niece and nephew) and Betty Bubelis.

The entertainers (and most everyone else) at the pool went home with beads around their neck.

Thank you ladies for an entertaining afternoon. 🍀

Rummage Sale Update

Rob Boccinfuso

Both of the sheds are officially closed for business! They are FULL! And that's a good thing!! When we know what's happening for 2022, we will let you know! We'll think positive thoughts for the coming year. Many thanks from the garage sale committee.

Mother's Day

Mother's Love

by Unknown Poet

Her love is like
an island in life's ocean,
vast and wide
A peaceful, quiet shelter
From the wind, the rain, the tide.

Tis bound on the north by Hope,
By Patience on the West,
By tender Counsel on the South
And on the East by Rest.

Above it like a beacon light
Shine Faith, and Truth, and Prayer;
And thro' the changing scenes of life
I find a haven there.

"A mother is she who
can take the place of all
others, but whose place
no one else can take."

—CARDINAL MERMILLOD
