For Over 3 Decades!

FROM THE BOARD

By April Loomis – Vice President

The COVID pandemic, world unrest, a diverse presidential election and crazy weather has caused all of us stress!

Being a board member, all of this has made a tough job, tougher. Especially when residents question every decision made and resort to anger in response. So, what’s the answer?

ATTITUDE

We realize that people hate change but freaking out over ridiculous things is not the answer. Diplomacy and common sense are essential.

When the board is faced with a problem, we spend time to research solutions. Many conversations take place before we present our recommendations. All nine of us debate the pros and cons with each other before we sit down at the board meeting so that we can present a unified presentation. Not one of us bases a decision on our own personal needs, nor do we just go along with the majority. We have spent a lot of time, research and thought before we vote.

Controversy is expected. Harsh words and insults will not bring about good results. Please remove emotions from the equation and listen openly to the solutions that the board presents.

You should have received a packet in the mail concerning two issues. In order to move forward, we need you to mail in your proxy as soon as possible.

Please remember, we are all on the same team, working toward the same goal- a successfully run co-op.

Thank you in advance for responding to the mailing with the proxy ballot!

MANAGER’S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

O ffice Closure – The Business Office will be closed on Monday, May 31st.

Happy Mother’s Day – May 9th, Happy Mother’s Day to all our Mothers!

MANAGER

Special Membership Meeting – The meeting is scheduled for May 7th.

Be sure to return your proxy. They don’t have to be mailed, you can scan and email them or fax them to 727-541-1438.

Hurricane Season – Storm season starts next month; now is the time to begin preparing. Please check your gutters to ensure they are cleaned out and not full of leaf debris. You will depend on them to handle the summer rains. It is a good time to stock up on batteries, non-perishable food and water. Be proactive now before these supplies are in demand next month!

Sidewalks & Walkways – Showcase Concrete Coatings will begin working on our walkways. They will be removing all the layers of old paint, repairing the cracks and recoating sidewalks and common areas. The projected start date for this project is May 11th.

Signs, Flags & Other Decorations – By now you should have received the recent Board Resolution regarding signs, flags and lawn ornaments. The office has been directed to begin enforcing this as soon as possible.

Pet Reminder – Residents are permitted to have one pet and are responsible for ensuring the office has up to date vaccination records on file. I have had residents point out that some residents have more than one. The Fair Housing Act rules regarding Service and Emotional Support Animals have changed. Documentation of the need for a service or ESA is stricter now. The certificates printed off the internet are no longer sufficient.

Butterfly Garden – We have a beautiful butterfly garden in front of the office & library now. Volunteers worked hard preparing the area and planting the flowers that attract them.

That is all I have for this month.

FROM THE EDITOR -

By Donna Collins

My wish for this month is for everyone to stay healthy and to be tolerant of others. Try each day to put yourself in someone else's shoes. These are trying times and we never know what others have had to endure. I was at the vaccination clinic the other day and an elderly gentleman was turned away because there was no record of his appointment. He had not completed the online form properly and became loud and angry. He was told to calm down and he would be helped or he could leave. Who could know that maybe he lived on his own and was not computer-savvy, had taken a bus or two to get to the clinic, hadn't eaten that day, or any number of other issues? Rather than get angry or upset with him, put yourself in his place. This is a frustrating, scary, and difficult time for everyone so let's put ourselves in someone else's shoes and maybe we can all have more compassion and understanding of what others are going through.

Have a happy, healthy, safe month of May.

What is a Special Meeting?

Submitted by Jane Jarlenski

Special meetings are unscheduled meetings called from time to time by the board for a specific purpose. Special meetings usually address issues that need immediate attention or that need more time and discussion than can be handled in routine board or annual meetings.

There are a couple of things that make special meetings ... well, special. Later this month we will have a Special Membership Meeting to decide on a Material Alteration (moving the mailboxes) and an Amendment to the By-laws (allowing the Board of Directors to negotiate bulk cable and internet services).

First, members must be notified of the exact purpose of the meeting, and the meeting must be limited specifically to achieving this purpose. This is important because people typically decide whether to attend a special meeting based on the issue and how it's being addressed. Therefore, actions taken on issues not listed in the notice will be invalid. In fact, no action can be taken at all, if it was not included in the notice. For example, if the stated purpose of a meeting is "to discuss" a problem, the board cannot actually vote on a solution—at least not in this meeting.

Second, association members—not just the board—can call for a special meeting, if they get a minimum number of signatures on a petition that states exactly what issue or problem they want to address. Homeowners give the petition, with its stated purpose, to a board member who schedules the special meeting. Guidelines for this can be found in chapter 617 of the Florida Statutes.

Like annual and board meetings, special meetings are open to all association members who wish to attend, and they require a quorum before any business can be conducted. Also, notifying all association members properly is essential; when and how the notice is delivered, what it says, and other requirements must be met.

Don't Mess With Seniors

- Don't irritate old people. The older we get, the less "Life in prison" is a deterrent.
- A senior lady headed to the bank to make a withdrawal. She handed her bank card to a bank cashier and said, "I would like to withdraw \$10." The cashier told her, "For withdrawals less than \$100 please use the ATM." The old lady wanted to know why? The cashier returned her bank card and irritably told her,

“These are the rules. Please leave if there is no other matter.

There is a line of customers behind you.”

The lady remained silent for a few seconds, then handed the card back to the cashier and said,

“Please help me withdraw all the money I have.”

The cashier was astonished when she checked the account balance.

She nodded her head, leaned down and told her,

"You have \$300,000 in your account and the bank doesn't have that much cash currently.

Could you make an appointment and come back tomorrow?"

The lady then asked how much she could withdraw immediately.

The cashier told her any amount up to \$3,000.

“Well, please let me have \$3,000 now”, the lady said.

The cashier then angrily went back to the vault retrieved stacks of \$20's and \$10's and spent the next ten minutes counting out \$3,000.

“Is there anything else I can do for you today?” the teller asked sternly.

The lady put \$10 in her purse and said

“Yes, I'd like to deposit \$2,990 into my account.”

BEAUTIFICATION

By Donna Miller

Happy Spring Everyone!

With Spring comes new beauty to the park - the Butterfly Garden is officially completed! Many thanks go out to the following people: Joel and Bob for removing the grass in the area for me, Tom and Patti Ranslow and Leigh Cesarz for helping me prepare the soil, and these three, along with Carmen Lefort, who helped me plant all 39 plants! Speaking of grass removal, I would also like to thank Carmen for her help in planting the grass that was removed from the Butterfly Garden. Yet another thank you is sent out to Bobbi Gumm (in the office) for helping me weed some of the Heliconia bed in front of the conference room while on her break - Thanks, Bobbi!

As you know, the Memory Garden has started having memory stones placed and more orders are on their way. If you would like to have a stone placed in the Memory Garden, please

pick up an order form either from myself or the office. Return the completed form to me with payment. Once ordered, the stones only take 1-2 weeks for receipt and placement. If you haven't noticed the Memory Garden with its stones, I recommend you take a look!

Till next time - stay in the beautifying mode!

Meet Your Neighbors – Johna Miller & Melissa Eppenstein

By Mark Vetter

Last year a new house came onto Lot 22 on La Salle and a mother & daughter moved in shortly thereafter. Mother, Johna and daughter Melissa became our new neighbors here in Clearwater Cascade along with their friendly dog, Sophie. They have been in the St Petersburg area since 2016 when they relocated from California. They told me that they had decided to leave California and began their search by looking at five different states as a new place to live. They decided on Florida, and originally were considering the east coast near Port St Lucie. At the last minute, they changed their mind and decided to try living near St Petersburg. It turns out Johna's parents lived in St Petersburg many years ago and having familiarity to the area helped in their decision.

Johna spent twenty-four years in law enforcement and continues to work for Walmart on Hwy 19. Melissa has a Masters degree in special education and is a special education teacher at Pinellas County ESE (Exceptional Student Education) Center in Clearwater.

Johna, has one son John, (Melissa's brother) and two grandchildren. Melissa, who is divorced has a daughter that lives in California, a step-brother and a step-sister.

In their search for a place to live, they got some assistance from Phil at Citrus Meadowood Homes. And they are very happy with their decision to land here at Clearwater Cascade.

Both Johna and Melissa love going to the beach and swimming at the pool. Their home has such a wonderful beachy vibe created by all the great décor throughout, much of which they bought before ever moving in.

They love to shop for bargains, grow beautiful plants/flowers and ride around the park on their bicycles. Johna would like to learn and play shuffleboard and both are thinking about taking golf lessons. They also look forward to when more park activities gear back up.

Be sure to say hello and introduce yourself to these wonderful ladies when you have the chance.

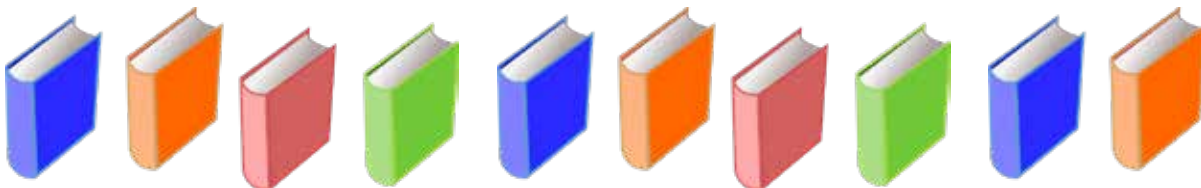

LIBRARY & BOOK TALK

By Ann Vetter

We have received so many wonderful donations over these past months. I want to thank everyone who supports our library. Many of the donations have been newly published books from some of the most popular authors in our community.

David Baldacci is one such author. He is notable for writing suspense and mystery novels. He studied political science and is an attorney. He lives in Virginia with his wife Michelle where they co-founded the Wish You Well Foundation that works to combat illiteracy. One of his latest novels Walk the Wire was recently donated along with several other older titles. You will find many of his books in both our hardbound and paperback collection.

SOCIAL CLUB

By Donna Collins, Secretary

Yes, there really is a Social Club in Clearwater Cascade Mobile Home Park. It was incorporated in 1997 and is officially called Cascade Social Club Inc. The club is governed by Florida Statutes “Business Organizations, Corporations not for Profit, Chapter 617. We have Articles of Incorporation, By-laws, and Rules and Regulations. When we have events that require the purchase of a ticket, there is state tax that we pay quarterly and a yearly report is sent to the state. The Social Club (SC) consists of nine members who are not required to run for re-election plus a voting past-president. When there are vacancies, they will be posted and nominations and applications will be accepted and elected by the full membership at the next Annual meeting. The officers of the Social Club are elected by the Social Club Directors by secret ballot. Our Annual meeting is held in February. As of February, 2021, we had a full Board. Unfortunately, one of our directors recently passed away. A notice will be posted in the fall about the procedure to submit an application to the Social Club board and an election will held at our February 5, 2022 Annual Meeting.

The SC organizes events for the fall and winter season. We are currently working on events for the 2021-2022 season and look forward to getting together with everyone in the fall. We run some events ourselves and are always looking for members of the park to host events with the assistance of the SC. We also welcome new ideas for activities. For the past several years the winter activities have included:

- Monthly breakfasts
- Monthly dinner/dances
- Christmas Social
- New Year’s Eve party
- Coffee and Donut Social
- Valentine Tea
- Variety Show
- Club Night with entertainment
- Annual Park Picnic

The Social Club has a Bulletin Board inside the pool door to the Clubhouse. It is usually very full but is likely quite bare at the moment. Posted will be the list of Directors and their contact info. There is also a Suggestion Box on the counter for your convenience.

All events require a ticket to control the number of participants and for buying food. Some activities are free and some that provide meals/entertainment are a nominal cost. Currently breakfasts and the picnic are \$4.00, dinner/dances are \$10.00, New Year’s Eve-\$15.00, and Club Night-\$5.00. These tickets are per person.

Would you like to be a Summer Events Coordinator?

If any one would like to consider being the Summer Events Coordinator, please contact any of our directors. In order to host an event, the procedure is to submit a description of the event and the estimated cost for approval and assistance. You will be contacted with how to proceed. This would also mean that any event sanctioned by the Social Club would **have** to adhere to the recommended restrictions of the State of Florida, Pinellas County, and the City of Pinellas Park.

2021 - 2022 Events tentatively planned as of April 15, 2021

These are the events that were set up for the 2020–2021 season. They have been moved forward to the 2021-2022 season with the hope that we will be able to socialize and that all seasonal residents will be able to return to Clearwater Cascade. There may be number and other restrictions. We must be flexible and considerate of our friends and neighbors.

Meet Your Neighbors – Jerry and Lou Gibson

By Mark Vetter

Last year, Jerry and Lou Gibson became our neighbors here in Clearwater Cascade when they purchased their place at 203 Saratoga, with the help of Lou's sister who was assisting in their search for a seasonal home here in Florida. And now, Lou's sister is also in the process of buying an existing home here in our park as well. The Gibson's are from Plymouth, Michigan a suburb outside of Detroit.

They had been looking for a place in this area, and had driven through our community from time to time several years back. After having toured the place they bought in previous year, they called Steve Barnstorf and made the purchase while they were up north. They plan to be here from January through May and in the fall for six weeks in October and November. They also let me know that they are already interested in stepping up to a double-wide unit.

The Gibson's have two adult daughters; one lives near them up in Michigan and the other live out in Las Vegas. They also have two grandsons. All of the family are coming to visit them here the first part of May.

Before retiring, Jerry worked thirty years for GM. And he and Lou sold real estate for twenty-five years.

When I stepped into their house, they were playing some sweet jazz music on their stereo. I quickly learned that Jerry and Lou are water lovers, much like Ann & myself and we talked about the different beaches in the area. They have a pontoon boat up north and enjoy getting out on the water there as well. They are interested in shuffleboard when the normal activities resume along with going to dances.

I first met Jerry and Lou at the pool, where you may run into them as well. Be sure to say hello and introduce yourselves.

DID YOU KNOW?

DID YOU KNOW ?

S.H.I.T is an acronym? In the 16th and 17th centuries, everything for export had to be transported by ship. It was also before the invention of commercial fertilizers, so large shipments of manure were quite common.

It was shipped dry, because in dry form it weighed a lot less than when wet, but once water (at sea) hit it, not only did it become heavier, but the process of fermentation began again, of which a by-product is methane gas. As the stuff was stored below decks in bundles you can see what could (and did) happen. Methane began to build up below decks and the first time someone came below at night with a lantern, BOOOOM!

Several ships were destroyed in this manner before it was determined just what was happening.

After that, the bundles of manure were always stamped with the instruction ' Stow High In Transit ' on them, which meant for the sailors to stow it high enough off the lower decks so that any water that came into the hold would not touch this "volatile" cargo and start the production of methane.

Thus evolved the term ' S.H.I.T. (Stow High In Transit). "So, it's really not a swear word" which has come down through the centuries and is in use to this very day.

LEAGUE SHUFFLEBOARD

By Patti Ranslow

Hi Everyone,
Another Winter is in the books at CC. The snowbirds, that were lucky enough to come to Florida, started leaving in April to head north. A few of us have been getting together to play shuffleboard from time to time. Fingers crossed we get to play league shuffleboard at CC in 2022.

The Shuffleboard League Officers, would like to wish everyone a great summer/fall season. Hope to see you all by January 2022.

Stay Safe!!
